A BRIEF BIOGRAPHY OF OUR GRAND MASTER

Donald Jamieson Gunn was born in Bradford, about forty miles north of Toronto, and in due course attended the public and high schools of that village. His parental ancestors were Highland Scots who were among the party of Selkirk settlers that returned from Manitoba and settled in the counties of Grey, Bruce and Simcoe. His late father, also Donald Gunn, was an early member and later Worshipful Master of Manitoba Lodge, A.F. & A.M., No. 236, Cookstown, which then met in Bond Head. His maternal grandparents came from Ballymena County, Antrim, in Northern Ireland, and his grandfather, W. R. Jamieson, was a member of Simcoe Lodge, A.F. & A.M., No. 79, Bradford, of which M.W. Bro. Gunn is an honorary member.

In his teens, our Grand Master with his widowed mother moved to Toronto where he attended Humberside Collegiate. His business career began when he joined one of Canada's largest rubber companies where he remained for over seventeen years, except for short service in the Canadian Army. He subsequently left the rubber business to become Secretary-Treasurer of a wholesale plumbing and heating supply house and is still with that firm as President and General Manager.

While still in the rubber business, he was initiated into Temple Lodge, A.F. & A.M., No. 525, Toronto and in December, 1932, became its Worshipful Master and later, in July, 1944, D.D.G.M. of Toronto District A. He was appointed to the Board of General Purposes of Grand Lodge in 1952, and was subsequently elected to that body from 1954 to 1964. While a member of the Board of General Purposes of Grand Lodge, he served as chairman of three committees of the Board, the Committee on the Condition of Masonry for three years, the Committee on Fraternal Dead for five years, and the Committee on Benevolence for two years. In 1965, he was elected Deputy Grand Master and at the Annual

Communication held on July 20, 1967, he was elevated to the highest office of all as our Grand Master.

He was a charter member of Kingsway Lodge, A.F. & A.M., No. 655, and is an honorary member of numerous other lodges. His other Masonic interests include Shekinah Chapter, No. 138, R.A.M., Past Most Wise Sovereign of the Toronto Chapter of Rose Croix of the Ancient and Accepted Scottish Rite of Canada, and in 1960 was made an Honorary 33rd degree Scottish Rite Mason. He is also a member of the Royal Order of Scotland.

Formerly active in the trade association of manufacturers and wholesalers in the plumbing and heating industry, he was National President in 1951 - 1952. An ardent golfer, he has been a member of the Islington Golf Club for many years and served as its President for three years. His religious affiliation is United Church and he is an elder in Kingsway-Lambton United Church.

Married to the former Jean Leask, he is the father of two daughters, Mrs. Robert Baker of Etobicoke, and Miss Jean Gunn, on the staff of the University of Toronto. The Gunns are also the fond grandparents of Janet and Donald Baker.

Such is the background of our new Grand Master, and he carries with him the good wishes of his many Masonic friends in the great responsibilities that are inseparable from the high office which he now holds.

RESOLUTION RE CENTENNIAL OF CONFEDERATION

R.W. Bro. Donald M. Fleming, at the request of the Grand Master, came to the dais and presented the following resolution, which, on his motion, seconded by M.W. Bro. W. L. Wright, was unanimously adopted.

WHEREAS on the 1st day of July, 1967 Canada observed the One Hundredth Anniversary of Confederation;

AND WHEREAS Freemasons are enjoined to be exemplary in the discharge of their civil duties and to live and act in such a manner as to fulfil the duties of a good citizen and thereby set an example for others to emulate;

AND WHEREAS Canadians have special reason to give thanks to Almighty God for all the blessings which He in His sovereign Providence has bestowed upon this land;

AND WHEREAS the Freemasons of this jurisdiction are deeply mindful of the significance of this Centennial period in Canada's history;

BE IT RESOLVED

That the members of this Grand Lodge of Canada in the Province of Ontario in Annual Communication assembled this 19th day of July, 1967 do hereby in reverence and from full hearts express to Almighty God our unfeigned gratitude

for all the ways by which He led our fathers, our leaders and citizens, as well for the good land which He of His great mercy has bestowed upon us;

for the intrepid explorers, missionaries and martyrs;

for the early settlers, their courage in facing hardship and privations, their loyalty to Sovereign and principle and the institutions of home, church,

school and government, as well for their determination to be builders of a great and honourable future;

for the Fathers of Confederation, for their vision of a great nation stretching from sea to sea, and spanning the north half of this broad continent, for their faith, their fortitude and their labour in pursuing their exalted goal; for their perseverance and tenacity in overcoming difficulties, frustrations and disappointments; for their selflessness in submerging personal and party differences, discord, pettiness and jealousy to achieve in unity what was otherwise beyond men's reach; and for that they in their generation builded better than they knew;

for the patience, wisdom and dedication of those who guided the destiny of this land through the stresses and harsh tests of the years of consolidation of confederation;

for leaders, statesmen and legislators who in their several generations have guided the course and progress of Canada and enlarged its future;

for all who have worked for peace, brotherhood, goodwill and understanding within our borders;

for men of diverse races who have learned to live together in mutual respect and esteem as fellow-citizens;

for those who gave their lives and those who gave their service in war in the sacred cause of freedom and justice, and by whose sacrifice this land became a nation;

for God's gift of peace;

for the heritage of freedom;

for the institutions which have safeguarded the rights of Canadians as free men;

for the march of Canada to full sovereignty, nationhood and the world's regard;

for all material gifts and the unnumbered resources with which a beneficent Providence has endowed this favoured land;

for the enrichment of our life as science, technology, skills, the arts, music, literature, the institutions of learning and the institutions of healing have flourished;

for all we owe to those, whether humble or renowned, who have gone before us, and into the fruits of whose labours we have entered;

for the ground of our hope for those who will come after us;

for the part which Freemasons as individuals have played and the part which our Order has been privileged to play in the unfolding history of Canada;

and for the righteousness which has exalted this nation;

and we pledge ourselves and call upon all Freemasons in this jurisdiction

to follow the good examples of those who built, enlarged, ennobled and adorned Canada by their service and sacrifice;

to be exemplary in the discharge of every duty which we owe as good citizens, always contributing to the good order of society, and not counting the cost, but rejoicing in the privilege of rendering service to Canada;

to uphold the spirit of brotherhood in this land among men of all races, tongues, colours and creeds;

to love Canada more than self;

and on the threshold of this Second Century, like Nehemiah of old, to "rise up and build".

SERVICE OF THANKSGIVING

The Grand Director of Ceremonies conducted R.W. Bro. Ernest E. Baskier, Grand Chaplain, to the dais where he called the brethren to worship and conducted the following Service of Thanksgiving:

CALL TO WORSHIP

Praise the Lord, O my soul:
and all that is within me praise His Holy Name.

Praise the Lord, O my soul:
and forget not all His benefits.

Great are the works of the Lord, studied by all who have pleasure in them. Praise Him for His mighty deeds.

Praise Him for His exceeding greatness.

The earth is the Lord's and the fullness thereof, the world and those who dwell therein; for He hath founded it upon the seas, and established it upon the rivers. Praise Him for His mighty deeds.

Praise Him for his exceeding greatness.

INVOCATION

O Lord our God, great, eternal, wonderful in glory, who keepest covenant and promise for those that love Thee with their whole heart, who art the life of all, the help of those that flee to Thee, the hope of those that cry unto Thee: Cleanse us from our sins, and from every thought displeasing to Thy goodness. Cleanse our souls and bodies, our hearts and consciences, that with pure heart and a clear mind, with perfect love and calm hope, we may confidently and fearlessly pray to Thee.

SCRIPTURE — Ecclesiasticus 44:1-14.

LITANY OF THANKSGIVING

Brethren: We thank Thee, O God.

Brethren: We thank Thee, O God.

Grand Chaplain: For the advances in health and welfare, labour and management;

Grand Chaplain: For the meaning of life awakened in us through our institutions of sound learning and our places of worship and prayer;

Brethren: We thank Thee, O God.

Grand Chaplain: For our efforts and energies of the present to build the future on the good things of the past so that the oneness of the family of men may win thy praise and thy glory.

Thanks be to Thee, O God. Amen.

PRAYERS OF PETITION

THE QUEEN

Grand Chaplain: O Lord our heavenly Father, high and mighty, King of kings, Lord of lords, the only Ruler of princes, who dost from Thy throne behold all the dwellers upon earth: Most heartily we beseech Thee with Thy favour to behold our most gracious Sovereign Lady, Queen Elizabeth, and so replenish her with the grace of Thy Holy Spirit, that she may always incline to Thy will, and walk in Thy way. Endue her plenteously

with heavenly gifts; grant her in health and wealth long to live, that she may reign over us.

Brethren: So mote it be.

GOVERNMENT OF CANADA

Grand Chaplain: Most gracious God, we humbly beseech Thee for the High Court of Parliament at this time assembled, that Thou wouldst be pleased to direct and prosper all their counsels, to the advancement of Thy glory, the good of Thy Church, and the safety, honour, and welfare of this Dominion; to the end that peace and happiness, truth and justice, religion and piety, may be established among us for all generations to come.

Brethren: So mote it be.

OUR NATION

Grand Chaplain: Almighty God, who didst lead our fathers into this land, and set their feet in a large room: Give Thy grace, we beseech Thee, to us their children, that we may approve ourselves a people mindful of Thy favour, and glad to do Thy will. Bless our Dominion with honourable industry, sound learning and pure manners. Save us from lawlessness and discord, pride and arrogance, and fashion into one godly people the multitude brought hither out of many kindreds and tongues. Give to all the spirit of service, love, and mutual forbearance. In prosperity make us thankful unto Thee, and in the day of trouble suffer not our trust in Thee to fail. So that, loving Thee above all things, we may fulfill Thy gracious purpose in this land.

Brethren: So mote it be.

PEACE

Grand Chaplain: O God, who hast made of one blood all the nations of the earth; mercifully hear our supplications, and remove from the world for ever the dreadful menace of war. Guide the rulers with Thy counsel and restrain the passions of the people, so that bloodshed may be averted and peace be preserved. By the pouring out of Thy Spirit upon all flesh, quicken the sense of our common brotherhood, bring the nations into a new bond of fellowship, and hasten the time when the kingdoms of this world shall become Thy kingdom.

Brethren: So mote it be.

CHURCHES

Grand Chaplain: Most gracious Father, we humbly beseech Thee for Thy Holy Catholic Church. Fill it with all truth; in all truth with all peace. Where it is corrupt, purge it; where it is in error, direct it; where anything is amiss, reform it; where

it is right, strengthen and confirm it; where it is in want, furnish it; where it is divided and rent asunder, make up the breaches of it, O Thou Holy One of Israel.

Brethren: So mote it be.

OUR FRATERNITY

Grand Chaplain: Eternal God, who hast made all Thy works to show forth Thy glory, and hast given wisdom and understanding to Thy people to devise agencies for Thy praise and good, be pleased to bless and prosper our ancient fraternity that it may be a means to extend Thy glory and righteousness among men. Multiply Thy grace upon Thy servants in Free Masonry, that through Thee we may fulfill Thy Holy Will.

Brethren: So mote it be.

HYMN — 519 (tune St. Anne C.M.)

Lord, while for all mankind we pray,
Of every clime and coast,
O hear us for our native land,
The land we love the most.

Our fathers' sepulchres are here,
And here our kindred dwell,
Our children too: how should we love
Another land so well?

O guard our shores from every foe;
With peace our borders bless;
With prosperous times our cities crown,
Our fields with plenteousness.

Unite us in the sacred love
Of knowledge, truth, and Thee;
And let our hills and valleys shout
The songs of liberty.

Lord of the nations, thus to Thee
Our country we commend;
Be Thou her refuge and her trust,
Her everlasting Friend. Amen.

GRAND MASTER'S ADDRESS

To the Officers and Members of the Most Worshipful the
Grand Lodge A.F. and A.M. of Canada, in the
Province of Ontario.

My Brethren:

I am delighted to preside over this our One Hundred and Twelfth Annual Communication of the Grand Lodge of Canada in the Province of Ontario. I am particularly honoured that I should be given this privilege in this year 1967 when we are celebrating the 100th anniversary of Confederation. I welcome and appreciate the presence of the brethren of this jurisdiction who have travelled from far and near in such large numbers to participate in this Communication.

It is with deep regret and personal sorrow that I record the absence from our midst, because of illness, of our Grand Treasurer. M.W. Bro. Joseph A. Hearn has been confined to hospital for an extended period. I am informed his condition is improving and I hope that his health will be restored and that he will again resume and carry out the responsibilities of Grand Treasurer. In view of this unfortunate circumstance, I had the honour of appointing R.W. Bro. M. C. Hooper as Assistant to the Grand Treasurer until this Annual Communication of Grand Lodge. I am grateful to Bro. Hooper for assuming this responsibility and for his most capable and efficient handling of this important task. He has been good enough to prepare and submit, later on, the Grand Treasurer's Report.

My Brethren, I should like to express your appreciation as well as my own, to R.W. Bro. Donald M. Fleming for the Resolution he has presented to-day. By our approval of this Resolution we record our thanks to the Great Architect of the Universe for all the mercies vouchsafed to us during the century we have just completed. I wish also to thank R.W. Bro. Rev. E. E. Baskier, Grand Chaplain, for preparing and conducting the impressive Service of Thanksgiving in which we have just participated.

I wish to record our appreciation to the Board of Education of the Township of Scarborough for allowing us the use of these excellent facilities in this splendid Cedarbrae Collegiate Institute. I should like, also, to extend our thanks to the Toronto Past Masters' Association for their tremendous effort in organizing and developing the plans which play such a large part in the success of our Annual Communication. We extend a special word of thanks to Bro. Howard Campbell, who is Principal of this extremely functional school, and to his staff, for their gracious co-operation and their willingness to do everything possible to contribute to the comfort of our brethren and to the success of our Annual Communication.

We are delighted to extend a welcome to the many distinguished Brethren who are with us to-day from other Grand Jurisdictions and particularly to our brethren from the United States of America. The presence of so many representatives of other Grand Lodges is particularly appreciated during this, Canada's Centennial year.

We also extend the warm hand of friendship to representatives of The Ancient and Accepted Scottish Rite for Canada, and the Grand Chapter of Royal Arch Masons of Canada, in the Province of Ontario.

- (b) Wor. Bro. W. Keith MacDonald served as Master of Orillia Lodge, No. 192, Orillia, two days short of the prescribed twelve months. I recommend that he be given past rank.

- (d) W. Bro. Clifford E. Boyd was installed as Wor. Master of Gore Bay Lodge, No. 472, Gore Bay, in December, 1964. Shortly after his installation he was appointed Magistrate for the District of Algoma but continued to preside as Master until hospitalized in March and for a few months, while residing in Sault Ste. Marie, he arranged for the Immediate Past Master to carry on. Later on he was able to preside at the regular meetings in October, November and December. By resolution the lodge requests that past rank be conferred on W. Bro. Boyd. I so recommend.
- (e) Owing to a change in the Bylaws of Mount Sinai Lodge, No. 522, Toronto, W. Bro. Samuel Stambler was able to serve as Wor. Master for only eleven months. I recommend that he be given past rank.
- (f) Owing to a change in the Bylaws of Golden Fleece Lodge, No. 607, Toronto, W. Bro. F. A. Fox was able to serve only eleven months as Wor. Master. The lodge, by resolution, requests that he be given past rank. I so recommend.

The Immediate Past Master carried on for the balance of his term. The lodge, by resolution, requests that Bro. Allanach be given past rank. I so recommend.
- (h) Wor. Bro. T. J. Gardner was installed as Wor. Master of Lakehead Lodge, No. 709, Port Arthur, on January 26, 1966, after having served the lodge as its first Junior Warden and then as Senior Warden. He never missed a meeting as Wor. Master until his employer transferred him to Port Credit, 900 miles away, in July, 1966. He attended Grand Lodge as representative of the lodge in July, 1966. The lodge requests that he be given past rank. I so recommend.

GRAND MASTERS' AND GRAND SECRETARIES' CONFERENCES IN WASHINGTON

Because of other commitments, I was unable to attend the Conference of Grand Masters. Fortunately R. W. Bro. Donald J. Gunn, Deputy Grand Master, was able to attend all sessions and reports as follows:

"The Annual Conference of Grand Masters of Masons in North America was held in Washington on February 20th and 21st. A thoughtful and challenging keynote address by M.W. Bro. E. Haskell Johns, Grand Master of the State of Washington, was followed by a change in the program from the 1966 Conference. This took the form of group discussions of five questions, the large number of brethren present being broken up into five groups, each with one of the assigned topics to consider. All restrictions on those permitted to speak were removed in the group meetings and, judging by the topic to which your Deputy Grand Master was assigned, those present in that group participated freely in the deliberations and seemed to enjoy this type of meeting, and I believe such was also the case in the other groups.

"The following day, the Chairman of each group reported to the whole Conference a summary of the discussions in his meeting. Two of the five questions submitted for consideration were:

Is Masonic relief a principle of individual personal action or has it been embalmed in institutions?

How well is Freemasonry propagating its ideals, not only within its lodges, but to the larger world outside?

"In addition to attending the Grand Masters' Banquet on Monday evening with my wife, I was also the guest of M.W. Bro. E. G. Dixon at the Grand Secretaries' Dinner on Tuesday evening. Before the conclusion of the Conference it was announced that the Chairman of the Conference Committee for 1968 would be Donald J. Gunn. Naturally I was completely surprised, but a little reflection indicated that M.W. Bro. Dixon was responsible for our Grand Lodge being thus honoured."

CANADIAN CONFERENCE OF GRAND AND DISTRICT GRAND LODGES

The Tenth Biennial Conference of Grand and District Grand Lodges of Canada was held in the Royal York Hotel, Toronto, on February 15, 16 and 17, 1967. There were representatives present from every Grand Lodge, with the exception of the Grand Lodge of British Columbia, and also from the District Grand Lodges of England and Scotland, operating in Newfoundland. For reasons known only to themselves, the Grand Lodge of British Columbia declined to participate in these Conferences which contribute so much to national unity as well as to national Masonic unity. How good and beneficial it is to meet our Canadian brethren from these sister jurisdictions and to discuss topics of mutual interest, to hear conflicting viewpoints and to fraternize and get to know one another better. How can anything but good emanate from these Conferences?

Many very interesting and well-prepared papers were presented by well-skilled brethren, and discussions on these papers were introduced by designated members before a general discussion on the particular topic was held.

On the first evening of the Conference our Grand Lodge gave a formal dinner to the delegates at which our own R.W. Bro. Donald M. Fleming was the speaker. He chose as his subject "Masonry in Canada's Centennial Year" and delivered a most interesting and informative address.

The Eleventh Biennial Conference will be held in Winnipeg in February, 1969.

VISITATIONS TO OTHER GRAND LODGES AND MASONIC BODIES

It was one of my great privileges and indeed a pleasure to accept invitations so cordially extended to attend the Annual Communications of Grand Lodges in Canada and in the United States when I could fit the dates into my schedule. I regret that such was not always possible. I am pleased however to report that the Grand Secretary, other Past Grand Masters and the Deputy Grand Master were most kind in representing me on many of these occasions.

I should like to mention particularly my visit to the One Hundredth Anniversary of the Grand Lodge of Nova Scotia on July 14-17, 1966. M.W. Bro. Rt. Hon. the Earl of Scarbrough, Grand Master of the United Grand Lodge of England, as well as M.W. Bro. Sir Ronald Ewing, Grand Master Mason (Scotland) honoured the Grand Lodge of Nova Scotia with their presence. I felt greatly honoured to receive the Erasmus James Phillips Medal and have expressed my deep appreciation to the brethren of Nova Scotia for such recognition.

I was also greatly pleased to attend the One Hundredth Anniversary of the Grand Lodge of New Brunswick

on May 12-13, 1967. This was an historic event for this Grand Lodge, for which extensive plans had been carefully prepared. The warmth of the hospitality of the brethren was apparent throughout the entire Communication. We left with an abiding feeling of affection for our New Brunswick brethren.

A list of other visitations follows:

- (a) Supreme Council, A. & A.S. Rite for Canada, September, 1966, by the Grand Master.
- (b) Grand Lodge of Illinois, on October 7, 1966, by M.W. Bro. R. W. Treleaven and the Grand Secretary.
- (c) Grand Lodge of Ohio, on October 21, 1966, by the Grand Master and Grand Secretary.
- (d) Grand Lodge of Pennsylvania, on December 27, 1966, by the Grand Master and Grand Secretary.
- (e) Grand Chapter, Royal Arch Masons of Canada in the Province of Ontario, on April 25, 1967, by the Grand Master and Grand Secretary.
- (f) Grand Lodge of New York, on May 2, 1967, by the Grand Secretary.
- (g) Grand Lodge of New Brunswick, Centenary, on May 12, 1967, by the Grand Master.
- (h) Grand Lodge of Indiana, on May 16, 1967, by M.W. Bro. R. W. Treleaven and the Grand Secretary, 150th Anniversary.
- (i) Grand Lodge of Michigan, on May 23, 1967, by the Grand Master and V.W. Bro. H. V. Bartlett.
- (j) Grand Lodge of Quebec, on June 6, 1967, by M.W. Bro. H. L. Martyn.
- (k) Grand Lodge of Wisconsin, on June 13, 1967, by the Grand Master and Grand Secretary.
- (l) Grand Lodge of England, on June 27, 1967, the 250th Anniversary and Installation of The Duke of Kent, by the Grand Master.

VISIT TO THE UNITED GRAND LODGE OF ANCIENT FREE AND ACCEPTED MASONS OF ENGLAND

My Brethren:

I wish to express my personal appreciation to this Grand Lodge for the privilege of attending the Especial Grand Lodge Communication in London on June 27th. The session was Especial for two reasons: the first was the celebration of the 250th Anniversary of the founding of the Premier Grand Lodge in 1717; the second was the installation of H.R.H. The Duke of Kent as Grand Master.

Your Grand Lodge was highly honoured in that your Grand Master was invited to convey congratulations to the new Grand Master on behalf of Freemasons of the Commonwealth and throughout the world, with the exception of those under the Constitutions of England, Ireland and Scotland.

I endeavoured to express the thoughts and emotions that would have been in your minds on this historic occasion in the annals of Freemasonry. I can assure you that this assembly of Masons in that wonderful Albert Hall in London was the greatest ever held in any Grand Jurisdiction. It was reported that 68 Grand Lodges from all parts of the world were represented, although it seemed to me that the number was even greater. The representation from each Grand Jurisdiction consisted, in most instances, of the Grand Master and the Grand Secretary. In addition to these distinguished Brethren, many Grand and Provincial Grand Lodge Officers were present, as well as the Master from each of more than 7,200 Lodges of the United Grand Lodge of England.

The interior of Albert Hall is circular and towers high over the dais, which is situated at one side of the circular chamber and upon which I was seated. The more than 7,000 Masons, seated immediately in front of the dais and in the six galleries, had an excellent view of the proceedings.

It was a most impressive experience to sit in the midst of this vast company — before me, beside me, above me and behind me. Indeed, I felt I was in the midst of the life centre of Freemasonry. I thought how wonderful it would be if these walls could speak and tell us of the many historical and cultural functions held in this grand old building of wood construction. I am sure that few could have been more impressive than this one in which I was to have a part.

Everywhere, in order, were Freemasons; H.R.H. the Duke of Kent, M.W. Grand Master, on the Throne; Rt. Hon. the Earl of Scarbrough, M.W. Pro. Grand Master, at the right of the Grand Master; Field Marshal R.W. Rt. Hon. the Earl Alexander of Tunis, a former Governor General of Canada, known by many Canadians and remembered with deep and sincere affection, was Senior Grand Warden. Whole sections of the Hall were filled with distinguished Masons wearing gold braid appropriate to their high office. I was particularly impressed as I looked out and up at these six galleries in this great Hall filled with Wor. Masters wearing what appeared to be new blue collars of their office, dark clothing and white gloves. The sight, as I gazed about me in this grand old structure, now nearly one hundred years old, was that of the more than 7,000 Masons seated in symmetry and order. This magnificent scene will remain in my mind always.

I regret time does not permit me to describe in detail the procession of Grand Lodge Officers into and out of the Hall. I shall only say that it was simple, dignified and carried out with precision; everyone was on time and in their places according to plan.

The Ceremony of the Installation of the Duke of Kent as Grand Master was impressive and was an occasion in which I shall always cherish the small part which I had to play on behalf of Freemasons. The tone of the responses of H.R.H. in that part of the Ceremony, where such were required, indicated clearly the realization by the incoming Grand Master of the responsibilities he was assuming and of his sincere desire to serve the Craft with the same devotion and distinction as his father had done

when he was Grand Master. His handling of the gavel following Installation, his remarks relative to the congratulations he received and his hopes for Freemasonry in the future were evidence of his enthusiasm. He will discharge the duties of this high office with credit to himself and honour to the Craft.

The warmth and generosity of the hospitality extended to your Grand Master by the officers and members of the United Grand Lodge of England upon this historic occasion, was gracious, past one's imagination, and in good taste. My gratitude is most profound.

My Brethren, I find difficulty in telling you of my appreciation of the privilege of having represented you at this Especial Grand Lodge. It was a great honour for which I shall be eternally grateful.

DISTRICT RECEPTIONS AND OTHER VISITATIONS

During this, the second year of my term of office, it was my privilege to attend many District Receptions, Anniversaries and special lodge meetings. They were exceptionally well attended. The spirit of enthusiasm that was evident at every one was an inspiration to myself and to all who were present. I carried away from each a confidence that Masonry is on the march in this Grand Jurisdiction. I feel assured that the zeal for Freemasonry, which has increased our membership to our present high level of 130,000 from 7,000 a century ago, will keep our fraternity in the forefront during the second century of Confederation, as we have been during the hundred years we are now concluding.

I wish to recognize the zealous and earnest efforts of the many committees which were responsible for the excellence of these functions and to say that the high standards established by them will be an inspiration to Masons in the years ahead.

GRAND LODGE PILGRIMAGE

On Sunday, June 18, 1967, Grand Lodge sponsored the Annual Pilgrimage to the grave of our First Grand Master, M.W. Bro. William Mercer Wilson, usually sponsored by Norfolk Lodge, No. 10, Simcoe, which was, as you know, the lodge which M.W. Bro. Wilson presided over as Wor. Master. The grave is in the churchyard of St. John's Anglican Church at Woodhouse.

The Committee in charge, under the chairmanship of R.W. Bro. Bruce M. McCall, left nothing to be desired and, for their services, I want to convey my sincerest thanks and the thanks of all members of Grand Lodge. The weather man was exceptionally kind, giving us a cool, sunny day following depressing days of extreme heat and humidity. I am informed that about two thousand people were present, made up of our brethren and their families.

The Service in the small church was conducted by the Rev. James Donaldson, Rector, with our Deputy Grand Master, R.W. Bro. Donald J. Gunn, reading the lesson and our Past Grand Chaplain, R.W. Bro. Rev. Alex K. Campbell, delivering an outstanding and appropriate sermon entitled "A Glorious Heritage" in this the Centennial Year of Canada. R.W. Bro. William D. Bugler, D.D.G.M. of Wilson District, contributed to the Service by the rendition of a solo — "Bless This House." The overflow crowd were seated in a large tent attached to the entrance to the church and, with the aid of loud speakers, they, and others in the grounds, were able to join in the full Service which was printed and distributed to all.

Following the Church Service the brethren proceeded in procession to the grave of our First Grand Master, where another impressive Service was held. Bro. Rev. W. M. Bennett, District Chaplain of Wilson District, gave the Invocation. W. Bro. Eric Jensen, Wor. Master of Norfolk Lodge, No. 10, extended a welcome to all present, following which our Grand Secretary, M.W. Bro. E. G. Dixon, placed a wreath against the beautiful Masonic stone which marks the last resting place of our First Grand Master. Following an introduction by R.W. Bro.

B. M. McCall, I was privileged to speak to the assembly, outlining the life and accomplishments of M.W. Bro. William Mercer Wilson and the great impact he had left on those who followed him, even to this present day and generation. Bro. Rev. W. M. Bennett dismissed us with the Benediction.

Immediately following the Service at the grave, the ladies of St. John's Church served a delightful, bounteous lunch, which was enjoyed by all, including the many children. Here we were given an opportunity to visit with each other for an hour or so before departing for home.

To sum it up, I want to say that this was one of the most rewarding Masonic experiences of my term as Grand Master. Members and their families were there from far and near; chartered buses brought many from distant places and, of course, the majority came by private motor car for which ample parking space was arranged.

I wish to record my sincere thanks to R.W. Bro. McCall, to W. Bro. Jensen and the members of Norfolk Lodge, No. 10, to Rev. James Donaldson, Rector of St. John's Church, to R.W. Bro. Rev. Alex K. Campbell, Past Grand Chaplain, to Bro. Rev. W. M. Bennett, to our Deputy Grand Master, to the ladies of the Church, to the Provincial Police and to all others through whose combined efforts this Grand Lodge Pilgrimage will ever be remembered.

SPECIAL OCCASIONS

For me, the highlight of the last year was the dedication of the new Temple built by Amity Lodge, No. 32, in my home town of Dunnville. The Temple is a most attractive building. The lodge room is very handsome. The focal point of the lodge room is a beautiful mahogany inlaid altar with matching pedestals. Both were constructed by one of the brethren of the lodge. A lovely wall-to-wall carpet was donated by the widow of a former Master of the lodge and provided the final touch of beauty to the lodge room.

The dedication ceremony was a significant and inspiring occasion for Amity Lodge. More than 400 brethren attended. Needless to say, the brethren of Amity Lodge are proud of what they have accomplished and greatly appreciated the privilege of welcoming the visitors. I share with them this pride and am delighted that this new Temple was completed during my term as Grand Master.

Another highlight of this year, which gave me great personal pleasure, was the meeting of the Supreme Council, A. and A.S. Rite held in the City of Niagara Falls early in September. I was honoured to address the luncheon and was particularly delighted to be able to welcome the illustrious brethren from across Canada to the Niagara Peninsula.

I was delighted, also, to attend a regular meeting of Dalhousie Lodge, No. 52, in Ottawa on June 6th. It was a most enjoyable occasion. The meeting coincided with the Seventy-fifth Anniversary of the death of R.W. Bro. Sir John A. Macdonald, who was a Past Grand Senior Warden and an Honorary Member of Dalhousie Lodge. Brother The Right Honourable John G. Diefenbaker delivered the address in the Banquet Hall before the meeting. His subject was "This is Canada." He made many interesting and entertaining references to the impact of Freemasonry upon the life of the First Prime Minister of Canada. Brother Diefenbaker also drew our attention to the great contribution made by Sir John in bringing about Confederation, the One Hundredth Anniversary of which we are observing throughout Canada this year, and later his part in cementing the provinces into a nation. Dalhousie Lodge conferred an Honorary Membership upon Brother Diefenbaker.

It was a great regret to me that I was unable to attend the 175th anniversary of Niagara Lodge, No. 2, at Niagara-on-the-Lake on June 24th. It is our oldest lodge and has great historical significance, equalling the age of the Province of Ontario, having been established at the time representative government came to Upper Canada in 1792. Its brethren are active and dedicated Masons. I know that the event was successful and inspirational. I extend to the brethren of Niagara, No. 2, my

best wishes as they now look forward to and begin preparation for their 200th anniversary.

For a few minutes, I should like to tell you about several of our brethren whom I visited during the last year. I had the pleasure of visiting the home of Brother John A. Walker of Port Arthur. He has the distinction of being a member of Shuniah Lodge, No. 287, for more than 77 years. Brother Walker was in excellent health and wonderful spirits. He has since celebrated his 102nd birthday.

I also had the pleasure of visiting our oldest living Mason, R.W. Brother Adam Brown of Granite Lodge, No. 352, in Parry Sound. Brother Brown celebrated his 104th birthday on December 17th. He, too, was in good health and was pleased to have a visit from the Grand Master and the Grand Secretary.

On May 31st, I received a telephone call from Brother Charles Rowsome of Nipissing Lodge in North Bay. He had come to Toronto to participate in the presentation to Wor. Brother Percy W. Brown of the lapel button signifying 70 years of continuous service as a Mason. During the same ceremony Bro. Brown also received a lapel button signifying 60 years as a Past Master. Brother Brown is enjoying excellent health and is looking forward to celebrating his 100th birthday on November 11th. We, on behalf of all members of Grand Lodge, extend our best wishes to him for continued health and happiness. I should like to express my personal thanks to Brother Rowsome for travelling from North Bay to honour Wor. Bro. Brown.

RESIGNATION

We were saddened when the District Deputy Grand Master of Eastern District, R.W. Brother Haldane Durant, was forced, by ill health, to resign shortly after his election and installation. Worshipful Brother Aden Maurice Beckstead of Chesterville Lodge, No. 320, graciously

accepted the honour of succeeding R.W. Brother Durant, upon the recommendation of the Masters and Past Masters of the District. R.W. Brother Beckstead was installed by R.W. Brother F. M. Cass, P.D.D.G.M., on February 27th, 1967.

I recommend that the rank of Past District Deputy Grand Master be bestowed upon R.W. Brother Aden Maurice Beckstead.

THE GRAND MASTER'S BANQUET

As has been our practice for many years, we are looking forward to the Grand Master's Banquet this evening in the Canadian Room of the Royal York Hotel.

We are delighted that, during Canada's Centennial year, we should have one of our Past Grand Masters, M.W. Bro. Archbishop W. L. Wright, address the gathering. Every brother will profit from listening to this outstanding Canadian. He is a most enjoyable and enlightening speaker. The Committee in charge of the program and the dinner assure us we can look forward to a pleasant and profitable evening.

Our attendance last year was a record. I am confident that another record attendance will greet M.W. Bro. Wright. You will be wise to obtain your tickets early. However, if you are unsuccessful in this regard and dine elsewhere, you may join those in the banquet room at 8.30 p.m.

We also are looking forward with great anticipation to welcoming the choir of Speed Lodge, No. 180, of Guelph. You will enjoy hearing these brethren and, as always, the entertainment provided by our Master of Ceremonies—Brother Stanley St. John.

THE MASONIC FOUNDATION OF ONTARIO

It is gratifying to be able to report that our Masonic Charitable Foundation has fulfilled, in a modest way, for a second year, the purposes for which it was incorporated.

I say "in a modest way" because we must all realize that only the income is available to be disbursed. The capital must be kept intact.

At the end of April, 1967, the balance in the Capital Account was \$167,450.90. It is hoped and expected, of course, that this account will be substantially increased as the years go by with donations, legacies and such sums as Grand Lodge may be able to contribute. The increase during the past year was approximately \$7,000. Two unexpected but greatly appreciated donations were received. One was from the American-Canadian Provincial Grand Lodge in Germany for \$250.00 and the other from a brother Mason in Toronto, who wishes to remain anonymous, for \$500.00 in recognition and appreciation of receiving his Fifty Year Lapel Button.

Following the policy adopted for the last two years bursaries were granted as nonrepayable awards to university students who found themselves, through no fault of their own, in financial difficulties and unlikely to be able to continue their university career without assistance. No grant was made without the recommendation and approval of the Awards Officer of the University the student was attending.

I have had the opportunity to read many of the letters of acknowledgment from the students and they are indeed warmly appreciative. In all \$9,570.00 was paid during the year in amounts ranging from \$100.00 to \$500.00, depending on the circumstances.

I recommend The Foundation as a very satisfactory instrument for extending our Masonic benevolence. It is not intended to encroach in any way on the private benevolent activities of individual lodges or the work of the Benevolent Committee of Grand Lodge but is intended to broaden and extend the base of our Masonic benevolence as a whole.

Once more, my Brethren, we are indebted to the Directors for the voluntary service they are rendering on our behalf in this worth-while undertaking and especially to Bro. Norman W. Byrne, Q.C., the Secretary-Treasurer.

A WORD OF CAUTION

While my term as Grand Master has been one of great honour, inspiration and much pleasure, I must confess that it also included a concern for the future of Freemasonry.

It may seem superfluous for me to remind the brethren of the desirability of carefully reviewing the finances of each constituent lodge. However, the matter is of such great importance to the continued well-being of all lodges that I have decided to do so. We must ensure that the lodge is being soundly financed.

For some time, escalating costs have been the order of the day and there seems little likelihood that the trend will change. It, therefore, is imperative that the officers of the lodge review the situation with the utmost care. Action must be taken to obtain revenue sufficient to meet the necessary expenditures of the lodge. Again this may seem rudimentary, but it is the simple and effective answer. The first step must be the preparation of a budget at the beginning of each year. A second is to ensure there is no deficit. Third, annual dues must be examined in relation to expenditures. This also applies to the policy relating to life memberships.

The charge for commutation of dues in the granting of life memberships should be determined on an actuarial basis, taking into account the state of the life membership investment fund. Unfortunately, some lodges are charging what must be regarded as a ridiculously low fee for commutation of annual dues. I must warn the brethren that this practice could be the forerunner of financial difficulties for constituent lodges in the years ahead.

I should like to relate a suggestion by a brother which seems to me to be practical and worth-while in our effort to improve the financial condition of the lodges where such is necessary. It is this:

"The District Deputy Grand Master, upon assuming office and as soon as practical, should obtain from each lodge their most recent annual financial statement. The

result would be to provide time for him to review the statement prior to his official inspection. At the time of the inspection, if it is thought to be advisable, the matter could be discussed with the Master of the lodge with the hope that, where necessary, appropriate action would be taken."

I should like, also, to mention the need to preserve important lodge records, preferably in a fireproof receptacle. To illustrate the importance of this I must tell you that the Grand Secretary has experienced great difficulty in instances where records have been lost or misplaced, particularly in establishing 100 years of active existence of the lodge. I am sure you would agree that such frustration would not have occurred if reasonable care had been exercised. I have no hesitation in recommending that the incoming D.D.G.M.'s give careful consideration to the above.

APPRECIATIONS

I should now like to express my appreciation for the assistance and support I have received from a vast number of Masons throughout this Grand Jurisdiction. I hesitate always to pick out a few people for special mention lest I miss someone who has made a contribution of like proportion.

I must however express my sincere thanks to our Grand Secretary, M.W. Bro. E. G. Dixon, and to his staff, for the efficient way in which they have handled the affairs of Grand Lodge and for their kindness always to your Grand Master.

As Supervisor of Benevolence, Rt. W. Bro. George McQueen, has given excellent service in a field that could be most difficult for a less understanding person.

I wish also to express my personal thanks, as well as those of all the brethren, to our Custodian of the Work, M.W. Bro. H. L. Martyn, for the wonderful service he has given in this field. This is an area in which he is especially well-skilled. The zone meetings of District Deputy

Grand Masters and the Lodges of Instruction conducted by Bro. Martyn throughout this Grand Jurisdiction are exceedingly helpful to all who avail themselves of the privilege of attending these meetings. I heartily recommend that any who have not attended, do so.

I should like, as well, to thank M.W. Bro. J. A. Hearn for his devoted service as Grand Treasurer of Grand Lodge and as President of Masonic Holdings.

My very sincere thanks is extended to our Deputy Grand Master, R.W. Bro. Donald J. Gunn, who so generously and cheerfully assumed my duties on many occasions.

The Grand Chaplain, the Grand Senior Warden and the Grand Junior Warden have been more than faithful in the discharge of their duties during the year. They have traveled many miles and have attended all Grand Lodge ceremonies as well as a great number of receptions. I convey my deepest personal thanks to these brethren. The District Deputy Grand Masters and the members of the Board of General Purposes have discharged their duties with dignity and in an efficient and laudable manner. To them and to the officers and members of our constituent lodges I extend my appreciation.

Finally, I should like to thank our Grand Director of Ceremonies, V.W. Bro. Harry V. Bartlett, for his great assistance to me during the year. The cheerful and gracious way in which he served makes it difficult for me to find words to fully express my gratitude.

CONCLUSION

It is difficult to realize that 12 months have passed since our last Annual Communication, the memory of which is still fresh in our minds. We shall not forget that tremendously impressive address delivered by R.W. Bro. Sir Edwin Leather dealing with "The Roots and Origins of English Freemasonry" and its development in North America. This address is recorded in our Grand Lodge Proceedings of last year. I urge my brethren to refer to it often. It is a Masonic masterpiece.

The second and final year of my term of office will terminate to-morrow. I have greatly appreciated the honour and privilege of serving as your Grand Master. It has been a wonderful and rewarding experience. The witnessing in a most intimate way the loyalty and devotion of the brethren to the principles of Freemasonry, as well as their zeal for the well-being of our fraternity, has left a profound impression upon my life which will remain with me always.

It was obvious a year ago that 1967—our Centennial Year—would be memorable for Canadians. I also was confident that 1967 would be a very special year for Masonry in this Grand Jurisdiction.

With this thought in mind it was suggested that our Grand Lodge, working through the individual lodges, should adopt as the priority Centennial Project, the altogether worthy endeavour of “reversing the declining trend in our membership”. Because the situation respecting individual lodges was a local one, many types of undertakings were proposed to them. Emphasis was given to the end that every lodge should have a Centennial Project. Among those proposed were — the erection of a new Temple where needed, the renovation of present quarters, the refurbishing or purchasing of new regalia and the refinishing or renewing of the furniture of the lodge. Some lodges have chosen a quite different type of project. As examples, some have launched a determined effort to improve the quality of the work in the lodge. Others have adopted a program to increase interest in desirable activities within the lodge and, thereby, increased attendance at lodge meetings. Other lodges have chosen to concentrate upon the reduction in the number of resignations and suspensions for non-payment of dues. Many lodges are actively soliciting members of other lodges who have moved to their jurisdiction to affiliate with the local lodge, and in many instances have achieved notable success.

I am delighted with the enthusiastic support our brethren have given to the decision to make our Centennial Year a great one for Freemasonry. I am confident that

the zeal of the brethren will not diminish but will increase in momentum as the year progresses.

I should like to say a few words about the special meeting of the Board of General Purposes, held last November. It was a notable success. The attendance was almost complete. Certainly it exceeded our fondest expectations. Intense interest was immediately apparent and provided the base for a free and frank discussion of matters of deep concern to the brethren of this jurisdiction. Many valuable suggestions were presented, aimed at solving the problems that confront our individual lodges, as well as those that affect Masonry in general. The discussion spawned a great many worth-while ideas. They were carried back to the lodges by the D.D.G.M.'s and the other members of the Board.

It is recognized that the meeting was of an experimental nature and that we were breaking new ground. I sincerely hope that our incoming Grand Master will continue the practice. As could be expected, some changes and refinements in the procedure should be made. Immediately apparent was the need to change the method of recording the proceedings so there can be an early release of the pertinent segments of the discussion for the use of the D.D.G.M.'s. The possession of this information by these brethren should be most helpful in the preparation of material for presentation to the lodges of their District.

We are living in a period of great change. Your Grand East is conscious of this situation. At the meeting held at the time of the last meeting of our Grand Lodge it was decided that constant consideration should be given to the condition of Freemasonry in this Grand Jurisdiction. To this end, approval was given to the formation of a committee to carry out an exhaustive study along this line. I have given this matter very careful thought. I realize that the greatest possible care should be exercised in appointing such a committee. I have concluded that action should be deferred until the incoming Grand Master has been installed and has assumed the responsibilities of his office. The work of the committee might then continue for two years, a period which would coincide with the term of office of the Grand Master.

It is my hope, my brethren, that this decision meets with your approval and I assure the incoming Grand Master of my whole-hearted co-operation and support.

And now, my brethren, I implore you to use the impetus of this Centennial Year, which will soon pass and become history, to turn your thoughts to the years that lie ahead. We must profit from our mistakes and shortcomings and determine to make those decisions and take those steps which will assure an even greater future for Freemasonry in this Grand Jurisdiction and throughout Canada. This we can do if we so determine, my brethren.

Sincerely and fraternally,

JAMES N. ALLAN,
Grand Master.

APPOINTMENT OF COMMITTEE ON THE GRAND MASTER'S ADDRESS

At the conclusion of the Address it was moved by M.W. Bro. J. A. Irvine, seconded by M.W. Bro. R. W. Treleaven, and carried: That a committee, composed of all the Past Grand Masters present, consider and report to Grand Lodge on the Grand Master's Address. The motion was put by the Deputy Grand Master.

REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS

This report was presented by M.W. Bro. H. L. Martyn, and on motion of M.W. Bro. Martyn, seconded by M.W. Bro. R. W. Treleaven, it was received and adopted.

To the Officers and Members of the Grand Lodge A.F. & A.M.
of Canada in the Province of Ontario:

Brethren:

Unlike the other reports that have been presented previously, the Report of the Committee on the Grand Master's Address is not addressed to the Grand Master but to the Officers and Members of Grand Lodge. This report deals with the administration of the affairs of Grand Lodge by the Grand Master for the year that has just closed.

We share the Grand Master's regrets at the absence of M.W. Bro. J. A. Hearn due to illness and also his hopes that he will soon be restored to health. Had he been present, he would have been at the lectern at this hour presenting this report. He is greatly missed by all in Grand Lodge.

Our sincere good wishes go to the ten lodges who have reached the 100 years of active Masonic existence. We feel sure that each and every member of these lodges will wear the gold with pride in what was passed down to them from the Masons of other days.

Your Committee approves of the charitable donations made under the Grand Master's authority.

We note with pleasure that the Grand Master was able to be present when four of our older lodges celebrated their centennial. It is heartening to read his report on the spirit of enthusiasm he met on his many visits to the various districts in the Province. His kindly reference to the earnest efforts put forth by the various committees in arranging the details for his visits is something that did not miss his kindly acknowledgment.

Your Committee approves, without any reservations, the Grand Master's recommendations that Past Rank be granted to eight Masters of Lodges who, for reasons beyond their control, were unable to serve as Masters for a full year. We also approve of the appointments he made during the year, and we agree that Past Grand Rank should be accorded to R. Wor. Bro. Aden Maurice Beckstead who served as D.D.G.M. for the Eastern District when R. Wor. Bro. Haldane Durant was forced to resign due to ill health.

We congratulate the lodges who had new Masonic premises dedicated during the year. This is a worthy continuation of the good work of our lodges that has been in evidence for some years back. It is understandable to note the pride in the Grand Master's voice when he mentioned the dedication of the Temple built by Amity Lodge, No. 32, Dunnville. This is the Lodge he served as Worshipful Master forty-two years ago.

Your Committee agrees with the Grand Master's comments on the Grand Masters' and Grand Secretaries' Conferences held

in February in Washington, D.C. and with his evaluation of the benefits accruing to the Craft from the Tenth Biennial Conference of Canadian Grand Lodges held in Toronto, February 15, 16 and 17, 1967.

All members of the Craft will read with great interest what the Grand Master's Address contains in reference to The Masonic Foundation of Ontario. It must be very gratifying to know that the Foundation shows such promise of enhancing the image of the Craft that brought it into existence.

At the time when Canadians are celebrating the Centennial of our country, we can understand the thrill our Grand Master had when he had an opportunity to visit with three elderly Masons who were born during or before Confederation year of 1867. It is marvellous to know that these Masonic Veterans are enjoying excellent health and that they retain a keen interest in the work of their respective lodges.

We commend the Grand Master for his sponsorship of the Annual Pilgrimage to the grave of our First Grand Master, M.W. Bro. Wm. Mercer Wilson, on June 18, 1967. We feel sure that his words, "a most rewarding Masonic experience of my term as Grand Master" does sum up the reactions of the 2000 people who attended.

We commend to all lodges the caution the Grand Master offers in relation to lodge finances.

The Committee and, in fact, all our members can take pride in the fact that our Grand Master was invited to convey the congratulations of the Masons of the Commonwealth to the new Grand Master of the United Grand Lodge of England. The celebration of the 250th anniversary of the founding of the Mother Grand Lodge of the world surely is the outstanding Masonic event of 1967. We all feel that our Grand Lodge was well represented there by our Grand Master and we thank him for his word picture of the proceedings.

Finally, we congratulate the Grand Master on being able to represent our Grand Lodge so many times at home and away from home. We appreciate that, if it was impossible to travel himself, he took great care in selecting a representative who fitted the occasion.

The Committee recommends approval of all decisions, appointments and recommendations. Now that his term draws to a close, we know that you wish us to extend to him, on your behalf, best wishes for health, happiness and prosperity for many years to come.

With the highest fraternal regard and sincere affection for the Grand Master, this report is respectfully submitted to Grand Lodge.

HARRY L. MARTYN,
Chairman

RESOLUTION RE 250th ANNIVERSARY OF THE UNITED GRAND LODGE OF ENGLAND

M.W. Bro. R. W. Treleaven presented the following resolution, and on his motion, seconded by M.W. Bro. H. L. Martyn, it was adopted unanimously.

Whereas the United Grand Lodge of England held an Especial Communication on the 27th day of June, 1967, at Royal Albert Hall, London, England, to commemorate the 250th Anniversary of the original Grand Lodge Meeting;

And whereas at such Communication His Royal Highness the Duke of Kent was duly installed as Most Worshipful the Grand Master;

And whereas the said United Grand Lodge of England is the Mother Grand Lodge of the Grand Lodge of Canada in the Province of Ontario and there has always existed a bond of the closest friendship and understanding between the two said Grand Lodges;

Now, therefore, be it resolved that the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario extends to the United Grand Lodge of England and to His Royal Highness the Duke of Kent, its Grand Master, its heartiest congratulations and warm felicitations on the significant occasion of the 250th Anniversary of the said Grand Lodge and the further high honor of the election and installation of His Royal Highness as Grand Master.

Be it further resolved that this resolution be transmitted through our Most Worshipful Grand Master James N. Allan to the United Grand Lodge of England through its Most Worshipful the Grand Master, His Royal Highness the Duke of Kent.

DATED at Toronto, this 19th day of July, 1967.

COMMITTEE OF SCRUTINEERS

The Grand Master appointed V.W. Bro. Robert Strachan, Chairman of the Committee of Scrutineers, to supervise and count the vote at the election of Grand Lodge officers, with power to name the members of the Committee.

LETTERS OF REGRET

The Grand Secretary advised that several letters and communications had been received from Grand Masters, distinguished brethren and Grand Lodges, extending most cordial fraternal greetings and best wishes and expressing regret that they were unable to be present or represented.

RECEPTION OF GRAND REPRESENTATIVES

As the Grand Secretary called the roll of Grand Representatives of other Grand Lodges those who were present stood up and were welcomed by the Grand Master. Grand Honours were then given under the direction of the Grand Director of Ceremonies.

REPORT OF THE COMMITTEE ON CONSTITUTION AND LAWS

This Report was presented by M.W. Bro. H. L. Martyn, for M.W. Bro. T. H. Simpson, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

The Committee on Constitution and Laws beg leave to report as follows:

PART I

1. M.W. Bro. W. L. Wright has given notice of motion as follows:
 - (a) That Section 13 be amended by deleting therefrom, in line 4 — "the Grand Chaplain".
 - (b) That the following section be added — to be numbered Section 13 (a) "The Grand Chaplain shall be appointed by the Grand Master and shall hold office for one year unless

re-appointed annually to that office for a further term. He shall have the rank of Right Worshipful and shall be a member of the Board of General Purposes during his term of office."

- (c) That Section 25 be amended by deleting therefrom, in line 2 — "Grand Chaplain".
- (d) That Section 26 be amended by deleting therefrom, in line 2 — "Grand Chaplain".
- (e) That Section 27 be amended by deleting therefrom, in line 3 — "Grand Chaplain".
- (f) That Section 86 be amended by adding at the beginning of line 1 — "The Grand Chaplain".
- (g) That Section 262, regarding the Masonic Clothing and insignia worn by the Craft, be amended wherever necessary to conform with the previous amendments regarding the appointment of the Grand Chaplain.

These amendments, if adopted, are to become effective in 1968.

There is no constitutional objection to these Notices of Motion by M.W. Brother Wright.

PART II

1. A request for concurrent jurisdiction was considered from Alma Lodge, No. 72, Galt; Galt Lodge, No. 257, Galt; New Hope Lodge, No. 279, Hespeler and Preston Lodge, No. 297, Preston. A resolution favouring this request was submitted from each of the Lodges concerned. New Hope Lodge and Preston Lodge are presently meeting in the same Masonic Temple which is situated between the two towns.

The Committee recommends that concurrent jurisdiction be granted to Alma Lodge, No. 72; Galt Lodge No. 257; New Hope Lodge, No. 279 and Preston Lodge, No. 297.

2. A request has been referred to the Committee from St. John's Lodge, No. 81, Mount Brydges, to be transferred from the Sarnia District to the London West District. This petition is supported by approvals from every Lodge in the Sarnia District and also by approvals from every Lodge in the London West District.

The Committee recommends that St. John's Lodge, No. 81 be transferred from the Sarnia District to the London West District. This transfer is to become effective when approved by Grand Lodge, and St. John's Lodge No. 81 shall have concurrent jurisdiction with the Lodges of the two London Districts.

3. The Committee considered a motion presented from the Chatham District meeting in 1966 as follows: "Whereas, in the small centres available halls for Lodge meetings are very scarce:

Therefore be it resolved, that the Masonic Lodge in any small centre be granted permission to rent their Lodge Room to the Order of the Eastern Star for meetings only."

Since Section 231 of the Constitution prohibits this the Committee recommends that this permission be denied.

4. Silver Lodge, No. 486, Cobalt has had permission of the Grand Master to hold their meetings in the Masonic Temple at Haileybury. This permission was effective till this Communication of Grand Lodge. Conditions that are peculiar to the changing economic conditions in the town of Cobalt have caused the Silver Lodge to sell their building at this time. A careful study of the situation has convinced the Committee that they have acted in the best interests of Silver Lodge.

The Committee recommends that Silver Lodge, No. 486, be granted permission to meet in the Masonic Temple at Haileybury. Silver Lodge will retain the same territorial jurisdiction as it had when it held its meetings in the Masonic Hall at Cobalt.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
For the Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS

This report was presented by M.W. Bro. H. L. Martyn, Chairman, and on motion of the Deputy Grand Master, seconded by M.W. Bro. Martyn, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

Your Committee on Fraternal Relations presents their report for the Masonic year just ended.

The Committee received and considered an application from the Grand Lodge of the Dominican Republic for the establish-

ment of fraternal relations with our Grand Lodge. The Committee is not prepared to make a recommendation for this recognition at this time.

The Committee would like to go on record as expressing appreciation to M.W. Bro. Thomas S. Roy, P.G.M. of Massachusetts, for the very extensive contribution he has made to Masonry in the field of Fraternal Relations. M.W. Bro. Roy has served continuously on the Commission on Information for Recognition since it was formed in 1952 until he retired in February of this year. Since 1955 he has been the Secretary of that Commission. At the age of close on 83 years, M.W. Bro. Roy has stepped down and M.W. Bro. Robt. L. Dillard, Jr., of Dallas, Texas, has assumed that office. Masonry on this continent in general, and the Grand Masters' Conference of North America in particular are much indebted to this outstanding Mason for his contribution in this and many other fields.

Respectfully and fraternally submitted,

HARRY L. MARTYN,
Chairman.

AUDITOR'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I have examined the books and accounts of your Grand Treasurer and Grand Secretary for the year ended April 30, 1967. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

The securities of the General, Memorial and Semi-Centennial Funds as set out in the respective schedules accompanying the Grand Treasurer's Report are held and certified to under date of April 20, 1967 by the Canada Permanent Trust Company.

In my opinion, and according to the best of my information and the explanations given to me and as shown by the books of the Grand Lodge A.F. & A.M. of

Canada in the Province of Ontario, the accompanying statement of resources (cash basis) and statements of receipts and disbursements of the General Fund and the combined Memorial and Semi-Centennial Fund are properly drawn up so as to present fairly the financial position of the Grand Lodge as at April 30, 1967 and the results of its operations on a cash basis for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Yours fraternally,

A. W. PARISH, F.C.A.,
of the firm of McDonald, Currie & Co.

GRAND TREASURER'S REPORT

This report was presented by R.W. Bro. M. C. Hooper, Assistant to the Grand Treasurer, in the absence of the Grand Treasurer, M.W. Bro. J. A. Hearn, because of serious illness.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a matter of profound regret to every Mason in this Grand Jurisdiction that M.W. Bro. Hearn, our Grand Treasurer, is prevented through serious illness from being with us and presenting his Annual Report. M.W. Bro. Hearn has prepared and delivered the Report of the Grand Treasurer for the past seven years. He has had a thorough grasp of the financial affairs of our Grand Lodge and has done much to enhance its financial resources and promote their effective application. We greatly miss his counsel and advice.

This is the first twelve-month report since our year-end was changed from May 31st to April 30th and accordingly the items of income and expenditure, particu-

larly the latter, many of which are on a monthly basis, do not fully correspond with those reported last year. As compared with the previous twelve-month period ended in 1965, we find that our receipts on General Account are down slightly and our disbursements have increased. The increased disbursements may be attributed in part to an increased disbursement for benevolent grants and to payments to The Masonic Foundation of Ontario made out of current income.

A moderate surplus is again added to the General Account. This would appear to be prudent and necessary in order to maintain the true value of our reserves. Long term debt securities consisting of bonds and debentures, however productive of income, do not increase in capital amount in conjunction with the inflationary trend of our economy. Fortunately we have lately been able to re-invest maturing bonds in others yielding a higher rate of return. Also by converting a block of securities not yet matured into new longer-term Government bonds, we shall realize a moderate enhancement of investment income in this and succeeding years.

Charitable donations, with amounts and objectives similar to those of previous years, have been made under the authority of the Grand Master in the total amount of \$4500.00 and will no doubt have your unanimous approval. It may be in order to state that while Masonry does not boast of its benevolence, the donations of our Grand Lodge to recognized Charitable objects should be considered simply as a token of our approval of the good work they are doing. Our benevolence is properly applied in other directions. It is also beyond question that the very substantial benefits conferred through our various types of benevolent grants and by The Masonic Foundation of Ontario are exceeded to an infinite extent by the donations of our constituent lodges and our individual member, whose gifts of time and treasure to the relief of poverty and matters of public welfare are not identified as Masonic benevolence.

We acknowledge with gratitude and appreciation a bequest and a donation received and credited to the Memorial Fund as follows:

R. H. S. Searle Estate	\$4,849.87
Bro. W. J. O. Walliss	\$ 500.00

Benevolent grants in the year amounted to \$57,066.05. This exceeds the amount of grants in some recent years but is considerably less than those of a decade ago. Details of the policies and practices of our Committee will appear in their report and we may be sure that they continue to operate in a manner that does credit to our Order.

The acumen of our Committee on Audit and Finance is once more indicated by the accuracy with which the Budget of 1966 forecast the actual receipts of the year under review.

This report is made possible through the diligent labours of the M.W. the Grand Secretary and his staff combined with those of the Chairman of the Committee on Audit and Finance and the Auditor of Grand Lodge.

Following and forming a part of this Report are given the usual detailed accounts, summaries and Schedules by which you may be fully informed as to the financial progress of our Grand Lodge.

Respectfully and fraternally submitted,

M. CLEEVE HOOPER,
on behalf of M.W. Bro. J. A. Hearn,
Grand Treasurer.

On motion of the Deputy Grand Master, seconded by R.W. Bro. M. C. Hooper, the Report and the Auditor's Report were received and referred to the Committee on Audit and Finance.

GRAND SECRETARY'S REPORT

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I present herewith my annual report for the year ended April 30, 1967, containing a Summary of Receipts from various sources placed in the General Fund; Details of Receipts in the General Fund and Ledger Balances as at April 30, 1967, a Summary of Receipts for the year; Details of the Returns of Lodges as at April 30, 1967, a Summary of the Receipts and Payments to the Grand Treasurer on account of the Memorial and Semi-Centennial Funds; and a Statement of the Receipts and Disbursements on the Memorial and Semi-Centennial Funds Revenue Account.

As an appendix to the Proceedings I have recorded the details of the Returns of the 631 warranted Lodges and two Lodges under dispensation, as of June 30, 1967.

In presenting this, my thirty-first Annual Report as Grand Secretary, I am very sorry to have to record a net loss in membership of 1737, which is the greatest loss suffered since 1936 and is the sixth year in succession that we have had a net loss. It is difficult to understand why this should be because our Grand Master has continually stressed the need for concerted efforts by all lodges towards reducing suspensions and resignations and encouraging restorations and affiliations. Our Grand Master has also emphasized the importance of presenting to the people of the communities in which we live such a favourable picture of Freemasonry that many candidates will knock at our doors seeking admission. Have we done this? Let us judge from the following.

This year we had 184 fewer initiations than last year; we had 8 fewer affiliations, 22 more suspensions, 56 more resignations and 21 more deaths. We had 8 more restorations. Our total membership, as of December 31, 1966, was 130,228. Can we not hold the line at least?

Two lodges were constituted and consecrated during the year and, as of today, two lodges are operating under dispensation, making a total of 633 lodges.

Six new and beautiful Temples have been completed and dedicated during the year, the result of the praiseworthy efforts of individual lodges or groups of lodges.

LAPEL BUTTONS

Since the adoption of the lapel button in May, 1964, they have become very popular because they can be worn by our veteran members in or out of lodge, whereas the former medals were of little use to the vast majority of our veterans who were unable to attend lodge and consequently could not display evidence of their long attachment and service to the Craft to those they meet in all walks of life. This year 520 of our older members received our 50 Year Lapel Button and to them we extend our heartiest congratulations.

SIXTY YEAR LAPEL BUTTONS

The ranks of our sixty year veterans were increased by 64 members who have received our 60 Year Button in recognition of sixty years or more of membership. To them, also, we extend our heartiest congratulations.

FIFTY YEARS A PAST MASTER

No fewer than 15 of our Past Masters have been presented, during the year, with our Lapel Button in recognition of having served for fifty years as a Past Master.

Four of our Past Masters received a special Lapel Button on completion of sixty years as a Past Master.

What a wonderful record of outstanding devotion and service to Masonry these Lapel Buttons mark. We are so grateful to all of them and express the hope that they will continue to serve for many years to come. I know you all join with me in extending our thanks and felicitations to them. We are so proud of each one.

SEVENTY YEARS A MASON

Three of our veteran members were recipients of our 70 Year Lapel Button during the year which indicates, of course, that they have completed seventy years of membership, and they are now past 91 years of age. They are:

Bro. Murdoch Ross of Stevenson Lodge, No. 218, Toronto.

W. Bro. Thomas J. Crowe, The Ancient St. John's Lodge, No. 3, Kingston.

W. Bro. Percy W. Brown, Nipissing Lodge, No. 420, North Bay.

FIFTY YEARS A PAST D.D.G.M.

R.W. Bro. Dr. Everon Flath of Wellington Lodge, No. 635, Toronto, brought great honor to our Grand Lodge this year when he was awarded our special Lapel Button on completing fifty years as a Past District Deputy Grand Master. He continues to enjoy good health and I hope and expect that he is with us today. What a debt of gratitude we owe to R.W. Bro. Dr. Flath.

WILLIAM MERCER WILSON MEDAL

This medal was instituted in 1945 as an award, for outstanding Masonic service, to members who were not Past Masters, not ever likely to be and so could not otherwise be honored by Grand Lodge. Since 1945 there have been only 76 members who have received this medal which could be quite fittingly designated the Victoria Cross of Freemasonry in our Grand Jurisdiction. This year only one award was made and that was to:

Bro. A. J. Borger of Reba Lodge, No. 515, Brantford.

SPECIAL MENTION

I am again happy to inform you that —

- (a) Very Wor. Bro. R. S. McLaughlin of Cedar Lodge, No. 270, Oshawa, has completed 72 years of membership, and that
- (b) Bro. John A. Walker of Shuniah Lodge, No. 287, Port Arthur, has completed 77 years' membership and on February 27 of this year celebrated the 102nd anniversary of his birth.
- (c) R.W. Bro. Adam Brown, P.D.D.G.M., of Granite Lodge, No. 352, Parry Sound, is in his 105th year.

We extend to these brethren our very best wishes and heartiest congratulations.

APPRECIATION

I would like to record my thanks and gratitude for the very competent and loyal assistance the members of the Staff in Grand Lodge office have given to Grand Lodge, the constituent lodges and their members and particularly to me. I, personally, am deeply indebted to each and every one of them.

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was received and referred to the Committee on Audit and Finance.

REPORT OF THE COMMITTEE ON WARRANTS

This Report was presented by R.W. Bro. H. I. Sparling, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Sparling, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Warrants, consisting of M.W. Bro. E. G. Dixon and R.W. Brothers T. E. Greenaway, C. E. Heal, G. E. Smith, H. P. Wilson, W. J. Neely, J. E. R. Cox and the Chairman, beg to present this Report for the past year.

Applications for two warrants have been received and this is most gratifying to all concerned. Careful examinations have been made of the petitions, books and records of these two lodges. We, therefore, recommend:

(1) That a Warrant be given Confederation Lodge, U.D., Toronto, instituted Nov. 7, 1966, to be numbered 720 and placed in Toronto District "3".

(2) That a Warrant be issued to Otisippi Lodge, U.D., Sarnia, instituted June 16, 1966, subject to the production by the lodge and approval of a proper Treasurer's account book on or before July 31, 1967, by a special committee composed of R.W. Bros. Sparling, Roy Cox and the Incoming D.D. Grand Master of Sarnia District, and the lodge to be numbered 719 and placed in Sarnia District.

Your Committee notes with interest the work and enthusiasm in these new lodges. Otisippi Lodge had 19 charter members and in one year have increased their number by 17, either by initiation or affiliation. Confederation Lodge had 41 charter members and have increased their membership by 7. Their dues are \$35.00 for resident members and \$15.00 for non-resident members.

Our Grand Lodge is very concerned about the financing of our lodges and your Committee recommends that a new lodge starting up should charge not less than \$15.00 per year for dues.

The office of Grand Lodge is your office and for your use and information. The Grand Secretary and his staff are most willing and indeed anxious to assist you in any way possible.

Records are extremely important. Therefore the best record books that any lodge can procure are necessary. Your Committee strongly urges that a new lodge have the following record books:

- (1) A Lodge Membership Register
- (2) A Tyler's Register
- (3) A Secretary's Account Book
- (4) A Treasurer's Account Book
- (5) A Membership Ledger (looseleaf with members filed alphabetically)
- (6) A Minute Book.

Your Committee further recommends that this Grand Lodge, supply, free of charge, on request from a new lodge, their first standard set of the above mentioned record books.

In closing, your Committee wishes to commend these two new lodges on their excellent work. We extend to their officers and members our very best wishes for a happy and successful future and may the Great Architect of the Universe ever bless them with Masonic prosperity.

Respectfully and fraternally submitted.

HERBERT SPARLING,
Chairman.

REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS

The Reports of the 39 District Deputy Grand Masters were presented by the Grand Secretary and on his motion, seconded by R.W. Bro. B. B. Foster, they were received and referred to the Board of General Purposes.

The Report of every District Deputy Grand Master is addressed to "The Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario." Each begins, "Most Worshipful Sir and Brethren," and every one ends, quite rightly, "Respectfully and fraternally submitted." To save space these formalities are omitted from the beginning and end of each Report.

ALGOMA DISTRICT

Now that my term of office is drawing to a close, I look back in retrospect with a great deal of satisfaction. First of all, there was the warm welcome that I received at each of the Lodges that I visited. During my visits I always made it clear that I did not come as a critic, but as the representative of the Grand Master to assist them in any way that I could.

The theme of the Grand Master's Address at the last Annual Communication of Grand Lodge was to put a stop to the resignations, demits, suspensions, etc., by making lodge meetings more interesting. I also suggested that when a member is delinquent in his dues, a committee of three members, preferably Past Masters, should visit the delinquent member and explain to him that Masonry needs him. This has been done in several Lodges with good success.

I have made 34 visits to Lodges in Algoma District; this includes my Official Visits, Installations, and to view the degree work. I am pleased to state that the caliber of work was excellent, and the condition of Masonry in Algoma District is very good.

The highlight of my term of office was the visit of the Grand Master on October 15, 1966. At that time the Supreme State Deputy for the Ontario Knights of Columbus, Mr. Louis Salini, a Fort William business man, asked me if I could arrange a meeting with the Grand Master to pay his respects, and welcome him to the Lakehead. This was arranged and I am sure the heads of our two great Orders had many things to talk about.

During the winter months, a Mixed Curling Bonspiel was held between 128 members of our two Orders. This was so successful that it is going to be carried on each year. This is as it should be.

Mrs. Lockwood and I visited the various Joint At-Homes of all the Lodges, where we received a very warm welcome.

Most of our Lakehead Lodges have a program of visitations between themselves and Lodges in the United States. This is further evidence of the friendship which has generated between our two countries over these many years.

As a Past Chairman of the Red Cross Blood Clinic, I have urged each Lodge to participate in the Red Cross Blood Bank. I received the full co-operation of the Masters and Secretaries in having them promulgate this program on the monthly lodge notice, with the result that 364 donors were registered at the various Clinics. One Lodge with a very small membership had 43 donors which is nearly 50% of its membership.

At this time I would like to thank two brethren for the wonderful help and inspiration they gave me during my term of

office in the persons of Rt. Wor. Bro. Vance Chapman, a member of the Board of General Purposes, and Rt. Wor. Bro. H. H. Gillman, of my own Lodge. My District Secretary, Wor. Bro. Donald Hassard, was untiring in his efforts to help me at all times.

On May 10 and 11, we held two Schools of Instruction, one in Lakehead Lodge, No. 709, and the other in Kam Lodge, No. 584. These Schools were under the direction of Most Wor. Bro. Harry L. Martyn, the Custodian of the Work. We received plenty of questions to keep him busy. I appointed Wor. Bro. Ken Hearnden, of Connaught Lodge, as Director of Ceremonies to edit the questions and assist Most Wor. Bro. Martyn. My sincere thanks go to these two brethren for a job well done.

In conclusion, I wish to thank all the Masters and brethren who assisted me in making my year a success. It was an experience that I shall never forget, and one which has given me a greatly renewed interest in Freemasonry. I hope that my Lectures have provided something for the betterment of Masonry in Algoma District.

HAROLD LOCKWOOD, D.D.G.M.

BRANT DISTRICT

During the past year I have visited the fourteen Lodges in this District officially and, in addition, have made one or more social and fraternal visits to many of them. These meetings were well attended by the Masters and members of the District. On many occasions there were several Grand Lodge Officers, both past and present, in attendance. Visits to several of the neighbouring Districts were made and a very warm and cordial reception was accorded me on all occasions.

Without exception the Masters and the Officers of the Lodges in the District are well versed in Masonic Work. They are conducting their meetings in a firm, decisive manner as leaders, are easy in address and always seemed to have in mind, also, the general welfare of the brethren. Members who are ill or confined to hospitals and homes are visited regularly. The Junior Officers of the Lodges are given support and assistance in the work which will in the future be of great assistance to them.

Much interest seems to have been shown by the various Lodges with regard to the Centennial Year of the Dominion of Canada. The Lodges have undertaken and are still proceeding with various projects, such as renovation and re-decorating their quarters, endeavouring to increase attendance at the meetings, and in one case an effort is being undertaken to reduce

the mortgage on the building. All these ventures are indeed commendable.

This year Brant District has had one or two outstanding events, namely, the School of Instruction held under the direction of Most Wor. Bro. Harry L. Martyn, P.G.M., when all fourteen Lodges in the District were represented. It was acclaimed by all that this should have taken place some time ago. Already some are clamouring for another such School to be held in the near future. In April of this year, the Worshipful Masters of the District held a Masters' Night, when the Third Degree was conferred. This was held in Paris when all fourteen Masters were present and were accompanied by their brethren in goodly numbers.

The District Secretary, Wor. Bro. R. B. Gullen, reports that the Secretaries in the District are to be commended for the capable manner in which the records of the Lodges are kept, and, also, for the effort extended by them in the collection of dues. This, I feel, is a duty not solely incumbent on the various Secretaries but a duty of all members.

Almost all the Lodges have held Divine Services, at which I have made it my duty to be present with the brethren. On Sunday, May 7, a District Divine Service was held in Holy Trinity Church, Brantford. The Service was in charge of Bro. Rev. C. S. Inder of Brant Lodge. The Speaker on this occasion was Bro. the Ven. Archdeacon F. C. McRitchie, a member of Onondaga Lodge. The attendance was commendable, considering the weather, when all the Lodges were well represented.

On several occasions my wife and I were guests at the Lodges' Social Evenings, which were well attended by the members and their wives. Evenings such as these play an important part in the programme of any Masonic Lodge, as it gives the members, especially the officers, an opportunity to express their appreciation to their wives and an opportunity to put into practice the social graces which they learn in Masonry.

Masonic Education continues to expand in the District, under the chairmanship of Wor. Bro. W. D. Ferguson of Doric Lodge. At all the Official Visits a short talk on Masonry was given. To Rt. Wor. Bro. W. K. Bailey, Chairman of Masonic Education, much credit is extended for the timely messages and information given to all the Lodges.

It has been my pleasure, during my term of office, to have had with me at all my Visits of Inspection Wor. Bro. S. L. Lengyell, District Chaplain, who gave many inspiring Bible readings and addresses. I wish to thank, also, my District Secretary, Wor. Bro. R. B. Gullen, who has given unstintingly of his time and service to me during the past year.

ALFRED W. KING, D.D.G.M.

BRUCE DISTRICT

It has been a great pleasure and privilege to have had the honour of serving as the representative of the Grand Master in Bruce District, and I hope I have contributed, in some small way, to the advancement of Masonry in the District.

On my return from Grand Lodge I appointed Wor. Bro. Bert Elphick as my District Secretary; Bro. Rev. John Bell as District Chaplain; Wor. Bro. Lorne Evans of Paisley as District Chairman of Masonic Education; and Wor. Bro. Charles C. Fitzsimmons as District Chairman of the Blood Donors' Committee.

During the year every Lodge in the District was visited at least once. At most of these visits degrees were conferred and the work of the officers was excellent. The large attendance at these meetings, the enthusiasm among the brethren, and kindness and courtesy extended to me will long be remembered. I also had the privilege of visiting Grey, North Huron and Windsor Districts.

It was a great honour and privilege to welcome at a well-attended banquet at Walkerton, our Grand Master, M.W. Bro. James N. Allan. His inspiring message, along with the fellowship enjoyed, will be long remembered. A Fifty Year Lapel Button was also presented to R.W. Bro. Carl Whicher at this banquet. I also presented a Fifty Year Lapel Button to Bro. Wes. Abell. These two brethren are still active in Masonic work, playing a very important part in their respective Lodges and communities in promulgating the teachings of the Craft. I want to thank all those who worked so hard to make this a memorable occasion.

Most of the Lodges in this District hold Annual Ladies' Nights. These were well attended and were much enjoyed. Mrs. Garland and I had the pleasure of attending a number of them which were enjoyed very much.

The District Divine Service was held on Sunday, May 28, in St. Paul's Anglican Church, Pinkerton, when the District Chaplain, Bro. Rev. John Bell, delivered a very inspiring sermon. He was assisted in the Service by Rev. Boaz. I also had the privilege of attending a number of Divine Services held by the Lodges in Bruce District.

I am pleased to report that Masonry in Bruce District still maintains a high degree of perfection and I sincerely hope that, during my term of office, I have made some contribution to the well-being and advancement of our beloved fraternity.

DONALD GARLAND, D.D.G.M.

CHATHAM DISTRICT

It has, indeed, been a privilege and honor to represent the Grand Master in Chatham District for the past year. It has been the highlight of my life and a year that I will remember and cherish always. I would like to thank my brethren of Chatham District and M.W. Bro. James N. Allan for making this wonderful year a reality.

My District Secretary, Wor. Bro. W. Taylor, has been of great assistance in carrying out the duties of his office. He reports that the Lodges in the District are blessed with Secretaries of the highest quality.

I was pleased to appoint Wor. Bro. Clifford Manning, District Chaplain. He has been one of my most faithful followers and attended all of my Official Visits. Also, I appointed Bro. Gordon Abbott as District Supervisor of Masonic Education a very devoted and sincere brother; and Wor. Bro. Frank Gross, as Chairman of Blood Donors' Committee for the second year — each did a fine job.

I visited each of the fifteen Lodges at least once and many of them several times. The work throughout the District is generally of a high standard. The Masters and Officers of the Lodges were devoted and sincere. Many of the Lodges have the younger members assist with the ritual.

My wife and I attended as many of the Ladies' Night banquets as possible and, accompanied by Wor. Bro. Taylor and his wife, we enjoyed the gracious hospitality extended to us on these occasions.

I was very pleased and proud that my father, V. Wor. Bro. E. L. Purdy, received the appointment of Grand Steward this past year. We have travelled many miles together, Masonically and otherwise. His support and assistance have been of great value to me.

All of my Official Visits were very well attended. A very large number of brethren were present when I visited my Mother Lodge, Hammond, No. 327, for which I am grateful. Our small lodge room was filled to capacity.

Our District Divine Service was held at Wardsville United Church on May 14 and was very well attended. Wor. Bro. (Rev.) C. Manning preached the sermon.

It was with great pleasure that I attended many of the banquets held in honor of our Grand Master, when it was my good fortune to meet so many capable and devoted Masons on these occasions.

I was pleased to present three 50 Year Buttons in Chatham District this year.

I enjoyed many exchange visits with District Deputies of the surrounding Districts, and most certainly profited from the very kind fraternal relationship which I encountered on these visits.

In closing, I would like to thank everyone who has assisted me in any way. This has been a great experience and education for me. I hope that I can, in future, be of some assistance and benefit to Masonry in Chatham District.

GORDON K. PURDY, D.D.G.M.

EASTERN DISTRICT

It has been a great honor and a rewarding experience to be D.D.G.M. of Eastern District, representing the Most Wor. Bro. James N. Allan, and I wish to express my appreciation to the Past Masters' and Wardens' Association for my nomination and to the Grand Master for my appointment.

Wor. Bro. Haldane Durant, who was officially installed D.D.G.M. of Eastern District at Grand Lodge in July, 1966, was stricken with a heart attack one week before he was to make his first Official Visit. The District Secretary, Wor. Bro. A. E. Jarvis, was able to continue the schedule with the kind assistance of Past District Deputy Grand Masters until Wor. Bro. Durant's return from the hospital. However, at this time, on the advice of his Doctor and the concern of the brethren for his well-being, Wor. Bro. Durant resigned, and I was appointed by the Grand Master to take up his duties. I was installed by R.W. Bro. F. M. Cass in Chesterville Lodge, No. 320.

Since that time I officially visited eleven Lodges, attended six Ladies' Night Banquets, conducted two Masonic Funeral Services, one of these being held at Carleton Place for a member of Chesterville Lodge, No. 320, who resided there.

My sincere thanks and appreciation go to my District Secretary, Wor. Bro. Alfred E. Jarvis, who was burdened with an unusual amount of labour under these unavoidable circumstances. His devotion to duty, his untiring efforts and a comprehensive report of all our labours, merit every consideration, I am sure.

R.W. Bro. Fred M. Cass, Immediate Past District Deputy Grand Master, has been most helpful in every way during this eventful year of trying circumstances. Without his kind and thoughtful guidance it seemed, at times, we stood at the cross-roads of life wondering which way to go.

My long-time friend and colleague, Bro. Rev. D. L. Gordon, who continued as District Chaplain, made most of the visits with me and gave me courage and strength with his unfeigned

faith. The District Divine Service was held on May 14, 1967, in Trinity United Church, Chesterville. Bro. Gordon's sermon, "Strength Crowned with Beauty," moulded a temple in Masons' hearts that will spread its shining grandeur for years to come. The large church was filled to capacity and I am grateful to all those brethren who made it a memorable occasion.

To R.W. Bro. George A. Revell and V.W. Bro. George E. McCutcheon of Cornwall Lodge, No. 125, for their work as Masonic Education Chairman and Blood Donor Chairman respectively, I tender my warmest thanks.

My lodge visits were all well attended and I found the work well presented in all three degrees. I feel that Masonry in Eastern District is carefully preserving the ancient usages and customs of the Order.

I presented two 50 Year Lapel Buttons, one to V.W. Bro. Frank Dafoe of Farran-Ault Lodge, No. 256, the other in my Mother Lodge, Chesterville, No. 320, on my official visit, to Bro. Harold G. Bigelow who has served Masonry long and well. The East was well filled with P.D.D.G.M's. as there were twelve in attendance. There were 97 Masons present on this my final visit to Eastern District Lodges.

Finally, may I express my appreciation of the wonderful support given me by my Mother Lodge and, also, by our neighbouring Lodge, Henderson, No. 383, Winchester, several of whose brethren seldom missed any of my visits.

MAURICE BECKSTEAD, D.D.G.M.

FRONTENAC DISTRICT

It is a privilege and a pleasure for me to submit my report, as representative of the Most Worshipful the Grand Master, on the condition of Masonry in the Frontenac District.

May I first express my appreciation to The Ancient St. John's Lodge, No. 3, for nominating me to this high office and, also, to the Lodges in Frontenac District for their support, and to the M.W. Bro. James N. Allan for confirming their choice.

I appointed Wor. Bro. W. Walter Selby as my District Secretary, and he reports that the books and records of the various Lodges are kept in a most efficient manner. I am greatly indebted to him for his assistance and co-operation throughout the year as he was with me on all of my Official Visits. I, also, appointed Bro. (Rev.) Kenneth A. Fenton as my District Chaplain; Wor. Bro. Eldon Guthrie as Chairman of Masonic Education; and Wor. Bro. Hanlon Babcock as Chairman of Blood Donors.

My sincere appreciation goes to all of these worthy brethren for a job well done.

On my return from Grand Lodge, I called a meeting of the Worshipful Masters and Senior Wardens, and I am pleased to say that I had about a 90% response. A most rewarding and enjoyable evening was spent on various discussions, giving the brethren concerned and myself an opportunity to get better acquainted. On many of my Official Visits a number of the Worshipful Masters made reference to our previous get-together, and indicated that the nervous tension that exists during the visit of the D.D.G.M. had been mostly eliminated.

I wish to tender a special thanks to R.W. Bro. William K. Bailey, Chairman of Masonic Education, and his Committee for the excellent material that was distributed throughout the various Districts. It was most acceptable in Frontenac District and is being put to work. I only hope that this may continue in the years ahead as it has a tendency of creating uniformity, of which many Lodges are in need.

On most of my Official Visits, I witnessed the conferring of degrees. The work was portrayed with dignity and sincerity, impressing the Principles of Masonry on each candidate. I was pleased to see many young officers throughout the District taking part in the work and only hope that they will retain the high standard for years to come.

Mrs. Wilson and I enjoyed the Ladies' Nights throughout the District. We were made most welcome, and the opportunity of associating with the Masons and their wives has been an enjoyable one. To these Lodges we say a very sincere "thank you," and to those whose invitation we had to decline, our apologies.

Of the unique occasions that occurred during my term, one of utmost importance should be mentioned. It was an invitation from the Knights of Columbus of Frontenac Council to attend an Oyster and Buffet Supper on December 3, 1966, which approximately 100 Masons and their wives attended, and of which I was justly proud. Everyone had a most enjoyable evening.

The highlight of every D.D.G.M.'s year, I feel, is the occasion of the visit of our Grand Master, and it was my privilege to welcome Most Wor. Bro. James N. Allan to Frontenac District on April 13, 1967. The Grand Master and I were justly proud of the large attendance. I wish to assure the Grand Master that the Masons present were well pleased to see our leader received in full regalia in the Masonic Temple, in Kingston, together with a large number of Present and Past Grand Lodge Officers. The message from the Grand Master was well received as one of the most outstanding addresses of the time.

Another very important event was the Annual District Divine Service, that was held in the (new) Cooke's-Portsmouth United

Church (Calvin Park) on Sunday, April 23, with 300 Masons in attendance. Bro. (Rev.) Kenneth A. Fenton, District Chaplain, delivered the sermon, "First Things First", assisted by Bro. (Rev.) Harold Lester and the Rev. S. A. R. Delve, Minister of the Church.

A very important event for me was an evening spent at the Kingston General Hospital on February 13, when I presented R.W. Bro. Delbert Sexsmith, P.D.D.G.M., a patient at that time, as well as a lifetime neighbour and very dear friend, who had also served for 45 years as Secretary of Prince of Wales Lodge, No. 146, Newburgh, with a "50 Year Past Master's Button." There were 20 Masons present for the ceremony. Two of the members present were, also, patients at that time, R.W. Bro. Arthur Hodgson, and Wor. Bro. Harry Sutton. It was also my pleasure to present two other "50 Years a Mason" Buttons.

I attended other receptions for our Grand Master in many other Districts. I was pleased to represent Frontenac District on these occasions and enjoyed the fraternal fellowship that exists on these visits.

Frontenac District was saddened by the passing to the Grand Lodge Above of R.W. Bro. William Cecil Taylor, D.D.G.M. in 1943, and a member of Westport Lodge, No. 441, Westport; and V.W. Bro. William James Wiggins, Grand Steward in 1963, a member of Union Lodge, No. 9, Napanee.

"May they rest in peace"

In conclusion, may I thank, most sincerely, the Grand Master, the Grand Secretary and the brethren of Frontenac District for granting me the privilege of serving Masonry in this District. Also, to my devoted Secretary, Chaplain, Chairman of Masonic Education, and Chairman of Blood Donors, I say a sincere "thank you" for a job well done. I am most grateful to the Present and Past Grand Lodge Officers, Past Masters, Worshipful Masters, the officers and members of the 18 Lodges who supported me on many of my visits. I hope, in some small way, that I have contributed to the betterment of Masonry, in general, and Frontenac District in particular. It truly has been a rewarding year.

To my successor, I wish him the same support that has been an inspiration to me.

HANLON P. WILSON, D.D.G.M.

GEORGIAN DISTRICT

It has been a rich and rewarding experience to have had the privilege of being the official representative of the Most Worshipful the Grand Master in Georgian District. I shall ever

be indebted to the Past Masters and Wardens of my own Lodge, Orillia, No. 192, for nominating me for this high office, to the brethren of Georgian District and to you, Most Worshipful Sir, for confirming the same.

I appointed Wor. Bro. J. E. Shenton, of Orillia Lodge, No. 192, as District Secretary, who capably and willingly handled the detail work that came up so frequently during the year. He accompanied me on all of my Official Visits except two, which he missed due to sickness. His moral support and encouragement were an inspiration to me, and the capable manner in which he handled his duties was appreciated by the brethren.

Unfortunately, my District Chaplain, Bro. (Rev.) Ernest Robertson, of Orillia, moved to a new charge early in the year. The Director of Masonic Education was Wor. Bro. Malcolm MacDonald of Orillia Lodge. I appreciated his assistance.

R.W. Bro. Dr. Frank Shannon, of Barrie, consented to act as Chairman of the Blood Donors' Committee, and reports that the response has not been as satisfactory as was expected. This is partly due to the functions of other clinics in the District.

One of the highlights of my Masonic year was the constituting and consecrating of Twin Lakes Lodge, No. 718, in Orillia, by our Grand Master, Most Wor. Bro. James N. Allan, on September 23, 1966. On September 30, I acted as Installing Master at the Installation and Investiture of the officers of this new Lodge. The enthusiasm of these brethren on forming a new Lodge is contagious, and will further boost Masonry and Masonic interest throughout our District.

I visited all of the twenty-one Lodges in my District at least once during the year, and I am happy to report that the degrees are being conferred and the business carried out in a highly satisfactory manner. The District Secretary examined the minute books and Treasurers' accounts during each of the visits, and compiled statistics as to the average attendance of each Lodge and the condition of Masonry throughout the District. The highest average attendance was made by the smallest Lodge with thirty-seven per cent, and the lowest average attendance was made by the largest Lodge with eight per cent. The average attendance for Georgian District during the past year was 14.8%. This year we had in the District a decline of less than 1% in total membership from the previous year. Our membership stands at 3,935.

I attended a number of Ladies' Nights held in the District, accompanied by my wife, Jean, together with Wor. Bro. J. E. Shenton and his wife, Phyllis. Each visit evinced the high esteem in which the Grand Master and Grand Lodge are held by the brethren and their Ladies.

Most of the Lodges in the District held Divine Services. Our District Divine Service was held in Orillia Presbyterian

Church on July 9, at which time we shared Masonic fellowship with the brethren of Orillia Lodge, No. 192, who, this year, are celebrating their One Hundredth Anniversary. It was my privilege to be the representative of the Grand Master during this important milestone in the Masonic history of Orillia Lodge.

The Masonic Officers' Association of Georgian District held three meetings during the year and the interest and enthusiasm of the brethren were evident by the large representation of the Lodges. These were the largest attended district meetings that have been reported to date. We were privileged to have the Custodian of the Work, Most Wor. Bro. Harry L. Martyn, and R.W. Bro. W. K. Bailey, Chairman of Masonic Education, as well as our Grand Chaplain, Bro. Rev. E. E. Baskier, attend these meetings on Masonic Education.

In conclusion, I would like to thank all of the Grand Lodge Officers, Past and Present, for the assistance and guidance given to me during the year, also, the twenty-one Masters whose enthusiasm and co-operation were most helpful and inspiring to me. My term of office as D.D.G.M. has been a richly rewarding experience of co-operation and an association that I shall reflect upon with much joy for many years to come. It is my hope that, in some way, I have been able to contribute to the advancement of Masonry in Georgian District.

GORDON E. SMITH, D.D.G.M.

GREY DISTRICT

The end of my term as District Deputy of Grey District is drawing to a close. I started out with some misgivings but from meeting the brethren throughout the District, as the year progressed, I can be selfish and say that I have gained much and hope that I have added to Masonry in the District and to the Craft in general. I thank you, again, for the honour of representing the Most Worshipful the Grand Master in Grey District and the opportunity of representing you at Grand Lodge.

It was my pleasure to appoint the following brethren as District Officers; Secretary, Wor. Bro. Carl Kentner, Meaford; Chaplain, Wor. Bro. Rev. George Brown, Owen Sound; Blood Donors, Wor. Bro. Frank Dougherty; and Masonic Education, Wor. Bro. Murray Douglas. I wish to thank these brethren for a task well done.

Accompanied by my Secretary and other brethren, I officially visited all twelve Lodges in the District. The officers and brethren appear to have the work well up. Attendances were not large but the brethren present seemed to be very enthusiastic and I am happy to report a net gain of thirteen brethren in Grey District for the year.

The District Church Service at Markdale, on May 21st, was well attended by the brethren, their families and visitors. The District Chaplain gave an inspiring message and was assisted in the Service by the Pastor of Annesley United Church, Markdale, and two brethren. The District Lodges held their respective Services which were also well attended.

The Masters', Past Masters' and Wardens' Association held their Ladies' Night at Markdale. The Lodge of Instruction was held in Orangeville when the First Degree was exemplified. The Association was fortunate in procuring two outstanding speakers in Rt. Wor. Bro. Donald M. Fleming at the Ladies' Night, and Rt. Wor. Bro. William A. Stewart at the Lodge of Instruction. Mrs. Ballard and I were made most welcome at the Ladies' Nights throughout the District that we were able to attend. It was a pleasure to be present on these special occasions.

The highlight of the year was the opportunity, along with my predecessor, Rt. Wor. Bro. David Low and other Past District Deputy Grand Masters, of welcoming Most Worshipful Bro. James N. Allan to Owen Sound on November 19, 1966. The evening was a success and all brethren who were there, after hearing the Grand Master's Address, went home with a greater desire and understanding of Masonry.

In conclusion, I would thank the Grand Lodge Officers who were ever willing with assistance and guidance at all times.

JOHN BALLARD, D.D.G.M.

HAMILTON "A" DISTRICT

May I submit my report on Hamilton Masonic District "A" and say what a rare privilege and rewarding experience it has been to represent our Grand Master in this District.

I was most fortunate in my choice of District Officers which were; as follows, District Secretary, Wor. Bro. S. E. Lavenbein; District Chaplain, Wor. Bro. J. L. Childerhose; Supervisor of Masonic Education, R. Wor. Bro. W. L. Sommerville; and Chairman of Blood Donors' Committee, Wor. Bro. D. L. G. Weaver. Both the District Secretary and District Chaplain accompanied me on every one of my twenty Official Visits and I received wonderful support and co-operation from the other District Officers. I shall be ever grateful for the many sacrifices made by them on my behalf.

The friendly and gracious reception, extended to me in every Lodge, was a definite indication of the affection, esteem and loyalty in which the Grand Master and Grand Lodge are held by the brethren in this District. The many courtesies, the gracious hospitality, the co-operation and support I have received from the

brethren of each Lodge on my official and other fraternal visits will ever be remembered by me.

I visited each Lodge at least once and many of them on two or more occasions. At every one of the Official Visits degrees were conferred and I have no hesitation in reporting that, without exception, I found the degree work being performed in a most impressive manner and in accordance with the highest traditions of the Craft. Hamilton District "A" is in a very healthy condition.

Masonic Education is being carried out in all Lodges. Under the direction of R. Wor. Bro. W. L. Sommerville, P.D.D. G.M., who is dedicated to this work, district meetings were held in Oakville, Waterdown and Burlington and a combined meeting of Districts "A" and "B" was held in Stoney Creek, attended by 225 members. All the other meetings were well attended with the exception of one which conflicted with the final hockey game.

The books and records of all Lodges were inspected and were found to be well kept and in order. The Secretaries are to be commended for the manner in which they zealously perform their duties.

There were two Divine Services held during the year by the combined Hamilton Districts under the auspices of the Masters' and Wardens' Association; also many individual Lodges held Divine Services. It was indicated by the attendance that a goodly number of brethren desire spiritual guidance.

Unquestionably, the highlight of a very active year was the reception of our Grand Master, Most Wor. Bro. James N. Allan, under the combined auspices of the Masters' and Wardens' and the Past Masters' Associations. The more than four hundred brethren present were tremendously impressed by the enthusiasm, dignity and sincerity with which our Grand Master is carrying out the duties of his high office.

Other highlights of the year were the presentation of 50 Year Lapel Buttons, and on one Official Visit the District Chaplain dedicated a beautiful Altar Cloth.

Mrs. Heal and I attended a large number of Ladies' Nights in both Districts "A" and "B." The warmth of the reception, the fellowship and hospitality extended to us are memories for which we will always be grateful.

A number of Lodges have developed Centennial Projects, such as renovating and decorating existing premises, and formation of committees to increase attendance. The youngest Lodge in the District, Claude M. Kent Lodge, No. 681, Oakville, has undertaken a very ambitious programme. Committees have been formed to increase attendance of their own members, inviting

all Masons not affiliated with an Oakville Lodge to visit with them and, during the year, an Official Visit is being made to each of the other nineteen Lodges in the District.

Wor. Bro. D. L. G. Weaver, of the Blood Donors' Committee, reported 703 donations to the Red Cross by members and their immediate families.

In conclusion, may I say that I appreciate, so much, the genuine and sincere co-operation I have received during the year from the Grand Secretary, Most Wor. Bro. E. G. Dixon, R. Wor. Bro. G. J. McQueen, the Masters' and Wardens' Association and the Past Masters' Association. The many friends which I have made and the kindness of so many brethren have given me great encouragement and I wish to sincerely thank the brethren of District "A" for the great privilege that has been mine.

C. E. HEAL, D.D.G.M.

HAMILTON "B" DISTRICT

I wish to thank the brethren of Enniskillen Lodge for selecting me to represent them and, also, the brethren of the twenty-one Lodges of this District for electing me as the representative of the Grand Master, Most Wor. Bro. James N. Allan. I, also, thank him for confirming my election at the 111th Annual Communication of Grand Lodge. This honor has been certainly enjoyed by me and is one which I hope has proved beneficial to the brethren.

Much thanks should go to the District Secretary, Wor. Bro. Gordon Hewitt, who served meticulously in the many duties which his office entailed. Many thanks, also, should go to the other officers who discharged their duties with diligence and enthusiasm—Wor. Bro. John Roundell as District Chaplain; V. Wor. Bro. Chauncey Renshaw as Assistant District Chaplain; Wor. Bro. Jack Brenzil, Masonic Education; and Wor. Bro. Murray Clark as Chairman of the Blood Donors' Committee. My sincere appreciation goes to Most Wor. Bro. Dixon, R. Wor. Bro. McQueen, V. Wor. Bro. Guy and the staff of the Grand Secretary's office for the eagerness and willingness to assist whenever called upon to do so.

I attended several Divine and Funeral Services and, in each case, the tenets and principles of Freemasonry were followed exactly for the benefit of Masonry in the eyes of the public. Needless to say the Funeral Services caused much sadness in the loss of such outstanding Masons.

It was my privilege to present 50 Year Buttons to several worthy brethren, and I, also, presented a Fifty Year Past

Master's Button to V. Wor. Bro. Harold Hahnau in recognition of his being Past Master of Electric Lodge, No. 495, for the past fifty years.

My Official Visit to each of the twenty-one Lodges in "B" District showed that Masonry is bound to flourish in this District. The work and ritual were followed closely and with sincerity, showing the feeling of all Masters and officers in the importance of the beliefs of our great fraternity.

As an example of this Lincoln Lodge, No. 544, is blessed with having a Master, Wor. Bro. Deavu, who has shown his dedication to the Craft by setting an excellent example for the officers to follow, and by his mastership of the common trouble of non-attendance. His work is outstanding and he had four applications for initiation in comparison with two in the previous three years. His attendance at nineteen of my twenty-one Official Visits is another indication of his high regard for Freemasonry.

I attended many Ladies' Nighas and at each, with one exception, the interest in our Craft was very noticeable. Those attending were not all brethren, but all displayed their desire for a closer attachment to our tenets and principles. An example of this comes from Wentworth Lodge, No. 166, Ladies' Night, where nearly six hundred attended who behaved according to Masonic principles and who enjoyed our style of procedure.

My Mother Lodge, No. 185, celebrated its Centenary during the year. A Divine Service was held with the District Chaplain in charge. A Lodge Centennial Meeting was held when many presentations were made and our Centennial Celebration Banquet, with Most Wor. Bro. Allan, Grand Master, as the speaker, was a night of outstanding moment.

The close relationship of all the members of Hamilton Masonic Districts "A" and "B" is one worthy of much favorable comment. The friendship and co-operation of R. Wor. Bro. C. E. Heal and all his fellow members are to be treasured very highly. They indicate a close co-operation between the forty-one Lodges in these two Districts.

The Masters' and Wardens' Association and the Past Masters' Association, coupled with the many associate clubs, prove their benefit in the greatness in and the advancement of the Craft.

In conclusion, I can proudly say that the condition of Freemasonry in Hamilton District "B" is good and can be attributed to the attention to detail of everyone concerned. This attention has made my year as D.D.G.M. an easy one, and I submit this report knowing that I have no concern for the endurance of Freemasonry in this District.

J. ALLEN SENN, D.D.G.M.

LONDON EAST DISTRICT

I wish to express my sincere appreciation and grateful thanks to the members of my Mother Lodge, Middlesex, No. 379, to the Masons of the London East District and to you, Most Worshipful Sir, for the honour and privilege of serving as the first District Deputy Grand Master of the new London East District. It has been a wonderful and rewarding experience.

It was my good fortune to have, associated with me, capable and devoted Masons to assist me in my many duties and visitations, in the persons of Wor. Bro. Leslie D. Salmon, District Secretary; Bro. Rev. John P. Cooke, B.A., B.D., District Chaplain; Wor. Bro. Wilbert D. Luxton, Chairman of the Committee on Masonic Education; and Wor. Bro. W. J. M. Fuller, Chairman of the Blood Donors' Committee.

During the year I visited all the Lodges in the District and must report that I was given a very dignified reception on each visitation. I have found the Masters and the officers to be well-skilled and proficient in their work. It was very gratifying for me to see each meeting well attended by members and visitors. As in former years the Worshipful Masters, Past and Present Grand Lodge Officers attended every visitation in good numbers. I know they will give my successor the same co-operation and assistance. Masonry in the London East District is in a healthy condition. The Lodges are operating under the guidance of devoted and skilled Masons.

My first Official Visit was to my Mother Lodge, Middlesex, No. 379, on September 27, 1966. The attendance at the meeting included: four District Deputy Grand Masters; thirty-five Past and Present Grand Lodge Officers; twenty Worshipful Masters; thirty-seven members of Middlesex Lodge, No. 379, and eighty-one visitors.

The Education Committee had a successful year. As in the previous two years, each Lodge visited a sister Lodge and presented an Educational Program. In addition to this, the District Masonic Education Committee presented a skit entitled "Moss on the Stone — North Side." Over forty Masons, representing the thirteen Lodges in the District, participated. This skit portrayed Masonry down through the years. We are indebted to Bro. Donald Cookson and his Committee from Kilwinning Lodge, No. 64, for this fine presentation.

A District Divine Service was held with London West District in the Dundas Street United Church, on April 23, 1967. Bro. Rev. Roderick MacDonald, the Chaplain of London West District, delivered an inspiring sermon entitled "Direction Not Directions." My District Chaplain, Bro. Rev. John P. Cooke, B.A., B.D., assisted. The church was filled by the brethren, their families and friends. I, also, attended the Divine Services held by the Lodges in the District.

Many interesting Masonic events took place during the year. The first of these was the 125th Anniversary of St. John's Lodge, No. 20, and St. John's Lodge, No. 209a. This was a combined service held in the London Masonic Temple on October 11, 1966. Rt. Wor. Bro. Donald J. Gunn, Deputy Grand Master, was the guest speaker.

London East and London West Districts joined in a reception on March 4, at the London Masonic Temple to honour the Most Worshipful the Grand Master, James N. Allan, on a fraternal visit to the Districts. Over 400 Masons honoured our distinguished guest with their presence.

The Masters', Past Masters' and Wardens' Association held their annual Fish Fry at Port Stanley on April 28, and, once again, it was a popular event.

Mrs. Hudson, Mrs. Salmon, the District Secretary, Wor. Bro. Leslie D. Salmon and I were grateful for the many invitations we received to the Ladies' Nights and other social events sponsored by the Lodges. We had enjoyable evenings in the company of the officers, members and their wives at these social events. I am sure these evenings of enjoyment are an important part of Masonry and must be encouraged. Brotherly Love is certainly portrayed at these events.

The annual Sunrise Service at Fanshawe Park, sponsored by Kilwinning Lodge, No. 64, was blessed with ideal weather. Many Masons, their sons and friends enjoyed a wonderful sermon entitled "Ye Shall Know Them By Their Fruits" delivered by the Grand Chaplain, Rt. Wor. Bro. Ernest E. Baskier. Most Wor. Bro. J. A. Irvine, Past Grand Master, read the Scripture lesson.

The most important highlight of my year was the fraternal visit of the Most Worshipful the Grand Master, James N. Allan, on the occasion of the One Hundredth Anniversary of Belmont Lodge, No. 190, on May 8. A delicious banquet and entertaining program were enjoyed by the many Masons in attendance. A short "Historical Sketch of Masonry in Belmont" was presented to those who attended this Centennial of Belmont Lodge, No. 190.

Two Blood Donors' Clinics were held, the first Clinic on December 5, 1966, and the second Clinic on June 5, 1967. The Masons of London East District could have given more support to these Clinics.

I had the pleasure of presenting a 60 Year Button and three 50 Year Buttons.

May I express my gratitude and pleasure for having had the privilege of serving my brethren in London East District as the District Deputy Grand Master.

HERBERT K. HUDSON, D.D.G.M.

LONDON WEST DISTRICT

It has been an honour and privilege to observe and study the Masonic precepts transmitted by the brethren in the new London West District as its first District Deputy Grand Master.

In fulfilling this duty, I have officially visited each of the 13 Lodges. I was accompanied on these visits by Wor. Bro. George E. Lill, my District Secretary, whose sincere and conscientious support was much appreciated. He examined the books and records of each Lodge and found them to be in good order and, without exception, praised the Lodge Secretaries for their ready assistance in providing any information asked for. These records indicate that the financial condition of each Lodge is fair to excellent, but in some there are a number of outstanding dues. However, steps have been taken to improve the situation as it has been agreed that such conditions lead to suspensions and resignations.

In addition to my Official Visits, I have made one other visit to each Lodge and, so that I might be present on special occasions, there are some which I visited four times. With the London District being divided last July this has been made possible, and I have found that the D.D.G.M. becomes better acquainted with the brethren. There is more time to give much needed guidance and direction and, by being better acquainted, the brethren seem to be less hesitant to ask questions and seek further knowledge regarding Masonry.

Whenever I visited any Lodge in the District, I was received warmly and in a most gracious and dignified manner. In my visits to all the Lodges, I have been impressed by the high standard of the work and the enthusiasm of the Worshipful Masters and their officers. They are, however, all conscious of the fact that there is always room for improvement.

The District Education Committee, under the capable supervision of W. Bro. Fred Fleming of Delaware Valley Lodge, No. 358, adopted a program whereby each Lodge presented an educational program in another Lodge. A District Lodge of Instruction, sponsored by Ashlar Lodge, No. 610, was held on January 23, 1967. The First Degree was exemplified by the Senior Wardens and the District Committee assisted with an explanatory period. Much interest was created and the meeting was well attended.

Bro. (Rev.) Roderick Macdonald, District Chaplain, accompanied me on a number of my Official Visits and was well received throughout the District. It was gratifying to have each Lodge participate in a Divine Service, either alone or jointly with a sister Lodge. They were generally well attended. A combined District Divine Service with London East District was held at Dundas St. Centre United Church on April 23. Approximately 400 Masons, together with their families and

friends, attended the Service. Bro. Rev. R. Macdonald delivered the sermon, assisted by Bro. Rev. John P. Cook, London East District Chaplain.

Our Blood Donors' Committee was headed by W. Bro. D. A. McDonald of St. George's Lodge, No. 42. A clinic was held December 5, 1966, with 78 donors. Another clinic is to be held June 5, 1967, which I anticipate will be equally successful.

The highlight of the year was the combined Reception tendered by London East and London West Districts to our Grand Master, Most Wor. Bro. James N. Allan, which was held in the Masonic Temple, London, March 4. There were over 400 Masons in attendance, a large number of whom were Grand Lodge Officers from all parts of the Grand Jurisdiction. The friendly personality of our Grand Master and his inspiring address will long be remembered by all of us.

I am looking forward to another Grand Lodge function in this District June 3, 1967, when the new Masonic Temple, recently built by the brethren of St. Pauls Lodge, No. 107, Lambeth, is to be dedicated by M.W. Bro. John A. Irvine, Past Grand Master.

The presentation of 50 Year Lapel Buttons to some of the brethren on my visits was indeed a great pleasure.

Mrs. Botham and I, together with Mrs. Lill and W. Bro. Lill attended all the Ladies' Nights and we will be forever grateful to the Worshipful Masters and their ladies for their gracious hospitality.

I was most happy to be present October 11, 1966, when the two St. John's Lodges, No. 20 and 209a, celebrated their 125th anniversary. Also present were the Deputy Grand Master, Rt. Wor. Bro. Donald J. Gunn, the Grand Senior Warden, Grand Junior Warden and 200 other Masons.

During the year I was able to visit 14 other Masonic Districts, usually on an Official Visit with the D.D.G.M. of the District or a reception for the Grand Master.

In conclusion, may I say that I think, in general, the condition of Masonry in London West District is good. However, some brethren seem to be complacent about it and, if we are going to build for the future, much planning must be done to create interest for the new members.

I appreciate the wonderful support given me throughout the year by the brethren of this District. It has been a most interesting year.

WESLEY F. BOTHAM, D.D.G.M.

MUSKOKA-PARRY SOUND DISTRICT

It has been a great honour and a privilege to represent such a distinguished and dedicated Mason as is our Grand Master, Most Wor. Bro. James N. Allan, in Muskoka-Parry Sound District.

May I first express my appreciation to the brethren of Granite Lodge, No. 352, and the other Lodges within this District for electing me as District Deputy Grand Master and to Most Wor. Bro. Allan for confirming my election.

It was my pleasure to appoint W. Bro. Elwood Robinson as my District Secretary and Bro. Harold White as my District Chaplain. These brethren have attended all my visits and have been a wonderful help to me throughout the year. It was, also, my pleasure to appoint W. Bro. Lorne Tudhope as District Chairman of Masonic Education and W. Bro. William Gerhart as Chairman of the Blood Donors' Committee. They have served these offices well and have brought excellent reports to the meetings which they were able to attend.

Our District Divine Service was held on April 30, in St. James United Church in Parry Sound and was well attended by members from each Lodge and by some of their families. Our District Chaplain, Brother White, assisted the Minister by reading the Scripture. After the Service the brethren and their families assembled in the lodge banquet hall and enjoyed an informal get-together and lunch.

I officially visited each Lodge within our District and was warmly received with courtesy and dignity. I have been impressed by the manner in which the Worshipful Masters and their officers are conducting the business and degree work throughout the District. At each official visit the District Secretary reported that the books and records of the Lodges were well maintained. It is also my pleasure to report that the average lodge attendance throughout the District has increased during the past year.

The Past Masters', Masters' and Wardens' Association is operating very effectively within our District. At their meetings, instead of having a great speaker for the evening, there has been an open discussion period from which many constructive questions, answers and suggestions have been brought forward.

In particular, I would like to mention Algonquin Lodge, No. 434, Emsdale. I believe this Lodge may be in a unique position inasmuch as their membership dues are completely paid to date and every eligible member is in good standing in the Past Masters', Masters' and Wardens' Association.

I was pleased to note that all Lodges within this District have appointed Chairmen of Masonic Education and two-thirds

of the Lodges have a Masonic library. However, I urge the brethren to place more material in these libraries. We are very grateful to R.W. Bro. W. K. Bailey for preparing the education booklets throughout the past year. I would suggest that consideration be given to increase the number of these booklets to each Lodge that at least all officers would receive one.

At my Official Visits I based my messages to the brethren on the principles of our present day Masonry and our relationship with other fraternities and various organizations within our country. These apparently were very well accepted.

In conclusion, I would like to thank all the Grand Lodge Officers for the assistance and guidance given to me during the year. The co-operation of so many Masons and the remarkable attendance at my visits have contributed toward making the past year a rewarding experience and a wonderful year in Masonry for me. It is my sincere wish that, in some way, I have been able to contribute to the advancement of Masonry in Muskoka-Parry Sound District.

GARNETT E. TAIT, D.D.G.M.

NIAGARA DISTRICT "A"

My year as District Deputy Grand Master of Niagara District "A" has been an honor, a pleasure and an education to me. I am most grateful to the brethren of this District for having placed in me their confidence last July and for their support during my term of office.

I was very fortunate in having the full support and co-operation of my District Secretary, Wor. Bro. J. C. Hutchinson; Very Wor. Bro. Rev. H. D. Maclean as District Chaplain; and Wor. Bro. C. A. Sankey as Supervisor of Masonic Education. I would give special mention to Wor. Bro. Buss who has, once again, acted as Chairman of the Blood Donors' Committee and who did his usual excellent job on behalf of this most worthy project. My thanks to these brethren for their great assistance which has been so helpful to me. It is with the deepest regret and sorrow that Wor. Bro. Buss took a severe heart attack on May 11, 1967, and did not recover. He passed to the Grand Lodge Above on May 14, 1967, and a great tribute was paid to a great Mason when about 150 Masons attended the Memorial Service for him. He will be greatly missed by the brethren of this District.

The highlight of my year, of course, has been the celebration of the 175th Anniversary of Niagara Lodge, No. 2, my Home Lodge, which was held on Saturday, June 24, 1967. The brethren held a lodge meeting at 3.00 p.m. followed by a banquet at 6.30 p.m. Rt. Wor. Bro. B. B. Foster, a member of the Board

of General Purposes and Chairman of the Committee on the Condition of Masonry was the guest speaker. We were very fortunate in securing a Brother with such outstanding knowledge and experience in Masonry to address us on this occasion.

The Grand Master was unable to attend, having previously accepted an invitation to attend the 250th Anniversary of the Grand Lodge of England, in London. We regret that these two events had conflicting dates.

This event was followed by my District Divine Service the next afternoon, Sunday, June 25, at 3.00 p.m. in St. Marks Anglican Church, which was also celebrating its 175th Anniversary. My District Chaplain, Very Wor. Bro. Rev. Maclean, is the Rector of this Church. The Grand Chaplain of Grand Lodge, Rt. Wor. Bro. Rev. E. E. Baskier, was in attendance at this Service and delivered the message. He was assisted by several Past District Chaplains. The Masonic Choir of this District provided the musical part of the Service. It was a wonderful occasion in all respects and must have been an inspiration to the community as well as to the members of our fraternity.

Another district event that took place during my term of office was the dedication of the new Masonic Temple of Amity Lodge, No. 32, at Dunnville, the Grand Master's Home Lodge. This is truly a beautiful Temple. As it was many years in developing and becoming a reality and as some of the members who had the vision of this Temple have passed to the Grand Lodge Above, it will serve not only as the Temple of the future but as a memorial of the past. I wish at this time to congratulate all who had a part in this project.

I have, during my term of office, visited each Lodge at least once and, although the attendance was not large at some, I am convinced that many Masons in this District are just as dedicated and interested in our fraternity as any have been in the past. I see no reason for any alarm about the future of our Order. I have stressed the need of at least another Lodge to start right away and in about five years for yet another to begin. As many of our Lodges are too large, many of the brethren do not have an opportunity to take part in our work and so become disinterested.

Each Lodge in the District held a banquet for the members and ladies. My Secretary and I, with our wives, attended all these banquets. All enjoyed ourselves and I believe these banquets did much to advance the image of our fraternity in the different communities.

I am very grateful to the Most Wor. Grand Master, Most Wor. Bro. James N. Allan for confirming my election as his personal representative for this his home district. I have attended four of the banquets in his honor throughout the Province and

I have listened to his most inspiring address at each. The knowledge I have gained from these addresses has been very educational. I feel greatly rewarded for having taken some time to attend.

In conclusion, I would like to thank all those who have assisted me during my term of office, with special thanks to my staff, the Masters and Secretaries of the District Lodges. To the Past and Present Grand Lodge Officers I wish to extend my thanks for their loyal and devoted support. It was a great comfort to me to have at my side so many wise and friendly counsellors whenever I was in need. To the brethren of this District I extend my heartfelt thanks for making this my most treasured year.

FRED L. COLLARD, D.D.G.M.

NIAGARA DISTRICT "B"

I have just about completed one of the most enjoyable and educational years of my Masonic career. I am still not sure that I have assisted the brethren of my District as much as they have assisted me. Masonry continues to grow and strengthen in Niagara "B" so I have no apprehension regarding the future.

The District Secretary, Wor. Bro. C. S. Morningstar, has completed his assigned tasks with the utmost dispatch and ability. He reports that all Lodges are conforming to the regulations as laid down by the Book of Constitution for Secretaries. The assistance from the Grand Secretary has been thankfully received. Without it we would surely have strayed from the straight path we should follow.

Masonic Education in the District has again improved this year under the capable leadership of Rt. Wor. Bro. W. K. Bailey, assisted by Wor. Bro. Thornton of our District. We are moving towards education of all our members with many plans for the future.

The spiritual part of Masonry was taken care of by Rev. Allen. As the similarity of his name with the Grand Master's so the same humour and enthusiasm prevailed, which maintained the true meaning of Masonry by communicating happiness.

Our Blood Donors' Committee was under Wor. Bro. Wilson. Although the success was not what we had hoped for, still we are trying and will maintain our efforts until success is ours.

The Worshipful Masters of all our Lodges have received me on the inspection of their Lodges, as well as on many other occasions, with a warm and enthusiastic welcome of a true friend, not that of the absent ruler. Their kindness to me is much appreciated.

There have been many special evenings in our District this year. This, in itself, would indicate the enthusiasm which prevails in this our Canadian Centennial Year. There were three visits from our American brethren, two for week-ends and one for an evening. It was also enjoyable to return these visits.

The dedication of the new Temple of King Edward VII Lodge, No. 471, in Chippawa, was another happy and enlightening experience for the brethren. The fellowship which prevailed was enjoyed by everyone. I would be remiss if I did not thank the Past Grand Lodge Officers for their willingness to serve and perform their duties with their usual efficiency. The dedication of a plaque to the departed brethren of Phoenix Lodge, No. 535, Fonthill, as a Centennial year project, although of a serious nature, was still carried out with the warm feeling of brotherhood. I would also like to point out that the marble used in the background of the plaque was donated by American brethren.

The presentation of Fifty Year Buttons have been most happy occasions, both for the recipient and myself, as the Lodges have asked me to present the Buttons on my visits.

Our District Divine Service was well attended. I am sure the brethren realize our responsibility in this direction, as it was the best attendance for a few years.

The Ladies' Nights were enjoyable. Both Mrs. Hall and I appreciate the invitations sent to us by various Lodges.

The culmination of the Official Visits of inspection, which was to my Mother Lodge, saw the fruition of the seeds that had been planted during my visits to various Lodges. I will never be able to express my feelings at the turnout of the brethren. For their kind words and deeds which, although inadequate, but heartfelt, I say thank you.

We, also, were hosts to many Police brethren during the World Police Congress. I am sure they enjoyed their visit to our jurisdiction. There were many more special affairs and evenings, all of which I would like to list, but, if I did, this report would be more like a book than a concise report. What I am trying to say is, it has been a year of enthusiasm as far as Masonry is concerned.

In summing up this report, although the Masonic year is not quite ended, but all the Official Visits of inspection are finished, I wish to say that it has been very rewarding. I would like to express my thanks to the brethren outside the District for their warm reception given me. The best tribute I can pay them is that it was like being home in my own District.

V. R. HALL, D.D.G.M.

NIPISSING EAST DISTRICT

The 1966-67 year has been a momentous one for Nipissing East District. The year 1967, particularly, has many historical mileposts. Canada, as a nation, celebrates its Centennial. The Mother Grand Lodge of England celebrates 250 years of Masonry. In our district, Haileybury and Cobalt Lodges celebrate their 60th Anniversaries, both having been inaugurated upon the same day in a burst of Masonic enthusiasm.

This enthusiasm is evident throughout the Jurisdiction. Mattawa Lodge, the oldest in the district, has had a good year and has contributed handsomely to an area hospital project as one of their major endeavours. Both of the North Bay Lodges are vigorous in the growth and fraternal aspects of Masonry, and it is a pleasure to watch them at work. Together, they staged a Centennial Ladies' Night in April which was an outstanding success. Sturgeon Falls Lodge and Elk Lake Lodge, while amongst the smaller District Lodges, have both been active and sincere in their approach to Masonry. In the Tri-Town area, Temiskaming, Haileybury and Silver Lodges each progressed favourably during the year. Silver Lodge in Cobalt is considering the sale of its present quarters, in favour of future meetings and use of the Haileybury Masonic Temple, thereby demonstrating that, in face of changing conditions, Masons can and will cooperate in meeting such changes.

One of the outstanding events of the year occurred on April 28, when it was our pleasure to welcome to the District, at a reception and banquet, Most Worshipful Brother Jas. N. Allan, our Grand Master. Accompanying the party were Rt. Wor. Bro. T. C. Boon, Grand Junior Warden, and V.Wor. Bro. H. V. Bartlett, Grand Director of Ceremonies. All Lodges in the District were represented at this affair, which proved to be a very enjoyable and instructive evening. An added pleasure was the fact that Mrs. Allan and Mrs. Bartlett accompanied their husbands on this safari to "The North-East Angle of Ontario."

All in all, as District Deputy Grand Master, I have enjoyed the work of the year, largely because of the wonderful spirit which I encountered, as well as the help, cooperation and friendship of the brethren. All District Chairmen carried out their particular duties well.

Masonic Education, under the guidance of W. Bros. Easey and Lavery, with assistance from W. Bro. Rev. Wipprecht of Silver Lodge, brought credit in the presentation of a better than average discourse upon the relationship of the Church and the Lodge. Bro. Rev. A. R. Cuyler conducted the District Divine Service, which was well-attended and appreciated. W. Bro. Haley, of North Bay, and Wor. Bro. Pelkie from New Liskeard, looked after their respective rolls as Chairmen of Benevolence and Blood Donors with sincerity of purpose.

As District Deputy Grand Master, I am indebted to the work done by my District Secretary, Wor. Bro. Lorne L. Woods, who, as a good organizer, has done much to lighten the work during the year.

To all the brethren of Nipissing East District, I wish to say, "thank you for your courtesy, friendly spirit, and royal welcome given me on my official visits." From my observations, I would say that the condition of Masonry in Nipissing East District is at a high level. The best in Masonry is ever before us as we look to the future.

ROY T. ANDERSON, D.D.G.M.

NIPISSING WEST DISTRICT

It has been a very great privilege and high honour for me to represent you in Nipissing West District as your District Deputy and I am most grateful that you confirmed me in my election to this high office.

I am also most grateful and proud that my own Lodge, Hatherly, No. 625, was good enough to nominate me and that I was elected by the various Lodges of the District at Grand Lodge last July.

To me the various activities in which I have been engaged have been most rewarding and inspirational. One realizes one's own many shortcomings and limitations but all the Lodges and brethren throughout the entire District have been most kind, encouraging and considerate. I have been deeply impressed with the fine spirit of brotherly love and friendship exhibited in a warm and spontaneous manner by all and I feel most deeply that Masonry in all parts of this District extends itself among all the brethren in accordance with our highest traditions and those excellent precepts ever inculcated in each and every one of us.

I am particularly grateful to all the Present and Past Grand Lodge Officers, Masters, Past Masters and brethren who were so kind as to be present at many of my Official Visits. Some of these did so at considerable expense and inconvenience to themselves.

Attendance and enthusiasm at all the meetings were most heart-warming and encouraging, and I noted an excellent percentage of visitors in attendance. The work was performed exceptionally well; the business part of the meetings was conducted efficiently and well and, in some cases, a short educational programme was included which was interesting and informative to hear. The excellence of the work, etc., applied in rural as well as in urban Lodges.

The highlight of our Masonic year, of course, was the visit of our Grand Master, the Grand Secretary and the Grand Director of Ceremonies. Two most enthusiastic and well-attended receptions were held at Sudbury and Sault Ste. Marie. About 550 Masons were in attendance which, considering the area of our District, some fifty thousand square miles, was excellent.

Doric Lodge, No. 455, at Little Current, has moved into a new Temple and the brethren there are to be highly congratulated on their new, beautiful Temple and surroundings which we expect will be dedicated after the final inspection has been made.

I have been most fortunate in the excellent calibre and co-operation of those who have assisted me: the late Wor. Brother R. Stephen as District Secretary; Wor. Brother W. J. C. Noble as Chairman of the Blood Donors' Committee; Wor. Bro. J. George Cameron as District Supervisor of Masonic Education; Bro. Rev. Alex Holmes as District Chaplain; and R. Wor. Brother Frank Pearse as District Historian.

Unfortunately the District suffered a grievous loss when Wor. Bro. R. Stephen passed away after a very brief illness last December. It came as a profound shock to all of us and our deepest sympathy goes out to his wife and to all the members of his family.

We were, however, fortunate in that Wor. Bro. D. N. McCormack agreed to carry on as District Secretary and he has been of inestimable help to all of us in continuing and fulfilling the good work of his late predecessor.

All of the Lodges were visited at least once and I estimate that over 5000 miles were covered by me throughout the year.

A district meeting of Past Masters and officers was held at Sault Ste. Marie on Saturday, May 27. It was extremely interesting and well-attended and an excellent speech was delivered by Bro. Rev. Peter Reid, formerly of the Ottawa District.

It is my considered view and recommendation that the larger Lodges should consider sponsoring new Lodges to take care of some of the overflow of their members. In this way much latent talent will be available and I am sure better attendance, and even more enthusiasm, will result.

It may be of some significance that I was invited to and attended a banquet given by the local Council of the Knights of Columbus. This should encourage a warm, friendly relationship between our respective Orders.

May I say, once again, how very much I have appreciated this rare privilege accorded me. I only hope that I have responded to some extent to the infinite co-operation, encouragement and good fellowship extended to me by Grand Lodge and by all the brethren of this District. I know that my successor will be as well received as I have.

GEO. R. LEE, D.D.G.M.

NORTH HURON DISTRICT

It has been a valuable experience to serve as District Deputy Grand Master for the past year. The enthusiasm with which I was received on all Official Visits reflects the loyalty and esteem in which Grand Lodge is held.

I appointed Wor. Bro. Douglas Whitmore, District Secretary, and Bro. Harvey Sillib, District Chaplain. These brethren accompanied me on my Official Visits and have been most faithful and efficient in the performance of their duties.

The reports of the District Secretary regarding the business of the Lodges, and of the Secretaries and Treasurers, were all favourable, the lodge records, in every case, being in excellent condition.

An Official Visit was paid to each of the twelve Lodges and in each I am proud to report that I found Masonry active and flourishing. The quality of the degree work was of a high calibre, and credit for this should go to the Masters and their officers of the year.

I was pleased to be able to be with the District Deputy Grand Master of both South Huron and Bruce Districts on several of their Official Visits in their Districts, and was honoured in having these visits returned at my own Official Visits in North Huron.

Although we did not have the honour of having the Grand Master in our District this year I had the pleasure of being in other Districts where he was so honoured.

St. John's Lodge, No. 284, Brussels, had the pleasure and privilege of a visit by Rt. Wor. Bro. Thos. C. Boon, Grand Junior Warden. Rt. Wor. Bro. Boon was accompanied by several brethren from Kitchener. The brethren of St. John's Lodge were delighted by this visit and it is most appreciated that Rt. Wor. Boon was able to take time to visit rural Lodges such as this.

The District Divine Service was held in the Blyth United Church on May 21 with a good attendance of Masonic brethren and their families. An inspiring message was delivered by Bro. Rev. W. J. Maines. Following the Service a lunch was served by the members of Blyth Lodge and an hour of fellowship was observed.

Most of the Lodges in the District held a Divine Service, many of which my wife and I attended, and in all cases these Services were well-attended by the brethren.

Mrs. East and I enjoyed the Ladies' Nights in the District. We were made most welcome and enjoyed the opportunity of associating with the Masons and their wives. To those we were

able to attend we say a sincere "thank you," and to those we had to decline we extend our apologies.

Most Lodges have a Committee on Masonic Education and arrange to have short addresses given at the meetings. These Lodges are to be congratulated and every effort should be made to have this practice continued.

I am proud to report that the brethren of this District are doing everything in their power to strengthen and maintain the true principles of Masonry and to pass them on to succeeding generations pure and unsullied.

Finally, may I close my report of the business and condition of Masonry in this District by expressing my deep and sincere appreciation for the co-operation and brotherly love, which I have experienced throughout the whole of North Huron District. I can only say that the friendships I have made and the many kindly thoughts expressed will long be treasured in my memory. I am looking forward to renewing those friendships in the years to come.

EDWARD C. EAST, D.D.G.M.

ONTARIO DISTRICT

Another Masonic year is quickly drawing to a close and, with it, my term as District Deputy Grand Master. It is my privilege now to submit the following report on the condition of Masonry in Ontario District for 1966 and 1967.

My first duties were to appoint Wor. Bro. J. Allan Penfound as the District Secretary, V. Wor. Bro. Harry S. Palmer as Chairman of the Blood Donors' Committee, Wor. Bro. R. A. Stone as Supervisor of Masonic Education and Bro. Rev. Dr. Harry Mellow as District Chaplain. To each of these brethren I extend a sincere thank you for their generous support, for the interest they have shown in the affairs of the District and for the capable and efficient manner in which each carried out his respective responsibilities.

I, of course, officially visited the fifteen lodges in the District and, in every instance, I was received most cordially with warmth and friendship. The good fellowship extended will long be remembered. At each of my Official Visits a degree was conferred. The Worshipful Masters in most lodges used their junior officers and members quite extensively in doing the work. This, I thought, was commendable and I expressed my approval. The calibre of work done in Ontario District is indeed worthy of praise. The uniformity of the work and the dignified manner in which it is carried out deserves commendation.

During my visits I thought it my duty to bring to the attention of the lodges a subject which is of much concern to Freemasonry today, "the loss of membership throughout our Grand Jurisdiction." I talked of suspensions for non-payment of dues. I expressed the opinion that no member should be suspended for this cause until a personal contact was made to determine the reason dues are not paid. Loss of membership by demit is also heavy. This subject I discussed on several of my visits.

The District Secretary, Wor. Bro. Penfound, reported that the books of all lodges of the District were kept in a creditable manner and that all lodges are financially sound.

The Chairman of Masonic Education, Wor. Bro. Stone, gave a short talk on Masonry at most of my official visits. His messages were received with kind attention.

The Chairman of the Blood Donors' Committee, V.W. Bro. Palmer, also gave a short talk at each visit, expounding the great need for blood. I can only hope that the number of donors may increase.

Bro. Rev. Dr. Harry Mellow, the District Chaplain, has been a tremendous source of strength for me. His talks given at the banquet table were thought-provoking and stimulating. My thanks to Dr. Mellow.

During the first half of my year I was privileged to attend several Installations, which has been my usual custom for many years. The Past Masters are to be congratulated for their fine work.

Mrs. Baker, Mrs. Penfound, the District Secretary and I were privileged to attend several Ladies' Nights. The gracious and genuine friendship on all occasions were much appreciated.

Our District has been saddened by the passing to the Grand Lodge Above of several prominent members, among whom were Rt. Wor. Bro. Leonard Gordon, a member of Colborne Lodge, No. 91, also Rt. Wor. Bro. Donald E. Gibson of Composite Lodge, No. 30. We mourn their passing. The esteem and respect with which these brethren were held was duly exemplified by the large attendance at the funeral services.

Our District Divine Service, held May 7 and conducted by Bro. Rev. Dr. Mellow, was well attended. Thirteen of the fifteen lodges in the District were well represented.

The reception to the Grand Master in Oshawa on May 30 was one of the highlights of the year. The message from the Grand Master was well received and, I am sure that we, who had the privilege of hearing him, were indeed fortunate.

In conclusion, Most Worshipful Sir, I sincerely thank you for confirming my election. The year as your representative has

been the most rewarding year of my Masonic career. My deep appreciation, too, goes to my brethren of Ontario District for the confidence placed in me, and for the loyal support of the Worshipful Masters and brethren who attended so many of my Official Visits.

Finally, may I wish for my successor the same loyal support which I have enjoyed throughout the year.

WILFRED E. BAKER, D.D.G.M.

OTTAWA DISTRICT

Representing the Grand Master, Most Worshipful Brother James N. Allan, in the Ottawa District has been a privileged undertaking for me this year.

The co-operation, assistance and good fellowship which I have had during my Official Visits leave me with a good feeling within myself, and an assurance that Masonry is doing so much for each individual who participates in its many activities. At each of these twenty-nine Visits degree work was done in an efficient manner, and they were all well-attended by Grand Lodge Officers and Worshipful Masters, as well as other brethren.

The District Officers, whom I appointed, served the various offices very well and faithfully discharged the tasks connected with this District. Wor. Bro. C. W. Carson, who acted as District Secretary, did a wonderful job and was ready to assist me at all times. He was prompt and very regular in attendance at all our functions, and especially our Official Visits, at which he reported that records and affairs in general of each Lodge were well kept and properly looked after by the Secretaries and Treasurers of the various Lodges.

Once again we had the advantage of having Wor. Bro. Robert Taylor to supervise Masonic Education for the Ottawa District. He expressed a wish to have an opportunity to give up this job and, on discussing this with him, we felt that we would try to establish some continuity, so that the literature distributed and the meetings held would not become too repetitious. Wor. Bro. Ken Nesbitt agreed to be our Assistant Supervisor of Masonic Education and did a wonderful job, also.

Wor. Bro. E. Jackson served as head of our Blood Donors' Committee. He spoke to the brethren on two occasions and carried on continuous correspondence with each of his twenty-nine lodge representatives. He has reported that a great deal of assistance has been rendered to the Red Cross in its job of supplying free blood to every person in Canada as and when it was required.

Our Chaplain, Bro. Derek Allan, has had a bad year with his health, but was enthusiastic in accepting the duties of office, and a District Church Service was held in St. Timothy's Presbyterian Church, where his message was well received by all who attended. There were many Church Services held in the District during the year, and most of them were well attended.

We had the privilege of listening to our Grand Master, Most Wor. Bro. James N. Allan, when he made a visit to our District. At one of our several events, held by the Past Masters', Masters' and Wardens' Association, we were favoured by an address from our Deputy Grand Master, Rt. Wor. Bro. Donald J. Gunn.

Again our Annual Masonic Ball was held at the Chateau Laurier Hotel and a successful evening was enjoyed in the company of our ladies and friends.

Twenty-eight Ladies' Nights were held by the Lodges, and my wife, Helen, and I were guests at most of them where we were given very privileged treatment.

A Curling Bonspiel was held with thirty-two rinks participating, and the honour this year went to a team skipped by Rt. Wor. Bro. Arnold Illingsworth of Carleton Place. Wor. Bros. L. McAdam and John Foster organized this event, and we are sorry to report that Bro. Foster is now in hospital with a heart condition.

During the year the District was saddened by the loss, through death, of three Past District Deputy Grand Masters and three other Past Grand Lodge Officers.

I would like to thank all the brethren of the Ottawa Masonic District for their support during the year, and especially those who made our district events such a success.

C. C. LILICO, D.D.G.M.

PETERBOROUGH DISTRICT

As the most outstanding year of my Masonic career is drawing to a close I am casting a glance back over the last few months to make a summary of some of the events that made this year so outstanding.

First of all I must thank the brethren of Peterborough District for placing me in this honoured position and, also, the Most Worshipful the Grand Master for his approval. I have received the full co-operation of the Masters, officers and members of all the Lodges in the District. They have been most helpful.

I would particularly like to thank the District Officers. Wor. Bro. Elmer McKee has had a long and capable Masonic history in Percy Lodge and, being a promoter of the Craft wherever he goes, I knew he would devote his full energies to the office of District Secretary. He performed his task with skill and fidelity and kept me informed on the affairs of each Lodge. His report at each Official Visit omitted nothing. R. Wor. Bro. Harry Ewing performed his task as Director of Masonic Education very capably and was a great help in many ways. I am particularly thankful to Bro. A. E. Thompson who took over as Blood Donor Chairman when Bro. J. C. Smith had to withdraw because of health. Bro. Thompson has devoted much time and effort in promoting this very important segment of our Craft. My thanks is also extended to the District Chaplain, Bro. Rev. G. Whitehorne, who, at the District Divine Service, April 23, gave us a message of timely importance. My special thanks must go to the members of Percy and Hastings Lodges. Some of these brethren never missed an Official Visit. It is this kind of faithfulness that makes the duties of the District Deputy most enjoyable.

I am very proud of and happy about the condition of Masonry in Peterborough District. There was a degree performed at each Official Visit and I feel the work was excellent. The Master and Officers of each Lodge seem to be carrying out their work diligently. There seems to be a trend to partake in ventures outside the Lodge. This, to me, is very important. The show window of Masonry is in the lives of its members and the influence of the Craft is needed in our communities.

I have travelled to many Masonic functions, both within and without the District, such as Ladies' Nights, Divine Services, etc. and I have found the true Masonic feeling in all of them.

The highlight of the year was the Reception for the Grand Master held in Warkworth on the 29th of November, 1966, when the brethren of the District received Most Wor. Bro. J. N. Allan. His message was a great inspiration to all present and certainly did a great deal to promote Masonry in general.

The future of Masonry in Peterborough District looks bright. We must not, however, rest in our well doing. Masonry is like a precious jewel. The more it is polished and used the brighter it shines and the more valuable it becomes.

CHARLES BUCHANAN, D.D.G.M.

PRINCE EDWARD DISTRICT

It is with pleasure that I submit my report of Prince Edward District for the year 1966 and 1967.

I would first like to express my sincere thanks and appreciation to the brethren of Consecon Lodge, No. 50, for proposing my name, also to the brethren of the District for electing me,

and to the Grand Master, M.W. Bro. James N. Allan, for confirming my election as his representative. It has been for me, as it is for every Mason who holds this high office, an experience which I will treasure as long as I live. As my term of office draws to a close I am able to look back over the past twelve months with a fond and lasting memory. The support and help given to me by the brethren of the District made the work of my office that much more pleasant and easier, while the work of the Lodges and co-operation of the officers, especially the Worshipful Masters, showed much planning and preparation, indicating a sincere interest in Freemasonry and a genuine desire to improve the good image of Freemasonry throughout the District.

My sincere thanks and appreciation go to my District Officers. W. Bro. E. V. Young, District Secretary, performed his duties in a most efficient and kindly manner and submitted a most comprehensive report of each Lodge. He has laboured on my behalf beyond the call of duty, and has had the complete co-operation of all the Lodge Secretaries in the District. He reports that all have performed their duties in a very satisfactory manner. He has accompanied me on all Official Visits and has encouraged and assisted me on all occasions. W. Bro. Earl Burris, District Chaplain, has accompanied me on each visit and has upheld the dignity and sincerity of his office among all the brethren. R.W. Bro. Clare McFaul kindly consented to continue as District Supervisor of Masonic Education, which duties he carried out with distinction. I would suggest to the incoming D.D.G.M. that he could find no one better qualified to fulfil the duties of that office. W. Bro. Andrew Silver was appointed District Chairman of the Blood Donor Service and will make his report to R.W. Bro. G. E. Turner. W. Bro. Silver visited all of the Lodges in the District, some several times, to promote interest in donating blood among the lodge members. At times he seemed discouraged but still laboured on beyond what was required of him and earns my sincere thanks for a difficult job well done.

I have visited all seventeen Lodges at least once and some several times and have proven that the condition of Freemasonry in the District is sound and above reproach. Where irregularities were found, a quiet word to the Master or other Officers sufficed.

On September 7, 1966, a meeting with all the Worshipful Masters and Senior Wardens of the District was held which I think proved very helpful, as we all became better acquainted so that we might work together for the good of Freemasonry in the District. On November 2, 1966, I represented the Grand Master in welcoming to Moira Lodge, No. 11, Belleville, and to the District, the Grand Master of New Brunswick, Most Wor. Bro. Perley Roy and his party. Most Wor. Bro. Roy's son was raised in Moira Lodge on this occasion.

On November 5, 1966, I accompanied R.W. Bro. Gunsolus to the special meeting of the Board of General Purposes in the Royal York Hotel in Toronto at which meeting we both gained much needed information. On November 22, under the direction of R.W. Bro. A. Clare McFaul, District Supervisor of Masonic Education, a Lodge of Instruction was held in United Lodge, No. 29, Brighton, when the Worshipful Masters of the District occupied the chairs and exemplified the Master Mason's Degree. R.W. Bro. McFaul was assisted by many of the past D.D.G.M.'s of the District. R.W. Bro. Hanlon P. Wilson of Frontenac District and R.W. Bro. Chas. Buchanan of Peterborough District were our guests on this occasion. The lodge room was filled by brethren seeking instruction in the Master Mason's Degree and every Lodge in the District was represented.

The highlight of the year must be the reception for Most Wor. Bro. James N. Allan, our Grand Master, at the Masonic Temple, Belleville, on Saturday, January 28, where our Grand Master delivered a very sincere address admonishing all the brethren to improve and portray the true image of Freemasonry to all. The banquet room was comfortably filled and, if the weatherman had co-operated, would not have accommodated all who would have been there. Many Present and Past Grand Lodge Officers accompanied the Grand Master.

On April 14 a Deacons' Night was held in Tweed Lodge, No. 239, when the Deacons of the District conferred the Second Degree in a most satisfactory manner and earned the praise of our guest, V.W. Bro. Stanley Portch, Grand Senior Deacon, who gave a very rewarding address at the banquet table. The Wor. Master's chair on this occasion was very capably filled by R.W. Bro. R. M. Gunsolus, Past Grand Senior Warden, and a Member of the Board of General Purposes of Grand Lodge.

On April 24 a Wardens' Night was held in The Belleville Lodge, No. 123, when the First Degree was conferred by the Wardens of the District, in a very capable manner, under the very efficient direction of the Grand Senior Warden, R.W. Bro. F. H. G. Verral. The Grand Junior Warden, R.W. Bro. T. C. Boon, delivered a very heart-warming and instructive address at the banquet table which was much appreciated.

On May 3 Moira Lodge was host to their Mother Lodge, Ancient St. John's, No. 3, Kingston, and their two daughter Lodges, Franck Lodge, No. 127, and Madoc Lodge, No. 48. Also present was the Senior Deacon from Moira Lodge in London, England.

On May 4, the members of the Temple Corporation from Toronto visited The Belleville Lodge, No. 123, and presented a portrait of Most Wor. Bro. W. N. Ponton, K. C., in a very informative and impressive ceremony. The late M.W. Bro. W. N. Ponton was a member of The Belleville Lodge and the brethren

of that Lodge are honoured, indeed, to receive his portrait. They will give it all honour due such an illustrious Past Grand Master.

On May 6 I accompanied the brethren of the District to Bay of Quinte Lodge in Toronto to pay our respects to another distinguished son of our District in the person of Most Wor. Bro. Archbishop Wm. L. Wright on his being made an honorary member of Bay of Quinte Lodge and we wish both M.W. Bro. Wright and Bay of Quinte Lodge many more years of service in our fraternity.

On May 7 our District Divine Service was held in Grace United Church, Trenton, and, despite a rainy, cold day, a goodly representation from all parts of the District were present to hear a masterly sermon by Wor. Bro. the Rev. Jas. Payton, Grand Chaplain, of The Royal Arch Masons of Ontario. I attended many of the Divine Services of the Lodges during the year, with several yet to come.

Mr. and Mrs. Ted Young, Mr. and Mrs. Earl Burris, Mrs. Spencer and I have enjoyed attending as many of the "Ladies' Nights" as was possible. I thank the brethren for their courtesy to us.

We in this District are favoured by a very active and energetic Past Masters', Masters', and Wardens' Association under the capable direction of V.W. Bro. Rae Ferguson, President, and R.W. Bro. R. M. Gunsolus, Secretary-Treasurer, who have all been my constant helpmates throughout the year.

Now, as this year ends, I would like once again to thank all the brethren of the District, for all the assistance, advice, direction and support given me to enable me to endeavour to uphold the tradition of Freemasonry in this grand old District.

RAE SPENCER, D.D.G.M.

SARNIA DISTRICT

It has, indeed, been an honour for me to serve as the representative of the Grand Master in Sarnia District during the Masonic year of 1966-67 and I shall always cherish the memories. I would like to express my sincere appreciation to the Past Masters and Wardens of Sarnia District for this honour which they have conferred on Petrolia Lodge, No. 194, as well as on myself, and to the Grand Master who confirmed my election.

The duties and responsibilities of my office were made so much easier by the wonderful assistance given to me by the District Secretary, Wor. Bro. J. Wesley Williams, the District Chaplain, Bro. Rev. George K. Menzies, the District Chairman

of Masonic Education, Wor. Bro. W. Dwayne McLinchey, and the Chairman of Blood Donors, Wor. Bro. J. E. Wells. To these brethren I extend my sincere thanks and appreciation.

On each Official Visit to the twenty-two Lodges in the District, I was greatly impressed by the work of the officers of each Lodge who performed their duties with dignity and dispatch. The conferring of the various degrees was done in a most impressive manner and it was gratifying to see the junior officers, as well as several of the members, taking an active part in the degree work. The Secretaries are, also, to be commended for their untiring efforts and interest in the welfare of their Lodges which were indicated by the very well-kept books and records that the District Secretary found on each occasion. The warm and friendly manner in which I was received on each visit shows the high esteem in which the Grand Master and Grand Lodge are held in Sarnia District. It was, also, my pleasure to visit several of the other District Deputy Grand Masters during the year and to have them return the visits. On my Official Visit to my Mother Lodge, Petrolia, No. 194, it was a great pleasure to see so many Present and Past Grand Lodge Officers in attendance.

I would like to congratulate the brethren of Otisippi Lodge in Sarnia for a job well-done in getting their Lodge instituted and for the splendid work they are doing for the good of Masonry in Sarnia District. I would suggest that consideration be given to the forming of more new Lodges in the City of Sarnia, thus giving more of our brethren an opportunity for advancement.

The District Divine Service was held in Christ Anglican Church, Petrolia, on Sunday, June 4, 1967, with a good attendance of Masonic brethren and their families. An inspiring message was delivered by Bro. Rev. George K. Menzies. I am pleased to report that all Lodges held Divine Church Services and that I was able to attend practically all of them. These Services were very well attended.

The highlight of my year was on May 27, when Sarnia District had the great honour of receiving our Grand Master, Most Wor. Bro. James N. Allan, at a joint reception and celebration of the centennial of Petrolia Lodge, No. 194. This was an evening that will long be remembered in Sarnia District. The address of our Grand Master was of great importance to the Masons of the District as well as to our visitors.

Mrs. Cox and I did appreciate the many invitations to attend the Ladies' Nights in the District, but were sorry that we could not attend them all since, unfortunately, some of them fell on the same evening. We were always given such a warm welcome and consequently enjoyed ourselves immensely.

It is with regret, in Sarnia District, that we see St. John's Lodge, No. 81, Mt. Brydges, making application to transfer to

London West District. We feel that our loss in Sarnia District will be a gain in London West District.

On several occasions I presented Fifty Year Buttons to members of Sarnia District on behalf of Grand Lodge. It was unfortunate that some of these fell on the same night that I had an Official Visit and, consequently, I was unable to attend. I wish these brethren continued health and happiness to enjoy this mark of long service for many years to come.

In conclusion, I am happy to report that, from my visits to all Lodges in the District, I am confident that the Masters and officers of each and every Lodge are dedicated Masons, well-skilled in the work of the Craft and that Masonry in this District has had a glorious past and will have a very promising future.

J. E. ROY COX, D.D.G.M.

ST. LAWRENCE DISTRICT

At the close of this most exciting year it is my pleasant duty to present this report of the Masonic activities in St. Lawrence District.

The high esteem in which our Grand Master is held throughout our District was quite evident from the large attendance at all of my visitations. Every lodge in the District has shown a great interest in the Craft and the new members are eager to learn all they can of our Masonic way of life.

Masonic Education, which is the lifeblood of our Order, was most capably organized by Wor. Bro. H. E. Wallace as our District Chairman and Supervisor. He divided the District into four areas, each with a local chairman, who looked after the Lodges in his group. At three of my Official Visits, where there was no "real" candidate and where I had on previous occasions seen the degree work carried out, the evening was turned over to Masonic Education and the addresses given were outstanding. My sincere thanks goes to Wor. Bro. H. E. Wallace.

Wor. Bro. C. I. Thompson, District Chairman of the Blood Donors' Committee, put a great deal of effort into his work this past year. He was present at most of my visits and always encouraged the brethren to support this worthy cause. My only complaint is that I know that many donations of blood are not reported to him.

The real strength and stand-by of every District Deputy Grand Master is his Secretary and Wor. Bro. John W. Empey filled this office with distinction. His devotion to his office was most outstanding and he attended all my visitations, except one, and on this occasion was confined to bed with a bad attack of

influenza. Wor. Bro. Empey is held in high esteem by every Secretary and Worshipful Master of the District.

At all my Visits, with the exception of three, there was degree work which was done in a very excellent manner. The Masters and officers are deserving of much credit for the manner in which they carry out their duties. There was always an excellent turn-out by the members and visitors at all of my Visits. At the banquet table I always tried to make my message short but to the point and interesting, speaking on our symbols, working tools and the Volume of the Sacred Law.

The highlight of our Masonic year was the visit of our Grand Master on the occasion of the District Reception. This took place in Hanley Hall, Smiths Falls, on October 28, 1966, when over 300 members were present to extend a welcome to our Grand Master. His friendly personality as well as his address will long linger in our memory, and his challenge to Masons to meet present-day conditions is one we have accepted in St. Lawrence District. Another highlight of the year for me was on April 5, when I had the pleasure of visiting with Lansdowne Lodge, No. 387, Lansdowne, and of presenting to Rt. Wor. Bro. W. Rath a 60 Year Past Master Button. Another outstanding night was on May 15, when the Senior Wardens, in assisting to round out the 150th Anniversary of Sussex Lodge, No. 5, Brockville, with all the Senior Wardens present, conferred a degree. Rt. Wor. Bro. D. Stevens of Kingston, P.G.S.W., occupied the chair on this occasion and conferred the First Degree in a very capable manner.

The District Divine Service was held in Trinity United Church, Smiths Falls on May 28, with Wor. Bro. W. H. Baugh, B.A., in charge of the Service which was attended by over 300 brethren of the District. The Rev. Max V. Putman of St. Andrew's Presbyterian Church, Kingston, was the guest speaker and gave a very inspiring address. Rev. Gervis Black, Minister of Trinity United Church, assisted in the Service.

It is a pleasure to report that all Lodges in our District are in very good financial standing, with the exception of one which suffered a heavy loss through a fire a few years ago. They have a large property and, if they can hold their present contracts for another five or six years, I am sure they will be back in good standing. I must add that all the nineteen Lodges had their books ready for the District Secretary for inspection and two lodges reported no outstanding dues.

We have in St. Lawrence District a very active Masters', Past Masters' and Wardens' Association, meeting in June and September of each year, where all important business and problems are discussed. At each meeting we always arrange for an outstanding speaker. The Association also helps to select our incoming District Deputy Grand Master.

There were many Ladies' Nights held during the year and my sincere thanks are extended to the Lodges for their kind invitations to attend.

The Past Grand Lodge Officers of the District are outstanding. They support the District and the District Deputy Grand Master on his Official Visits and are always available for help and assistance.

In conclusion, I wish to thank all who have assisted me this year, to the Grand Master for approving my appointment, to my Mother Lodge, Fidelity, No. 650, for sponsoring me and, also, to the brethren of the District for the honor and privilege of serving as the District Deputy Grand Master—an experience I shall never forget. My most humble prayer is that I have been able to make some small contribution for the betterment of Masonry in historic old St. Lawrence District.

ERNEST BARBER, D.D.G.M.

ST. THOMAS DISTRICT

It has been a privilege and a pleasure for me to serve as the representative of the Grand Master in St. Thomas District. The Past Masters and officers of Dufferin Lodge, No. 364, Melbourne, were very kind in proposing my name for the office and I wish to express my appreciation to them and to all the Lodges in the District for their fine support.

I have visited all the eleven Lodges in the District at least once and am pleased to report that in all cases the work has been satisfactory. I have been ably supported by Wor. Bro. Wilfred Wolfe, my District Secretary, and several members of my Mother Lodge who took time to go with me on my several visits.

Masonic Education, under the guiding hand of Wor. Bro. Bart Wells of Prince of Wales Lodge, No. 171, has been well received. He has visited several Lodges in the District and these evenings were solely devoted to Masonic Education.

I have found that Lodges with smaller memberships have the best average attendance. Candidates, after receiving their degrees, in order to become zealous members, must have some small part of the work to do. A man cannot be a true Mason by receiving his various degrees and then be ignored. It is my opinion that, due to the change in population from rural to urban community, preparation should be started to cope with this situation in the future.

My wife and I attended several Ladies' Nights which were very enjoyable. Functions of this nature create a better image of the Masonic Order when well planned and carried out.

It was my privilege to present several Fifty Year Buttons on behalf of Grand Lodge.

Our second Annual Sunrise Service was held on June 4, at Pinafore Park in St. Thomas. Approximately 500 Masons from St. Thomas and the surrounding district were on hand. Rev. Maurice Platts, the District Chaplain, chose for his theme "One Centennial, Three Generations." The District is certainly indebted to Wor. Bro. Ken Grantham and his committee for the splendid way they arranged and carried out the breakfast hour.

In conclusion, I have found that interested Masons and a backbone of Past Masters will continue to promote and maintain the symbols for which we stand in this District.

BRUCE McLEAN, D.D.G.M.

SOUTH HURON DISTRICT

As my year as D.D.G.M. is rapidly drawing to its close I cannot help but feel humble and wish to express my gratitude to the Masons of South Huron who placed their faith in me, one year ago, in electing me to represent the Grand Master in their District for the year 1966-67. To me it has been a year of wonderful experience and satisfaction. Yes, it involves a great deal of time and effort, but everything worth-while in this world takes just that.

I appointed as my District Secretary, a most capable and active Past Master of my own Lodge, Wor. Bro. J. A. Swatridge. Wor. Bro. Swatridge accompanied me on most of my seventeen Official Visits, and reported that he had received every assistance from the Secretaries, that books, records and registers were carefully and neatly kept, and that the financial position of each Lodge appeared to be sound.

It was a pleasure to have Wor. Bro. Rev. Garbutt F. Smith as the District Chaplain and, whenever possible, he accompanied me on my Visits and gave a very educational and inspirational talk at each attendance, tending to bring the Church and the Craft closer together.

Masonic Education has played an important part in the programmes of the Lodges in South Huron District under the chairmanship of Rt. Wor. Bro. John A. Rosser, and the interest in this regard reflects great credit on the efforts of the Grand Lodge Committee on Masonic Education under the chairmanship of Rt. Wor. Bro. William K. Bailey.

Rt. Wor. Bro. Clare Reith again assumed the responsibilities as Chairman of the Blood Donors and carried out these duties in his usual quiet but efficient manner.

A private meeting was held in Stratford, on September 6, with the Masters and Wardens of all the Lodges in this District. This meeting proved to be very beneficial in planning the work for the year and served the following purposes:

- (a) To meet the Masters and Wardens of the various Lodges in the District.
- (b) To have the opportunity of passing along to the officers certain information which would help them with their work.
- (c) To give the officers of each Lodge the opportunity of becoming acquainted with one another.
- (d) To discuss certain matters which could not be handled fully on the night of an Official Visit.

I visited all of the seventeen Lodges in the District once officially and most of them again fraternally. The work in the District, as a whole, is uniform and well given. Each Lodge reflects the keen interest and skill that the Masters and officers are putting into their work. Nearly all of the Lodges have completed their exchange visits for the year.

I visited with the neighbouring D.D.G.M's of North Huron, London East, London West and Chatham on some of their Official Visits. They returned the compliment by visiting me on my Official Visit to my Home Lodge, which I deeply appreciated.

It is with regret that I report the passing of a number of faithful and highly respected brethren. In many instances Masonic honours were observed and, whenever it was possible, the District Secretary and I were present.

Several Fifty-Year Buttons were presented to brethren during the year and it was my pleasure to make the presentations. We certainly owe a debt of gratitude to these brethren for their long association in Masonry, for the real pillars of the Craft are those who are faithful in their attendance and diligent in their work.

This District enjoys a very active Past Masters' and Wardens' Association and I feel such Associations are performing an important function and are making a real contribution to Masonry, maintaining a uniformity of work, etc. On October 31 a Lodge of Instruction was held in Goderich. On March 31, the Association held a Ladies' Night in Stratford with the majority of the Lodges in the District well represented.

Accompanied by my wife, I attended several Ladies' Nights in the District, which we enjoyed very much. I wish to compliment the Lodges on the high standard of entertainment provided, and the hospitality extended to us when we were able to be present.

Our District Divine Service was held in St. John's United Church, Stratford, on Sunday, May 7, each Lodge in the District

being represented. Wor. Bro. Rev. Garbutt Smith, District Chaplain, took charge of the Service, and Rt. Wor. Bro. Rev. E. E. Baskier, Grand Chaplain, delivered an inspiring address. Most Lodges in the District have their own Divine Service, several of which I had the pleasure of attending.

This report would not be complete without thanking the Grand Secretary, Most Wor. Bro. Ewart G. Dixon, for his kindness and assistance to me. Bro. Dixon's great wealth of Masonic knowledge and wisdom is always available to all members of the Craft and was generously given to me whenever requested.

There were many pleasant, personal experiences during the year which will long be happy memories of a very outstanding year in my Masonic life.

In conclusion, may I say that I appreciate so much the genuine and sincere co-operation which I have received during the year. The many friendships which I have made and the kindness of so many brethren will always remain fixed in my memory, and it is hoped that I have fulfilled my duties as District Deputy Grand Master thoroughly and efficiently and have, in some small way, served Masonry in general and South Huron District in particular.

Wm. J. NEELY, D.D.G.M.

TEMISKAMING DISTRICT

To have served as District Deputy Grand Master of Temiskaming District was not only a memorable event but a challenging and rewarding experience. I take this opportunity to again express my appreciation to each Lodge in the District for the privilege of serving them as the representative of the Grand Master.

As I reflect upon the events of the year the first thing that comes to mind is the support, co-operation and fellowship that were ever present. It is this aspect and application of Masonry that takes the work out of a job and changes it to a pleasant experience. Many thanks to all those who assisted me along the way.

I extend a special word of thanks to the District Officers who so capably assisted me throughout the year, Wor. Bro. Horace Jones, District Secretary, Wor. Bro. Lawrence Cutten, Chairman of Masonic Education, Bro. N. Robertson, Chairman of Blood Donors, and Bro. Rev. C. Elliott, District Chaplain. They all gave generously of their time and talents. I make special mention of Neil Robertson who was forced to do most of his work on the Blood Donors' Committee from a hospital bed in the Hamilton Mountain Sanatorium.

In my visits to all Lodges, I have been impressed by the high standard of the work and the enthusiastic leadership of the Worshipful Masters and their officers. The work was presented in a sincere and dignified manner and it was a pleasure to see many junior officers as well as Past Masters taking part in the degree work. This adds interest and keeps the brethren active in Masonry.

I attended the special meeting with M. Wor. Bro. H. L. Martyn in North Bay and the meeting of the Board of General Purposes in Toronto. Both of these meetings were very beneficial and the instruction and information which I received was priceless. It is my considered opinion that both of these events should form part of the indoctrination of all future District Deputy Grand Masters. The opportunity to meet with other Grand Lodge Officers and to freely and openly discuss Masonry in any and all of its aspects will, I believe, insure that Masonry is operating in the twentieth century while still retaining the basic fundamental principles of our time-honoured institution.

Last year's D.D.G.M., Rt. Wor. Bro. R. R. Wilson, reported that Abitibi Lodge had lost, through fire, their lodge furniture, regalia and records. It is with some regret that I must report that, although considerable "spade work" has been done, they, as yet, have not been able to form any concrete plans for new lodge quarters. I am pleased to report that this project has not been dormant and I fully expect that Abitibi Lodge will celebrate their 50-Year Anniversary in new lodge quarters sometime in 1968. This lodge has continued to be active through the generous use of other lodge buildings in the District.

The Grand Master's visit to this District was a most happy occasion. The event was well attended by the brethren of the District, who thoroughly enjoyed the inspiring and instructive address given by Most Wor. Bro. James N. Allan.

The books and records of all Lodges were examined by our District Secretary and, without exception, they were found in good order. The various Lodges appear to be making good use of the material on Masonic Education supplied by Rt. Wor. Bro. W. K. Bailey and maintain a planned program for this most important phase of Masonry.

The Nipissing and Temiskaming Past Grand Lodge Officers' Night, sponsored by Doric Lodge, No. 623, of Kirkland Lake, was Rt. Wor. Bro. J. W. Bradley's idea and was well received and appreciated by the brethren in the District. The guest speaker for the evening was Rt. Wor. Bro. W. K. Bailey who set the tone for the evening with his excellent address.

It may be worth-while in this report to submit an observation that the activity and attendance of the Lodges appear to bear a direct relation to the activity of the various committees within the Lodge.

Having concluded one of the busiest, most profitable and happy chapters of my Masonic life, I realize that it has been one of many friendships and I have seen Masonry exemplified by the brethren at its finest and best. I would like to thank the Past Masters, Masters and brethren who accompanied me on my Official Visits and made those long trips to various Lodges an enjoyable event. It has been for me a liberal education and to the brethren who expressed such confidence, I offer my humble and heartfelt thanks. I sincerely hope that the same loyal support, courtesy and co-operation, which has been accorded to me, will be extended to my successor.

J. V. MITCHELL, D.D.G.M.

TORONTO DISTRICT "1"

It has been an honour and a great privilege for me to have served as the representative of the Grand Master in Toronto District "1." The courtesies, the wonderful hospitality, the co-operation and support I have received from the officers and brethren on my visits to the various lodges throughout the District are gratefully and sincerely acknowledged and will long be remembered.

The numerous duties were greatly lightened by the following brethren who so willingly accepted the responsibility of the many phases of the work: W. Bro. Hugh M. McCaskill, District Secretary; Bro. Dr. Edgar File, District Chaplain; Wor. Bro. A. Edward Dyer and Wor. Bro. James P. O'Sullivan, Chairman and Secretary of the District Masonic Education Committee; and Wor. Bro. Robert W. Smith, Chairman of the Blood Donors' Committee. To these brethren I extend my sincere thanks for their assistance, and to them must be given credit for a very successful year.

With the District Secretary, I visited each of the twenty Lodges in the District. On each visit I was impressed with the excellence of the work and the enthusiasm and sincerity of all those who participated. I was especially gratified to see so many of the members taking part in the various degrees. The District Secretary reported that the records and finances of the Lodges are in good condition and the Secretaries and Treasurers are to be commended for the care taken in maintaining these records.

The District Committee on Masonic Education had a very successful year. With the active participation and support of the Wardens' Association they conducted two excellent Education Nights. The first was held on Wednesday, December 28, in Annette Street Temple, when the subject for the evening was "Symbolism of the First Degree." We were honoured to have R.W. Bro. William D. Knowles, I.P.D.D.G.M. of Wilson District, as our speaker at the banquet hour. The second District Edu-

cation Night was held on March 30, in Connaught Temple, with a number of short Masonic topics presented. At the banquet hour Bro. the Honourable Leslie Rowntree was the guest speaker and he gave a very inspiring address.

The Annual Divine Service was held on Sunday evening, May 7, in High Park United Church, under the direction of Bro. Dr. Edgar File. We were most fortunate to have R.W. Bro. Donald J. Gunn with us on this occasion. The Service was well attended and the District Chaplain delivered a most excellent sermon.

The Blood Donors' Committee was very active under its able Chairman. It was most gratifying to see the marked increase made by the District. The Chairman, at every opportunity, accentuated the continuing need for donations of blood throughout every part of the District.

Mrs. Thompson and I had the pleasure of attending many of the Ladies' Nights throughout the District. These were most enjoyable and were conducted in a manner that did credit to all Masons and their ladies.

I was pleased to present to Wor. Bro. W. J. Armstrong his 50-Year Button as a Mason on my Official Visit to General Mercer Lodge. I was also present in Mississauga Lodge when R.W. Bro. Donald J. Gunn presented to R.W. Bro. Gordon Jackson, on behalf of Grand Lodge, his 50-Year Button.

I think that the greatest reward that I have had during the year has been the experience of becoming closer in friendship and fellowship with my brethren of the District. For this memorable year I extend my thanks and appreciation to all my brethren.

D. J. H. THOMPSON, D.D.G.M.

TORONTO DISTRICT "2"

My first duty in the affairs of Toronto District "2" was the appointment of the District Secretary, W. Bro. J. M. Aikman. There is no way I can adequately express my personal appreciation of his help and assistance. He has discharged the duties of his office in a most capable manner and was a constant aid in all affairs of the District.

Bro. the Reverend W. Maxwell, B.A., B.D., D.F.C., very kindly consented to act as District Chaplain. W. Bro. E. Bruce agreed to act again as the Chairman of the District Blood Donor Committee. R.W. Bro. Andrew F. Nisbet accepted the Chairmanship of the District Masonic Education Committee. He was ably assisted by W. Bro. Kenneth A. Newton, as secretary, and an able committee.

The District Secretary and I received a most genuine and sincere welcome from all Lodges in the District. We were both impressed by the high degree of interest and co-operation extended to us during our Official Visits. The work exemplified throughout the District is generally of a high calibre. In those few instances where correction was necessary, constructive criticism was welcomed and remedial action was taken. In all Lodges, books and records were ready and available for examination by the District Secretary. When suggestions to improve methods and procedures seemed advisable they were readily complied with. W. Bro. Aikman has asked me to thank the Secretaries of the Lodges for their warm and friendly co-operation.

On November 19 the Etobicoke Temple, on Renforth Drive, was dedicated by R.W. Bro. D. J. Gunn, the Deputy Grand Master, assisted by Past and Present Grand Lodge Officers. The Dedication Ceremony was the culmination of considerable effort on the part of the brethren of the five Lodges who make this Temple their new home. R.W. Bro. C. D. Cuthbert of Mimico Lodge must be commended for his leadership in this venture. Faced with many problems, with the time element being the most predominant, R.W. Bro. Cuthbert was assisted by many able brethren and this beautiful Temple will be a lasting tribute to their zeal for Masonry. The expenses involved in the operation of this Temple would be better balanced with the addition of five Lodges. Members of this Temple Board are endeavouring to encourage other Lodges to meet here. It is my sincere hope that they will be successful.

The Masonic Education Programme in Toronto District "2" was perhaps the highlight of my year as D.D.G.M. The intent of the programme was to involve all Lodges in the District in the preparation and presentation of Masonic Education Meetings. In order to achieve this aim the District was divided into three parts. Three subcommittees were formed (with members from all Lodges) and three presentations were developed, i.e., First, Second and Third Degree. These were presented at District Education Meetings at the Etobicoke, Weston and Thornhill Temples. The average attendance for each of these meetings was 178. I believe the added interest shown by the members of the District is directly attributed to the personal involvement by members of all Lodges. The subcommittee chairmen — W. Bro. W. Scott, W. Bro. S. Tenenbaum and W. Bro. C. MacKenzie are to be commended for their efforts in the formation and preparation of these programmes. It should be recognized at this point that all the chairmen responded to the leadership of R.W. Bro. Nisbet and his Secretary, W. Bro. K. Newton.

W. Bro. E. P. Bruce of Maple Leaf Lodge once again provided outstanding leadership as Chairman of the Blood Donors' Committee. This year an increase of 17% in donations has been recorded.

I held two meetings with the Masters of the District during my year in office in order to acquaint them with the District Programme. The first was held the first week in October and the second immediately following the installations of the new Worshipful Masters in January. I am deeply appreciative of the interest in Masonry shown by the Masters of our District. The high calibre of these men ensures that all the Lodges are in good hands.

One of my observations during the year has been that attendance in general appears to be static. It must be recognized that our Lodges are competing for members' time. I was keenly interested in the meeting of the Board of General Purposes of Grand Lodge on November 5, 1966, at the Royal York Hotel, Toronto, held to determine attendance problems in our Lodges and, also, the causes for demits and suspensions. Members of our District were aware of this meeting and eagerly sought information to overcome these problems. While full information on the findings of this committee will be presented at this meeting of Grand Lodge I have expressed my observations to the Worshipful Masters of this District as follows. It is my belief that a greater communication between the officers of Grand Lodge, its members and the officers of the constituent Lodges is necessary and desirable. It must also be remembered that the Worshipful Master of each Lodge must arrange his meetings to further the interests of his members. He must, above all, make each member feel that his attendance is not only desirable but necessary. Through this, each member will gain the feeling that he is an integral part of the affairs of his Lodge. With this in mind I have endeavoured to work very closely with the Worshipful Master and the officers of each Lodge in Toronto District "2."

While discussing communication between Grand Lodge Officers and members I must point out the splendid example provided by the Grand Senior Warden, R.W. Bro. F. H. G. Verral. It was my good fortune to have him with me on many occasions. The friendliness and genuine interest that he shows in the well being of each member of any Lodge which he visits is typical of an ideal Grand Lodge officer.

The District Divine Service was held at Woodgreen United Church on Sunday, May 12. The Service was conducted by the District Chaplain, Bro. the Reverend William Maxwell. All Lodges supported this Service well and a very interesting and inspiring message was presented by the District Chaplain.

Masonry in Toronto District "2" would appear to be in good condition and the brethren of the District have given me ample reason to believe that it will flourish in the future.

MERVYN L. BUCKINGHAM, D.D.G.M.

TORONTO DISTRICT "3"

I am pleased to submit herewith my report on the condition of Masonry in Toronto District "3" during 1966-1967.

I visited each Lodge in the District officially and was received with all the dignity and honour that is due the office of District Deputy Grand Master. A degree was conferred on each occasion and I am pleased to report that the degree work and, in fact, all the ritual work of all the Lodges in the District was, by and large, excellent.

My Secretary, Wor. Bro. K. B. Rowe, inspected all lodge records and reported that the financial condition of all Lodges is sound and the books of all Lodges are kept in a complete and orderly manner. Attendance in most Lodges seems to be holding up reasonably well but certainly an improvement is desirable. Membership in most Lodges suffered a setback during the year, due to an unusually large number of deaths. This excess of deaths over initiations seems to point out that the average age of Masons, at least in Toronto District "3," is increasing, thus indicating that younger men are not being attracted to the Craft or retained within it the numbers that they should. I, in fact, undertook a study with regard to demits and suspensions in Toronto District "3" over the past five years and was disturbed to find that the average age of demitted and suspended brethren in the District during the five year period was 39. This is only another indication that a great change in attitude towards Masonry in general in this jurisdiction is required to retain the interest of the brethren and particularly the younger brethren on whom the leadership of this fraternity will depend in the years that lie ahead.

The one question that arose for discussion more than any other during the year was the prohibition of serving alcoholic beverages at Masonic social functions. This ruling is most unpopular with the vast majority of the brethren in Toronto District "3," whom I believe are representative of all Masons throughout Ontario. It is felt that the brethren, as mature adults, are quite capable of determining right from wrong and therefore must be responsible for their own social behaviour. Unfortunately, the situation as it now stands introduces hypocrisy into Masonic gatherings which is most regrettable.

I was delighted to institute, under dispensation, a new Lodge in Toronto District "3" last November to be called "Confederation Lodge."

I was also pleased to attend all Installations in the District as well as several Ladies' Nights. It was further my pleasure to present several "50 year" lapel pins and attend many other special functions held by various Lodges in the District throughout the year.

A District Divine Service was held and conducted by Bro. Canon Arthur A. Chote, District Chaplain, to whom I am much indebted.

Toronto Districts "3", "4" and "7" were pleased to hold a reception for Most Worshipful the Grand Master which was well attended by the brethren of the three Districts as well as many distinguished guests.

We held three District Masonic Education Meetings during the year, all of which were well attended. I am indeed grateful to Wor. Bro. Don Wilson, Chairman of the District Committee on Masonic Education, for organizing these meetings.

I am further indebted to Wor. Bro. Harry Schell, Chairman of our District Blood Donors' Committee for his efforts concerning a very worthy cause.

My very special appreciation must, however, go to my District Secretary, Wor. Bro. K. B. Rowe, for his ever present help and invaluable assistance throughout the year.

My brethren, I have indeed been honoured to represent the Most Worshipful the Grand Master in Toronto District "3" during the past year.

ALAN J. WEDLOCK, D.D.G.M.

TORONTO DISTRICT "4"

A most inspiring experience has drawn to a close, that is my year as District Deputy Grand Master of Toronto District "4." It is with pride that I report the high calibre of Masonry in this District. I appointed Wor. Bro. Edward E. Hartley as my District Secretary; Wor. Bro. the Reverend Gordon King as District Chaplain; Wor. Bro. John Gilmour as Director of Masonic Education; and Wor. Bro. Herbert Claridge as the Chairman of the Masonic Blood Donors' Committee. All have been diligent in their work for the District.

Wor. Bro. Edward E. Hartley, District Secretary, has accompanied me on all my Official Visits and has done careful and conscientious work. He has inspected carefully, the books and records of each Lodge and has rendered to me a complete account of his findings in each one. His experience and advice have been invaluable, and he has taken a great load from my shoulders during the year.

I visited the eighteen Lodges of the District at least once and many on a second or third occasion, on invitation to a special night in the Lodge. I was received with the utmost courtesy and the warmth of the reception, accorded the office, will long be

remembered. The impressiveness of the receptions as I entered the lodge room made me realize just how much respect the brethren hold for Grand Lodge.

The work of the various Lodges is well above average, and it was my pleasure to compliment the Masters and their officers on the efficient way the work was handled. I could not but think, as I watched the officers perform their duties, that Toronto District "4" can be proud of the fact that the Past Masters are very much a part of the activity of the Lodge and have instilled the principles of the Craft in the younger members and, in particular, the officers of the Lodge.

I was pleased to note that the members were being asked to take part on many occasions. The calibre of the candidates seemed to be uniformly high and it behooves all Lodges to keep these new brethren interested so that they will enjoy the results of their labours in Masonry for years to come.

To the Lodge Secretaries, I would like to thank them for the prompt attention given to any request for information and for the lodge summonses regularly received.

The outstanding Masonic event of the year was, of course, the visit of our Grand Master, M.W. Bro. James N. Allan. A reception in his honor was held on March 30, at Cedarbrae Secondary School. Toronto Districts "3", "4" and "7" were the hosts on this occasion, which was attended by over four hundred members of the three Districts. Every Master of the three Districts was presented, as well as most of the Senior Wardens. The address of the Grand Master was most inspiring and will long be remembered by the brethren.

The District Divine Service was held on Sunday evening, April 9, at the Church of The Comforter, with the District Chaplain, Wor. Bro. the Rev. Gordon King, officiating. The Church on this evening was filled to capacity, with over three hundred brethren of Toronto District "4", their wives and friends in attendance; every Lodge in the District was represented. This was a very inspiring Service and gave evidence of the paramount position in which we, as Masons, place the church.

Masonic Education was well served by the District Masonic Education Committee, with Wor. Bro. John Gilmour as Chairman and Wor. Bro. Harold Atkinson as Secretary. One of the outstanding features of the year was the Masonic Education Night, provided by the Committee on April 21, with over two hundred members in attendance.

All of the Lodges held At-Homes or Ladies' Nights, which were attended by Mrs. Cowell and myself. On all occasions we were accompanied by the District Secretary, Wor. Bro. Hartley, and Mrs. Hartley. These Ladies' Nights were always a success with every one present having an enjoyable evening. We deeply

appreciate the kindness and hospitality tendered us by the Worshipful Masters, Wardens and their wives.

There were three other highlights of the year. One was when I had the honor and pleasure of being the Installing Master at John Ross Robertson Lodge and installing Wor. Bro. John H. Laframboise in the chair of King Solomon. The other was being present at the Installation of Mimosa Lodge when Wor. Bro. Alex. Hart, Sr., installed his son, Wor. Bro. Alex. Hart, Jr., in the East. I also had the pleasure of being present at the 75th Anniversary of Acacia Lodge, No. 430. On this occasion R.W. Bro. Donald J. Gunn, Deputy Grand Master, was the speaker.

Several Long Service Buttons were presented during the year. At the 75th Anniversary of Acacia Lodge, I presented V.Wor. Bro. Russell Reynolds with his Sixty Year Long Service Button. In December 1966, V. Wor. Bro. Reynolds received his 50 Year Past Master's Button. I also had the pleasure, on behalf of Clifton Lodge, No. 254, Niagara Falls of presenting a Fifty Year Button to Bro. Edwin B. Patterson, a life member of this Lodge, who now resides in Willowdale, Ontario.

If I may be permitted a personal word, I wish to thank the Grand Master and my brethren for the wonderful honor they have bestowed on me, and I hope from a very humble and thankful heart that I have been of some small service to them during my term of office.

SYDNEY H. COWELL, D.D.G.M.

TORONTO DISTRICT "5"

It was a distinct honour and pleasure to have been elected as the representative of the Grand Master to serve Toronto District "5" for our Centennial Year, 1966-67. This brought honour not only to myself but to Simcoe Lodge, No. 79. To them and to the members of Toronto District "5", may I express my appreciation. The large attendance at my reception, hosted by Simcoe Lodge, was very encouraging to begin a very busy and eventful year.

I was most fortunate that Wor. Bro. C. M. Ritchie accepted the office of District Secretary. He has been very faithful and diligent in the performance of his duties. Rt. Wor. Bro. F. C. Cook was appointed Chaplain of the District. Masonic Education in our District was under the capable chairmanship of Wor. Bro. Ron Kaye, with Wor. Bro. Douglas Moore as his Secretary. We were fortunate in having a number of P.D.D.G.M's act on the Advisory Board.

Two Masonic Education meetings were held during the year. The first at Harmony Lodge, Thornhill, by candlelight

(due to a power failure) and a second at Ashlar Lodge where the mechanics of the Second Degree were exemplified.

Wor. Bro. Hill acted as Chairman of the Blood Donors and with his Committee are able to submit a very favourable report.

On my Official Visits to the Lodges I was accorded a very warm fraternal welcome. The District Secretary and I found Masonry in the District in good condition, with a slight increase in attendance. The books of the Secretaries and Treasurers were to the satisfaction of Wor. Bro. Ritchie. The degree work was of a high calibre. We were unable to visit Ashlar Lodge on our official designated visit due to road conditions. Rt. Wor. Bro. Willard M. Gordon and V. Wor. Bro. K. Sabine attended on our behalf and to them we are indeed grateful. We were pleased to receive their favourable report.

During the year I was privileged to take part in the ceremony of the Dedication of the new Sharon Temple, at Queensville, where M. Wor. Bro. Joseph A. Hearn presided on behalf of our Grand Master. I was happy to join our Grand Master, M. Wor. Bro. Allan, at the Centennial Celebration of Rehoboam Lodge.

Richmond Lodge sponsored a Sports' Night attended by approximately 400 Masons and their sons and many sport celebrities. The Grand Master and his grandsons, the District Secretary, myself and our sons were in attendance. We were also very happy to join with the members of Richmond Lodge and their wives and journey to Cleveland by chartered buses. Richmond members conferred the First Degree at Strongsville Lodge.

Installation Ceremonies were very well attended in the District. I was pleased to be invited to be present as our Masonic ties with the incoming Masters have become very strong.

Several visits were made outside the District which included Georgian, Victoria and the other Toronto Districts. The District Secretary and I were very warmly received. We attended Ladies' Nights and Church Services in the District when possible. The hospitality and warm friendship extended to my wife, June, and to the District Secretary's wife, Ruby, are much appreciated.

During the year we were privileged to fraternize with our Deputy Grand Master. Rt. Wor. Bro. Donald J. Gunn is a former resident of West Gwillimbury (Bradford) and an Honorary Member of Simcoe Lodge No. 79.

Our District Church Service was overwhelming. It was held in Trinity Anglican Church, Bradford, on Sunday, April 30. The Church and basement were taxed to capacity. The Service was conducted by the Rector, Rev. W. Warnica, with Rt. Wor.

Bro. Gunn, Rt. Wor. Bro. F. C. Cook and myself taking part. The Grand Chaplain, Rt. Wor. Bro. E. E. Baskier, delivered a very enlightening sermon on "The Price of Decency." Accompanied by their families were many Present and Past Grand Lodge Officers, almost a hundred per cent showing of Masters and Wardens of the District, other officers, members and visitors.

I wish to thank the brethren of the District for the wonderful support they have accorded the District Secretary and me during the year; the Present and Past Grand Lodge Officers for the friendly advice and encouraging words; the Wor. Masters and Wardens who so diligently extended themselves by their attendance at our meetings; last but by no means least the Past Masters and members who form the backbone of every District.

To our successors, the District Secretary and I pledge our support for the coming year 1967-68.

ROBERT L. BROWN, D.D.G.M.

TORONTO DISTRICT "6"

As my term of office draws to a close, it gives me great pleasure to report that the Lodges in Toronto District No. 6 are making a real effort to revitalize Masonry in this District, in spite of the disruptive influences of a great city, where distances are constantly becoming greater.

I was pleased to appoint W. Bro. Horace Ransom, a Past Master of York Lodge, No. 156, as District Secretary, and Bro. Rev. Canon J. DePencier Wright as District Chaplain. I then called a meeting of the Masters and Wardens of the District to discuss plans for the ensuing year. This meeting was most helpful to all concerned.

It was necessary to appoint a new Education Committee for the District. I, therefore, selected three very capable educators and three brethren well skilled in our Ritual and Landmarks. Under the chairmanship of W. Bro. Gordon King, of Oakwood Lodge, these brethren, with assistance of the Masters and Wardens of the District, using audio-visual and other modern techniques, presented two educational meetings, one directed to the new Mason, the other to officers of the Lodges and the more expert Craftsmen. Both meetings were highly entertaining and informative — a guide for the individual Lodges. These meetings were well attended and well received.

W. Bro. K. Wallace, a Past Master of York Lodge, was appointed Chairman of the District Blood Donors' Committee and, with assistance from the Red Cross in the form of talks,

movies on open-heart surgery, the collection, processing and distribution of blood and plasma, presented many splendid promotion programmes. This effort resulted in encouraging 117 donors to date this year as against none reported last year. I would strongly recommend some continuity in the personnel of both the District Education and Blood Donors' Committees, which to be effective requires a continuing effort.

The Constitution and Consecration of Willowdale Lodge, No. 717, on Monday, September 26, 1966, at Thornhill, under the direction of R.W. Bro. Donald J. Gunn, Deputy Grand Master, was a colorful and dignified ceremony, delightful to the large numbers who attended.

A District Church Service was held Sunday, April 16, at St. Cuthbert's Anglican Church, Bayview Ave., Toronto. The brethren were received by the District Chaplain, Bro. Rev. Canon J. DePencier Wright. A social hour followed the Service with refreshments provided by the ladies.

The Lodges of the District held a Centennial Celebration Picnic at Bruce Mills Conservation area on Saturday, June 3, an outstanding event complete with a barbecued beef dinner, served by twenty chefs in sparkling white, a Chuck Wagon dispensing ice cream, pop and milk to children, a clown with balloons, races and games for young and old, a Wardens' ball game, won by the Junior Wardens, who were presented with a trophy for annual sports competition by the D.D.G.M. The event entertained about 700, including the widows and orphans who were the guests of the individual Lodges.

My Official Inspection of each Lodge was a source of great pride and joy. From the very beginning there seemed to be an air of friendly rivalry between the Lodges in exemplifying the degrees, resulting in ceremonies most impressive to everyone. These meetings were well attended by the Masters, Wardens and officers of the District although the members' attendance was poor in some Lodges.

Throughout the year I have attempted to seize every opportunity to promote and encourage any project or endeavour which would involve maximum participation, to make everyone feel they were valued for themselves, and to feel responsible for the others, especially those who, for one reason or another, need encouragement. This seems to regenerate dormant interest. A good example of this is the Centennial project of Kroy Lodge, No. 676, wherein the members of the Lodge are participating in the establishment of a non-denominational camp undertaken by a group of church youths. They are not only assisting these teenage youths but have contributed \$600.00 toward materials.

In conclusion, Most Worshipful Sir, I am most grateful for the privilege of serving the brethren under your leadership, for the loyal support and assistance extended to me throughout the

past year by W. Bro. Ransom, District Secretary, M.W. Bro. E. G. Dixon, R.W. Bro. Willard M. Gordon, R.W. Bro. Wm K. Bailey, members of the Advisory Board, and the various committees, the Masters, Wardens and brethren of the District Lodges, to the Master, Past Masters, officers and members of York Lodge, No. 156. Thank you all very much.

HAROLD W. GRAY, D.D.G.M.

TORONTO DISTRICT "7"

To represent The Most Worshipful the Grand Master, Brother James N. Allan, in Toronto District "7", has placed me at the zenith of my career, and I sincerely thank him for confirming the trust placed in me by the brethren of the District.

I was happy to appoint Wor. Bro. Herman W. Westbrook as District Secretary; Wor. Bro. Jack King as Chairman of Masonic Education; Bro. Reverend Robert B. Milroy as District Chaplain; and Wor. Bro. W. J. Heron as Chairman, Blood Donors' Service.

My year in office was made most pleasant by the wonderful spirit of brotherly love and co-operation extended to me by the Lodges of the District, and on every visit to the twenty-six Lodges, the dignity and decorum befitting the representative of our Grand Master was nobly upheld. Degrees in every Lodge show a high standard of training and proficiency, due in large part to leadership from Past Masters of Lodges and Senior Warden groups.

This year marks the 50th Anniversary of Ulster Lodge, No. 537, and it was my pleasure and privilege to be present on September 17, 1966, with the Deputy Grand Master, R. Wor. Bro. Donald J. Gunn, when the Worshipful Master, officers and members of Newburgh Lodge, Cleveland, Ohio, paid a fraternal visit. Again, I was pleased to be present on February 27, when Ulster Lodge presented an Honorary Membership to our Grand Master, James N. Allan. Ulster Lodge is a credit to District "7" and to Masonry in general.

I visited Fortune Lodge, No. 788, North Collins, New York, as guest of Tuscan Lodge, No. 541, G.R.C. It was quite easy to stay overnight and attend Divine Service at First Presbyterian Church and later to sit at the head table in the presence of sixteen hundred Masons celebrating the 23rd Annual Erie County Masonic Sunday in Buffalo. Our brethren from across the border show a wonderful fraternal spirit.

The various receptions I attended in honour of the District Deputy Grand Masters of various Districts prepared me for the wonderful co-operation extended by my fellow District Deputy

Grand Masters from Toronto Districts "3" and "4" on Thursday, March 30, when we were happy to present our Grand Master to the assembled brethren of Toronto Districts "3", "4" and "7". Most Wor. Bro. James N. Allan thanked the Districts for a gift presented to him and on behalf of his wife. He then proceeded to give a most memorable address which will live long in the memory of all present.

I must not omit an account of a Reception to that Dean of Masons in District "7" by his own Lodge, Wellington, No. 635, Doctor Everon Flath, fifty years a Past District Deputy Grand Master. This Right Worshipful Brother celebrates his 90th birthday on the 17th of June, 1967—a remarkable man and Mason.

On various occasions I had the honour of presenting 50-Year Lapel Buttons. These events mean so much to the recipients and are an added incentive to younger Masons.

Wor. Bro. Herman Westbrook attested to the fact that books and financial reports were readily available to him on every Official Visit. He found the co-operation from Masters and Secretaries in the District was of the highest calibre, and all records neatly and carefully recorded.

Wor. Bro. Jack King, who accepted the Chairmanship of the Masonic Education Committee for District "7" for the third year, did an excellent job. He and I met, in conference with Wor. Bro. William Rash, Palestine Lodge, and Chester McClure, University Lodge, on various occasions and formulated a policy for Masonic Education meetings and distribution of educational materials.

One District Educational Meeting, sponsored by my Mother Lodge, Antiquity, No. 571, was held in York Temple on January 31, and one other by Tuscan Lodge, No. 541, in York Temple, on March 31. Wor. Bro. Jack King had an array of excellent speakers and good attendance was observed. Dispensation was granted for both meetings and read in open lodge, as I felt this was Masonic Education in itself as many of the brethren had never heard a Dispensation read in full.

Wor. Bro. William J. Heron has been most active as Blood Donor Chairman and instituted a meeting at the Red Cross Centre where he invited, on our behalf, R. Wor. Bro. Doctor G. E. Turner to address the various Lodge Chairmen and District Deputy Grand Masters from other Toronto Districts. I feel assured that the efforts of Wor. Bro. William Heron will show a marked increase in donations by the District this year.

I attended Divine Services sponsored by various Lodges throughout the District, and had the great thrill of welcoming Present and Past Grand Lodge Officers and brethren to my own Church, Riverdale Presbyterian, for our annual District Service. It was a privilege to have R. Wor. Bro. Donald J. Gunn,

Deputy Grand Master, read the New Testament Lesson. During my year I also attended the Synagogue with Palestine Lodge, No. 559. Bro. Reverend Robert B. Milroy, M.A., has been a great help to me, and I feel sure his sermon was a masterpiece at Riverdale.

This year I requested Wor. Bro. Frederick Mason, The Victory Lodge, No. 547, to be liaison officer between myself and the Past Masters Association. This group of dedicated men is of great assistance in many Masonic activities.

In conclusion, I pay tribute to all the brethren for the many kind invitations to the District Secretary and our ladies to attend Ladies' Nights in the District. I found the conduct of all to be above reproach and it was a distinct enjoyment to be there.

For all the encouragement from Past and Present Grand Lodge Officers, Worshipful Masters' and Senior Wardens' Association, I can only state that Masonry in District "7" is, in my considered opinion, in good health. Though membership seems small at times, in comparison with former years, I feel that quality is preferable to quantity and, in an over affluent society such as exists today in our country, men become careless about the truths embodied in Masonry.

May I again express my heartfelt thanks for the opportunity of serving my Brethren in Toronto District "7".

JAMES MURRAY RAE, D.D.G.M.

VICTORIA DISTRICT

I am very grateful for having the honour and the pleasure of representing the Most Worshipful the Grand Master in Victoria District. I would like to express my sincere thanks to the brethren of King George V Lodge, No. 498, Coboconk, for selecting me to represent the Grand Master, the Past Masters, Masters and Wardens for electing me, and to you, Most Worshipful Sir, for confirming my election.

I was very fortunate in having Wor. Bro. Ray Handley accept my appointment of him as District Secretary; Bro. Rev. James Harrison as District Chaplain; Rt. Wor. Bro. G. K. Johnson, District Chairman of Masonic Education; and Rt. Wor. Bro. Chas. Heels as District Chairman of Blood Donors. To each of them, I extend my sincere thanks and appreciation for fulfilling their duties with honour and dignity.

One of my first duties was to have the privilege of investing Very Wor. Bro. Ralph Pinkham, of King Edward Lodge, No. 464, with his regalia as Grand Steward.

I visited each Lodge in the District, and I am very happy to report that the degrees in every Lodge are being conferred in a very creditable manner. All courtesies were extended to me and I was received and treated royally.

The Wardens' Association made many visits throughout the year and conferred degrees with dignity. In January we were honoured to have Rt. Wor. Bro. Wm. K. Bailey speak to us at the annual meeting of the Wardens' Association. On May 16 we had Most Wor. Bro. Harry L. Martyn exemplify the Master Mason's Degree. It was one of the highlights of the year, and was very rewarding.

I have been privileged to make six visits outside my District and was received with great Masonic friendship.

I have attended most of the Masonic Church Services in the District. Our District Divine Service will be held Sunday, June 11, at 11.15 a.m., at St. James Anglican Church, Fenelon Falls. Our District Chaplain will conduct the Service.

My wife and I had the privilege of attending many Ladies' Nights during the year. We were accompanied by my Secretary and his wife on these occasions. We will be forever grateful to the brethren and their ladies for the hospitality extended to us.

I would like to express my thanks to all who helped to make my year a success, for the record crowds at the Official Inspections, and for the enthusiasm shown by the brethren. Our attendance is increasing. It has been an experience I shall never forget and I will always be indebted to Victoria District for this honour. To my successor I wish for him as rewarding an experience as I have had.

CHESTER F. GODWIN, D.D.G.M.

WELLINGTON DISTRICT

I take pleasure in submitting this report for Wellington District. Wellington District is a strong District with boundaries from Georgetown to New Hamburg and from Galt to Drayton. The 22 Lodges in the District received an Official Visit of Inspection and were found to be maintaining the fine reputation of Masonry in their area. To indicate the healthy and enthusiastic manner in which the Masons of Wellington District conduct themselves, I would like to draw your attention to the building and dedication of the new Preston-Hespeler New Hope Masonic Temple in Hespeler. This has been an outstanding example of co-operation and hard work on the part of the brethren of these two Lodges.

Another new building which has been completed but not yet dedicated is the new Masonic Temple at Drayton. In spite of

difficulties the brethren of Conestogo Lodge, No. 295, at Drayton, have completed this Temple and are operating under dispensation until a date can be set for its dedication. They have worked hard and, because of the fact that they are not large in number and have taken on this task and have completed it, speaks well for their determination and spirit.

I would like to make mention of Wilmot Lodge, No. 318, in Baden. This Lodge, for the information of those who have not visited it, is the smallest Lodge in the District and occupies the smallest lodge room on the second floor of the Presbyterian Church in Baden. This year they have completely redecorated their lodge room and have restored many of its fine antique furnishings. A warm feeling of fellowship permeates this lodge room to which I am sure every visitor can testify. "Open House" has been and will be a feature of these four Lodges.

Speed Lodge, No. 180, in Guelph, completed an ambitious program of special events which marked the Centennial of this strong and active Lodge. Many hours of preparation and planning went into making their 100th Anniversary an outstanding event in the District.

Waterloo Lodge, No. 539, in Waterloo, is enthusiastically celebrating their 50th Anniversary with many interesting events planned for the entire year. The highlight will certainly be the visit of the Most Worshipful the Grand Master at a special meeting and banquet when they expect to initiate the grandson of their first Worshipful Master.

The theme in Wellington District this year was "Masonic Soul Searching" and in keeping with this theme our District Masonic Education Steering Committee, under the very able chairmanship of Wor. Bro. J. Pos of Guelph, arranged a thorough program of taking this message to the 22 individual Lodges by means of a team of 16 speakers. The subjects were chosen from the questions discussed at the special meeting in November of the Board of General Purposes of Grand Lodge. As a climax to our speaker program a Masonic Seminar was held on April 17 at the beautiful new Preston-Hespeler Masonic Temple. The program consisted of a panel of three skilled brethren, led by a panel moderator, after which questions from the floor were encouraged and received. The highlight of this Seminar was the feature address of the evening by Rt. Wor. Bro. the Honourable Donald M. Fleming. Every Mason of the almost 200 who attended went home that evening with greater faith and a new determination to be a more worthy representative of our Craft. A conservative estimate of the number of Masons benefiting from our "Masonic Soul Searching" program is 1200. It was a program well-devised and well-executed.

Another outstanding event in Wellington District was the District Divine Service, held at Parkminster United Church in Waterloo, which drew an attendance of 150 Masons from all but

3 of the 22 Lodges in the District. The District Chaplain, Bro. Rev. J. B. Moore, Minister of Parkminster Church, was in charge of the Service and his message was both instructive and inspirational. Speed Lodge choir of Guelph added greatly to this Service by providing the entire musical part of the Service.

Because of the enthusiasm and dedication that the Masons of Wellington District have always evidenced for the principles and ideals of Freemasonry, two missions of mercy are being supported this year. One mission is to make a gift of life to a ten year old boy suffering from Wilson's disease. The second mission is to send help to the starving people of Bihar Province in India by means of a committee of three Past Masters of Patna Lodge, No. 105, Patna, India, operating on our behalf. The Grand Secretary of the Grand Lodge of India assisted us in formulating this plan and we are indeed grateful.

Wor. Bro. L. E. Guppell, the District Secretary, was a tower of strength and I will always be indebted to him for his able assistance in all of the work of the District.

WESLEY W. SEMPLE, D.D.G.M.

WESTERN DISTRICT

I submit my report as District Deputy Grand Master of Western District for the past year.

I appointed Wor. Bro. C. H. Milton of Lake of the Woods Lodge, No. 445, my District Secretary, and Bro. Wm. Bodger of Pequonga Lodge, No. 414, a lay brother, my District Chaplain. Bro. Bodger served, also, as Chairman of the Blood Donors' Committee. They both gave freely of their time and energy and proved good travelling companions on all my Official Visits.

The District was honoured with an official visit from our Grand Master, M.W. Bro. J. N. Allan, who was accompanied by the Grand Secretary, M.W. Bro. Dixon; R.W. Bro. A. V. Chapman, Board of General Purposes; and R.W. Bro. R. Tanner, P.D.D.G.M. of Algoma District. The response by the brethren in both the northern and southern portions of the District made the visit of our Grand Master a tremendous success. I would like to thank R.W. Bro. N. Johnson, P.D.D.G.M. of Western District, for the wonderful way he took over for me in organizing the banquet and reception in the southern section of the District.

I made eleven Official Visits, visiting all ten Lodges in Western District, and on each occasion was most enthusiastically received and welcomed by a large turnout of the brethren. Degree work was conferred in the various degrees in all Lodges with the exception of one.

There has been a slight increase in membership in the District. All Lodges are conforming to the ritual as laid down by Grand Lodge. The work is of a high standard, illustrating the necessary preparation required. Masonry is holding its own in the District in spite of the attraction of the type of work and programs carried out by service clubs.

I would be remiss if I did not mention the benevolent project of Chukuni Lodge, No. 660, of Red Lake, in the building of a home for a brother who is an arthritic cripple. The brethren of this Lodge contributed the materials and labour and in turn were assisted to a degree by financial contributions from the other Lodges of the District. This exemplifies the spirit of Masonry in its fullest sense.

The District Secretary informs me that the minute books and financial records of the various Lodges have been ably and properly kept and were readily available. The finances of all Lodges are in a healthy condition.

All Lodges have a program of Masonic Education to a degree. I feel that more time should be found for such a program. The Past Masters of the Kenora-Keewatin area do have a yearly competition on Masonic ritual and the Book of Constitution which at times has been attended by the Lodges from Dryden and Fort Frances. A shield, suitably inscribed, is presented to the winning Lodge.

On my second visit to Keewatin Lodge, No. 417, I had the pleasure of presenting 50 Year Lapel Buttons to Rt. Wor. Bro. C. C. Galloway, Brothers N. Paterson and D. C. Godfrey, and 40 Year Life Memberships to Wor. Bro. A. Gordon and Bro. D. C. Baird.

I was exceptionally fortunate in my choice of Bro. Wm. Bodger as my District Chaplain, who, I feel, has bettered the spiritual aspect of Masonry in Western District by his obvious convictions and sincerity in his addresses to the brethren in his talks relating to Masonry with respect to its position in the Church. District Church Services can only be held once a year owing to the size of the District and are usually well attended.

I would like to suggest that Lodges of Instruction be held on the alternate year to the Grand Master's visit and preferably in early Fall.

WALLACE F. PIERCY, D.D.G.M.

WILSON DISTRICT

This year, to represent the Most Worshipful the Grand Master, has been a profound honor and pleasure, as well as an education for me. One who has been chosen to fulfil this office

could not live long enough to repay the brethren, the District, or the Craft for this honor. I sincerely thank the Most Worshipful the Grand Master for confirming my election.

I was most fortunate in having as my District Officers, Wor. Bro. William Hollywood as my District Secretary; Wor. Bro. Gerald Clarke as Director of Masonic Education; Bro. Rev. William Bennett as District Chaplain; and V. Wor. Bro. Joseph Griffith as District Blood Donor Chairman, an office he has held with credit and service for the past four years. To these faithful brethren, I express a special thanks.

My Official Visits began at Lakeside, Doric, No. 569, on October 4, 1966; my last at Innerkip, Oak Branch, No. 261, on May 11, 1967, with twenty-one other visits in between. I had a total of some 1,595 brethren at my Official Visits, which I feel is a very gratifying number and speaks well for the condition of Masonry in Wilson District.

During my visits to the twenty-three Lodges in this District I was received with dignity and sincerity. The work, in most cases, was done with the utmost care and ability.

During the year we had many very interesting meetings. I cannot single out any one as being of more importance than the other. They were all very pleasant and very important to the interest and welfare of Masonry.

If one were to single out any it would probably be one which has not yet taken place at the time this report is made. This would be the Centennial project of Grand Lodge, the annual pilgrimage to the grave of our first Grand Master, M.W. Bro. William Mercer Wilson, at which it is the honor and privilege of Wilson District to be host for this special event. There were so many special and very important meetings and ceremonies that one could write a book instead of just a report.

In closing, I would again like to thank the brethren of my Mother Lodge, the District, the Past and Present Grand Lodge Officers and the Most Worshipful the Hon. James N. Allan, for the privilege of serving them as District Deputy Grand Master of Wilson District.

WILLIAM D. BUGLER, D.D.G.M.

WINDSOR DISTRICT

It is a privilege and a pleasure for me to submit my report as the representative of the Grand Master in Windsor District.

I would like to express my appreciation to Central Lodge, No. 402, for proposing my name. I am most grateful to the brethren of Windsor District for electing me to this high office

and, also, to the Grand Master for confirming my election. Serving as D.D.G.M. has been most interesting and enjoyable, as well as educational to me.

It was a pleasure for me to appoint as District Secretary, Wor. Bro. Clarence Watt. He carried out his duties in a very efficient and faithful manner. He accompanied me on all my Official Visits and gave me a full report on the lodge books and lodge conditions. I am happy to report through this medium that the lodge conditions are very good in Windsor District.

I was most fortunate in securing Wor. Bro. J. D. W. McCracken and Wor. Bro. W. G. Haydon again as joint chairmen for our Blood Donor Program. Once again these brethren have done a remarkable job. They both visited all the Lodges in the District to promote this project, and they kept close contact with all lodge chairmen. Once a month, Wor. Bro. McCracken would report to the District the number of donors from each Lodge. This year the District has exceeded last year's number. I am sure in making this report, Rt. Wor. Bro. G. E. Turner, who is Chairman of Blood Donors and a P.D.D.G.M. of Windsor District, will be very pleased. I would like to thank the chairmen and the brethren of the District for this great benevolent act.

Masonic Education was carried on by a joint chairmanship, Wor. Bro. E. Loomis for the city Lodges and Wor. Bro. Bert Overholt for the county Lodges. These chairmen have been most helpful to the Lodges. Many Lodges used their own chairman through the aid of the district chairmen. The papers given by them required much study and preparation. These meetings were well attended.

I had, as District Chaplain, Bro. Rev. Donald Campbell who was with me on a few of my Visits.

Our Divine Service was held in the Church of Ascension in Windsor under the auspices of Border Cities Lodge, No. 554. The Service was conducted by Bro. Rev. Cunningham, Rector of that Church. On account of rain, we were unable to parade. We had a good attendance from the city Lodges for this occasion.

I made my Official Visit to each of the nineteen Lodges, and found the work very satisfactory. All the officers conducted themselves in a manner so that their Lodges felt proud to have them as officers, and to have them as their future Worshipful Masters.

During my Official Visits I tried to impress upon the Lodges to maintain the same uniformity in their work throughout the District. I asked all officers to use the "Book of Suggestions for Officers". I asked the officers to set an example at all times so that the brethren, especially new members, might emulate them. I feel in general that the officers are training them-

selves early to become Worshipful Masters. Masonry is in good hands in the District. The Worshipful Masters supported one another by visiting. There would be an average of ten Worshipful Masters at many of my meetings, installations and special meetings.

I also attended eighteen installations. The work was very well done. The attendance was excellent, and sometimes as many as eighty Past Masters were present.

During my Official Visits I stressed that all officers of the Lodge should attend the funeral services. I found that this has improved the attendance of the officers at these services. I was able to attend thirty-nine funeral services in the District.

I asked each Master to have a night in 1967 to mark Canada's Centennial Year. Three Lodges have already done this and I extend my congratulations to them.

I had the honour of presenting three Fifty Year Buttons to veteran members.

The District had a "Masters' Night," a "Junior Wardens' Night" and a "Senior Wardens' Night." These nights were very encouraging by their work and the attendance. I made three visits to the United States, two in Michigan and one in Chicago, and visited five other Districts in Ontario.

Most Lodges in the District have plenty of degree work with the exception of Parvaim Lodge, No. 395, and Pelee Lodge, No. 627. I have asked Parvaim Lodge to arrange visits and do work. They have made two visits this year. Pelee Lodge is unable to get many candidates because of the small population on the island, but on my Official Visit I found they conducted themselves very well in their work. This was a memorable occasion to me. One hundred and thirty brethren crossed over on the boat. There were seven D.D.G.M.'s present, two Grand Stewards, and many Past Grand Lodge Officers. I would like to thank Pelee Lodge for their hospitality.

I had the privilege of witnessing several degrees conferred by "Degree Teams" of the District. One team comprised of P.D.D.G.M.'s was formed last year by Rt. Wor. Bro. Colledge and Rt. Wor. Bro. Graham. Many thanks to the P.D.D.G.M.'s for their untiring work in their own Lodges as well as in the District.

One of the highlights of the year was receiving greetings for the District from Bro. Dyason, Senior Deacon of Windsor Lodge, England.

Mrs. Sweetman and I were privileged to attend several "Ladies' Nights," and we wish to extend our thanks for the many kind invitations. One of the outstanding social events in the District was the "Masters' Ball" held for the first time this year.

In closing, I would like to thank all the brethren of Windsor District for their most helpful support. This will be a memorable year in Masonry for me. I ask that you give the same support and co-operation to my successor.

ROY W. SWEETMAN, D.D.G.M.

REPORT OF THE ADVISORY COMMITTEE ON LODGE BUILDINGS

This Report was presented by R.W. Bro. Geo. T. Evans, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Evans, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

I beg to present the tenth Annual Report of the Advisory Committee on Lodge Buildings.

In the ten years this Committee has functioned, we have examined and passed on plans for 150 buildings which were either new, added to or remodelled. This is 35% of the approximately 420 buildings housing over 630 lodges — a very commendable showing.

We urge the remaining 65% to take active steps to improve their lodge premises and thus assist our Grand Master to achieve the objectives set out in the Meeting of the Board of General Purposes last Fall and referred to later in this Report. It is too late to make the alterations to our buildings as Centennial projects, but it is not too late to make a Centennial Year resolution to organize committees to carry out this objective in the future. Too many of our lodges are housed in unsuitable quarters and meet under most unfavourable circumstances. It is quite understandable that many of our lodges are making little or no progress and that many are drifting backward. There is little incentive for members to turn out to the regular meetings; candidates are not attracted and in many of our communities the public image of the Masonic Order is anything but favourable.

In November of 1966 our Grand Master called a meeting of the Board of General Purposes to discuss together what might be done to increase the effectiveness of our lodges. The subjects discussed were:

1. What can we do to create greater lodge attendance?
2. What can we do to diminish the number of resignations and suspensions?
3. What can we do to make membership attractive to a greater number of worthy men?

In an all-day meeting, many of our more active members offered many excellent ideas as to how the three objectives might be attained.

Your Advisory Committee on Lodge Buildings believes that one of the most effective ways of accomplishing all three objectives is the upgrading of our meeting places, either by building new Temples, moving to more suitable quarters, or remodelling and up-dating present meeting places.

In this connection, one of the many letters our Committee has received was one from Rt. Wor. Bro. George Lee regarding the making over of a building purchased by Doric Lodge, No. 455, at Little Current, Ont. He said: "I was very much impressed and heartened by the enthusiasm of the brethren and I feel that the lodge is to be congratulated most highly in the enthusiasm, hard thinking, labour and expense they individually have given so freely in such a worthwhile undertaking of which they, the District and Grand Lodge may well be proud."

This same sentiment has been expressed over and over many times by lodges, particularly small lodges in our jurisdiction which have improved their meeting places.

CONTEMPLATED WORK

For the benefit of incoming District Deputies and the new Masters and Officers of our lodges, we will briefly summarize the purposes of our Committee and the procedure to be followed by lodges in initiating and carrying through a building scheme for new buildings or alterations or additions to existing buildings.

All plans for such work must be submitted in duplicate for checking and approval. Bulletins covering all phases of the undertaking from the first steps through the planning and construction have been prepared, also a booklet covering fire regulations of the Ontario Fire Marshal. We have diagram plans of three small lodge buildings which are useful to building committees in learning what is required in the planning of a lodge building. Copies of the foregoing may be had on application to the Grand Secretary.

We do not draw plans or elevations of buildings, nor do we provide specifications for building work; such must be provided by the lodge.

REGULATIONS

We recommend that the following regulations covering the requirements of the Advisory Committee on Lodge Buildings be hereby approved.

1. No new building should be erected or alterations or additions of any kind be made without the approval of the Committee.
2. No property should be acquired for the purpose of erecting a new building until plan of same has been approved.
3. No building should be purchased for the use of a Masonic Temple until the plans of such building have been submitted to the Committee to enable them to determine if such building can be altered to comply with the regulations.
4. No lodge should enter into an agreement to rent or lease any building or part of a building until plans of such building have been approved.
5. No lodge should have alterations made to any building until plans for such work have been approved.
6. All contact with the Advisory Committee on Lodge Buildings shall be made only through the Grand Secretary.

FIRE SAFETY

We again urge District Deputies, Masters, Lodge Officers and members to give the matter of fire safety of their buildings close scrutiny. Many lodges have taken steps to provide against the hazards of fire but there are still far too many of our Temples which are not fire safe.

Some of the defects are: inside exit stairs of wood, escape ropes hanging from windows, stairs without handrails, furnace rooms lacking properly protected walls and ceilings, defective electric wiring, etc. Write to the Grand Secretary asking for the bulletin on FIRE REGULATIONS.

We congratulate the many lodges on their efforts to improve their Temples and wish them much pleasure and satisfaction in their endeavours.

We solicit inquiries from all lodges contemplating building and assure them of our constant desire to offer them every assistance. Needless to say, there is no charge for such services.

Respectfully and fraternally submitted,

GEO. T. EVANS,
Chairman.

REPORT OF THE COMMITTEE ON MASONIC EDUCATION

This report was presented by R.W. Bro. W. K. Bailey, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Bailey, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members, the Grand Lodge A. F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Masonic Education which was appointed in July 1966 to undertake the task of providing leadership and counsel in the field of Masonic information and study is pleased to present its report to the One Hundred and Twelfth Annual Communication of Grand Lodge.

To stimulate and guide reading and study of the following publications of Grand Lodge namely—History of Freemasonry in Canada, Proceedings of Grand Lodge, Book of Constitution and Manual for Masonic Instructors and Students, one issue of a Syllabus of Instruction was prepared by R.Wor. Bro. Leonard J. Hewitt, a member of our Committee.

Those of us who were privileged to attend the Grand Master's Banquet last July heard a masterful address by V.Wor. Bro. Sir Edwin Leather. Sir Edwin covered the topic of development of speculative Freemasonry under these headings: The Ancient Origins of Freemasonry, Medieval Freemasonry, Georgian England and the roots of Modern Freemasonry; Ireland and Scotland; Early Developments in North America and the Origins of Canadian Freemasonry.

Since 1967 marks the 250th anniversary of the birth of speculative Freemasonry through the formation of the Grand Lodge of England on June 24, 1717, and because Sir Edwin's dissertation contained so much valuable information pertinent to this event, our Committee felt that widespread publicity should be given to his address among our members.

We are indebted to the Grand Secretary and his staff for the printing and distribution of these two publications. It is our sincere hope that wide circulation and study by the members in each constituent Lodge has been given to these communications.

As well our gratitude is extended to M.Wor. Bro. H. L. Martyn, Custodian of the Work, for his generous support of our work through his counsel to the District Deputy Grand Masters at the summer regional meetings and through the Lodges of

Instruction which he has held throughout the Jurisdiction during the year. We are not unmindful of the generous response by members of the Board of General Purposes and by Past Grand Lodge Officers to requests to address many District and Lodge meetings during this past year.

The District Deputy Grand Masters in early September were supplied with the following booklets—Whither are We Traveling? by M.Wor. Bro. Dwight L. Smith, Why all the Confusion in the Temple? by the same author, Suggestions to Lodge Officers, Committees of Grand Lodge and as well information on Masonic Education in their respective Districts for 1965-66. With this background information it was felt that the representatives of the Grand Master would be better equipped to give leadership and direction to Masonic Education on District and Lodge levels.

In the July 1966 report of our Committee we noted that little or no provision seemed to have been made in many Districts for the instruction of the Wardens and Deacons leading to the administration of a Lodge. Four booklets each of twenty pages were prepared and distributed to the District Deputy Grand Masters at intervals of two months. Sufficient copies were supplied to provide two or three copies per Lodge. The essential purpose in presenting this information in booklet form was that it might be kept available for reference from year to year.

The Committee is indebted to R. Wor. Bro. G. K. Johnson for permission to print and make available to the Lodges a functional pronouncing glossary of the ritual of the three degrees. The other three booklets contained the following topical material.

1. The Administration of a Lodge.
2. An Elementary course of Masonic Study adapted from the Grand Lodge of the Philippines.
3. The Worshipful Master and his Chairman of Masonic Education.
4. Speaking in Lodge and at the Banquet Hour.
5. The Indispensable Mason.
6. Representative Men.
7. The Development of Masonic Leadership.
8. Masonic Etiquette and Manners.
9. An Open Letter to a newly initiated Brother.

Since these booklets have been available for a relatively brief period of time, we can scarcely estimate as yet their value to the officers and the brethren. Moreover it is not to be expected that all the topics have been of equal interest and thus have been as universally used by all Lodges. Of considerable concern to our Committee is that the brethren in many Lodges do not appear to have been informed about the availability of this information.

It has been most gratifying to note from the reports and from the copies of the instructional programs that many original and novel projects have been developed in the Lodges and Districts for the profit and enjoyment of the brethren. Perhaps the most satisfying feature is the great number of participants who have been involved in interpreting to their brethren something of their comprehension of Masonry. It is most important that each and every program supplementary to the ritual should be of the utmost benefit to the Mason and add lustre to the traditions of our Order.

One of the most interesting Masonic events that has come to our attention has been the sponsorship by St. Andrew's Lodge, No. 560, of Ottawa, of a presentation on Sunday, April 16, of the choir and guest soloists of Knox Presbyterian Church in "A Recital of Masonic Music" from the compositions of Wolfgang Mozart and Jan Sibelius. Another has been the presentation of a dramatic panoramic view of Masonic lore and history "Moss on the Stone — North Side" by a cast of forty brethren of London East District. The gratitude of our Committee is extended to those District Deputy Grand Masters and District Supervisors who have had very successful district and regional education meetings which have evidenced renewed interest and dedication in Masonry by the brethren.

We are taught in our lectures that our meetings are intended to cultivate and enlighten the mind, to strengthen the fundamental principles of our Order and to induce the habit of virtue. The translation of these idealistic objectives into working language and action is not easy of accomplishment. The conferring of degrees, a few explanations and demonstrations from time to time at Lodge and District meetings supplemented by various fellowship activities are but in initial stages in an endeavour to make Masonry meaningful to our brethren. There are many avenues for the Mason to make an advancement in Masonic Knowledge. It ought to be the primary concern of each Worshipful Master and his senior advisers to enable the officers and members to perceive and to explore as many avenues as possible.

Whether it be adequate orientation of the applicant prior to his reception into Masonry, fullsome instruction and enlightenment to the candidate as he progresses through the degrees, recitation and repetition in oral and visual facets of the Lodge ritual to bring out the meaning, beauty and potential of Lodge ceremonies, necessary counsel and tutelage to brethren who are requested to assist in the formal and informal Lodge activities, acquisition and study of Masonic literature, or special assemblies and receptions, the programs must be tailored to meet the particular needs, interests and desires of our members.

Most of our efforts in providing instruction and information to our brethren have been sporadic, fragmentary and treated as an afterthought. We have become so obsessed with question-and-answer memory work that we think all instruction begins and

ends in a catechism. Our approach must be intelligent and given honour and respectability in Lodge affairs. Let us proceed on the assumption that each candidate sincerely desires and expects to receive the Light of Freemasonry. As we prepare our initiates to appreciate and understand the great privileges and responsibilities of Masonic membership we ought not to overlook the challenge to our total membership to sustain their loyalty and active participation.

Masons are essentially busy people and as such many can scarcely afford the luxury of attending all scheduled Lodge meetings and visitations. Nevertheless, our brethren invariably will be willing and indeed anxious to join us around the altar of Freemasonry and make their contributions to the welfare of the Craft if we are sincere and consistent in affording them ample opportunity.

Respectfully and sincerely submitted,

W. K. BAILEY,
Chairman.

REPORT OF THE COMMITTEE ON THE CONDITION OF MASONRY

This report was presented by R.W. Bro. B. B. Foster, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Foster, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again I am afforded the pleasure and responsibility to present, on behalf of your Committee, a composite diagram of Freemasonry in this Grand Jurisdiction as it is revealed in the reports of the D.D.G.M.'s of the thirty-nine Districts. This diagram should present an accounting of achievements, progress and solutions to problems.

Leaders in business, industry or the professions require initiative, foresight, perseverance and energy. Leaders in our Craft require these traits of character, but they also require—in plentiful supply—tolerance, skill and the tactful ability to judge with candor, admonish with friendship and reprehend with mercy. The representatives of the M.W. the Grand Master must have demonstrated all the above, as all reports express appreciation of the

sincerity of their receptions in all lodges of their Districts. Evident also is the valuable assistance rendered the representatives by the Chairmen of Blood Donors and Masonic Education Committees, as well as from District Chaplains and District Secretaries.

Most reports are unanimous in their conclusions that lodge officers are executing their duties perfectly in accordance with directions given them at the time of their installation and investiture. The reports also reveal that some excellent Masons with leadership ability are, because of the nature of their occupations, unable to accept office. As a result, some lodges find it difficult to locate members who can complete the progression to Past Master.

Past Masters' and Wardens' Associations continue to be worthy of commendation. It is axiomatic that members who are active in such Associations are also active in their own lodges. Membership in such Associations broadens the experience and outlook of the individual Mason and assists materially in bringing about improved lodge procedures and administration. Districts which possess active Associations have lodges which are progressive and active in all phases of Masonic endeavour.

The need for improved accommodations is still a topic of concern for many of our lodges. Each year we have reported that new or renovated quarters are being provided for the membership. The percentage of such improvement is not large, but the fact of continuity is one that encourages your Committee. In this regard, let us not forget that the work of R.W. Bro. Geo. T. Evans and his Advisory Committee on Lodge Buildings has simplified and streamlined the procedures leading up to the actual construction of new Temples.

No report would be complete without the consideration of the activities of our Blood Donors' Committee. It would appear that many members still do not understand the work of this Committee. Perhaps the local chairmen could explain our interest in assisting the Red Cross, and so increase participation in a most necessary and rewarding charity. I am sure we are all grateful to R.W. Bro. George E. Turner for his excellent direction of the work of this Committee.

Masonic Education continues to be of prime importance in the activities of every lodge. A definite upswing has occurred this past year, with greater participation on the part of ordinary members. Many districts have held meetings which always result in distribution of material over a wider area. We commend R.W. Bro. W. K. Bailey, Chairman of the Committee on Masonic Education, on his excellent administration, his production of interesting and diversified material to send out, and, above all, his ability to persuade others to work enthusiastically at the lodge level. Your Committee also expresses its appreciation of the unceasing efforts of M.W. Bro. H. L. Martyn in the field of Masonic Education.

Some Masons have claimed that one of the most appealing attributes of our Craft is to make men happy themselves and communicate that happiness to others. Our Most Worshipful Grand Master, M.W. Bro. J. N. Allan, has attended many receptions this past year. He has been able to project his happy personality to his brethren and at the same time has clearly explained his sentiments on how to increase the effectiveness of Freemasonry and improve its image in the world. May the Great Architect permit our Grand Master many more years of activity to continue his efforts on our behalf.

Perhaps the greatest charity Freemasonry offers to its members is the freedom of choice which the form of their devotions to the Great Architect shall take. It directs us to be diligent and faithful to Him, but in our own ways. All district reports indicate a continuing, and, in the majority of cases, an increasing attendance at Divine Services. This trend is most encouraging. R.W. Bro. E. E. Baskier, the Grand Chaplain, has performed the duties of his office with distinction. His presence at Dedications and his sermons at Divine Services have been appreciated by his brethren. The Grand Chaplain, in his report, seeks an answer to a question that he has been asked and one that your Chairman has quite often heard: "Could we not have a revision of the Masonic Memorial Service to make it more suitable for use in a funeral home?" Perhaps this might be considered by Grand Lodge at an appropriate time.

Although The Masonic Foundation of Ontario is not considered in district reports, your Chairman of this Committee feels that the Foundation has added much to the stature of Freemasonry in this Grand Jurisdiction. Individual lodge members have expressed their personal pride at being associated with such a venture and at having had such a Committee with which to serve, one which has wisdom to comprehend and energy to carry on this wonderful endeavour. May we congratulate The Foundation Committee, on your behalf, for its excellent work.

Lodge attendance is mentioned in several reports. The D.D. G.M.'s suggest that it is directly related to the planning of meetings, the efficiency of officers, and the participation of members in community projects. We are encouraged personally when we read in the reports that the trend is toward improved attendance, the reason being stated orally as the improved meeting plans and the greater efficiency of officers. Your Committee commends the Committee on Masonic Education for the distribution of the excellent booklet "Suggestions to Officers." It has been most beneficial.

Recognition of our veteran members has always been a happy and satisfying procedure in our lodges. Nearly all reports contain a reference to the presentation of buttons in acknowledgement of fifty years or more of membership in the Craft. We, your Committee, congratulate our veterans who have, over the years, improved their intellectual powers, have become even more useful

members of society than they were originally, and have consistently striven to excel in everything that is good and great. Some of our veteran members have expressed to your Chairman a preference for the Veteran's Jubilee Medal. Would it be possible to have these available at the Grand Secretary's office for the individual lodge to purchase and present to veteran members? These would be worn in the lodge while the Fifty Year Button would be worn in and out of lodge.

All the District reports show that Freemasonry in this Grand Jurisdiction is progressing favourably. All lodges are maintaining basic activities while many are adding to these within the guidelines of the Constitution. Your Committee believes that if this continues as in the past year the condition of Masonry is excellent.

Respectfully and fraternally submitted,

B. B. FOSTER,
Chairman.

REPORT OF THE LIBRARY COMMITTEE

This report was presented by R.W. Bro. W. M. Gordon, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Gordon, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. and A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

As Chairman and on behalf of the Members of the Library Committee of Grand Lodge, let me say at once, in all humility, how grateful we all are as humble Masons for the privilege that has been ours of serving you during the Masonic year now drawing to a close.

As has been the custom for many years past, Grand Lodge has seen fit each year to appoint to your Library Committee the District Deputies of all the Toronto Districts, and, as well, your Chairman and Vice-Chairman are Past District Deputies of Toronto Districts. In the appointments, undoubtedly regard was had to the location of the Masonic Library of Grand Lodge at the Yonge-Davenport Temple in Toronto, and to the availability of the members to the Chairman. This has led to splendid co-operation among all concerned and the Chairman would wish to take this opportunity of thanking the Members of the Library Committee for their never-failing willingness and co-operation when called upon, on behalf of the Library.

It is felt it would not be amiss, once again in this Report, to draw the attention of the Members of Grand Lodge to the co-operation and rapport between the Library Committee and the Committee on Masonic Education that has existed between those two Committees since inception. This was referred to in some detail in the Report of the Library Committee as published in the 1964 Proceedings of Grand Lodge. At the risk of embarrassment, this Committee would wish, at this time, to extend our felicitations to the many Lodge Members making use of the Library facilities in the preparation of their material for presentation at Masonic Educational Meetings throughout the Grand Jurisdiction, under the capable direction of those in charge of Masonic education at all levels. By its very nature, your Library Committee is intensely interested in these Lodge Members and the direction already taken in subject matters, or likely to be taken, as indicated by the demand for reading material from time to time. The Library has always been a concomitant to the educational activities carried on in the Fraternity and will continue so to be down through the years, if for no other reason, than the necessity for reference to Masonic Books and documents housed on your Library shelves.

Jeremy Bentham, the English jurist and publicist, as far back as 1830 averred that if everyone could attend school and receive a thorough education, all the evils of the world and all the troubles with which the world was faced would disappear. He was a brilliant student, obtaining his Bachelor's Degree at Oxford at 15, and his Master's Degree at 18 years of age. His many treatises on matters of philosophy and government reflected his brilliance. He was the father of the disciples of Utilitarianism, or those who believe in the "greatest happiness for the greatest number." Again, H. G. Wells, a few years ago, stated that the world should be recognized in essence as only a race between "catastrophe and education." One might question these days when we have so many institutions of higher learning springing up all around — "Where is wisdom itself to be found?" Neither Bentham nor Wells seemed to appreciate the distinction between education and wisdom, the latter of which is defined in the Book of Job in the Old Testament as "the fear of the Lord," and that "to depart from evil is understanding." In earlier days, William Preston, the noted English ritualist, endeavoured to make Freemasonry a college from which the everyday Mason of his day might obtain knowledge and advance himself in the liberal arts. Over the years, the emphasis in Masonic teachings has changed and shifted to the field of morality and to the explanation of those principles that point the minds of Masons upwards and to a Masonic way of life. Your Committee can confidently submit that whatever direction Masonic teachings are to take, your Library is well equipped to handle.

One reads in the May issue of Varsity News of the New Research Library for the University of Toronto—a boon to higher education in Ontario—models and drawings on display of

a \$42 million research library for the humanities and social sciences. There will be three connected buildings on a three-acre site with the main building for all the libraries in the University which now has more than 2,500,000 books and documents. We have not the commodious quarters, the facilities, nor the number of books, but the description of the New University Library for us lays emphasis on the importance of libraries as the basis of all institutions of learning. Your Library Committee would desire to emphasize that the more than 6,000 volumes on Masonic subjects, some of them irreplaceable, comprising your Library is as important to Ancient Free and Accepted Masonry as are the 2,500,000 volumes in the other Library. We might add, although comparisons are odious, when you consider the other Library covers a thousand or more subjects and ours only one, then we have reason for pride.

With the assistance and aid at hand in our well-stocked Library, it is hoped that there can be obtained by the brethren something more than the mere formulas and phrases of the ceremonial, and that there will be gathered everlasting benefit by the reading of the history and the study of the philosophy of Masonry. These Masonic stimulants can be found in the Library, and may we suggest that it is by good reading that one can gain that something extra that is almost a fundamental to the successful life today. And for good reading, may we say, of all the great books of the World, that foundation for Christian living stands foremost—the Bible. Of it, it can be said this Book contains the mind of God, the way of salvation, and it should fill the memory and rule the heart.

Inspired no doubt by the great gift of the late Most Wor. John Ross Robertson of his Masonic library to the fraternity, and which now forms the basis of our Library, and, as well, by a love of our fraternity in general, many Masons over the years have been generous in their donations of books on Masonic matters to the Library. In line with the foregoing and in sincere acknowledgment of the privilege of serving the Library Committee over the years, your Chairman has this year donated the following:

(1) 10 volumes of Grand Lodge 1717-1967. This is a popular study of Freemasonry in England from its early beginnings down to the present day. The articles in these volumes cover many matters of great interest to Masons in this jurisdiction;

(2) The Collected Prestonian Lectures, 1925 to 1960, edited by Harry Carr, P.A.G.D.C.

(3) The 1723 Constitutions—History, Laws, Charges, Orders and Wages, printed in quaint early English style—now, of course, out of print and irreplaceable.

The day to day work in the Library has continued since our last Report, indicating books loaned to Toronto borrowers some 250 — to borrowers outside of Toronto over 300 — with some 1,000 visitors registered in our Guest Book.

Our Librarian, Rt. W. Bro. Arthur E. MacGregor has again this year showed his unfailing interest in Library affairs and his courteous attention to the work has throughout been the subject of favourable comment. Your Library Committee reports, with regret, its acceptance of the proffered resignation of our Librarian, effective as at the end of May, 1967. In accepting his resignation, your Committee desires to record its recognition of the outstanding services to Masonry by the Rt.W. Bro. Arthur E. MacGregor over the past many years.

After many enquiries and consideration of many names, your Committee would ask your approval of its appointment of Wm. J. McKee, a Master Mason of Runnymede Lodge of Toronto, to be the Librarian of the Grand Lodge Library from June 1st, 1967.

Respectfully and fraternally submitted,

WILLARD M. GORDON,
Chairman.

REPORT OF BLOOD DONORS' COMMITTEE

This report was presented by R.W. Bro. G. E. Turner, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Turner, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Blood Donors' Committee considers it a great privilege to submit its report for the Masonic Year 1966-1967.

This year, several hundred Grand Lodge Blood Donor cards were issued to brethren who had given three or more donations. Many of these cards were presented by the District Deputy Grand Masters on the occasion of their visits to the lodges. Their interest is greatly appreciated.

On December 17, I had the pleasure of meeting with the District Deputy Grand Masters and the District Chairmen of the Blood Donors' Committees of Metropolitan Toronto. It was a very interesting meeting and some problems were discussed. I extend my thanks to W.Bro. Heron of Toronto District No. 7, for his efforts in arranging this meeting. I only wish that time would allow me to visit each District and discuss some of our problems.

During this year your Committee, in conjunction with the Ontario Branch of the Canadian Red Cross, has arranged blood transfusions for two of our brethren. One transfusion was for a Brother who needed blood in California and the other for a Brother who needed fifteen pints before he could undergo heart surgery at Cleveland Clinic, Cleveland, Ohio. The scope of the work of your Committee is spreading.

There has been an increase in blood donors and the number stands at 9956 which is an increase of 573 from last year. Following is a list of the Districts, together with the number of donors compared with last year.

This year each District Deputy Grand Master promptly appointed a District Chairman, and each has assisted greatly in the furtherance of the work of the Blood Donors' Committee in his respective District. My sincere appreciation is extended to each one and I trust that he has enjoyed his year as District Deputy Grand Master.

Your Committee notes, with pleasure, that again this year fourteen Chairmen of previous years have faithfully served this Committee. We wish to thank them for their assistance and to express the hope that they will be with us again next year. I would like to suggest, at this time, that the newly-elected District Deputy Grand Masters try to prevail upon the Chairman of his District to continue during the ensuing year.

This year, Nipissing West District, under the Chairmanship of W. Bro. W. J. C. Noble, reported the largest number of donors, 775. W. Bro. Noble is to be congratulated on his great work year after year. Toronto District "7," under the chairmanship of W. Bro. W. J. Heron, reported the next largest number — 725. W. Bro. David L. G. Weaver reported 703 donors from Hamilton "A" District. Your Committee wishes to note that the four Districts which did not report last year all submitted a report this year. They all did extremely well and I wish to thank them for their efforts. One also notes that there was an increase in every District of Metropolitan Toronto. Perhaps I should visit and hold a meeting in each District throughout our jurisdiction.

Your Committee again wishes to pay tribute to those Chairmen who have worked so faithfully for several years in this great undertaking; W. Bro. Frank Gross of Chatham District; V.Wor. Bro. Geo. McCutcheon, Eastern District; W. Bro. D. L. G. Weaver, Hamilton "A"; W. Bro. W. Fuller, London East; W. Bro. C. R. Buss, Niagara "A"; W. Bro. Noble, Nipissing West; Rt. W. Bro. Krauter, North Huron; Rt. W. Bro. Reith, South Huron; W. Bro. Bruce, Toronto "2"; W. Bro. Claridge, Toronto "4"; W. Bro. Hill, Toronto "5"; Rt. W. Bro. Heels, Victoria District; V.W. Bro. J. Griffith, Wilson District; and W. Bro. D. McCracken, Windsor District. My sincere thanks to them for their untiring efforts.

It is with the greatest regret that your Committee has learned of the death of W. Bro. C. R. Buss of Niagara "A" on May 14, 1967. Bro. Buss has served as a most devoted Chairman since the beginning of the Blood Donor work in Niagara District and he will be greatly missed by your Committee and Grand Lodge. We extend sincerest condolences to his family.

Your Committee wishes to thank the Grand Secretary and his staff for their support during this year. I wish to personally thank all the District Chairmen who contributed so much of their time and effort to this work. There is no doubt that there is a great sacrifice of pleasure and leisure given by these dedicated

men. I would like to urge each Brother to assist by reporting each and every donation given by himself or members of his family. In this way we might create a better image of Masonry in the eyes of the person outside the circle of our great Fraternity and also assist those in need of blood.

All of which is respectfully and fraternally submitted on behalf of this Committee.

GEORGE E. TURNER, M.D.
Chairman.

REPORT OF THE COMMITTEE ON PUBLIC RELATIONS

This report was presented by R.W. Bro. T. L. Wilson, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Wilson, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

The report of the Public Relations Committee for the year 1966-1967 is somewhat of a repetition of the report submitted last year. However, we are, naturally, grateful for the ever-increasing support which the activities of the Grand Lodge, and the Grand Master in particular, have received in the press and other media again this year.

The communications media, particularly throughout the Province, have co-operated extremely well and we would like to record our appreciation.

The system adopted some two years ago whereby the Grand Secretary kept your Committee advised in advance of the activities of the Grand Master, and the Committee in turn advised the newspapers in the areas in advance, has worked well and, as a result, we have gained considerably from a Public Relations standpoint and we believe that an image of Masonry in the Grand Jurisdiction has been made more impressive to those outside the gates of the Craft.

As Chairman of this Committee, I am particularly grateful for the assistance rendered by the Grand Secretary, without whose constant vigil this work could not be carried on.

Then, I would be remiss in my duty, I think, as Chairman, if I did not specifically refer to the co-operation that we have received from the Canadian Press and the media generally throughout the jurisdiction. I would especially like to mention the Toronto newspapers, radio stations and television stations which co-operated at the time of the last Annual Communication in July, 1966.

However, since there is a limit to what a Grand Lodge Committee can do in this connection, I would again issue an appeal to the District Deputies and the individual Masters of lodges, who are, naturally, closer to the activities in the various Districts, that they keep their local news-media well advised of their activities, special nights, Ladies' Nights, etc., in order that the public generally might be kept aware of our existence, always remembering that good men seek admission to the Masonic Order only by a favourable impression, pre-conceived of the Institution.

Respectfully and fraternally submitted,

T. L. WILSON,
Chairman.

PRESENTATION OF MEDAL

The Grand Master of the Grand Lodge of South Carolina, M.W. Bro. R. Lewis Smith, after addressing Grand Lodge briefly, presented to our Grand Master, M.W. Bro. James N. Allan, the ALBERT GALLATIN MACKAY MEDAL which is awarded by the Grand Lodge of Ancient Free Masons of South Carolina for Distinguished Masonic Service. Our Grand Master, in gratefully accepting the Medal, made suitable reply.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

M.W. Bro. R. W. Treleven, Chairman, presented this report and read the Foreword to the Reviews. The Deputy Grand Master then moved, seconded by M.W. Bro. Treleven, that the report be received and adopted. The motion was carried, unanimously.

REPORT OF THE COMMITTEE ON BENEVOLENCE

This report was presented by R.W. Bro. E. W. Nancekivell, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Nancekivell, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members
of the Grand Lodge, A.F. & A.M. of Canada in the Province
of Ontario.

Most Worshipful Sir and Brethren:

It is my pleasure and indeed, privilege, to present the report of the Grand Lodge Committee on Benevolence for 1966-67. Charity or (to use a word without the somewhat condescending connotation of present day usage) Benevolence, as outlined in one of our most beloved lectures, has the "approbation of heaven and of earth and like its sister Mercy, blesses him who gives as well as him who receives". This is a beautifully expressed truth and is mirrored brightly in the real sense of satisfaction derived by your representative committee members and therefore by you individually in being permitted to share in the great benevolent work of Masonry.

Benevolence in the broadest sense is not just the giving of alms, the granting of money to those who are in need of it. It embraces much more than this. It includes the factor of active human contact between those who give and those who receive, an active sympathetic interest in the lives of our recipients. A kindly visit (or better still, regular visits) may mean more to a brother who may be disabled, shut in for reasons of health or infirmity, in hospital or home, than any gift or grant which might be presented. An offer of arranging medical care, legal aid, government assistance, or just an outing in the car, looms larger than money in the eyes of the receiver. If this kindly interest is supplemented however, by the means to obtain the necessary aid, then this is a truly benevolent act and invariably is much appreciated. Each individual brother Mason has the opportunity therefore, nay, the obligation, to practise what is one of our fundamental principles—that of Benevolence.

As an illustration of a case which may serve to demonstrate what the brethren are doing in regards to Benevolence, let me relate to you some facts about a brother and his changing circumstances. This is the story about Bro. Earle Wilson of Chukuni Lodge, No. 660, Red Lake. This brother suffered a

stroke in 1962 and was transported to Winnipeg for brain surgery with little hope for recovery. He has been paralysed ever since, unable to talk or read, but can spend some time in a wheel-chair. His home was old, of frame construction, without proper water and sewage facilities and on a street along which very few people pass. Chukuni Lodge undertook, with some assistance from our Grand Lodge Benevolent Committee financially, to remedy this situation. The brethren actually built a new house for the Wilsons—some contributing cash, some material, others who were skilled at plumbing, heating, wiring, cabinet work, etc., contributing time and effort. This home, which was occupied in April of this year by Earle and his family, is a fine home, built with loving care by the Masons of Red Lake, with wide doorways to accommodate the wheel-chair, a ramp from front entrance to ground level and an excellent view of the lake. Truly, Brethren, this is Masonic Benevolence in its fullest expression.

Your Committee met in the Grand Lodge Administration Building in Hamilton on June 9th and 10th, and were pleased to have with us our Deputy Grand Master at that time, R. Wor. Bro. Donald J. Gunn as an active member of the Committee, along with 12 members of the Board of General Purposes including 3 District Deputy Grand Masters. 213 applications were conscientiously considered, of which number 34 were new, a decrease of 6 from last year. This decrease may be explained in part by an increase of up to \$30.00 per month in the Old Age Security Pension under certain circumstances, and to increased activity of the distinguished group of Masons who administer The Masonic Foundation of Ontario.

Grants authorized and approved at the Annual Communication of July, 1966, were	\$ 48,755.00
Less Cancellations and Refunds	900.20
Net	<u>\$ 47,854.80</u>
Interim Grants	8,901.00
Total Grants Paid	<u>\$ 56,755.80</u>
Also Emergency Grants	310.25
Total	<u>\$ 57,066.05</u>

Taking these figures into consideration and the trend of Masonic Benevolence, your Committee feels that the sum of \$60,000.00 should be provided for benevolent grants in 1967-68.

I have had occasion (as Chairman) to meet fairly frequently with our efficient Supervisor of Masonic Benevolence, R. Wor. Bro. George J. McQueen, usually in regard to Interim Grants, (which, by the way, were almost doubled this year) and take this

opportunity of commending him most highly for his devotion to duty. I know that he would wish me to pass on to his various contacts—Lodge Secretaries, Chairmen of Local Boards of Relief, and all others who have shown great interest and activity in benevolent work—his appreciation for their unstinting co-operation.

The Committee again recommends continuing membership in the International Relief Association. We also gratefully acknowledge the following bequests to the Memorial Fund:

(1) Estate of Bro. Reginald N. S. Searle	\$ 4,849.87
(2) Estate of Bro. W. Jack O. Walliss	500.00
(3) Estate of Bro. Wallace Young	100.00

and donations:

(1) Wardens of Toronto District 1	\$ 21.56
(2) Bro. W. J. Drennan	50.00
(3) Bro. G. J. Williamson	10.00

May we, once more, make an urgent plea to each individual lodge to aid and care for any of its members or their families who require assistance. The Grand Lodge Benevolent Grants are meant to supplement the assistance of the local lodge, and we prefer to act after the lodge has endeavoured to assist its own. It is to the everlasting credit of our lodges, and frequently the smallest ones are the most active in this regard, that their own members are most assiduously cared for on the local level. May we also state that when an application is made to the Benevolent Committee of Grand Lodge for assistance, it facilitates greatly the promptness of suitable action, if the Application Forms are well filled out, with as much detailed information as can be mustered, withholding or omitting no pertinent facts which might help in the serious consideration of that application, which may be of the most urgent importance to the brother involved.

May I, as Chairman, thank the members of the Committee, who are most conscientious in their efforts, not only at our meetings but in investigating, reporting, and pursuing the benevolent needs of the various districts which, I am sure, they feel honoured to represent.

Respectfully and fraternally submitted,

ERIC W. NANCEKIVELL,
Chairman.

REPORT OF THE COMMITTEE ON FRATERNAL DEAD

This report was presented by R.W. Bro. J. J. Talman, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Talman, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee is honoured to have been entrusted with the responsibility of paying tribute to our Fraternal Dead. We need use few words, confident in our knowledge that all of us respect the contribution of those whom we name today. At the same time, each of us will experience an additional sense of personal loss when the names of certain brethren are recalled. Some it is true, through frailty, have not been active of recent days while others bore the promise of many years of fruitful service. We regret the loss, inevitable as it is, of all.

It would scarcely be appropriate on this occasion to quote the high-sounding lines of Ecclesiasticus, chapter XLIV, "Let us now praise famous men" although one verse does run "But these were merciful men, whose righteousness hath not been forgotten." These verses, however, do remind us of more fitting lines written by a well-known Freemason, Rudyard Kipling. These are to be found in the school song in *Stalky and Co.*

‘Let us now praise famous men’ —
Men of little showing—
For their work continueth,
And their work continueth,
Broad and deep continueth,
Greater than their knowing!

All these brethren served faithfully, in their time, in their lodges, districts and Grand Lodge.

We record the names of the following past officers of this Grand Lodge who have passed to the Grand Lodge Above.

These Tablet Pages

are inscribed and fraternally dedicated
in memory of

Our Departed Brethren

REPORT ON THE MASONIC FOUNDATION OF ONTARIO

M.W. Bro. R. W. Treleaven, President of The Foundation, in reporting on the work of The Foundation, read to the members of Grand Lodge the Directors' Report for the year ended April 30, 1967, which had been presented to the Annual General Meeting of The Foundation.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario:

Most Worshipful Sir and Brethren:

Two years ago, your Directors decided that for the fiscal year 1965-1966, The Foundation should accept as its charitable object university bursaries defined as non-repayable awards to students who may be unable to continue their university education without financial assistance. This decision was confirmed at the last Annual Meeting of The Foundation and has been faithfully adhered to. The results were so satisfactory and rewarding that the same policy has been followed in the year ending April 30, 1967.

We have had the co-operation of all the universities in Ontario.

No bursaries have been granted without the approval and recommendation of the Awards Officer of the particular university concerned.

Eighteen awards were granted to individual students in amounts ranging from \$110 to \$300 and totalling \$4070. In addition to these individual awards, further sums, totalling \$5500, were paid to five universities, to be used by them for identical objects, namely to financially assist worthy students in financial difficulties and in amounts up to but not exceeding \$500 in any one case.

The very warm and appreciative letters received from students and universities alike have convinced the Directors of the wisdom of their decision to direct the benefactions of The Foundation, for the time being, along these lines.

As the capital of The Foundation increases and the income increases proportionately, it is hoped and expected that the objects of its charities can be expanded into other fields.

During the year under review, the Capital Fund was increased by approximately \$7,000. This consisted of a grant of

\$5,000 from Grand Lodge and bequests and donations of \$1993.61. Part of this latter sum came from unusual but very acceptable quarters. One Hundred and Fifty Dollars was paid from the proceeds of a Masonic Bowling Tournament in Toronto and \$250.00 was paid from the American-Canadian Provincial Grand Lodge in Germany.

A very delightful letter and an accompanying cheque were received from a distinguished Bro. Mason in Toronto, who wishes to remain anonymous. The letter reads — "Last Friday evening I received my 50 Year Button from Grand Lodge. On chatting with a Brother on how to mark this event, he suggested that a gift to The Foundation would be acceptable. Enclosed is a cheque for \$500. Mr. Berkinshaw some time ago suggested that any gifts to The Foundation be applied to the Capital Account and I would like to follow his suggestion."

When Mrs. Vera Dixon, the beloved wife of the efficient Grand Secretary of Grand Lodge, died, a considerable number of lodges and individual Masons made contributions to The Foundation in her memory.

Although The Foundation has only been fully functioning for two years, I know it can now be said that it is an undertaking worthy of the Grand Lodge of Canada in the Province of Ontario, which is responsible for bringing it into being and organizing it. The possibilities for the exercise of true Masonic charity as the years come and go may be almost limitless.

Your Directors have held several meetings during the year. Their services are, of course, entirely voluntary. We are indebted to them and particularly to Norman W. Byrne, Q.C., our efficient Secretary-Treasurer. I think we should also express our appreciation to Mrs. Violet Senn, who has voluntarily done all necessary typing and correspondence, and to M.W. Bro. E. G. Dixon, for his co-operation.

Respectfully submitted on behalf of the Directors, who are — Messrs. H. L. Martyn, T. L. Wilson, D. M. Fleming, R. C. Berkinshaw, N. R. Richards, J. J. Talman, J. N. Allan, N. W. Byrne and R. W. Treleaven.

R. W. TRELEAVEN,
President.

On motion of M.W. Bro. R. W. Treleaven, seconded by R.W. Bro. D. J. Gunn, Deputy Grand Master, the Report was received and adopted.

REPORT OF THE COMMITTEE ON GRIEVANCES AND APPEALS

This report was presented by R.W. Bro. M. C. Hooper, Chairman. On Motion of the Deputy Grand Master, seconded by R.W. Bro. Hooper, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Grievances and Appeals submits its report to the 1967 Annual Communication of Grand Lodge in the following parts:

1. ST. JOHN'S LODGE, No. 35, CAYUGA, versus BRO. EDWARD A. OATES.

The facts and findings in this case are recorded in the Proceedings of Grand Lodge for 1966 at p. 182.

After trial by his Lodge Bro. Oates was found guilty of un-masonic conduct under Rule 1(5) —adultery, and was suspended. Your Committee concurred in the finding of guilt and, on its recommendation, Grand Lodge directed that Bro. Oates be notified to appear at this Annual Communication to show cause why he should not be expelled.

He has been so notified. He has appeared before your Committee and has made representations urging that the penalty be limited in this case to indefinite suspension. No representation was made by St. John's Lodge.

Your Committee recommends that the matter be adjourned for one year and that the Lodge and the accused be asked to report again at the next Annual Communication of this Grand Lodge when the question of expulsion may be further considered, and in the meantime Bro. Oates will stand suspended.

2. ST. MARK'S LODGE, No. 94, versus W. BRO. LAWRENCE G. SPEERS.

This case was dealt with at the 1966 Annual Communication of this Grand Lodge and is reported in the Proceedings at p. 183.

W. Bro. Speers had been convicted in Magistrate's Court on four counts of fraud and was sentenced to a term of imprisonment. He was charged with a Masonic offence and, after trial in his Lodge, was suspended for a stated period.

Your Committee considered the penalty inadequate and consequent on its report Grand Lodge directed that W. Bro. Speers be notified to appear at this Annual Communication to show cause why he should not be expelled and that in the meantime he should stand suspended.

Due notice has been given in accordance with the Rules. He has not appeared.

Your Committee, therefore, recommends that W. Bro. Lawrence G. Speers be expelled.

3. MIMOSA LODGE, No. 576, versus BRO. FREDERICK JAMES ESSON.

As reported in the Proceedings of 1966 at p. 183, Bro. Esson was charged with unmasonic conduct and a trial was held by Mimosa Lodge. The Lodge found the accused guilty of adultery and suspended him indefinitely.

Your Committee, on reviewing the facts, concurred in the finding of guilt and the suspension by the Lodge. On the recommendation of the Committee, adopted by the Board of General Purposes, Grand Lodge directed that Bro. Frederick James Esson be notified to appear at this Annual Communication to show cause why he should not be expelled and that in the meantime he stand suspended.

He has been so notified. He has appeared and has acknowledged and given explanation of his several marital relationships. Your Committee does not consider that the facts justify mitigation of the proposed penalty.

Your Committee, therefore, recommends that Bro. Frederick James Esson be expelled.

4. CONNAUGHT LODGE, No. 511 and BRO. DOUGLAS P. TAYLOR.

This case is reported in the Proceedings of 1966 at p. 184.

The Grand Master, on finding that Bro. Taylor had pleaded Guilty on Magistrate's Court to a serious offence under the Criminal Code, suspended him pursuant to the prerogative conferred by Sec. 53 of our Constitution. Grand Lodge, proceeding on the recommendation of this Committee and the Board of General Purposes, accepted the plea of guilt in the Magistrate's Court as obviating the need for further investigation and confirmed the suspension by the Grand Master.

Grand Lodge, accordingly, directed that Bro. Douglas P. Taylor be notified to attend at this Annual Communication to show cause why he should not be expelled.

He has been duly notified. He has not appeared.

Your Committee, therefore, recommends that Bro. Douglas P. Taylor be expelled.

5. PORT ARTHUR LODGE, No. 499, versus BRO. WM. PAYNTER.

This case is referred to in the Proceedings of 1965 at p. 217 and again in the Proceedings of 1966 at p. 182.

No further representations have been made to this Committee since the Annual Communication of 1965 when it was suggested that the age and mental condition of the accused had not received due consideration at his trial and that he had not had the benefit of Counsel or of other personal advice. No contact has been made with Bro. Paynter by Port Arthur Lodge as far as your Committee can ascertain.

In view of the doubts which have been expressed but not confirmed, and since the Lodge, in the first instance, did not recommend expulsion, your Committee proposes that no further action be taken by Grand Lodge, and that the indefinite suspension ordered by the Lodge continue.

6. JERUSALEM LODGE, No. 31, versus BRO. JACK LEROY REID.

On February 15, 1966, Bro. Jack L. Reid was convicted of unlawfully converting to his own use and thereby stealing a large sum of money from the Town of Bowmanville, and was, on appeal, sentenced to a term in prison. He was charged in Jerusalem Lodge with unmasonic conduct under Rule 1(p.) and, after trial by the Lodge, was found guilty. On dealing with the punishment to be imposed the Lodge was equally divided for and against the penalty of indefinite suspension and adjourned without imposing any penalty. The matter was then reported to Grand Lodge and referred to this Committee. It further appears that, after his arrest but before his conviction, Bro. Reid asked for and was given a demit from Jerusalem Lodge.

It is obvious to your Committee that Bro. Reid has been convicted of a serious public crime to which he had pleaded guilty and likewise he has been quite properly found guilty of a flagrant Masonic offence. The failure of the Lodge to agree on a penalty is difficult to understand, but action should be taken to decree appropriate punishment both in the interest of Jerusalem Lodge and the whole Craft.

Your Committee, therefore, recommends that Bro. Jack Leroy Reid be forthwith suspended indefinitely by Grand Lodge and that he be notified to attend at the next Annual Communication of this Grand Lodge to show cause why he should not be expelled. Your Committee also recommends that the Demit improperly issued to Bro. Reid be revoked.

7. RE BETHEL LODGE, No. 699.

It has recently come to the attention of the M.W. the Grand Secretary that one of the Past Masters of Bethel Lodge was reported to have been charged in 1965 with fraud, had pleaded guilty, and had been placed on probation for two years.

Members of the Lodge seem reluctant to lay a charge of unasonic conduct since the Brother did not receive a prison sentence and has now removed from the jurisdiction.

Your Committee is of the opinion that crimes of such serious nature should not be condoned, either by the Lodge or by the Craft at large, and recommends that the Grand Master consider giving positive direction to Bethel Lodge, or to a Lodge having jurisdiction in accordance with Sec. 54 of the Constitution.

8. PORT ARTHUR LODGE, No. 499, versus BRO. SAM MILLAR.

A charge was laid in Port Arthur Lodge against Bro. Sam Millar of "Conduct unbecoming a Mason." The charge was not related to a Masonic offence as listed in the Rules except by inference and innuendo. What purported to be a trial took place in the Lodge on February 20, 1967, and much vague and hearsay evidence was adduced. On vote of the Lodge Bro. Millar was found guilty of unasonic conduct and subsequent ballots called for indefinite suspension and a recommendation of expulsion.

Your Committee has reviewed the material which is quite voluminous but not sufficiently enlightening and feels that it does not justify conclusive action as imposed and advocated by the Lodge. We recommend that the proceedings be annulled.

However, it appears that further proceedings on behalf of Grand Lodge may be warranted and we recommend that the Grand Master appoint a commission for that purpose. It is suggested further that a new charge be formulated bringing the case clearly within the Rules and that the tribunal insist on having direct evidence of the offence or offences charged.

9. UNION LODGE, No. 7, versus W. BRO. REGINALD CLOUGHLEY.

W. Bro. Reg. Cloughley was charged in Union Lodge, No. 7, with having committed a crime or misdemeanor involving moral turpitude in that he was unlawfully in possession of stolen goods. He had been convicted in June, 1962, and was sentenced to a minimal term in jail and fined \$250.00, with the alternative of a further longer term in jail.

After a long interval, and with more than the usual irregularities, a charge was laid in Union Lodge and on notice to, but in the absence of the accused, a hearing took place in the Lodge. The accused wrote a letter asking for leniency but impliedly admitting his guilt of the offence charged. The Lodge voted for a conviction and for indefinite suspension but a motion to recommend expulsion was defeated.

Your Committee has reviewed the file and recommends that, notwithstanding formal irregularities, the finding of guilt be

confirmed and sentence of indefinite suspension be approved. Further action will accordingly remain in the discretion of Union Lodge.

10. ALPHA LODGE, No. 384, versus BRO. ROBERT J. WRIGHT.

A charge was laid in Alpha Lodge in October, 1964, against Bro. Robert J. Wright, a member of that Lodge. The charge alleged that Bro. Wright had, in the early months of 1960, unlawfully conspired with others to obtain from a Constable of the Ontario Provincial Police, information which it was his duty not to divulge. He was also charged with attempting to corrupt a police officer contrary to the Criminal Code. These were treated as offences under Grand Lodge Rule Sec. 1(p).

The delay in laying the charge in Alpha Lodge was attributed to the necessity of awaiting disposition of appeals and new trials before final disposition of these and related cases.

The charge was dealt with by a trial in Alpha Lodge in March, 1967, consequent on the report of an investigating committee appointed by the Worshipful Master. Bro. Wright was present at the Lodge and admitted his conviction in the Court but pleaded not guilty to the charge of unmaasonic conduct.

The Lodge found the accused brother guilty and ordered him to be suspended indefinitely.

Following previous practice in this Grand Lodge where guilt has been found after trial in a Court of Record, your Committee concurs in the finding of the Lodge that the accused is guilty of a Masonic offence. It is significant however that the Lodge voted by ballot not to request that Bro. Wright be expelled by Grand Lodge.

Your Committee, therefore, recommends that the sentence of indefinite suspension by the Lodge be confirmed.

Respectfully and fraternally submitted,

M. CLEEVE HOOPER,
Chairman.

REPORT OF COMMITTEE ON AUDIT AND FINANCE

This report was presented by R.W. Bro. R. C. Berkinshaw, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Berkinshaw, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Committee has carefully reviewed the reports of the Grand Secretary, the Grand Treasurer and the Auditor's report attached thereto, as referred to it by this Annual Communication. We find that the same fully and accurately record all details relative and pertaining to—

(a) the financial position of this Grand Lodge, as of April 30, 1967, and the results of its operations on a cash basis for the twelve-month period ended on that date;

(b) Receipts and Disbursements in respect to the General Fund, the Memorial and Semi-Centennial Funds;

(c) transactions and changes in the Capital Accounts of Grand Lodge, which have occurred during the said period;

(d) the securities in which Grand Lodge assets were invested as of the above-mentioned date.

The following observations, conclusions and recommendations on certain subject matters covered by these reports and/or relative to its financial affairs are presented for the consideration of Grand Lodge:

1. The audited statements of Grand Lodge accounts show that the net balance of all resources now amounts to \$1,550,163.07. This net balance includes total investments at par value, cash on hand and in the bank, less an amount of \$10,000.00 due to The Masonic Foundation of Ontario, to which reference is made later in this report. These figures represent an increase in assets of \$29,058.96 over those of a year ago.

2. All securities in which Grand Lodge assets are presently invested come within the category of Trustee investments, with the exception of \$240,000 Series "A" and \$40,000 Series "B" 5% debentures of Masonic Holdings, payable on demand from and after June 1, 1968. These were acquired under specific authority of this Grand Lodge. (See 1956 Proceedings, pp. 184-6 and 1959 Proceedings, p. 208).

During the twelve-month period ended April 30, 1967 an additional \$20,000 of the Series "A" debentures was redeemed. The present holdings of these Series "A" and "B" debentures reflect an accumulated redemption of \$112,000 since 1959—the year of their original issue.

Your Committee suggests that the Board of General Purposes, as stewards of the financial affairs of Grand Lodge, should obtain from it, at this present Communication, a declaration of its policy in the matter of demanding or forcing payment of these debentures, which reach a payable on demand

basis June 1, 1968; and specifically, in order to avoid any possibility of rendering these securities past due, your Committee further suggests that the Board of General Purposes should request Grand Lodge to consider and if approved, to pass a resolution in terms substantially in accord with the draft form attached to this report as Appendix "A".

All securities of this Grand Lodge, with few exceptions, are fully registered and presently held in the custody of The Canada Permanent Trust Company, as verified by the said Trust Company's certificate.

3. Total receipts for Initiation Fees, Dues, Commutations, refunds, interest on investments, etc., amounted to \$218,079.69. Disbursements from the General Fund amounted to \$193,596.77, leaving an excess of receipts over disbursements of \$24,482.92. The record indicates a strict control of all expenditures to keep same within the budget, as approved by this Grand Lodge at its last Annual Communication.

4. Grants for benevolent purposes, less grants refunded, amounted to \$57,066.05, which is some \$2,066.00 higher than the estimate of \$55,000.00 submitted a year ago by the Committee on Benevolence.

These grants were paid out of the income of the Combined Memorial and Semi-Centennial Funds, as supplemented by transfers from the General Fund in the amount of \$28,000.00.

The number of cases of need or distress of Masons in this Jurisdiction and/or their dependents, shows no tendency to increase and the social benefits presently available from both Federal and Provincial Government sources continue to render financial assistance in most cases which would otherwise be a charge on this Grand Lodge, but the reduced purchasing power of the dollar due to the incidence of inflation has made it necessary for the Committee on Benevolence to increase grants in a number of instances.

Under these conditions, the Committee on Benevolence estimates that requirements for these benevolent grants for the current year will amount to \$60,000.00. This Committee, therefore, recommends that, to provide these funds, the Board of General Purposes authorize, in accordance with Section 119 of the Constitution as amended, appropriations from the General Fund up to the amount of \$35,000.00, which may be transferred in due course, as and when required, to the Combined Memorial and Semi-Centennial Funds, in order to supplement the interest and income therefrom, which is estimated at \$25,000.00 for the ensuing twelve months, thus making adequate provision for such benevolent grants as Grand Lodge may extend during the period May 1, 1967 to April 30, 1968.

5. This Committee is pleased to note the receipt of a bequest of \$4,849.87 from the estate of Bro. N. Searle and a donation of \$500.00 from Bro. W. J. Wallis. These gifts have been placed to the credit of the Capital Account of the aforesaid Memorial Fund.

6. As previously noted in this report, a balance of \$10,000.00, available for benevolent purposes only, is still retained in the General Fund and has not been transferred to The Masonic Foundation of Ontario, in accordance with the authorization and direction of this Grand Lodge, issued at its Annual Communication in 1963. The Grand Treasurer has been paying to The Foundation interest at the rate of $4\frac{1}{4}\%$ on these funds (average return on all Grand Lodge investments), but we recommend that the said balance be transferred to The Foundation at the earliest convenient date.

This Committee also suggests that the Directors of The Foundation continue their efforts to bring to the attention of the Constituent Bodies and the individual membership of this Jurisdiction, the excellent opportunity now available to them to participate through gifts, donations and/or bequests to The Foundation (all of which qualify for income tax, estate tax and Succession Duty deductions), in an activity designed, directed and dedicated to the task of broadening the scope of benevolence in this large Jurisdiction.

Your Committee recommends approval of the ten special donations made during the past year under the authority of the Grand Master and itemized in the audited statement.

7. Particulars of the insurance coverage presently in effect, as evidenced by policies in the possession of the Grand Secretary, have been reviewed by this Committee. All insurable Grand Lodge property, including the valuable contents of the Library located in the Masonic Temple, at 888 Yonge Street, Toronto, appears to be adequately covered against loss by fire and other hazards.

A continued favourable experience is noted in respect to the contingent liability coverage; also advice of a further reduction in the three-year premium for this policy, which will be due in November 1967.

Nevertheless, your Committee recommends that a survey and reappraisal be made at an early date by competent authority of all Grand Lodge insurance coverage in the light of escalating costs, lower purchasing power of the dollar and a consequent increase in replacement values.

In its review of all matters covered by this report, your Committee has received the fullest co-operation and assistance from the Grand Secretary, the Grand Treasurer and their respective assistants; also the Auditor, Bro. A. W. Parish, F.C.A., of Hamilton, Ontario, and now formally recommends to this Grand Lodge the adoption, without amendment, of the reports submitted by the above-mentioned officers.

In accordance with Section 101 of the Constitution, your Committee now submits for consideration and approval, an estimate of Receipts and Disbursements in respect to the General Fund, for the year ending April 30, 1968:

APPENDIX "A"

Resolutions re \$240,000 Series "A" and \$40,000 Series "B",
5% Debentures of Masonic Holdings:

The Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario in Annual Communication assembled, having been advised that \$240,000 of \$350,000 Series "A" Debentures and \$40,000 Series "B" Debentures of Masonic Holdings, being the unredeemed balance of advances made by it to the said Corporation, which was created as a vehicle to erect, hold and operate a property including an edifice to house the offices of said Grand Lodge in Hamilton, Ontario, will become payable on demand on the part of said Grand Lodge on the 1st day of June, 1968; and further, having been requested for a declaration of policy in respect thereto by its Board of General Purposes:

"BE IT AND IT IS HEREBY RESOLVED that the Grand Lodge, A.F. & A.M. of Canada in the Province of Ontario in Annual Communication assembled now expresses the will of the said Grand Lodge in the matter as being that the interests of this said Grand Lodge at large would not be best served by making demand for payment of said debentures and that until the 1st day of June, 1978, the payment and retirement of said debt of Masonic Holdings to this said Grand Lodge be maintained on a voluntary basis as has heretofore prevailed, according to the funds available to said Masonic Holdings from time to time and the financial needs of this said Grand Lodge rather than on a basis of optimum business advantage."

On motion of the Deputy Grand Master, seconded by R.W. Bro. R. C. Berkinshaw, the Resolution was adopted unanimously.

RE APPOINTMENT OF ASSISTANT TO THE GRAND TREASURER

R.W. Bro. R. C. Berkinshaw, Chairman of the Committee on Audit and Finance, presented the following Resolution to Grand Lodge after first explaining that our Grand Treasurer, M.W. Bro. Joseph A. Hearn, was seriously ill and had been and was still unable to sign cheques, etc.

Whereas, under Section 30 of the Book of Constitution, the Grand Master has authority to appoint a qualified brother to fill the position of any officer who may, for any reason, become incapable of performing the duties of his office; and

Whereas, under Section 62 (d), the Grand Master has authority to fill by appointment vacancies in all elective offices until the next Annual Meeting of Grand Lodge,

BE IT RESOLVED that this Grand Lodge does hereby record its approval of the appointment by the Grand Master, in March 1967, of R.W. Bro. M. Cleeve Hooper, as Assistant to the Grand Treasurer and confirm his appointment to the said office with authority to discharge fully all the powers of the Grand Treasurer during the latter's absence or incapacity.

On motion of the Deputy Grand Master, seconded by R.W. Bro. R. C. Berkinshaw, the Resolution was adopted unanimously.

REPORT OF THE COMMITTEE ON PRINTING AND SUPPLIES

This report was presented by R.W. Bro. J. B. Sainsbury, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Sainsbury, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge A.F. & A.M. of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your Committee on Printing and Supplies, composed of R. Wor. Bros. A. M. Beckstead, Wesley Botham, C. F. Godwin, G. R. Lee, F. L. Collard, G. K. Purdy and the Chairman, begs leave to submit the report on expenditures referred to the attention of the Committee for the year ended April 30th, 1967, as follows:

Constitutions for resale	\$ 3,600.00
Booklets for resale	1,592.00
Past Masters' Certificates	879.95
Installation Ceremonies for resale	325.23
Proceedings and postage	5,049.92
Grand Lodge Bulletins (2 issues and postage)	3,133.99
Printed forms, circulars, records, office stationery and supplies	3,231.92

Syllabus for Masonic Education (one issue)	78.81
Special booklets published by Masonic Education Com- mittee and postage	438.00
Fraternal Reviews (2,900)	1,628.37
Preliminary Reports (3,500)	1,429.68
	<hr/>
	\$21,387.87

At first glance the increase in costs of \$2,112 in the twelve months under review compared with the eleven-month fiscal period ended April 30th, 1966, does not appear to be out of line but there are several items on which comment is justified. Purchases of Past Masters' Certificates, Installation Ceremonies and booklets of various kinds added \$3,235 to the expenditures listed. In addition increases are noted in nearly all of the other items due in part to higher printing costs. Two of these increases appear to require special comment. Printed forms, office supplies, etc., are up \$1,450 over the previous year but it was found that several items included in the total might be considered of a non-recurring nature. Cost of Fraternal Reviews is up nearly \$500 for the same number of copies. Apart from the increased cost of printing it should be noted that the Committee which prepares these Reviews has enlarged the content of their report for which those responsible are to be commended. It is hoped that the Brethren appreciate and make good use of the excellent material provided and so justify the added expenditure borne by Grand Lodge.

There are two substantial decreases which should be mentioned. In the previous fiscal period a five year supply of M. M. Certificates was purchased. Their cost of \$2,138 and a reduction of some \$1,400 for Grand Lodge Bulletins have offset the other expenditures in part and result in the moderate overall increase previously quoted. The latter reduction is not a true saving however as the account for the third issue distributed to the constituent Lodges in the spring was not received until after the close of the fiscal period under review and its cost will appear in the next year's expenditures.

Once again our thanks are due to the various Committee Chairmen for their prompt submission of the required reports.

This Committee acknowledges with deep appreciation the ready assistance given at all times by the Grand Secretary and his staff.

Respectfully and fraternally submitted.

JOHN B. SAINSBURY,
Chairman.

DISPOSAL OF NOTICE OF MOTION

In accordance with notice duly given, M.W. Bro. W. L. Wright moved, seconded by M.W. Bro. J. A. Irvine, that the Constitution of Grand Lodge be amended as follows:

1. THAT Section 13 be amended by deleting therefrom, in line 4—"the Grand Chaplain."
2. THAT Section 25 be amended by deleting therefrom, in line 2—"Grand Chaplain."
3. THAT Section 26 be amended by deleting therefrom, in line 2—"Grand Chaplain."
4. THAT Section 27 be amended by deleting therefrom, in line 3—"Grand Chaplain."
5. THAT Section 86 be amended by adding at the beginning of line 1—"Grand Chaplain."
6. THAT Section 262, regarding the Masonic Clothing and insignia worn by the Craft, be amended wherever necessary to conform with the previous amendments regarding the appointment of Grand Chaplain.

These amendments, if adopted, are to become effective in 1968.

The amendments were adopted unanimously.

GRAND CHAPLAIN'S REPORT

This report was presented by R.W. Bro. E. E. Baskier, Grand Chaplain, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Baskier, it was received and adopted.

To the Most Worshipful the Grand Master, Officers and Brethren of the Grand Lodge of Canada, in the Province of Ontario.

Most Worshipful Sir and Brethren:

Last July you entrusted the office of Grand Chaplain to my care. It was not until the fall work began that I realized what a tremendous responsibility I had assumed. The office demanded preparation, sacrifice, energy and dignity. I have done my utmost to give a full measure of devotion to each of them. May the

Great Architect, and you, forgive me if in any way I faltered or failed in my duty. Please accept my deep and lasting gratitude for the great privilege and honor you bestowed upon me. I only trust that I have given as much to the office as the office has given to me.

The impressions of the year are rich and varied. Sometimes one hears the remark, "we need the 'bon ami' spirit that is found in service clubs." In about forty functions in the past twelve months, I have found a friendship unequalled anywhere. The conviviality of good men is a thing of beauty and a joy forever. Masonry has its share of those good men.

Sources of gaiety have been the excellent repertoire of good stories told by the Most Worshipful the Grand Master in his tremendous addresses. Another delightful source has been the grave concern the Grand Master and the Grand Secretary have for each other's spiritual welfare since they are in different churches. An exhilarating sense of good humour prevails when each tries to defend his way of getting to the Celestial City.

In the wonderful letters received from all of the District Deputy Grand Masters and their Chaplains, one is made aware of a Great Concern in the heart of each one of them . . . "Is Masonry rising to the challenge of this technical revolutionary world?" . . . "Are we the Company of the Concerned in fields of brotherhood, poverty, illiteracy, hunger and disease?" . . . "Are we doing all we might to get the truths of the Bible out into society?" Joseph Fort Newton, in his great book, "The Builders," says, "Upon the Altar of Masonry lies the open Bible, which, despite the changes and advances of the ages, remains the Greatest Modern Book . . . the Moral Manual of Civilization." . . . If we by neglect let evil men destroy this "Manual," it is like allowing them to destroy all the road maps of the world. My opinion, formulated by my many contacts with Grand Lodge officers and brethren in many areas of the province, is that Masonry is alive to the needs of the hour. But dedicated men of vision can make our influence felt to a much greater degree.

The last twelve months have passed so quickly. But there was time for such functions as; Receptions for the Most Worshipful the Grand Master; Dedication of new Temples; consecration of new Lodges; District Divine Services; District Lodges of Instruction; special nights to honor distinguished brethren; and several Ladies' Night Banquets which I had the pleasure of addressing. These Masonic gatherings provided a fellowship and joy I shall remember all my days.

I have received requests from the brethren across the area travelled. Here are two of them.

1. Could we not have a revision of the Masonic Memorial (funeral) Service?

2. Could we not have Grand Lodge officers spend more time in the Districts to give us instruction, education, and answer our many questions on proper procedure?

Now, may I close with a word of sincere appreciation to the Most Worshipful the Grand Master and the Grand Secretary for their friendship, kindness and many courtesies; to the Grand Lodge officers for the privilege of sharing the rich fellowship of Grand Lodge duties with them; to the scores of brethren across the province who gave me a royal welcome at every gathering and made me feel so welcome and at home. I shall always cherish the memories of this most wonderful year, and be grateful to you for making it possible.

May I commend you and our beloved fraternity to the gracious care of God.

Most sincerely and fraternally yours,

ERNEST E. BASKIER,
Grand Chaplain.

REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

FOREWORD

To the Most Worshipful The Grand Master, Officers and Members of the Grand Lodge A.F. and A.M., of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I take pleasure in presenting the Report of the Committee on Fraternal Correspondence, I say "present" because it is not my purpose to read the Report. I merely draw it to your attention and urge that you read it for yourselves. It is an analysis of the important and interesting events which have taken place in those Grand Lodges of other Jurisdictions with which our Grand Lodge is on friendly fraternal relations. The information is gleaned from the published Proceedings of such Grand Lodges. The task of reading such Proceedings and of soliciting and summarizing significant information is a rather lengthy and arduous one. We are greatly indebted to R.W. Bro. J. J. Talman of London for undertaking it for us. His analysis is printed in the Fraternal Reviews which are now or will presently be available to you. Your Committee recommends that you read the entire Report as it will give you an enlarged vision of the important happenings in World Wide Masonry.

It is apparent that there is a falling off in membership in nearly all the Grand Jurisdictions. Out of approximately 60 Grand Lodges which reported membership records 50 reported losses while only 10 reported gains.

The impropriety of the use of the name or emblem of Masonry by Masons for the purpose of advertising their business is emphasized in more than one report—see Arizona and South Australia.

Noticeable, too, are the large number of Grand Lodges which, like our own, are finding Bursaries for needy and worthy students a rewarding exercise of Masonic Benevolence.

There is an interesting item about extraordinary relief granted because of disastrous flood conditions. Read Colorado.

Do you agree with the joint activities and co-operation of Masons and Knights of Columbus? There is a record of such in the Report of Connecticut.

Note what happened to a Lodge in Florida that was conducting lotteries.

There is a splendid paragraph about Masonic Membership in the Maine report.

The problem of Integration and Race relationship gave rise to an unfortunate incident in the Grand Lodge of Mississippi—Read it.

Do you approve of a distinguished and outstanding citizen being made a Mason “at sight.” It happened in Nova Scotia where the Grand Master conferred the three degrees on the Lieutenant-Governor of that Province.

The laying of cornerstones seems to be a lost art in our Jurisdiction. Not so in some others—Read Nebraska.

As I emphasized in presenting the Report of this Committee last year—be sure and read the record of the Mother Grand Lodge—England. Among other things you will be greatly intrigued to read there about the Independent Order of Mechanics.

Now Brethren, this presentation is only intended to stimulate interest in the Report as a whole—I hope it has accomplished that purpose.

Respectfully and fraternally submitted,

R. W. TRELEAVEN,
Chairman.

The Communication was held in the ballroom of the Jefferson Davis Hotel, Montgomery. The Committee on Credentials certified that 975 delegates from 375 of the 435 subordinate lodges, not including one lodge under dispensation, were present. Fifteen Past Grand Masters attended.

The Grand Master issued an official warrant for the organization of The Alabama Masonic Historical Society, a body formed to enable those "primarily and definitely interested in Grand Lodge history in whole and/or in part to band themselves together for historical inclination, to aid and assist each other in ferreting out, establishing, authenticating, proving and publishing historical items, all to the end that the lessons, examples, intrigue and romance of its history may be preserved for the Grand Lodge F & AM of Alabama."

The Grand Secretary, as ex officio Curator and Archivist, also established a Grand Lodge Museum. Many objects hitherto wrapped and hidden have been put on display. As time permits more will be done. The Grand Jurisdiction clearly had an historically oriented year.

The year saw the first "Masonic Spring Workshop" held at the Banff School of Fine Arts. Over four hundred attended. Bro. the Reverend J. Gordon Jones, of Toronto, who was initiated in Calgary, was the theme speaker with the subject "The Mason in

the Community." The number of younger Masons who attended was outstanding. Plans are now under way for an improved version next year. The Workshop is not a charge financially on Grand Lodge. It pays for itself. Nor is the committee in charge a committee of Grand Lodge, although the Grand Master does appoint the chairman.

The Grand Jurisdiction lost two Past Grand Masters, M.W. Bro. C. C. Hartman (1937-38) and M.W. Bro. Samuel Harris (1940-41). M.W. Bro. Harris attended the Grand Communication of Alberta for forty-nine consecutive years. Illness prevented him from attending his fiftieth. The birthplace on the roll of the deceased R. and V.W. Brethren tells us something of how modern Alberta developed in her early years. Ten of the brethren were born in England, eight in Ontario and only two in Alberta. Two were born in Ireland and Manitoba. All others, singly, represented a province or country. The early stalwarts, however, are disappearing and no doubt in a few years the Alberta born will predominate.

M.W. Bro. W. Ireland (1944-45) expanded on the very fine report of the Board of Benevolence by drawing attention to the need of many widows of Masons. "Lodges should take particular pains to keep in touch with widows and where there is need to see that assistance is given." The Grand Lodge has a good fund and is only too willing to help in cases of need. He added that it behooves Masters and Wardens to keep in touch with widows and children of deceased members, not necessarily in a financial way, but to see if they need advice or even the knowledge that they are not forgotten.

The Higher Education Bursary Committee, which has been frequently mentioned in these Reviews, again "experienced a most gratifying year." The work is rewarding but the Committee regrets that of over 200 deserving applications they could assist only thirty-two.

In an effort to enlarge the voice of the Board of General Purposes in formulating the policies of Grand Lodge a meeting of the Board was held in January. The attendance and discussion were excellent. The members decided to meet again before the Grand Communication. A committee is now at work to see how the Board can be made more active and useful to the Grand Lodge.

Everything reported on in the Proceedings bears out the conclusion of the Grand Master:

"I have been very conscious this year of a new and vital spirit moving throughout Freemasonry in this Jurisdiction. The brethren are increasingly anxious to discuss the philosophy and principles of the Order. District and Area meetings have been

marked by an eagerness to talk about the meaning of the Craft and what it can do in this modern world of ours. In many cases only the limitation of time has caused the conclusion of the discussions. The subjects that have been talked about are not the usual intricacies of ritual and procedure but they have been related to the individual responsibilities of the members as Masons and citizens. It has been a great source of satisfaction to observe that prominent in such discussions are the younger members of the Craft. The reason for this new spirit, I believe, is the effective work that the Committee on Masonic Education, . . . We must now consolidate the advances that we have made and I am certain that the leadership of the Grand Master-elect will make a great contribution in this regard.

"It is not likely that we can claim with validity that Freemasonry can save the world from the threat of destruction and discord but it is possible to assert that Masons, as individuals, can make their attitudes known and their leadership felt in the councils of the nation and the world. There can be no doubt that the principles of brotherly love, relief and truth are fundamental to the solution of the world's problems. Let us never fail to demonstrate our own faith as Masons and may the new spirit of vitality increase."

The building of new lodge premises, noteworthy in this Jurisdiction during recent years, continued. Three new lodge buildings were dedicated. A happy body were the members of Hassayampa Lodge, No. 37, when their new Temple was dedicated at a Special Communication. The Lodge received its charter in 1929 but the depression and war prevented them from having their own building. Indeed, in thirty-one years from that date, only two new lodges received charters in the Jurisdiction. Four of the charter members remained in the roster of the lodge. From time to time this reviewer has commented and speculated on various lodge names he has come on. The name Hassayampa must be added to the list. No explanation was given in the addresses at the dedication.

The Grand Master took the long view when he recommended that five cents per member be set aside each year in a special fund

for the Centennial Anniversary Communication. With sixteen years to go, the present membership, and interest to be expected, a useful sum should be available in 1982.

The Grand Master was forced to draw the attention of an advertiser in a trade magazine that Masonic emblems must not be used. He wrote:

"Use of the name or emblem of Masonry by Masons individually or by association, for the purpose of advertising their business, violates the true spirit and laws of Masonry, and it constitutes a fraud on the public by misrepresenting that the enterprise is conducted under the auspices or control of the fraternity."

Concerning the incident, the Grand Master concluded:

"I was informed by return mail that the practice would be discontinued. Our Constitution does not refer to commercialism, although it is an unwritten law and adopted by many Grand Jurisdictions as a written law. I recommend that we adopt this quotation as a regulation of our Grand Lodge."

Since we have not reviewed the Proceedings of this Grand Lodge since 1964 we welcome the addition to this year's list. The Grand Master, early in his address, commented on the condition of the Ritual in his Jurisdiction. He said, and rightly, "All of us know that in Masonry Ritual is basic and that without good Ritual a lodge will make very little progress." Nevertheless, the reports he received from the District Deputy Grand Masters "indicated that many lodges could not open or close or confer the Degrees in an acceptable manner." The problem appeared to be getting more acute. Apparently, eighty per cent of the lodges were found to be deficient to some degree. To remedy the matter, the Grand Master appointed a District Custodian for each of the thirty-eight districts. This officer was required to visit each lodge in his district for the purpose of grading the Ritual.

Assistance was given as required. No fewer than sixty-nine Schools of Instruction were set up. The Grand Master believed that the efforts were already bearing fruit.

There are two lodges under dispensation in the Jurisdiction, one is Elm, UD, which meets at Marked Tree.

The Grand Lodge Lounge Room was converted, during the year, into a library and museum.

The Board of Charities disbursed over \$2,600. In all cases the funds made a real contribution. As the report stated, "While the amount of assistance in a particular case may be rather small in amount, it comes at a time when there is no other assistance available and at a time when sorely needed." In addition, five students were assisted. However, a Past Grand Master, M.W. Bro. F. A. Smith, made a strong plea for a great expansion in the work of the Board. His resolution covering this proposal and recommendations regarding the future housing of the Grand Lodge and other matters was adopted. The Grand Lodge does appear to be looking forward.

BRITISH COLUMBIA — 1966

95th Annual Communication — June 23-24.

Grand Master, 1964-65 — M.W. Bro. J. H. McKergow

Grand Master, 1965-67 — M.W. Bro. J. H. Nordan

Lodges, 167.

Membership, 26,828.

Loss, 121.

The Grand Lodge suffered two severe losses. The Deputy Grand Master, R.W. Bro. E. J. Leveque, "a fine gentleman and a sincere Freemason," who had contributed much to the Craft and was looking forward to making a greater contribution of his time and talents, died suddenly before the Annual Communication. His office was filled temporarily by M.W. Bro. J. H. McKergow, Immediate Past Grand Master. Between the date of the Communication and the printing of the Proceedings he too died. M.W. Bro. J. H. Nordan was re-elected Grand Master to serve a second year. The last time a Grand Master served for two years was in 1888.

The Committee on Masonic Bursary Fund distributed \$7,500 among thirty-three students, selected from ninety-six applicants. "Every effort was made to assist those students who appeared to have the greatest need, and where there was evidence

of the applicant's ability to complete successfully the academic programme he proposed to undertake."

The Veterans Fund Committee proposed that the money in the Veterans Fund Account, amounting to something over \$57,000, subject to the approval of the Finance Committee, be transferred to the capital account of the Bursary Fund. The Veterans Fund was established to provide financial assistance to veterans of the two world wars. The Fund proved its worth and many brethren were assisted. As the years advanced, however, applications declined. No case has come up for four years. From now on any cases can be dealt with by the Board of Benevolence. The income for the year was transferred to the Bursary Fund pending the approval of the Finance Committee for the transfer of the capital.

The Committee on Fraternal Relations recommended the recognition of the Grand Lodge of Belgium and the York Grand Lodge of Mexico. Exchange of representatives has been arranged with the Grand East of the Netherlands. The report was received and adopted.

The Grand Historian reported on the career of W. Bro. C. I. Harris who celebrated the 75th anniversary of his initiation. Although ninety-eight years old he regularly attends his mother lodge and Grand Lodge. He travelled to British Columbia from Cape Breton, N.S., around Cape Horn, in 1888, as mate on a schooner. He remained in British Columbia, serving as captain on several vessels.

The Board of Benevolence reported that demands for assistance are increasing, thus reversing a trend which has prevailed for several years.

The Proceedings end with Reviews of sixty-two Proceedings of other Grand Lodges. These are comprehensive and informative. The gracious remarks concerning the Reviews in our own Proceedings are gratefully acknowledged.

COLORADO — 1966

105th Annual Communication — January 25-26.

A disaster in the state enabled the Masons of Colorado to show the heights the Fraternity can reach when called on. The

story was well told by the Grand Master in the opening paragraphs of his address.

"As you all know on June 16, 1965 a devastating flood struck the Platte River Valley and at the same time another flood hit the Arkansas Valley. Since it was impossible to provide the necessary relief from our Benevolent Funds (mainly due to the nature of the relief needed) an appeal was made to the Brethren of this Jurisdiction for donations to assist our members who were seriously damaged financially by the flood. It is impossible for me to describe the havoc wrought by those flood waters; also it is beyond my power to express the gratitude and the admiration shown our fraternity by our brethren, their widows and orphans who were benefitted so much by the generosity of the fine Masons of our Jurisdiction. The response to our appeal was so complete that we were able to assist every Mason and every widow or child of a Mason we found to be in need and worthy of help. Thus, my brethren, the stature of Masonry became greater and more distinct by your great generosity.

"Statistically we received over \$53,500 in voluntary contributions of which nearly 95 percent has been spent for its intended purpose."

As though that were not enough the Grand Lodge contributed \$1,000 to the Hurricane Relief Fund of Louisiana.

The Grand Master placed the need for a Grand Lodge Building as the most important matter after flood relief. The Grand Lodge has been occupying its present quarters for seventy-five years.

The Grand Master recommended the establishment of a scholarship fund of not less than \$20,000 per year. He made no recommendations as to the conditions to be imposed or the size of each scholarship.

CONNECTICUT — 1966

Shortly after being installed, the Grand Master was invited to attend the state convention of the Knights of Columbus. He

was given an opportunity to address the delegates and received an enthusiastic welcome. Since then many lodges and councils of the K. of C. have combined their efforts on behalf of worth-while causes. As a result of these meetings, it was decided to hold a joint meeting of the Master of each lodge, the Grand Knight of each council and the Presidents of the chapters of B'NAI BRITH in the assembly room of the state capital on a Sunday afternoon.

The Masonic Culture and Public Relations Committee worked hard. The members sponsored and planned for the Senior Wardens', Junior Wardens' and appointive lodge officers' meetings, thus doing much to train the future leaders of constituent lodges. A rebirth of enthusiasm and increased lodge attendance have resulted.

In addition to speaking at district meetings, the Grand Lodge Officers were assigned several lodges to visit during the year. The Grand Master commented "This (assigning of duties) with other invitations and speaking engagements is doing much to humanize the Grand Lodge line and to carry our Masonic programming to the four corners of the State."

King Hiram Lodge, No. 12, in Derby, purchased and renovated a church building as a Temple. "After the dedication the members of the local Knights of Columbus entered the lodge room and presented King Hiram Lodge with a beautiful American flag in the token of brotherhood."

The Grand Master told of other developments in his Jurisdiction.

"The Temple in Bridgeport fell to the wrecker's hammer in a re-development program and the four Lodges, and other appendant bodies, purchased and renovated the Beverly Theatre building in the Black Rock section of Bridgeport and now have a Temple that is almost beyond description.

"For the first time in many years the Grand Lodge of Connecticut was called upon to lay the corner stone of a Church, the Grace Episcopal Church in Trumbull, Connecticut. A capacity crowd attended this beautiful ceremony and the worship service that preceded it."

The Grand Master also pointed out that changing sociological conditions are reducing the number of times that a lodge is called on for direct Masonic relief. In a good many cases funds originally set up for a charitable purpose are lying dormant. He recommended that lodges be permitted to use a percentage of their invested funds for worth-while community charities or educational assistance providing, of course, that if the funds had been bequeathed, the will of the deceased member permits such action.

Though the Jurisdiction is not large the Grand Lodge maintains a well-managed Masonic Home. This year 4,003 members contributed \$25,000, the largest number to participate and the greatest amount yet given. There were thirty-eight residents.

The Grand Jurisdiction has had a scholarship plan since 1921. Since that year awards totalling \$64,000 have been made to 130 individuals, Masons or the children or grandchildren of Masons. At first the grants were \$125 but as costs have gone up the amounts have been increased. For some time the programme was operated as a revolving loan fund but repayment has always been a problem. The awards have been financed by assessment of the lodges, at first ten cents per capita and now twenty-five cents. The future of the plan is not clear in view of the greatly increased costs of education and the availability of other sources of aid. The Committee in charge reported that only fourteen of the Grand Lodges in the United States have scholarship plans.

The "Foreign Correspondent," M.W. Bro. W. S. Allmond, wrote his eighteenth synopsis of "things Masonic" as he described his Reviews. He writes with authority as the senior Past Master of his lodge (1921) and the senior Past Grand Master of Delaware (1932). As some reviewers do, he drew together comments from various Proceedings under different topics. When he came to Canada, he dealt with each Jurisdiction. He concluded, "We find the line between our American Masonry and our Canadian Brethren across the Border is only an imaginary one."

ENGLAND — 1966

Quarterly Communications — March 9, June 8,

September 14, December 14

Annual Investiture — April 27

Grand Master—M.W. Bro. The Rt. Hon. the Earl of Scarbrough
Grand Secretary — R.W. Bro. James W. Stubbs, P.G.W.

The Grand Master is nominated annually by resolution. The mover this year was a Past Master of an English lodge. In the

course of introducing his motion he pointed out that this very same motion had been put for the last fifteen years. During this period the Grand Master granted warrants to over 1,000 new lodges, bringing the total up to 7,242. That was the figure in March. By December, another 54 had been added. The second came from Hereford, the "smallest province in England." Although there are only twelve lodges, he said their virility "fully compensates for the diminutiveness" of their size.

The United Grand Lodge dealt with a problem not unknown in our Jurisdiction, especially in our districts which border on the United States. The Board of General Purposes reported as follows, on the Board of Installed Masters.

"The Board of General Purposes has had under consideration a report by the Grand Secretary on the subject of Installation Ceremonies performed in the private Lodges of Constitutions with which the United Grand Lodge of England is in amity: this report was compiled from answers to a questionnaire sent to all recognised Grand Lodges. It is clear from it that very wide variations of practice exist and that nothing comparable with what English Freemasons know as the "Inner Working" is to be found in the majority of such ceremonies.

"The Board feels that the fact of being installed as Master of a regular Lodge should be the paramount consideration and should outweigh variations of method of installation, being encouraged in this belief by the recollection that the obligation of secrecy taken in the first degree covers equally all secrets subsequently communicated.

"It therefore suggests to the Grand Lodge that any member in good standing of a recognised Constitution (a full list of all such bodies being given in the current Masonic Year Book) who can satisfactorily prove that he is or has been Master of a Lodge should be permitted to attend the Inner Working of the Installation Ceremony. Where such proof is solely documentary it must include convincing evidence of identity, but lack of knowledge of such signs, tokens and words as are communicated in Boards of Installed Masters of English Lodges should not debar an Installed Master from remaining present at a Board of Installed Masters.

"The Board believes that this procedure will be beneficial to good relations with senior members of Constitutions with which the United Grand Lodge of England is in amity, and recommends its acceptance by the Grand Lodge."

Our Grand Secretary informs this reviewer that our policy has followed that proposed and adopted by the United Grand Lodge of England.

The Board of General Purposes drew attention to a body which might be encountered in our Jurisdiction some time. This is the Independent United Order of Mechanics. The order appears to have originated principally in the West Indies. The Board stated:

"In past years instances have occasionally come to notice when members of this Order, perhaps in ignorance or believing that it and Masonry were identical, have sought to attend our Lodge meetings. It now appears that this Order has settled in England on a wider and more permanent basis than heretofore. The Board accordingly feels it desirable that the Grand Lodge should pronounce formally that Rule 176 applies to the Order.

"In this connection the Board wishes to advise Lodges to beware of any who may introduce themselves with documents bearing Masonic characteristics and containing names of Lodges quoted as meeting in England or elsewhere but with an additional reference to the Order of Mechanics. All cases of this type should be referred to the Grand Secretary's office, and the bearer of them should not be permitted to attend a Lodge meeting until the matter has been resolved.

"Any person who is thus found to be a member of the Order, but claims to be anxious to become a regular Freemason, must have Rule 176 explained to him and must then be referred to the Grand Secretary or, in a Province or District, to the Provincial or District Grand Secretary for advice upon the course of action which he should pursue."

This reviewer does not possess a copy of the Book of Constitutions and, therefore, cannot tell what Rule 176 lays down, it evidently applies to those who are not permitted to enter our lodges.

The Board of General Purposes of the United Grand Lodge is a hard-working body. The Book of Constitutions requires them to meet eight times a year, at times different from the Quarterly Communications.

In April the Grand Master announced that "W. Bro. His Royal Highness the Duke of Kent has found it possible to accept the office of Senior Grand Warden." He concluded, "I am confident that Freemasons both within and without the English Constitution will be delighted to know that we have again a Royal Prince among our active Grand Officers."

Although our Grand Lodge is in communication with the Grand Lodges of Sweden and the Netherlands, we, for obvious reasons, cannot review their Proceedings. Reports of visits of the Grand Master to these two Jurisdictions enable us to learn something of Freemasonry in the two countries.

The Grand Master flew to Stockholm on April 13 for a two-day visit.

He told of his activities in a few brief paragraphs.

"That evening we attended a meeting of the First Northern Lodge where we witnessed a First Degree, a meeting of the St. Erik Lodge where we witnessed a Third Degree, and a meeting of the Northern Circle Lodge, where we saw the later part of the sixth Degree. This corresponds fairly closely with our own Royal Arch ceremony. After this we were entertained to dinner by the Stockholm Brethren, a very great number of whom had come together for these three meetings. In the course of the dinner I was able to make a presentation on behalf of the Grand Lodge of England to the Grand Lodge of a Chinese porcelain punch bowl of the Ch'ien Lung period, about 1790, decorated with Masonic emblems and symbols.

"Although all three Degrees which we had witnessed were considerably different from what one would have found in an English Lodge, our Swedish Brethren had been kind enough to produce an English version for us, and carried out the whole of all three ceremonies in our own English language. I feel sure, Brethren, that if any of you would give a moment's thought to the difficulty that you yourselves would experience in trying to rehearse any of our own ceremonies in any other language, you would appreciate to the full how much this must have meant in study and preparation. (Hear, hear!) It struck us as a very great courtesy to visiting Masons."

On the following morning the Grand Master had the great honour of being received by His Majesty King Gustav VI Adolf, whom he appointed to the rank of Past Grand Master and who accepted a Past Grand Master's Jewel.

The Grand Master continued:

"His Majesty showed the keenest and most informed interest in English Masonic affairs.

"From the Palace we proceeded to the Freemasons' Hall of Stockholm, a very beautiful eighteenth century building, where we were shown some of the Lodge Rooms which we had not seen during the ceremonies of the previous evening, together with the Grand Lodge Museum and Library . . .

"The Swedish system of Freemasonry is very different from our own, and it was explained to us that each Degree is taken as being the logical sequel of the previous one. The authorities there were particularly anxious that we should be given a practical example of this, and by kind permission of His Majesty we

were invited to be present at an Eighth Degree. This also had been translated into English, and I found it a most interesting and uplifting ceremony, conducted in magnificent surroundings."

The Grand Master's visit to Holland enables us to learn something of the benevolence of that Grand Lodge though nothing of the actual work.

"We were shown the Masonic Institute at Baarn, where boys and girls with Masonic connections, though not necessarily orphans live in four large country houses, going for their education to local schools. I found they all talked excellent English, and we all remarked on how forthcoming and friendly the boys and girls were.

"From Baarn we were taken to Bilthoven where there is a home for elderly Masons and their relatives. It is run more on the lines of those at present being established by the R.M.B.I. or the New Zealand Home at Mount Roskill, Auckland than what is already in occupation at Hove. The Dutch Masons are having to extend it again to meet growing needs, and I understand that they are contemplating a second home somewhere else—from which it appears that they as a Nation have much the same problems as we do. The Home, which was on the outskirts of the town in beautiful surroundings, seemed to be provided with every possible amenity, including a geriatric unit and a Lodge Room."

During the year the Grand Lodge microfilmed the Minutes and Registers of the Grand Lodge to preserve them for posterity. In addition, a photocopy of the Registers up to 1863 was made to safeguard these irreplaceable records from wear and tear.

In the 1966 Reviews reference was made to a problem of recognition of the Grand Lodge Alpina of Switzerland. The Board of General Purposes was happy to be able to report that the matter had been settled. The Grand Lodge Alpina had decided to break off relations with the irregular Grand Lodge of France. The Board, therefore, recommended the withdrawal of the visiting ban imposed in September 1965.

The Board, in September, reported on the position of Freemasonry in Italy.

"The Craft will be interested to know that, in response to a request from the M.W. The Grand Master, the Board is actively investigating the Masonic situation in Italy. The Board is, however, at present far from satisfied that there is any organization in that country exerting sole Masonic sovereignty, or that any one claiming such sovereignty has more justification than another for its claims.

"If and when this question of jurisdiction is settled to the satisfaction of the Board, it will be possible to proceed to the further question of regularity both of origin and of practice."

Since the last lodge active in Egypt had surrendered its charter and no lodges now remain in the country, the district hitherto known as Egypt and the Sudan was changed to the District Grand Lodge of the Sudan. The history of Freemasonry in Egypt covered nearly one hundred years.

FLORIDA — 1966

137th Annual Communication — April 26-28.

Grand Master, 1965-66 — M.W. Bro. C. A. Gleason

Grand Master, 1966-67 — M.W. Bro. W. M. Hollis

Lodges, 304.

Membership, 73,613.

Gain, 972.

Violations of Grand Lodge regulations are taken seriously in this Jurisdiction. The Grand Master "lifted" the charter of one lodge for conducting a lottery. When purchasers of tickets had their payments returned the charter was restored, after a lapse of almost three months.

Modern technical developments are finding their way into Grand Lodge offices. For example, many Grand Secretaries have been micro-filming their records for several years. However, the first report of the establishment of a "data processing system for an alphabetical membership and lodge annual return procedure" noticed by this reviewer appeared in these Proceedings. The Grand Master recommended that sufficient funds be provided in the budget to expand the programme. In addition the Grand Lodge set up a machine accounting system.

There are no fewer than eight lodges under dispensation. Two lodges were consolidated as one.

FRANCE — 1966

Annual General Plenary Assembly — December 3

Grand Master — M.W. Bro. E. Van Hecke

As has been said before, the Grande Loge Nationale Française, to give that body its official name, provides a report on its General Assembly in the January edition of "Orient de Neuilly."

The issue for this year tells us that the Grand Lodge will be installed in an entirely new building in 1967. The date set is June 9. The year consequently will clearly demonstrate, as the Grand Master wrote, "some exceptional results in the spreading of our influence." He explained that he used the word "influence" advisedly. "It does not purely refer to membership and recruitment. It means the restoration of Freemasonry amongst the great social institutions and in this manner, by knowledge of its true aims, the noise of the critics will be silenced and biased judgments and condemnations forgotten."

For the first time, the Grand Lodge welcomed the Grand Master of the Grand Orient of Holland. The Grand Master (of France) told something of Masonry in Holland.

"Not only has Holland, a country in European history of Ancient and Traditional connections with France, given to human culture so many eminent thinkers, but their Masonry has a justly deserved wide influence. They are among the elite of European Masonry. The wonderful library of the Grand Orient of Holland contains French works of the 18th century which, one day, we hope to be able to study."

The Grand Master referred to the departure of Canadian and American Masons from France with the withdrawal of the NATO forces. He concluded:

"Their spiritual link will remain and their Lodges can remain on our rolls, if they so desire. Once again I express to them, on behalf of all of you, our feelings of affection for them."

The Grand Secretary reported on the work of the "Sovereign Grand Committee" (evidently the Board of General Purposes) which met eight times. One of the proposals of the Committee was an amendment designed to "ensure the equality of the Rites practised within our Obedience."

The statistics for the year showed a membership total of 5,451.

The Grand Lodge laid cornerstones for eight new Temples. In addition, cornerstones for two non-Masonic buildings were laid, a school and a courthouse. In two years, no fewer than seventeen new Temples have been built.

The Grand Master reported his visitations in a list by days. The list, without some Sundays, looked like a complete calendar for the year. One entry stood out, "Thanksgiving Day with family." He travelled over 60,000 miles during the twelve months. The Grand Master is a physician. He expressed his thanks to the physicians of his county who took care of his patients. Incidentally, none of the other doctors are Masons.

In his address the Grand Master said that he could not in good conscience say that all is well regarding Masonry in Georgia. "The fellowship is fine at almost every level" but some lodges seem to have no concern whatever regarding ritualistic work. He also was concerned over the quality of some of the candidates accepted, and declared, "It is my definite opinion that our number of Charters should be reduced if this situation does not promptly change."

Among his recommendations the Grand Master included one "that each Subordinate Lodge . . . be required to adopt either the Ancient Work or the Uniform Work."

GERMANY — 1965

Nürnberg Convention — September 24-26.

Grand Master, M.W. Bro. Werner Romer
Grand Secretary, R.W. Bro. Friedrich Heller

This is our first Review of the Proceedings of the United Grand Lodges of Germany. Since the reports are largely taken up with the union of German Freemasonry, the usual comparative statistics are not available. The most important sections are given in translation but, even in the parts not translated, there do not seem to be tables usually found in other Proceedings. There is a list of 379 regular lodges however. The earliest is "Absalom zu den Drei Nesseln" No. 1, Hamburg, warranted in 1737. The record shows "Fifteen years in darkness," for the years 1932-46.

The Grand Master stated:

"Two years ago, when I took over my duties as Grand Master of the United Grand Lodges at the Convent of Bad Godesberg, I declared in the presence of the gathered brothers, that I considered it to be my very special commission to preserve and foster with all my strength the unification of German Freemasonry. In the meantime you entrusted me once more with the post of the Grand Master at the Convent of Berlin.

"Looking back at the evolution of Masonic togetherness in these past two years we are happy to find that many a tension could be eliminated and that all brothers as well as all bodies of the United Grand Lodges of Germany have the will, not only to preserve what has been achieved already, but also to deepen our unification and to foster still more intensively the process of growing together, not withstanding the variety of rituals and opinions. In this respect, Freemasonic youth is taking the lead. I would like to state I am most grateful to them for their many manifestations of good will as well as for their proposals to foster Freemasonic integration."

The Grand Master also told something of the problem of public relations. His remarks are not too clear to those who do not know the circumstances he describes but they do give us an impression of what is being done.

"In the discussion during the Convent in Berlin, we went thoroughly through the problem of public relations — through the press, radio and television. There are some who want more intensive publicity, and there are others who feel that too much has been done already. Looking back at it today we have the proof that the United Grand Lodges have followed the proper course in this respect, and that the conditional participation in the television program of the 'German Television' was most appropriate, a fact we can determine from the echo in the press. If this TV program did not receive the approval of all of us, then we should point out that it was not our own. But thanks to our participation it was still possible not to show publicly in television what we Freemasons do not like to spread out in front of uninitiated. Had we declined from the beginning, then things could have happened the way they did abroad, where viewers could witness ritual temple works mimed by actors."

The Grand Lodge maintains Masonic Museums in Bayreuth and Berlin. The former has organized a travelling exhibition.

The Report on External Relations states that:

"Altogether, the relationship between the United Grand Lodges of Germany and the regular Freemasonic obediences of the world are good. In many cases they have gone beyond formal arrangements in the form of mutual recognition and exchange of Great Representatives and have reached a point of fraternal bonds which, through correspondence, invitations, visits, and mutual aid have proven their value. The yen for realization of World-Brotherhood, which has been registered so often since 1949 and 1959, the years of the 'Paulskirche,' as well as those untiring efforts for order and strength within the Brotherhood of the world, the unswervingly consequence of this will, are both, together with the constant Freemasonic discourse with the brethren in far countries, as much a matter of common sense as of warm feelings."

GREECE — 1965-66

Annual Communications — January 31, 1965
and January 31, 1966.

Grand Master — M.W. Bro. A. Tzazopoulos

Membership, 4,201.

The "translated extracts" of the Proceedings tell that the Grand Lodge in 1964 "favourably considered the applications of two groups of Brethren" to form two new lodges. One group consisted of refugees from Egypt. Their lodge was named Osiris, No. 117, and meets in the District of Athens. The second is Hetairia Ton Filikon, No. 116, also meeting in the District of Athens. The name signifies Friendly Association and commemorates a movement of 150 years ago involved in the struggle for the liberation of Greece.

During 1964 there was some difficulty with the Church. A campaign was launched against Masonry in the claim that the fraternity is a religion and an idolatrous one at that. The Grand Lodge published an explanatory pamphlet which seems to have cleared the air.

After ten years of planning the Grand Lodge "having already secured the financial prerequisites" decided to demolish its old building and to erect a new one. By January 1966 the "excavation and foundation works" were completed, after some difficulties encountered with underground water.

IDAHO — 1966

99th Annual Communication — September 20-22.

Grand Master, 1966-67 — M.W. Bro. A. L. Dingler

Lodges, 85.

Membership, 14,258.

Loss, 195.

The Grand Master, early in his address, gave his view of the Ritual, a view with which most of his hearers must have concurred. He said:

"We do not need to rewrite our Ritual in the modern vernacular in order to bring back into our Lodge room those who might use the excuse for non-attendance that the language of our Ritual is archaic, dull and not in keeping with the modern tempo.

"What expert in languages would feel qualified to rewrite a Ritual that has gripped men's imagination and lifted their senses to a higher plane for over 250 years. I do not feel that rephrasing the language peculiar to the Masonic Fraternity would bring us more Candidates, entice the stay-at-homes back to Lodge or enhance the dignity of our institution."

The Grand Orator, M.W. Bro. J. P. Halliwell (G.M. 1964), did not give the usual type of oration but rather outlined the responsibilities and duties of all officers and members.

His points were too numerous to be repeated here. His remarks on the importance of the coaching of candidates would be valid in all jurisdictions.

ILLINOIS — 1966

127th Annual Communication — October 7-8.

In 1957 the Masonic districts in Illinois were increased in number to 115. Subsequently consolidations of lodges unbalanced many districts. Consequently, the Grand Master reallocated many lodges and changed the numbers proceeding from Chicago, southward. He also divided the Jurisdiction into five regions: Metropolitan, Northern, Western, Eastern, and Southern.

In commenting on certain expulsions, the Grand Master gave his view that they reflect inadequate investigation. He made a good point:

"Sponsors and investigators frequently are complacent about the petitions for Freemasonry and are content to find that there is nothing bad about a man, rather than that there is something good about him. We can be sure that a desirable petitioner for Freemasonry is a man who seeks to improve his individual character and to raise the moral standard within his environment.

"When a man has not resided in the community all his life, it is incumbent on the sponsor and the committee to inquire in the community where he formerly resided and to determine his early character. If there is no other source, inquiry can be made of the Secretary of the lodge in the community where the petitioner grew up and where he last resided."

The Grand Master told something of the way the work has been changed in the Jurisdiction.

"The Board of Grand Examiners of the Grand Lodge of Illinois teaches the most complicated and meticulous rod work, possibly in the world. The most intricate of the rod manual has been imposed on the Stewards of the lodge, and the Stewards are the beginners in handling the rods.

"This year, the Board introduced a simplification of the rod work for Stewards. From all reports that have come to me, the Grand Lecturers and Certified Lecturers and lodge officers have welcomed this change. Shifting of the rod on the initial step from a standing position, and shifting of the rod in transit, have been eliminated. These rod shifts formerly have been executed precisely by expert rodmen who retained their agility with continual practice; while the inexperienced lodge officers demonstrated that the rod was a handicap rather than a contribution to good floor work.

"I am pleased to find that the Stewards now are able to execute their floor and rod movements smoothly and with pleasing appearance. I would suggest that further studies be made toward the simplification of rod work in Illinois which can be nicely performed by inexperienced lodge officers and active workers."

INDIANA — 1966

149th Annual Communication — May 17-18.

Grand Master, 1965-66 — M.W. Bro. D. A. Burton

Grand Master, 1966-67 — M.W. Bro. J. L. Bridwell

Lodges, 548.

Membership, 178,834.

Loss, 1,469.

The Grand Master, though admitting that "the strength of the Masonic Fraternity does not lie entirely in numerical totals" is greatly disturbed by the "continuing downwards curve" in membership. He put forward some far-reaching and radical proposals.

"We must step up the program for the organization of new Lodges, take a critical look at our system of territorial jurisdiction, search out a plan for the purpose of establishing and maintaining contacts with sojourning Master Masons. The drop-out problem caused by demits and non-payment of dues must be solved. The ritual must be revised to include the latest and most modern methods of teaching. It will have to incorporate in it the newest,

most successful methods of capturing and holding the minds of men and include effective methods for motivation toward the high ideals and purposes of our Fraternity."

Nevertheless, there is clear evidence of the advance of Freemasonry in the Jurisdiction. The Grand Master reported:

"Eight new Lodge halls were dedicated during the past year. A number of others are in various stages of planning or construction. Almost everywhere we have seen evidence of the paint-up — clean-up campaign carried forward so vigorously by our Grand Secretary as a prelude to the sesquicentennial. The dedicated men who follow in the Grand Lodge line give evidence to your Grand Master that greater things are in store for Indiana Freemasonry. I firmly believe that in the decade ahead our Fraternity will again raise its sights and further improve its standards rising to new heights, expanding its beneficent influence in greater and more important ways, and that Freemasons everywhere will stand taller in the knowledge that they are members and active participants in the important activities of the greatest Fraternity in the world."

The death of Bro. W. J. Estell, Managing Editor, was a severe blow to the "Indiana Freemason." By a supreme effort of the staff the publication has continued. In these Reviews two years ago it was reported by the Grand Master that the magazine was considered "the best Masonic publication in existence." It is hoped that means will be found to maintain its high level.

Among the unusual meetings attended by the Grand Master was one held to commemorate the days when lodges met at times when it was possible to travel by the light of the moon. The lodge room was lit by kerosene lamps and lanterns and three burning tapers. A lunch was served at the close of the meeting. The tables were lit with lanterns which barely revealed the plates of cheese and crackers. The beverage was water served with buckets and dippers. The occasion served to show clearly something of the heritage of Freemasonry in Iowa. Our jurisdiction must have known similar conditions in the past. One

would imagine that in these days of vacuum bottles and sanitation it might well be difficult to buy dippers for such a celebration.

Another unusual meeting was held "in a low dale" on a farm near Ames. The Grand Master was satisfied that the area could be securely tyled. The area was cleared of weeds and brush and seating was provided by the surrounding hill sides. The entire area was patrolled by an inner ring of brethren on foot and an outer ring on horses.

Four lodges celebrated centenaries.

The Fraternal Reviews occupy seventy closely printed pages. The reviewer, R.W. Bro. E. A. Hamilton, P.J.G.W., goes into great detail and his coverage is most comprehensive. He suggests that Proceedings should be carefully read and studied in every jurisdiction. Of Proceedings of other jurisdictions he wrote:

"Having, during the past two years, read some 150 proceedings in pursuit of that which is lost to a great majority of the craft, I am convinced that the proceedings in this and most jurisdictions do not hold their rightful place of importance in the scheme of things. The proceedings of almost every jurisdiction contain a boundless wealth of Masonic information which should be of great interest to every Mason in this jurisdiction.

"That a publication such as this—with the expense involved, the many hours of painstaking work, and page after page of valuable information—should be read by so few, may well be classed as a Masonic tragedy. While it is hard to say that one part of the proceedings is more important than another, yet I feel there are certain parts that should be classed as required reading. The Grand Master's address, any new legislation, and the report of the Grand Secretary are but a few of the important items."

"Hear, hear," is the only comment possible.

IRELAND — 1966

Annual Report of the St. John's Day Meeting and
the Report of the Grand Secretary

Grand Master—M.W. Bro. The Rt. Hon.
the Earl of Donoughmore

The Grand Master visited the Provincial Grand Lodges in Southern Africa working under the Irish Constitution. He spent five weeks on the trip, beginning in the Province of Rhodesia, which now includes the neighbouring State of Zambia. He then visited the three Provinces in South Africa.

The first Irish Lodge formed in Africa was founded in 1895. It was Abercorn Lodge, No. 159, now working in Johannesburg. Since that time Irish Freemasonry has developed considerably and there are sixty lodges in the four Provinces listed above.

The year 1967 is the centenary of the foundation of the Masonic Boys' School. To commemorate the occasion, the Board of the school has decided to build a new science block. The decision to start the building is symbolic of the faith the Brethren have always had in their two Masonic Benevolent Institutions, the Masonic Girls' and Boys' Schools. The reports of these schools, located in Dublin, show that the former had eighty and the latter ninety-five students on their rolls. Many of the students appear to come from the North of Ireland.

In addition to the schools a further benevolent institution is the Victoria Jubilee Masonic Annuity Fund. The register lists 333 annuitants.

A new lodge, called Old Portora Lodge, No. 859, was dedicated and constituted in Dublin. This is the first constitution of a new lodge in Dublin in over twenty years. Other warrants were issued to Emerald in the East, No. 830, Kuala Lumpur, and Major Rupert Stanley Memorial, No. 831, Belfast.

The reports of the Provincial Grand Masters present a record of steady and satisfactory progress.

KENTUCKY — 1966

Grand Master, 1966-67 — M.W. Bro. D. J. Smith

Lodges, 470.

Membership, 100,238.

Gain, 3.

The Grand Lodge published the Masonic Home Journal on a monthly instead of a semi-monthly basis as the 165th Annual Communication directed. Some readers complained that the news was stale and that the policy suggested that there was not enough Masonic news in Kentucky to keep the journal active. In spite of the objections, the monthly issue was continued.

Eight students from the Masonic Home received scholarships to attend college. A total of \$6,000 was budgetted for the purpose.

The Committee on Uniform Ritual reported that, having observed the ritualistic work of a number of lodges and discussed the matter with many officers and Past Masters, they were unani-

mously of the opinion that steps must be taken to preserve those teachings and landmarks of the Order which the Ritual is intended to inculcate. The Committee recommended that it be continued for a year in order to answer questions on standardization. The Committee on Jurisprudence supported the proposal and recommended that it be the duty of the Committee on Ritual to formulate an approved form of the degree work for use of the subordinate lodges. All recommendations were approved. Since the Grand Lodge was organized in 1800, many innovations may have crept in during the succeeding years.

Of our Grand Secretary, the Fraternal Reviewer, W. Bro. G. W. Rogers, writes: "Our esteemed friend M.W. Bro. Ewart G. Dixon, Grand Secretary, provides a report of Proceedings that is worthy of much careful study and consideration. Factual data contained in his report is in such fine form as to enable readers to obtain facts with minimum effort, for which we are grateful." As one who reads well over sixty Proceedings a year, this reviewer can endorse that statement.

LOUISIANA — 1966

The Grand Master was firm during his year in office. Though the disciplinary acts he was required to take were few in number he found it necessary in a few instances "to educate some lodges concerning conferral of degrees, authority of the Worshipful Master, source of the Charters and respect due the Grand Masters' official family." He arrested the charter of one lodge as it was proved beyond reasonable doubt that some members were using the ballot on innocent candidates in an unmasonic and vindictive manner in an act of revenge against fellow members. When the offenders either resigned or were suspended the charter was restored.

In the Jurisdiction eight lodges are permitted to work in the Scottish Rite Ritual. All new lodges are required to work in the York Rite.

The Board of Charities and Benevolence was presented with a year of greatest challenge when Hurricane Betsy devastated the State. The damage was unbelievable. The Grand Master set up a relief fund which received wide support from New Jersey to California and from Louisiana to Canada. All administrative expenses were borne by the Grand Lodge so that every dollar collected would be devoted to the purpose intended.

The logical way in which to read the Proceedings of any Grand Lodge is to start at the beginning and work through. Maine, however, tempts one to begin with the Appendix which carries the "Report of Correspondence" for here we find the Reviews written by M.W. Bro. R. J. Pollard. Since he is the Grand Representative of our Grand Lodge near the Grand Lodge of Maine, we can be sure that he is interested in our Proceedings. This twenty-first year of his work as a reviewer proves to be the equal of its predecessors.

In his Foreword, M.W. Bro. Pollard points out that Freemasonry today is what it has always been. "It is still governed by the same unchanging Landmarks and it still expounds the same unchanging truths." Unfortunately, "while Freemasonry remains unchanged, there have been decided changes in the moral tone of our present-day society, changes which cannot help but have an adverse effect upon any institution dedicated to the moral improvement of mankind."

"Fortunately, Freemasonry does not need to be popular with the masses in order to survive. Our Fraternity is, and always has been, a highly selective society, limiting its membership to men of the highest quality, who already share its basic beliefs, who have proved their fitness for membership by living under the tongue of good report, and who can reasonably be expected to appreciate, to understand, and to profit by its teachings. There are still plenty of such men in our Country. The criminals, the perverts, and the traitors make the headlines, but the fact remains that there are still far more good people than bad, more honest men than knaves, more God-fearing men than atheists, more law-abiding citizens than criminals, and more patriotic Americans than traitors. It is from the ranks of these good people that Freemasonry will continue to draw its recruits.

"While Freemasonry remains true to its own fundamental principles, while it successfully resists all attempts to relax its traditional moral standards, and while it exercises due and proper care in the selection and training of its candidates, it has nothing to fear of the future. While the present moral stagnation continues, it may not experience any great membership gains, but its strength, its influence and its usefulness do not depend upon mere numbers, but upon the quality, the loyalty and the devotion of its active

members. Our greatest danger is that some lodges with local membership problems will be tempted to let down the bars and to accept as candidates men who are unworthy and unqualified for Masonic membership. This is the road to ruin. Many of our present problems result from carelessness in the screening of applicants during our last great membership boom. Under present conditions we cannot afford to repeat this mistake. The investigating committee is our first line of defense. Let it be vigilant and alert, or the consequences may be fatal to the lodge concerned."

The foregoing paragraphs show the fine quality of the thinking of the Maine Reviewer.

The Grand Master reported that during his visits he found that interest was running high and that the lodges, with few exceptions, appeared to be in good condition. The net loss was more than accounted for by the total of 297, suspended N.P.D. As many Grand Masters have pointed out, the Grand Master declared not enough effort is being made on the part of lodges to retain those members who, for one reason or another, are behind in their dues.

Fifteen Past Grand Masters of Manitoba were present at the opening of Grand Lodge. Representatives from eighty-seven lodges, totalling 594 and seventy-three visitors and others attended, making a total of 667. Thirty-six lodges were not represented.

The attendance at the regular meetings of the Board of General Purposes, which met six times, was excellent, averaging forty-four. The Board is much concerned with the slow progress of the Masonic Memorial Temple Fund drive. The Board also learned that every constituent lodge in Manitoba was incorporated.

During the year "a new site at the S.E. corner of Osborne St. and Croydon Avenue" was purchased for the proposed new Masonic Memorial Temple. The space requirements for Grand Lodge in the new Temple are to include:

1. An adequate Library with an office for the Grand Librarian.
2. Museum area.
3. A Board Room.
4. A general office with fire proof vault and supply area.
5. Grand Secretary's Office.
6. Grand Master's room.
7. Loungeroom.

Total area approximately 3,780 square feet.

Masonic Memorial Temple Limited reported in part that "although plans are still in the formative stage it is now expected that the building will be a one or two storey one containing three Lodge rooms so insulated as to permit of three separate meetings being conducted simultaneously. In addition dining facilities adequate to the needs are contemplated as are coaching rooms, locker or storage areas, etc. The needs of older members—absence of stairs, etc.—are to be kept prominently in mind. It is unlikely that unlimited funds will be available; consequently it is not to be expected that a lavish type of building will result but assurance has been given by the architects that the building will be one of which all Masons in Manitoba may be justly proud."

A recently appointed Committee on State of the Craft presented its first report. The Committee was formed on the premise that, although the general state of the Craft in Maryland may be considered good, some matters give cause for serious thought and concern for the future. Some of the problems are confined to certain geographical areas while others appear to affect Masonry at large. In an effort to enlist the assistance of representatives of each lodge in the Jurisdiction, the Committee is preparing a questionnaire to be sent to every lodge.

A Special Communication of the Grand Lodge was held to discuss the granting of an option to a firm to buy the parking lot behind the Temple for \$800,000. The proposal was turned down by Grand Lodge by a large majority. The proceedings, reported in full, give a clear picture of the problem of parking and the dangers inherent in the thoughtless sale of well-located property.

One Special Communication of the Grand Lodge was held at Balboa, Canal Zone, for the purpose of visiting the Grand Lodge of Panama, meeting in Panama City, Republic of Panama. The following day another Special Communication was held at Balboa to observe the fiftieth anniversary of Army Lodge. In past years these Reviews have recorded that seven lodges in the Canal Zone owe allegiance to the Grand Lodge of Massachusetts. Two further Special Communications were held in connection with visits to these lodges.

Special Communications were held for the purpose of observing the one hundredth anniversary of no fewer than twelve lodges. In each case, an interesting history of the lodge was printed in the Proceedings, which make a bulky volume of 670 pages.

The Grand Master, speaking at the Second Quarterly Communication, presented his philosophy of Masonry, giving some of the thoughts and convictions which had come to him regarding the "extraordinary Fraternity to which we belong."

His views must be held and supported by any interested member of the Craft.

"I have called our Fraternity extraordinary. I deem it so, and I am sure it must seem so to you. Its age alone demands that it be regarded with esteem. We need not accept the Hiramic Legend as a means of dating the Order in order to arrive at a respectable antiquity, but neither should we limit our acceptance of the beginning of the Craft to the year 1717 when several Lodges in London, England, banded together to form the first Grand Lodge. Masonry was then already widespread as is attested by the promptness with which Lodges functioning elsewhere than in England adopted the concept of a representative Grand Body to govern the Craft. Written documents and records have verified the existence of Lodges and the practice of Masonry for several hundreds of years prior to the first Grand Lodge. There is also a considerable period in the more remote past which is worthy of studious consideration for anyone who is especially interested in trying to determine when Masonry really began.

"A definite date for the origin of Masonry, however, is not important; what is greatly so is that a system of moral instruction has persisted relatively unchanged over a period of years which has witnessed the rise and fall of governments, industrial revolutions, changes of political ideology, the stress of war and the lethargy of peace.

"To have survived the extremes of public passion and indifference, to have competed successfully for the attention of successive generations, some anxious, some complacent, some self-centered, some altruistic, some tense and jittery, some smothered in ease, Masonry must have been making a continuous and vital contribution to the select membership which it has attracted."

During the year Mrs. Matthew John Whittall died, at the age of ninety-seven. In 1928 she presented her estate at Shrewsbury, known as "Juniper Hall" which has been operated since that date as a Masonic Nursing Home. A trust she established in 1928, after providing for certain life incomes, provides that the principal fund eventually is to go to the Grand Lodge for the use of Juniper Hall Hospital.

For many years the Grand Lodge has been modernizing and beautifying the Boston Temple. Now the time has come to adapt the whole building to Masonic purposes. Business tenants on the ground floor did not have their leases renewed. By 1967 all alterations should be completed.

MEXICO (YORK) — 1966

104th Annual Communication — March 12.

Grand Master, 1964-65 — M.W. Bro. R. E. Dobson

Grand Master, 1965-67 — M.W. Bro. A. G. Wygard

Lodges, 10.

Membership, 574.

Loss, 12.

M.W. Bro. A. G. Wygard was re-elected Grand Master. As a firm believer in the universality of Freemasonry, the Grand Master travelled widely. His journeyings took him to many parts of Mexico, Buffalo, Kansas, Texas and Toronto.

The lodge names of the Grand Jurisdiction are, in some cases, reminiscent of the pre-Spanish history of Mexico: Toltec No. 1, Anahuac No. 3, Aztec No. 22. A new lodge U.D. bears the name Cuernavaca.

The Grand Master drew attention to the "permissive" changes in the Obligation adopted by the United Grand Lodge of England.

Acceding to a petition from an interested group of Master Masons, headed by three Past Grand Masters, the Grand Master issued a dispensation to form a lodge of research. He believed that such a lodge could render valuable service, particularly in tracing the obscure beginnings of Masonry in Mexico. He himself has found that available books and papers are poorly documented. The new lodge will be styled Mexico Lodge of Research, No. 24, F. & A.M.

The Grand Secretary reported that during the year it had been decided to revive "The Craftsman" and ten regular monthly issues and three supplements had been published. The mailing list has been built up to 400. One new lodge was instituted and two Temples dedicated.

The Grand Lodge adopted a new constitution updating that of 1949. Although a small Jurisdiction, Mexico (York) is an active one.

MICHIGAN — 1966

140th Annual Communication — May 24-25.

Grand Master, 1966-67 — M.W. Bro. R. A. Hockstad

One committee not commonly found reporting in the Proceedings of Grand Jurisdictions is the "Committee on Retired Masons." The Committee formed two new retired Masons' clubs and investigated areas in which the Grand Lodge may be of service to retired Masons and conversely the areas in which retired Masons may be of assistance to lodges and thereby to the Grand Lodge.

In addition, the Grand Lodge formed a Senior Citizens Committee in 1964 "for the purpose of being of more useful service to our Senior Citizens, and to develop activities such as Senior Citizens' groups, etc., throughout the State." In these days of social security and early retirement, the Grand Lodge of Michigan may well have found a way in which Committees on Benevolence can serve usefully in the future by bringing a personal touch to those cases which money cannot. We should follow these developments with interest.

The Grand Master annually sends out an appeal for contributions to the Endowment Fund of the Masonic Home. This year contributions were in excess of \$81,000, an increase of more than \$21,000 over the past five years. The endowment is now approaching the six million dollar mark.

The Orphans Committee reported on support given to widows with minor children and also assisted several sons and daughters of deceased Master Masons in receiving college educations. In addition the Committee has on several occasions given educational assistance to some students for brief periods to overcome "some of the rough spots."

The Chairman of the Committee concluded:

"I ask that you masters, when you go back to your lodges, won't you appoint someone who will really work and look over your membership, and see if you have a widow or orphaned children that need some assistance, maybe food, clothing or shelter or education. We can assist them. That is the function of this committee of your Grand Lodge. We strongly urge and hope that you will do that."

Truly, the Masons of Michigan are careful to maintain in their fullest splendour those truly Masonic ornaments—benevolence and charity.

During the year several lodges were destroyed by fire. These losses, the Grand Master pointed out, should "cause each lodge to examine their insurance policies and to be sure that the coverage is sufficient to replace any similar loss." This is an oft-told story but one which cannot be repeated too often.

The proposed amendments to Michigan Masonic Law setting the times for meetings of the Board of General Purposes, incidentally, reveal the fact that the Board meets four times a year.

MINNESOTA — 1966

113th Annual Communication — March 23-24.

Weather and blizzard conditions made it impossible for Grand Lodge to meet on March 23 as scheduled. However, the Annual Communication was opened on the following day with all Grand

Lodge officers present. This is the first record encountered by this reviewer of the postponement of the opening of any Grand Lodge. All the business was completed in the one day.

From reports received by the Grand Master, he concluded Minnesota Masonry needs continual Grand Lodge help such as educational programmes for officers and members provided through area conferences, schools of instruction, etc. The loss figure has been reduced and the Grand Lodge lived within its appropriations.

Lodges in the Jurisdiction celebrated three 100ths, six 75ths and two 50th anniversaries. The Grand Master made every effort to attend all celebrations.

The Grand Lodge awarded four scholarships. The task was a difficult one as there were 145 applicants from the high schools of the State.

Progress was made in the building programme at the Masonic Home. Two new buildings, an activity centre and a home for the Superintendent were built at a cost of \$90,000. These two buildings, with four modern cottages, already built, put the programme in a good position. The building is being done on a pay-as-you-go basis and not a cent is owed. The Superintendent reported that there are now fifty-four boys and girls in the Home. The Masonic Home has been in operation for fifty-eight years, taking care of children who are unable to help themselves. The Superintendent declared: "We are proud of the fact that we have the most beautiful, modern and adequate physical plant that has ever been erected for child care." The success of the Home is not achieved without expense. The per capita cost per child is just under \$1,200. Children at the Home range in age from eighteen months to twenty years. Many residents are enrolled in high school and college.

When the Grand Master learned that a Negro had been appointed as Grand Chaplain of the Grand Lodge of New Jersey

he ordered that fraternal correspondence between the Grand Lodges of Mississippi and New Jersey be discontinued. Subsequently he followed the same line of action with the Grand Lodges of New York and the Netherlands for permitting the initiation and affiliation of Negroes. A report of a special committee appointed to draw up a recommendation on the matter endorsing the actions was approved by the Grand Lodge.

The Fraternal Correspondent, Bro. O. D. Smith, gave twelve pages of comment on the volumes of Proceedings he had read. One of his conclusions bears out the opinion which any reader of Proceedings is likely to come to. He wrote:

"With all the many changes in our customs, laws, court decisions, governmental functions, religious activities, and all the other phases of our American way of life, how will all these effect MASONRY and the principles and practices handed down to us from generation to generation? With this thought in mind, I began looking through the printed pages of the reports for any evidences of change or the breaking away from the landmarks of our fraternity. I am happy to report to this Grand Lodge today, that I did not find any indications of a significant breaking away from the masonic principles and teachings which have, in all ages, claimed the devotion of man prominent for their virtues and renowned for their learning. I did find a few reports of efforts to 'streamline' masonry and to introduce changes in line with some of the modern ideas of the day. In most cases, these efforts met with defeat. Rather I found what appears to me to be a more concerted effort on the part of many to preserve 'Our masonic way of life' and to strengthen our fraternity against the encroachment of outside and undesirable forces which could only lead to disorder, confusion and destruction."

The Correspondent particularly enjoyed reading the Proceedings of the Grand Lodges of Canada. "There seemed to be a breath of 'Masonic fresh air' blowing right off the pages." He went on:

"Protocol means a great deal to the good Canadian Mason. This we would naturally expect of him. They seem to be particularly careful to address a brother in the proper manner, wear suitable clothing when attending lodge and, under no circumstances, appear in lodge wearing slacks and a sport shirt. Some of our Mississippi brethren would have to buy a lot of new clothes if they should plan to attend a Canadian Lodge, From what I have seen in some of our lodges, and in the dress and manners of some of the members, we could stand a bit of 'polishing' without doing any harm to Masonry."

MISSOURI — 1966

145th Annual Communication — September 27-28.

The Masonic Home is causing some concern. The budget, considered conservative, was set at \$844,000. The per capita tax produces only 30% of the operating funds. The Grand Master recommended an increase in one dollar in the levy. The endowment built up between 1886 and 1965 amounted to over four million dollars. In 1966 almost one hundred thousand dollars were added. The Home with 392 residents is filled to capacity and there is a waiting list.

The improvement in lodge premises, advocated by Grand Masters in previous years, went on. The Building Supervisory Board reported that thirty lodges applied for permission, and were authorized, to make substantial changes, including the purchase of new buildings and the repair and enlargement of present ones. The estimated over-all cost was \$335,000. The Board also found that no lodge was having financial difficulty.

The Committee on Credentials reported that 127 lodges were not represented at the Annual Communication. Indeed, there were only 430 Worshipful Masters, 176 Senior Wardens and 105 Junior Wardens. The actual attendance, without duplication, was 1,208. Past Masters made the largest single group, 446. These figures would appear to be somewhat low.

MONTANA — 1966

Centennial Communication — June 26-29.

One Hundredth Annual Report

Inevitably, the Proceedings tell a great tale about the centennial celebrations. One of the first events was a journey by over 900 persons to Mullan Pass, northwest of Helena, site of the first known meeting of Masons in Montana. Here, after a brief ceremony depicting the events of that meeting, the Grand Master formally dedicated the site to Masonry and unveiled a plaque on the stone altar.

A second event was a dramatic presentation in the Civic Auditorium depicting historical events peculiar to Montana Masonry. The centennial banquet followed in the evening. The site was the Civic Centre ballroom which had been decorated with "a giant square and compass, alongside a huge map of the State of Montana. A blue light depicted the location of every Masonic Lodge in the state." A musical programme followed the dinner.

The Centennial Thanksgiving Service was held on Sunday, June 26, conducted by the Grand Chaplain, assisted by Past Grand Chaplains of Montana.

One of the addresses of welcome at the Grand Communication was given by the Governor of Montana, a member of the Craft.

The Masonic Home of Montana houses about fifty residents. Many improvements to the buildings were made during the year. In addition, the trustees of the Home administer a fund which assists Masons and widows of Masons who are disabled and unable to meet the physical requirements for admission to the Home. The trustees disbursed almost \$15,000 on this account. When the total membership is realized this sum stands out. The total Home operating expenses was over \$170,000 for the year. The endowment is \$700,000.

NEBRASKA — 1966

109th Annual Communication — June 7-9.

Grand Master, 1965-66 — M.W. Bro. L. V. Sylvester

Grand Master, 1966-67 — M.W. Bro. L. R. Ricketts

The Grand Lodge laid many cornerstones. Many were for the buildings of colleges and schools. One was the cornerstone of the main museum building of a large complex being built on the outskirts of Grand Island, Nebraska's third largest city. The reverse procedure was followed when the City Hall in Omaha was sold to an insurance society. The company permitted the Grand Lodge to retrieve the cornerstone, which weighed six tons. The copper box was found intact. The stone was laid in 1890. It was planned to open the box with appropriate ceremony at the Annual Communication.

The Grand Master found the general state of the Craft to be good. There continues to be a small minority of lodges "which because of lack of leadership and the unwillingness to cooperate

in the Grand Lodge program, find themselves in serious difficulty." The Grand Master, however, was convinced that these matters would be remedied. He was encouraged by increased activity in remodelling lodge buildings and the acquisition of new quarters. He was concerned over the state of lodges in small rural communities with diminishing populations. He encouraged the brethren to look toward amalgamations.

Six lodges failed to have representation at two successive Annual Communications and were "cited to appear before the Committee on Charters and Dispensations."

"Masonic Manor" is now fully occupied. This is an apartment building for Masons over sixty-two years of age. Residents secure a life-time lease for between \$3,000 and \$4,500.

NEVADA — 1965

101st Annual Communication — November 8-9.

Grand Master, 1965-66 — M.W. Bro. F. Logar

No fewer than twenty-one Past Grand Masters answered the roll call. The senior member of the group, M.W. Bro. H. H. Atkinson, was Grand Master in 1920. All the elective officers of the Grand Lodge of California, the Mother Grand Lodge of Masonry in Nevada, were also present.

The Grand Orator delivered a scathing attack on federal influence in education dealing with the subject in a way which would be out of place in our Jurisdiction. Some of the Grand Jurisdictions in the United States, however, make a great deal of their school systems and indeed frequently have standing committees on public schools. The speaker presented a fresh appraisal of the American Revolution, revealing a scholarly competence. The address was well received.

The Grand Lodge laid several cornerstones of non-Masonic buildings. One of these occasions was the laying of the cornerstone of the new Reno City Hall. The Mayor is a member of the Craft as is the Governor of the State who spoke at the special communication.

NEW BRUNSWICK — 1966

99th Annual Communication — May 26

Grand Master, 1963-65 — M.W. Bro. H. D. Hopkins

Grand Master, 1965-67 — M.W. Bro. P. E. Roy

Lodges, 48. Membership, 8,501. Loss, 75.

The Board of General Purposes held four meetings during the year. Among other activities scholarship awards were increased from four to six. They were allotted to students attending various universities.

A strong committee has been appointed to draw up a programme for the centennial celebration of the Grand Lodge. The Centennial Communication will be held in Saint John on May 12, 1967.

In his travels around the Jurisdiction the Grand Master found a genuine desire on the part of all W.M.'s and lodge officers to conduct their meetings in a truly Masonic manner. The small turnout in some cases was disheartening. Some membership statistics also make distressing reading.

But, the Grand Master concluded:

"Even with all this, Masonic building goes on. The benevolent work of the Craft should not diminish. A time of moral decay, of increasing crime, of a world wide struggle between might and right, is also the time to adhere religiously to the fundamental teachings of Freemasonry. To weaken the substance of Masonry by making Masonry conform to the passing fancies of the day is to violate our obligations as Masons.

"Our work, the work of all who are teachers of Masonry, is to give those who may seek instruction, much more than the mechanics of Masonry. We dare not mark closed on any masonic endeavour. Our work is to explore with those who seek to learn, we must be always ready to give instructions to those who come to us, but more we must give them the higher vision. We must give them a dramatic picture of their own potentialities in exploring untrodden paths with the light of Masonry."

NEWFOUNDLAND — 1966

District Grand Lodge of the United Grand Lodge of England

95th Annual Communication — May 21

District Grand Master — R.W. Bro. H. D. Macgillivray

Lodges, 19. Membership, 2,275. Loss, 17.

The last time these Reviews recognized this Jurisdiction was in 1962 when the 1961 Proceedings were reported on. At that

time the District Grand Master was R.W. Bro. G. R. Williams. He held office from 1942 until the election of R.W. Bro. Macgillivray in 1964. R.W. Bro. Williams died in 1965. He laboured for 67 years in the interest of Freemasonry in Newfoundland.

The Proceedings open with the report of a special meeting of the District Grand Lodge held in 1965 for the purpose of installing the newly elected District Grand Master. The installing officer was M.W. Bro. The Rt. Hon. the Earl of Scarbrough, K.G.

The minutes recorded:

"This Special Meeting of District Grand Lodge was held in the gymnasium of the Memorial University of Newfoundland, at St. John's, Newfoundland, on Friday, June 25th, at 7.00 p.m. under the Banner of Whiteway Lodge, No. 3541, (the Mother Lodge of R.W. Bro. Macgillivray). Between 350 and 400 Brethren were present, representing all Lodges under our Jurisdiction, as well as most of the Lodges of our Sister Jurisdiction, the District Grand Lodge of Scotland."

The visit of the delegation from the United Grand Lodge of England for the purpose of installing W. Bro. Darroch Macgillivray as District Grand Master was an outstanding event in the history of English Freemasonry in Newfoundland. The official party spent a week in the Province, visiting various places.

The Annual Communication was held in Corner Brook, only the second time in ninety-five years that the Grand Lodge had met outside St. John's.

NEW HAMPSHIRE — 1966

107th Semiannual Communication — November 20, 1965
177th Annual Communication — May 21

Grand Master, 1965-67 — M.W. Bro. H. E. Kimball

Lodges, 82 Membership, 16,907. Loss, 246.

Shortly after his installation the Grand Master invited the Grand Master of each New England Jurisdiction to be his guest "for an afternoon of conversation and fellowship." Every Grand Master or his Deputy, and in some cases both, attended. The gathering proved to be most successful and a second conference was held in Boston a few months later. Masonic problems were discussed, with no intention of trying to influence the thinking of any Grand Master.

Among the dispensations granted was one "Permitting Star in the East Lodge, No. 59, Exeter, N.H. to visit Kentville, Nova Scotia . . . and confer the M.M. Degree using New Hampshire ritual, like Dispensation being granted by Grand Lodge of Nova Scotia." Another lodge was authorized to hold a "Special Communication . . . at Castle In The Clouds and there confer Master Mason Degree."

Among the Grand Master's recommendations was one which suggests that questionnaires are becoming a problem.

"I recommend that all form or questionnaires received by Constituent Lodges, or by Masons in our State, from any source whatsoever, (local, State, Federal, or private groups) seeking any information regarding Masonry or Masonic Practices shall be submitted without delay to the Grand Master who shall be the only individual authorized by this Grand Lodge to respond or to refuse to respond to such inquiries."

The Grand Lodge voted unanimously to appropriate \$12,500 toward the preservation of the Earl of Halifax Tavern, Portsmouth, N.H., the birthplace of the Grand Lodge, July 8, 1789.

The building was probably erected in 1767 and has had some almost miraculous escapes. In 1813 a great fire which destroyed 300 buildings came within a few feet of it. During the Revolutionary War the Mason, John Stavers, who built it was suspected of being too loyal to the Crown and his tavern, in which he had built one room for the specific use of his lodge, was damaged by Patriots. He was jailed temporarily until he swore allegiance to the Patriot cause. At this time he also changed the name to William Pitt Tavern.

The Grand Historian had an active year. He organized the Second Conference of Lodge Historians of the Jurisdiction at which several interesting historic papers were read.

The Grand Master of the Grand Lodge of Quebec presented a new Canadian Flag to the Grand Lodge.

A committee appointed to investigate the possibility of publishing a magazine for the Jurisdiction made an exhaustive study of the magazines and other periodicals of various Grand Lodges. Their report gave a comprehensive description of the position of

the magazines as they found them and presented several not too encouraging conclusions.

"A study of the magazines and other periodicals of foreign Grand Lodges reveals (1) that with the exception of the Magazine of the Grand Lodge of Texas, they are the work of devoted amateurs and not experienced professionals. (2) There is not enough activity in any one Grand Lodge of newsworthy importance to make Masonic Grand Lodge Magazines of continual interest. (3) As presently published, they are of no interest to the national advertiser and with the exception of those with Masonic affiliations, are of little interest to the local advertiser. In other words, advertisers do not consider them worthwhile advertising media. (4) These are generally subsidized by assessments on the brethren and, consequently, only Grand Lodges with large memberships can possibly afford them. Such Grand Lodges as Texas, California, Indiana and Pennsylvania seemingly can afford their magazines, although Pennsylvania's is merely a pamphlet mostly devoted to the Masonic Homes; Texas' magazine has just started publication and the magazine of the Grand Lodge of Illinois folded this year because they did not have sufficient funds to change the addresses of all their members to include Zip Code as required by the Postal authorities."

The Committee, therefore, proposed to establish a non-profit corporation whose function would be to produce a magazine, one-half of which would be of interest to Masons not only in New Jersey, but anywhere in the world. The other half would be about the State of New Jersey, its people, its recreation and its business. It is planned to have the magazine professionally edited and produced to make it of interest to advertisers, to present-day Masonic leaders and qualified historians.

The magazine would be so produced that the idea would be attractive to other Grand Lodges. If they are interested in having a magazine for their brethren, the first part of the contemplated magazine would remain constant, but the second half, under the direction of the editors, could be edited for the State in which that Grand Lodge is situated.

No fewer than twenty-two lodges discussed programmes, involving acquiring new or altering old meeting places, with the Committee on Temple and Lodge Finances.

The Masonic Home of New Jersey had a daily average of 189 residents. The per capita cost per year is just over \$4,000.

The Special Committee on retirement homes, after sending out 9,400 questionnaires and analysing the 4,700 replies, recommended that the Committee be authorized to prepare a tentative proposal for the establishment and operation of such a home. The recommendation was adopted. The proposal apparently envisages a project similar to that in Nebraska.

NEW MEXICO — 1966

89th Annual Communication — March 21-22.

Grand Master, 1965-66 — M.W. Bro. F. W. Blocksom

Grand Master, 1966-67 — M.W. Bro. H. O. Robertson

Lodges, 65. Membership, 15,307. Loss, 114.

Sixty-two lodges were represented at the Annual Communication.

During the year the Grand Master visited each lodge separately except in the City of Albuquerque where he made three trips visiting two lodges each time. The Jurisdiction is not a large one but the effort cost sixty-two evenings. In addition the Grand Master attended all the fifteen workshops held. Not many lodges in the world can have the pleasure of welcoming their Grand Master every year.

One ruling was not without interest. The query was "May a lodge permit a life member now living in Cuba to petition a lodge in Cuba for dual membership?" The answer was "Yes. We recognize the Grand Lodge of Cuba and the lodge he wishes to become a member of is included in the list of approved lodges."

In 1965 The Lodge of Research received its charter. The first year saw much activity with programmes of both historic and esoteric nature. Several were illustrated.

The Committee on Revolving Student Loan Fund approved fourteen loans, each of \$375. Owing to the revolving nature of the fund and the excellent record of repayment over \$100,000 has been lent covering a total of 458 loans.

NEW SOUTH WALES — 1966

78th Annual Report of three Special and four Quarterly Communications, 1965 and 1966.

Grand Master, 1963-66 — M.W. Bro. E. L. Beers

Grand Master, 1966-67 — M.W. Bro. E. A. Primrose

Lodges, 912. Membership, 116,000. Loss, 3,153.

The Board of General Purposes met thirteen times during the year between the Quarterly Communications. This is an active body.

The Grand Master was pleased to report that, notwithstanding the decline in membership, contributions to Masonic charities had increased.

A social evening in this Jurisdiction appears to be called a "South." For example, in commenting on a special report the Grand Master said "I have no objection to the introduction of Ladies' Souths. These evenings could provide opportunity for the brethren to become better acquainted with the wives and families and close friends of members. On such occasions no Masonic toasts should be given, the only toasts being 'The Queen' and 'The Ladies'."

The report mentioned by the Grand Master was submitted by a Special Committee to review the state of Freemasonry in the Jurisdiction. The report was a lengthy and most comprehensive document. The large and strong committee came to several significant conclusions. A few extracts will serve to reveal the tenor of their remarks.

In considering the question, "Why is there a lessening of applications for membership?" the Committee traced the development of Masonry in the State from 1900. They found "a definite connection with wars."

"Initiations drop slightly immediately after declaration of war and rise rapidly during the latter part and immediately after peace and reach a peak thirteen years after peace, and then decline.

"Membership reaches a peak some thirteen years after peace, suggesting that the interest of all these brethren is not sustained for a great number of years. The peak is followed by a decline caused by 'call offs' and 'struck offs' rather than 'deaths' per year."

The Committee made some trenchant comments on Freemasonry in general. Though fairly lengthy, the statement can scarcely be abridged. The points they make are valid beyond New South Wales.

"A lessening of applications for membership and the poor attendance of some members have a common cause—the appropriateness and relationship of Freemasonry to present day society. . . . our knowledge, standards and values are quite different from those of ten years ago. Education standards today are high and people now take more interest in the world around them. These changing conditions, particularly the changing values of what is important and what is less important, are causing concern to all sorts of bodies.

"In this ever changing world the ambitious young man is striving to succeed. He knows that without thorough training he cannot take his place in our new society. We are therefore concerned with two main factors. First, the increase in educational

standards and the changing values and knowledge that goes with them, and second, the increased pace and demands of present day society.

"Men join Freemasonry for a number of reasons, some because friends, whom they respect, obviously derive considerable satisfaction from it; some because they are impressed by the Craft's charitable works; some because they have heard that the ritual used is ancient and contains valuable secrets; some because they hope to find some metaphysical truth they have failed to find elsewhere; some for the benefit of business contacts; some because it may give them the opportunity to become important and some out of curiosity.

"How are we satisfying such people? The small number who join for business contacts have never been wanted and should not be considered.

"Those who look only for social satisfaction can find it much better in clubs which provide amenities and entertainment on a much more lavish scale. Freemasonry cannot compete with such clubs. Apex, Lions, Rotary and Chambers of Commerce are well known in all suburbs for their close association with the public. There are not many men today who will join merely because they want to belong to something in which their wife has no part. These reasons probably account for a large part of the drop in candidates and possibly not much could or should be done about them.

"In an article recently published, a prominent figure in the United States made this statement: 'A person joins an organisation for pleasure, profit and prestige'. Profit is not a real reason for joining or maintaining active membership of our Craft. Pleasure must be associated with prestige.

"What is the present prestige in N.S.W. of Freemasonry in the eyes of the people outside the organisation? What is our 'corporate image'?

"The average man, if asked what he knows of Freemasonry, would probably say: (a) 'I have heard of it'; (b) 'it is for men only'; (c) 'It is a secret organisation and members do not talk about their activities'; (d) 'it supports some charities'.

"Thus, we believe that the first step in raising our prestige is to have the above 'image' removed. We must have the aims and objects of our great Craft outlined and publicised to the entire world. The aims and objects of the Craft, in line with present day language and present day thinking, should be given to every Mason and impressed upon him in such a way that he can pass them on to 'outsiders'.

"The new brother should be taught what are 'secrets' and what are the aims and objects. We must always remember that our brethren are our 'shop windows' and we should contribute actively to the window dressing. Masonry teaches us all spiritual doctrines and gives to us a sacred initiation into the profoundest truths of life. In Freemasonry we are not taught anything that is unique. The same ethical precepts are part of all religions and most philosophies.

"It is not the primary function of Freemasonry to initiate candidates or to enlarge its membership. The primary function of a Masonic Lodge is to train its members to an understanding of the truths which its rituals and its ceremonies are calculated to inculcate, to develop its members as benevolent men, to cultivate the social virtues among men and to propagate the knowledge of the art. We must pay more attention to the welfare, happiness and Masonic development of our members."

The Committee was also of the opinion that "one of the main reasons for a lessening of applications for membership of the Craft is that the members of the Craft and its governing body are failing to 'convince mankind of the goodness of the Order'."

They went on:

"We have a fear that we may be concentrating to too great an extent on benevolence and charity directed to our own brethren and their dependants to the exclusion of a much wider application of these great Masonic attributes. None of us would wish to see a withdrawal of any assistance to our brethren or our brethren's family. It is, however, our view that in the process of years we may have tended to forget that we have an equally important function to perform to our neighbour. We should constantly ask ourselves whether we, as individual Masons, are constantly giving evidence to the world of our preparedness to relieve his necessities. We have been tending to regard charity in its restricted, rather than in its most ample sense and that it is in relation to our duty to our neighbour that we are failing. If we fail our neighbour, we are failing to 'convince mankind of the goodness of the Institution'.

"New members are attracted (or fail to be attracted) to our Order by the behaviour of the individual and by the corporate image of the Institution itself and unless we not only act, but also give every appearance of acting towards our neighbour, we must surely fail. We believe that every Freemason must in his day by day activities be constantly conscious of the need to 'moderate the passions'. Unsatisfactory behaviour of this sort will surely detract from our image in the minds of non-Masons.

"If a member cannot be made ever mindful of the need for a high code of behaviour in his everyday life, the Craft is better off without him."

Many amendments to the Book of Constitutions were proposed at the March Quarterly Communication. The amendment which provoked the most discussion was one which changed the minimum initiation fee from pounds to dollars and at the same time raised it from ten guineas, the equivalent of \$21 (Australian) to \$32. Actually the Committee involved would have preferred \$42. The Board of General Purposes supported the lower figure as lodges could set a higher figure if they wished. The W.M. of one lodge in supporting the proposal said, "I do not know of any lodge in Scotland that you can enter for such a ridiculously low figure as \$21.00. If they are interested to join, let them find the money. We are not a building society in the sense many other societies are . . . we should not make Masonry in this State so cheap; we must if necessary raise it, and the first interpretation of cheapness is finance."

The Grand Master commented: "Brethren, He was not on the Special Committee, but that is almost word for word what the seventeen members have said."

The amendment carried. At this distance one can scarcely equate the fees with those set in our Jurisdiction, in relation to basic wages. It would appear, however, that the fees relatively are going down.

The Grand Master told of a lodge meeting he had attended at which there were present "thirty-three Masonic members of the State Parliament including the Premier and a number of Ministers." They were there to do honour to the Speaker of the N.S.W. Assembly "who was present in his capacity as a Past Grand Officer of the Grand Lodge for the first time."

This Review has become long and yet a reader of the N.S.W. Proceedings could find even more to comment on. Suffice is to say in conclusion that the volume contains some excellent Reviews of the Proceedings of other jurisdictions, including our own.

The Masonic Foundation for Medical Research and Human Welfare presented a full and comprehensive report of successful effort. The Foundation, now in its seventeenth year, was incorpor-

ated by unanimous vote of Grand Lodge, under the laws of New York State as a Masonic agency to serve all humanity. During its first ten years the Foundation concentrated its medical research in the field of rheumatic fever and rheumatic diseases. At that time there was no substantial or sustained research being done on this great killer andcrippler of children. New York Masonry focussed attention on this scourge. After ten years of effort and expenditure of \$1,500,000 great advances have been made. Other agencies have entered the battle.

Since 1958, when the Masonic Medical Research Laboratory was opened on the grounds of the Masonic Home in Utica, research has been concentrated in the field of Gerontology, i.e. classification and measurement of the infirmities of old age.

The Grand Master reiterated a statement he made during his address of the previous year. His ideas, however, were even more clearly and forcefully expressed.

"First, let me remind you, my Brethren, that, even in this allegedly — but often counterfeit — era of sophistication, appreciation of excellence is still responsive to stimulus. Thus, careless, slipshod presentation of degrees and other ritual application not only cannot be condoned, but must be condemned. Perfection has ever been the relished target of the Craft. It resides in the impeccable language inherited in our prescribed ceremonies. To torture those lofty rhetorical guides with halting, faulty delivery, inaccuracy and ineptitude is to invite rejection; to launch them upon a vehicle of rehearsed precision and studied, sympathetic comprehension is to inaugurate the insurance of both enhanced attendance and re-kindled interest and pride in the Fraternity. I urge the ruling Masters, whose primary obligation it is, steadfastly to press for strict observance of protocol, undeviating practice of our unique Masonic etiquette, and insistence upon the highest level of ritualistic performance."

The Grand Master also suggested that many lodges were "confessedly" numerically too large, unwieldy, and afford scant opportunity for many members actively to participate. "Smaller Lodges, with a complement in the vicinity of 200, have produced evidence of a greater likelihood of nurturing unification, more intimate intra-Lodge relationships, and accelerated enterprise." Of course, he recognized, subdivision is completely and properly a matter for each individual lodge.

Once again over 700 Masons joined the Grand Lodge officers in a January cruise of the Caribbean on the "Empress of Canada." The next cruise was planned for Antigua and Montego Bay.

The Grand Lodge met in the Hotel Astor ballroom, "probably for the last time." This "historic hostelry" was due to be razed. According to the Grand Master, the building had "long been closely associated with the Grand Lodge and echoes of its hospitality are resident in the memories of many Masonic generations."

The state of the Craft in New York, the Grand Master said, is conspicuously good. He concluded:

"True, relaxed and shabby standards of conduct, speech and dress on the part of some find scant accommodation in our high and rigid requirements. True, there are those whose profane ignorance prompts them to continue attacking us on the specious grounds that we are religiously competitive or dangerously secret. True, there remain, unhappily, pockets of inertia, where attendance lags and membership wanes. Nonetheless, despite the ills such problems foment, this Fraternity survives, fundamentally sound, of impressive vigor, and, importantly, with a prophecy of increasing relevance in the future of mankind."

The Board of Benevolence reported that during the year they had granted sixty-seven bursaries: fifty-three for secondary education and fourteen for university. In addition, they granted many annuities, in most cases to widows of deceased brethren. The Board also reported on the Kirkpatrick Masonic Institute, a home for girls. The number in residence, seventeen, was a little above average.

The Board of General Purposes, which has a membership of fifty-five, held six meetings. Most members attended five or six meetings.

The Grand Master and other members of the Board attended the Ninth Australasian Masonic Conference, held in Brisbane. It was the first time that the official delegation was led by the Grand Master at a conference outside New Zealand. The conferences are normally held every fourth year. The President of the Board commented: "From New Zealand's isolated position we are apt to suffer from a lack of contact with others, but the association with our Australian Brethren has given us a new light on many Masonic problems, and we hope that the advantage has not been one sided."

The Grand Master in his address spoke of Loyalty, saying:

"Loyalty is, and always has been our watchword. Let us show it by service.

"How can this be best achieved? Not, I think, as an important body acting in public. Freemasonry aims at moulding the lives and characters of its Brethren in such a way that individuals are brought to recognize and live up to their responsibilities. It is for individuals to put into practice the ideals which they have learned in the Lodge. We must leave it to each to do his duty as he is granted the vision and the opportunity. Every incident in our lives, every word and deed, every expression of feeling, has an influence for good or evil on our fellows, and, what is more, an influence in many instances which will work for good or evil, according to its nature, long after we are dead and gone.

"To my mind the great need of the present day is to bring an influence to bear upon the young people, the boys and girls who are growing up in such critical times, and upon whom the future of our race depends. On us, who are older, has fallen the task of shielding the young from evil influences, and of guiding them in the right path of life. Surely here is a great mission for the individual Freemason, an opportunity for service which lies ready to his hand. By personal example, by active and generous support of all movements which have for their object the training of youth in religious principles and the duties of citizenship, we can each do much. We may be sure that in so doing we shall be living up to the highest ideals of our Craft.

"My call, then, to the Brethren for the coming year is for true loyalty, not only by profession, but by deed and practice; loyalty to our Craft; to our fellow men; to our Queen and country; loyalty given by generous and ungrudging service as each is given the opportunity."

NORTH CAROLINA — 1966

179th Annual Communication — April 19-20.

Emergent Communications were held to dedicate five new Temples and to lay the cornerstones of four others.

The Grand Orator of the Grand Lodge is also the Governor of North Carolina, W. Bro. Daniel K. Moore. He told of the great progress being made by North Carolina but at the same time showed that the crime rate has also increased. He singled out the K.K.K. as a body which requires special watching. In conclusion he pointed out that Masons can do much to promote the rule of law.

"Our English inheritance coming down to us from the ancient times of Magna Carta," he said, "tells us that we cannot choose the laws we will obey and the laws we will ignore. The hope of mankind, both here and throughout the world, depends upon the ultimate rule of law." Altogether, the speech was brief and to the point, not particularly Masonic, but if comparisons are to be made, much better than most orations of the type.

Many brethren in the Jurisdiction have for a number of years been interested in the development of a publication to be issued regularly by the Grand Lodge which would offer a sorely-needed medium of communication between the Grand Lodge and every Master Mason in North Carolina. Grand Lodge approved the publication idea and authorized the Grand Master to appoint a committee to make a complete survey, arranging for it to be sent monthly to every Master Mason holding membership in a lodge in North Carolina, thus making it a Grand Lodge monthly publication in every sense of the word.

In brief, the Committee recommended that a monthly publication, containing no advertisements, consisting of sixteen pages, be sent free to every Master Mason who is a member of a lodge in North Carolina. The printing is to be done at the Oxford Orphanage Printing Department. The name is to be "The North Carolina Mason."

The matter of dual membership, twice referred to in these Reviews during the past years, was finally dealt with. Dual membership is permitted. But if a member is "excluded, suspended or expelled for cause" by one of the lodges of which he is a member, or by a Grand Lodge, his membership in his North Carolina lodge must terminate. Plural membership is prohibited.

NORTH DAKOTA — 1966

The Annual Communication as usual opened on the evening of the first day with the reception of distinguished guests and visitors, the Grand Historian's and Grand Orator's addresses and other general business. This meeting followed a busy day of committee meetings and conferences.

The Grand Lodge was called from refreshment to labour at 8:30 a.m. on the second day and got right to work. The Grand Master announced that the ballot box, located at the entrance to the Lodge Hall, was open and urged all to complete and deposit their ballots early. The ballot was closed at 10:00 a.m. on the final day.

The District Deputy Grand Masters evidently serve for more than one year as the Grand Master reported that since several felt that they must retire he had appointed nine. There are fourteen districts. In addition each district has a District Deputy Grand Lecturer appointed for more than one year.

NOVA SCOTIA — 1966

101st Annual Communication — June 30, July 15-16.

The Proceedings opened with an account of the celebration of the Grand Lodge Centennial. Although somewhat lengthy for one of our customary Reviews, the report cannot readily be abridged.

"The Centennial of the Grand Lodge A.F. & A.M. of Nova Scotia was appropriately observed 14-17 July 1966. The weather was all that could be desired, the exceptionally large number of distinguished guests added lustre to the occasion, the Brethren were in a gala mood, and the lengthy programme was carried

out smoothly and efficiently under the fine leadership of the Most Worshipful the Grand Master. To commemorate the occasion, Grand Lodge struck a Centennial Jewel bearing a facsimile of the seal of 1866 and published 'A Short History of Freemasonry in Nova Scotia' by M.W. Bros. R. S. Longley and R. V. Harris.

"Thursday afternoon, 14 July, the M.W. the Grand Master opened an Occasional Lodge in the Commonwealth Room of the Nova Scotian Hotel, Halifax, N.S., and conferred the three degrees 'at sight' upon the Hon. Henry P. McKeen, Lieutenant-Governor of Nova Scotia. He was assisted by Virgin Lodge No. 3 in the Entered Apprentice Degree, St. Johns Lodge No. 2 in the Fellowcraft Degree, and St. Andrews Lodge No. 1 in the Master Mason Degree. The work was almost perfectly done, the candidate most appreciative, and the attendance taxing the accommodation. The unusual ceremony was arranged to add a unique touch to the Centennial.

"Friday featured the opening of the One Hundred and First Annual Communication with its attendant ceremonial, the reception of the many distinguished guests, representing eighteen Grand Lodges, the address of the M.W. the Grand Master, and the regular business session. That afternoon the guests and their ladies were entertained at Government House. At the Grand Master's Banquet in the evening speakers included the M.W. Grand Master, M.W. Bro. R. V. Harris, and three distinguished guests, the Grand Masters of the Grand Lodge of Massachusetts, of the United Grand Lodge of England, and of the Grand Lodge of Scotland. That evening also the ladies were entertained at a buffet supper at the Saraguay Club.

"Saturday morning a wreath was laid at the Erasmus James Philipps Ashlar, following which the Brethren and their ladies assembled for divine service in historic St. Paul's Church. M.W. Bro. Rev. Thomas S. Roy, P.G.M. (Massachusetts) was the special speaker, and the Temple Choir assisted in the music. Following the service, the M.W. the Grand Master laid a wreath at the cenotaph and the Brethren paraded down Barrington Street to the Nova Scotian Hotel, where Grand Lodge business was completed. At the noon luncheon, the special speakers were the M.W. Grand Master of Masons in Ontario and the Chairman of the Conference of Grand Masters of North America. The day's programme ended with a reception in the Commonwealth Room.

"Sunday afternoon 17 July, a very large number of Brethren, their ladies and families gathered at a garden party on the spacious grounds of the Nova Scotia Freemasons' Home at Windsor. There, at four-thirty o'clock, the Grand Chaplain conducted a service of thanksgiving that brought the Centennial observance to a fitting conclusion."

Altogether, the occasion was an unqualified success. The photograph accompanying the account shows that all Grand Masters of the Canadian Jurisdictions were present as well as the two District Grand Masters (E.C. and S.C.) of Newfoundland.

Since the Constitution requires that the Annual Communication convene in June, the Grand Lodge actually was opened in ample form on June 30 and called from labour to refreshment to resume labour on July 15. Consequently, the Annual Communication was held during the Centennial Celebrations. One of those received was Bro. the Hon. Henry P. McKeen, Lieutenant Governor of Nova Scotia.

The report of the Grand Historian contained much information on the condition of the records of Freemasonry in Nova Scotia. Unfortunately, during the early years, little thought was given to preserving records for posterity. Fortunately, since 1866, the records of Grand Lodge have been carefully preserved.

As this reviewer was preparing this notice for the printer, late in February, he learned with regret of the death of M.W. Bro. Longley a few weeks before. As an earlier Review reported, he had been a personal friend since 1929. His death will be a severe loss to Freemasonry in Nova Scotia.

OHIO — 1966

157th Annual Communication—October 21-22

Only thirteen lodges were not represented at the Annual Communication. Most lodges were represented by the Worshipful Master.

The Proceedings contain many interesting tables not commonly found. For example, the Grand Master recorded the total number of lodges in each city in Ohio and when a lodge was last chartered in each. The newest lodge in Cincinnati, where there are thirty-three, was chartered in 1956. In Cleveland, with thirty-one, the latest was 1953. Another table gave a full report on the status of lodge buildings, covering such points as air-conditioning, social rooms, refreshment facilities, on what floor located, parking facilities, etc.

The Ohio Masonic Home Endowment Fund reached the figure of \$12,000,000. The Grand Secretary pointed out that "The continuing inflationary trends in our economy emphasizes that our efforts must continue."

The Scholarship Foundation reported total assets of \$9,000.

OKLAHOMA — 1966

58th Annual Communication — February 8-10.

It did not take long for a problem involving dual membership to arise, two years after authorization in fact. The case involved Canadian Lodge, No. 22, and Alfred Toole Lodge, No. 445. The question was, could the same brother serve as W.M. of both lodges, presumably simultaneously. The Grand Master ruled "No." Incidentally Canadian is the name of the town where Lodge No. 22 meets.

The Grand Master recommended that the incoming Grand Master appoint a committee to study the Educational Endowment Fund of the Grand Lodge. The Fund "is without sufficient rules and regulations to govern the same."

The Grand Secretary reported that the completion of his card index system of Masonic membership in Oklahoma is in sight. When the system is completed he will be able to supply the Masonic record of any member as far as it has been reported to his office.

OREGON — 1966

116th Annual Communication — June 8-10.

Grand Master, 1965-66 — M.W. Bro. J. J. Murchison

Grand Master, 1966-67 — M.W. Bro. W. A. Wellborn

Lodges, 192. Membership, 41,447. Loss, 674.

Most Proceedings give a biography of the Grand Master of the current year, facing the frontispiece. The form used by the Grand Lodge of Oregon, incidentally one of the Grand Lodges in

the United States to use the three words Ancient, Free and Accepted, might well be copied. The single page gives a table with the following headings filled in: Born, Married, Profession, Occupation, Interests, Church, Masonic History. M.W. Bro. Murchison is by profession an attorney and by occupation Judge of the Circuit Court.

The Grand Master reported on the present status of Oregon Military Lodge, U.D., Frankfurt A.M., West Germany. He explained some of the issues involved.

"More than twenty-one years have passed since this dispensation was issued. Our Lodge held the first official Masonic meeting in Germany after the War, and has continued to serve since that time. Your Trustees became concerned about the propriety of continuing a lodge under dispensation on foreign soil for so great a period of time, and determined that it should be given attention. This was largely occasioned by the information received that all English-speaking lodges, except ours and one other, a chartered lodge of Rhode Island in Berlin, had surrendered their original affiliations and were now chartered under the United Grand Lodges of Germany."

The Grand Master went to Germany to gain personal knowledge of conditions there. He found the Lodge active, the ritualistic work eminently satisfactory and the lodge room beautifully equipped and furnished. The Lodge complies in every respect with the requirements of a chartered lodge.

The circumstances involved in this Lodge differ somewhat from those of other lodges in Germany. As the Grand Master explained.

"Our lodge is located within the area of occupation, upon territory governed by our Military forces, and it only accepts petitions from American citizens. The same circumstances apply to Rhode Island's lodge in Berlin. The other English-speaking lodges in Germany accept citizens of Germany and other countries, and are located in civilian areas. I was assured by the Provincial Grand Master of the English-Speaking Lodges under the U.G.L. of Germany, that relations are entirely harmonious and that they now have no objection to the continuance of our lodge."

An application by Oregon Military Lodge for a charter is pending, which the Grand Master is prepared to support. In view of the long history of warranted military lodges, with charters issued by such Grand Lodges as England, Scotland and Ireland, the proposal seems to be a valid and interesting historical revival, or should the word be survival.

PENNSYLVANIA — 1965

Annual Communication — December 27 and Quarterly Communications, March 3, June 2, September 1, and December 1.

At the March Quarterly Communication letters were received from the Grand Lodge of Peru and the Grand Lodge of Austria expressing their deep appreciation for the fraternal recognition extended by the Grand Lodge of Pennsylvania.

The Grand Master issued four Decisions during the year. One liberalized Masonic dress and permitted lodge officers, other than the Worshipful Master, to wear a tuxedo as authorized dress. The Worshipful Master or acting Worshipful Master must continue to wear a tail coat. The regulations reveal slight variations from the customs in our Jurisdiction, a black tie and black vest are worn with the "tails." The Grand Master does not wear cuffs but he does wear a high silk hat as do Worshipful Masters. Opera hats are not permitted.

Another Decision "permitted Masonic buildings to be designated 'Masonic Temples' providing the structure does not contain stores, offices or other commercial space." This seems to be a most reasonable distinction.

New Masonic lodges, according to the Grand Master, are greatly needed in expanding areas. There are many communities in Pennsylvania where the only Masonic lodge in the region has more than 500 members. These communities, according to the Grand Master, "should look to the advancement of Freemasonry and not selfish interests." He advocates the formation of a second lodge in such places, with both lodges working in harmony.

He looked with a great deal of pride on the great improvement in Masonic meeting facilities during his term of office. Grand Lodge laid five cornerstones and dedicated six new lodge rooms. At least ten more lodges have started, or plan to start, a building programme. Others are improving their present quarters.

The Grand Lodge of the Philippines represents the strongest Grand Lodge in all Asia, according to the Grand Master. In addition to the lodges in the Philippines the Jurisdiction embraces three lodges in Japan, two in Guam, and five in Okinawa. This year a lodge was constituted in Saipan. The lodges in Guam and Saipan have their own buildings. One new lodge was constituted in Okinawa. This is a Japanese speaking lodge. The controversy with Japan has been settled amicably and Okinawa is recognized as open territory with lodges of both the Grand Lodge of Japan and the Philippines there.

Within the Philippines, the work moved forward. Three cornerstones for new Temples were laid and three new lodges were constituted.

The Grand Master stressed the fact that the Constitution of the Grand Lodge bars no man from membership because of colour.

The Senior Grand Lecturer made an observation on the "mass conferrals" which he had seen in Manila. He saw that all sorts of "short-cuts" were resorted to. From these observations he was forced to conclude, much to his regret, "that solemnity, which is one of the principal objectives in our ancient ceremony, has been sacrificed for expediency."

The Board of General Purposes met twelve times. This is a hardworking body.

The Oration is one of the highlights of the Annual Communication. This year the Grand Orator devoted his remarks to the Seal of the Grand Lodge. He gave a most informative address and certainly brought out points which a cursory glance or even a longer view would certainly miss. For example, he pointed out that the coconut tree which holds an unobtrusive position on the seal bears fruit all the year round. From this fact he deduced the lesson that in our living we should be positively useful "in our day by day relationship with our brother Masons and with our community."

PHILIPPINES — 1966

50th Annual Communication — April 27-28.

The first post-war regional lodge to be constituted in the Jurisdiction was set up in Okinawa, the Regional Grand Lodge of the Ryukus. The Grand Lodge takes pride in the fact that they "mothered the Grand Lodge of China and the Grand Lodge of Japan."

During the year, four new lodges were constituted.

The Grand Lodge operates a dormitory in Manila. It was originally intended as a residence for sons of Masons studying in Manila but transient brethren who go to Manila on business are also welcome. The reasonable rates and the cleanliness of the rooms have encouraged many brethren to use the facilities.

The Grand Lodge also operates a bowling alley which did not do too well financially. Since the equipment is old and costs are rising, it is planned to close this operation.

The Grand Lecturers found that many are showing improvement in their ritualistic work but were disturbed over "loud conversations" in some lodges. They also found a Tagalog ritual being used which they believed was not the one authorized in 1963 by the Grand Lodge.

The Board of General Purposes met seven times during the year.

PRINCE EDWARD ISLAND — 1966

91st Annual Communication—June 25

Grand Master, 1965-66—M.W. Bro. H. L. Palmer
Grand Master, 1966-67—M.W. Bro. J. A. Carruthers

Lodges, 17. Membership, 1,483. Loss, 9.

Three lodges made improvements in their buildings and one burned the mortgage during the year. Since there are only seventeen lodges in the Jurisdiction, the Grand Master was correct in

saying, "This all goes to prove that Masons and Masonry are going ahead in Prince Edward Island."

The Deputy Grand Master reported that it had been a happy year with "no serious disciplinary or administrative problems."

The Board of General Purposes approved the design for distinctive insignia to be worn on the officers' aprons of St. John's Lodge, No. 1. This lodge, which meets in Charlottetown, was established October 19, 1797. At different times it has been on the Registers of Nova Scotia and England.

QUEBEC — 1966

A problem unique in Quebec faced the Grand Master when he settled "a variance in the form of salutation of Grand Lodge officers, used in French speaking Lodges of the Jurisdiction." After much research he ruled that the corresponding forms of salutation are to be

The Most Worshipful — Le Plus Vénérable

Right Worshipful — Très Vénérable

Very Worshipful — Bien Vénérable

The Grand Master reported on a case requiring special permission. The heart-warming account merits repeating here.

"There arise at times special circumstances not provided for in the regulations not ruled upon by precedent, upon which the Grand Master has to decide.

"Such a situation arose when a brother who had received the entered apprentice and fellow craft degrees developed a disease which caused permanent injury to his spine. His impairment was such that the brother was confined to a wheelchair. His greatest desire in his affliction was to receive his Master Mason degree, and his Lodge petitioned for consideration of some method whereby the stricken brother could be raised.

"I permitted a Master Mason to act as proxy in the candidate's presence for those parts of the ceremony in which he could not himself participate.

"The event was said by the candidate to have given him the greatest joy of his life and my District Deputy Grand Master who was present reported that there was never a more impressive ceremony. The courage and determination of the candidate was a reminder of the courage and fidelity of the Builder himself, portrayed in the allegory. He managed to take his obligation and, with difficulty, received the secrets, as well as some other parts of the ceremony.

"It is said that the brethren departed with more Masonry in their hearts than they had ever felt before."

Before he closed his address the Grand Master devoted a special paragraph in French to the members of French lodges at the Annual Communication. He pointed out that their work is most significant. Their responsibility is great in showing their fellow citizens, by their friendly, discreet and virtuous conduct the happy and beneficial results produced by our ancient Institution. He recognized the many difficulties faced by the French-speaking Freemasons and bade them have courage and perseverance. His remarks must have been greatly appreciated.

As usual, the reports of the District Deputy Grand Masters contain many interesting items. For example, the D.D.G.M. of Montreal District No. 3, R.W. Bro. A. A. Smith, reported:

A 'Heart Machine' was presented to the Jewish General Hospital on May 4th. This is the first machine of its kind to be installed in a Canadian hospital. In less than two months' time the Brethren of St. Georges Lodge collected \$10,000.00. The Lodge donated \$3,000.00 and the balance is now being collected from individual members. The cost for supplying the machine totalled \$20,000.00.

Grand Master, 1966-67 — M.W. Bro. J. A. R. Thompson

In his inaugural address the Grand Master spoke of the high positions held by some of his predecessors. Two were Governors of the State, two were Judges of the Supreme Court of Queens-

land and others had attained distinction in the professional and commercial life of the State. He yielded to none, however, in his unremitting zeal in the discharge of his duties.

He pointed out that "The United Grand Lodge of Queensland, with its two Districts of North Queensland and Carpentaria and the Territory of New Guinea, is one of the largest jurisdictions in the British Commonwealth and its 500 Lodges are widely dispersed geographically." He hoped to serve Freemasonry in remote parts of the State as these lodges had a claim on the services of the Grand Master equal to, or perhaps greater than, those of the cities.

A paragraph must be quoted from his brief but thought provoking address.

"The time may not be far distant, when we Freemasons should leave our cloistered seclusion, and labour more efficiently as an institution in the promotion of activities designed for the welfare of all. Some may not agree with any great departure from our accepted ideas, but we cannot escape the winds of change, which affect not only Freemasonry, but all other institutions having the welfare of humanity at heart."

The Board of General Purposes is a hard working body. During the year under review they met thirteen times in addition to the four Quarterly Communications, at which they reported.

The Grand Secretary, R.W. Bro. V. I. Carter, P.D.G.M., retired. He served the Grand Lodge for twenty-eight years, eight as Deputy and ten as Grand Secretary. R.W. Bro. W. P. Walker, P.J.G.W., was appointed in his stead.

During the year the Grand Lodge undertook extensive renovation of their Temple. The Grand Master's office was refurnished and the Grand Secretary's revamped and decorated. A ground floor room was made into a library and museum.

In his travels through the Jurisdiction the Grand Master attended many lodge meetings and was left with the impression that many young candidates are being attracted.

The Annual Returns at the end of the Proceedings not only list Berlin Lodge, No. 46, Berlin, Germany, constituted in 1948, which has 588 members on the roll but, also Al Hasa Lodge, U.D., Dhahran, Saudi Arabia. Dispensation was granted January 4, 1966. No figures of membership are available.

The given names of the newly installed Grand Master, Bjarne Kolbjorn, revealed his Norwegian ancestry. He was born in Minnesota of Norwegian parents who migrated to Canada in 1919 when he was six. He was initiated in Eaton Lodge, No. 207, in which his father was a charter member. Although one can never be certain that a name indicates a particular nationality, such names as Bergstrom, Swanson, Arneson, Thoreson, Hansen to be found on the list of Past Grand Masters and present lodge Masters and Secretaries suggest that Masonry in Saskatchewan owes a great deal to Canadians of Scandinavian ancestry.

The Grand Master of the Grand Lodge of Saskatchewan (1953-54), M.W. Bro. R. L. Hanbidge, was presented to Grand Lodge as Lieutenant Governor of Saskatchewan. He spoke about the history of the Grand Lodge, which was formed in 1907 from lodges in Saskatchewan with the permission of the Grand Lodge of Manitoba, the Mother Grand Lodge of Saskatchewan. The speaker said that only two of the Masons who took part in the formation of this Grand Lodge are still living. He told something of the careers of these two distinguished pioneers.

"R.W. Brother Bayne was at one time Deputy Minister of Municipal Affairs in this Province. Later he was Chairman of the Local Government Board. Some years ago he was in a responsible post with the Government of Canada at Ottawa, and I believe is still living.

"The other gentleman, M.W. Brother W. M. Martin, was Grand Master of this Grand Lodge in 1927. For many years he has been a most active member of the Board of General Purposes. Year after year he has prepared the report of one or other of the Grand Lodge Committees. Today he is the Dean of our Past Grand Masters. In August of this year he will be 90 years of age. Not only a great Mason—he is one of Saskatchewan's most distinguished citizens. For eight years a Member of Parliament—for six years Premier of the Province—for about forty years a member of the highest Court in this Province. And for about twenty years prior to his retirement from the Bench, he was the Chief Justice of Saskatchewan."

M.W. Bro. Hanbidge himself has been a member of the Craft for fifty-one years.

Realizing that the Grand Lodge would be celebrating its 60th Anniversary, the Grand Master issued a proclamation to have all lodges participate in a general church service throughout the Province on June 12. Arrangements were made to honour all Masons with sixty years' service or more in the Craft.

While he found that on the whole the condition of Masonry was good in the Jurisdiction, the Grand Master appointed a Committee to see how certain weaknesses could be strengthened. The Committee prepared a comprehensive report which will be made available to all lodges.

The Committee strongly suggested:

- (1) Adequate preparation by the W.M. for all meetings.
- (2) Adequate preparation by the J.W. for the Festive Board.
- (3) More care and attention be given to all Candidates for degrees by the sponsors and Lodge Officers.
- (4) Much wider use and encouragement be given the "Ambassador System" of visiting Lodges.
- (5) The D.D.G.M.'s Select should obtain the services of several well qualified Brethren who will present short Masonic papers, etc. to all Lodges within his District.
- (6) More instruction be given Lodge Officers on their duties and responsibilities at Grand Lodge, District and Area Meetings.
- (7) The Mentor Plan be used more extensively by Lodge Officers to instruct Candidates.
- (8) Our present educational program could be enhanced by a series of slides with suitable commentary on each degree.
- (9) Large Lodges sponsor daughter Lodges.
- (10) Small Lodges with less than 20 resident members, experiencing operating difficulties, should consider amalgamation.

In 1963 the Grand Committee set up a committee to examine the benevolent funds of Grand Lodge. The Committee after very full discussion agreed that a third Masonic Home, to accommodate about thirty persons, should be built, that the capital of the present Masonic Homes should be retained and that an appeal should be launched to finance the new home.

The Quarterly Communication of May 5, 1966, was saddened by the death two weeks before of Bro. The Earl of Eglinton and Winton, Grand Master Mason, 1957-61. During his term of office, he was proud to be able to say that he had visited every District Grand Lodge, except one. His father was Grand Master Mason in 1920 and an earlier ancestor in 1750.

Each year the Grand Master Mason visits some districts outside Scotland. This year the journey was made to attend the centenary celebrations of the Grand Lodge of Nova Scotia. The Grand Master Mason planned to go later to Kuwait, India, Pakistan, Burma, the Middle East, the Philippines, the Far East, and Ceylon.

The Grand Committee has devoted much time to the "Ancient" Penalties. A member prepared a comprehensive "Memorandum" on the subject. This document ran to three full pages of fairly small type. The historical note at least bears reprinting here.

"Within recent years there has been much discussion about removing from our obligations what are known as the 'Ancient' Penalties. This question, as far as Scotland is concerned, is by no means a new one. It is close on one hundred years since the late Brother A. S. MacBride who was Master of Lodge Leven St. John, No. 170, from 1866-1874 and again from 1886-1896 gave serious thought to the subject matter of our ritual and in particular to the wording in the obligation. In one of his 'Specifications' he stated: 'In ancient times it was customary for the Master to read to the candidate the charges containing the duties and the rules to be observed by a Mason. He then administered an Oath de fidei, sometimes consisting of one and never more than two or three sentences somewhat in the manner as that now observed at the Installation of the Master of a Lodge. The

language was then marked by a simplicity which, unfortunately, has given place to an elaborate, uncouth and protracted form for which there is no authority in history or in reason.' Brother MacBride then suggested that after the candidate has accepted his obligation in a simple manner, the Master would then say: 'In ancient times the penalty attached to the violation of this obligation was that of having . . . In these days while the physical penalty is preserved as a s—— we rely upon the greater moral penalties that affect and influence the human soul; the penalties of being publicly branded as a forsworn dishonoured man and Mason; of receiving the well-merited contempt and scorn of all good and true men; of suffering the everlasting horrors of an outraged conscience; and of incurring the just and awful anger of the Infinite Deity whose presence you have invoked as a witness of this solemn obligation.' During the First World War the late Brother J. Stewart Seggie, who was Master of the Lodge of Journeymen Masons, No. 8, in Edinburgh, adopted Brother MacBride's recommendation and for fifty years this Lodge has had no 'ancient' penalty within the obligation."

After the report was discussed in detail, the Grand Committee recommended to Grand Lodge:

- "(1) That all Daughter Lodges within the Scottish Constitution should omit the 'ancient' penalties from the obligations given in their Lodges, and
- (2) that Grand Secretary shall forthwith inform all Daughter Lodges of this recommendation."

The Report and the Recommendations were approved "by an overwhelming majority."

The attention of the Board of General Purposes was drawn to various instances of brethren inserting into advertisements, circulars, letters or other documents, with the object, or apparent object, of advancing themselves or promoting their business or other interests in matters outside the scope and purview of

Freemasonry, quotations from or references to Masonic ritual, or allusions to Masonic affairs or ceremonies, which could not fail to convey to the initiated reader that they have been produced or written by Freemasons and were designed to attract the interest of Freemasons. The Board drew the clear inference from such productions that the authors were making use of their Masonic connection to attract custom or support.

In the opinion of the Board all conduct of this kind is contrary to the fundamental principles of the Craft and should be affirmatively and decisively condemned. The Board therefore recommended that such conduct should be treated as a Masonic offence.

The J. R. Robertson Memorial Library reported that country lodges were not freely availing themselves of the boxes of Masonic books. Any lodge may borrow a box for distribution among the members for a period of three or four months. The name J. R. Robertson reminds us that the greatest treasures in our Grand Lodge Library were gathered by M.W. Bro. J. R. Robertson (G.M. 1890-1).

The Grand Lodge allots twenty-six scholarships to "necessitous, not necessarily brilliant, pupils" between the ages of ten and eighteen years. Recipients must be children of Masons or deceased Masons.

In conformity with a notice of motion, the Grand Registrar moved:

"Now Therefore the Grand Lodge hereby directs (a) the following variation of, and amendments to, the form of the obligation in each of the three degrees, namely, in place of the words 'under no less a penalty on the violation of any of them than that of having' insert the words 'ever bearing in mind the traditional penalty on the violation of any of them, of having', and (b) the following additional variation of and amendment to the obligation in the first three namely in place of the words 'or the more certain' insert the words 'and the certain'."

In supporting the motion the Grand Registrar said:

"In this State and probably in the whole of Australia we have been singularly fortunate in our practice and the study of Freemasonry, in that we are comparatively free from the attacks of those who indulge in what is frequently called 'anti-Masonry'. In many parts of the world such attacks are continuous, they are persistent and they are venomous. For those who know something of Freemasonry, and who have been initiated, passed and raised, and who have seen something of the work of Freemasonry, such attacks cause no sense of apprehension at all, but that is not by any means the end of the story. For Freemasonry to continue there must be those who seek to join its ranks, and we know only too

sadly from recent history that if a lie is big enough and repeated often enough — and if it is repeated with sufficient fervour — there are and always will be those who, perhaps even against their own inclination, will be forced to believe those lies.

“Those who believe the lies may be those who, in due time, would have become interested in, and would have sought to join, our Craft, and who would have wanted to do some of its work. For that reason alone you may feel that it is desirable to disarm our detractors by making a change in that aspect of our ritual which for many years has formed the focal point of the attacks of those who have sought to destroy Freemasonry, namely, the obligations.

“That is the first reason: to remove as far as may be, maintaining always the land-marks of the Order and our principles and tenets, any possible cause of misunderstanding that can be seized upon by those in the outside world. But of course that is not the most important reason. The next reason is by far the most important of any that we may think of, and that is the effect of these penalties, the possible effect on the initiate — the candidate faced with them for the first time.”

In the discussion, it was brought out that the change is a permissive alternative in the Grand Lodge of England but specified in South Australia. The explanation given was that in England there are many Rituals whereas in South Australia there is an authorized Ritual and Grand Lodge specifies what is to go into that Ritual. The motion was carried with three brethren dissenting.

The Governor of the State, a member of the Craft, was officially received and spoke briefly at the opening of Grand Lodge.

Freemasonry is flourishing in South Carolina. The net gain was even greater than that reported for the previous year which in turn was the largest in many years. Nine lodges have built new Temples, dedicated during the year, several are being built and more are in the planning stage. Three new lodges were constituted. Peace and harmony prevailed and no serious disputes or controversies came to the attention of the Grand Master.

The voluntary contributions of the Masons of South Carolina to Louisiana for hurricane relief was more than \$7,000.

A Digest of Decisions of Grand Masters was printed and distributed to the lodges. The publication should be of great use.

The Committee on Fraternal Relations recommended that the Grand Lodge sever fraternal relations with the Grand Lodge of Uruguay. Actually, South Carolina was the only jurisdiction in the United States recognizing Uruguay. Our Grand Lodge does not. The recommendation was adopted. The basis for the recommendation was that "the Grand Lodge of Uruguay does not make it mandatory to display the Volume of the Sacred Law, but permits the constituent lodge to determine what book of the Law will be used, the Bible, or other grand Constitutions, or a white book with blank pages."

The Grand Master, during his term of office, stressed the place of Masonry as a living force in the community, the church, government, and for youth. As a force in the community the Grand Master urged:

"Let us exemplify the great Masonic charity. While our Masonic lodges and the many associated organizations contribute more than a million dollars per day to charity, let us remember that Masonry is not only benevolent in providing for the material needs of its fellowman, but it is also charitable in its condemnation of others. It might be said that Freemasonry practices always the virtue of spreading a mantle of charity over the foibles of men. This is not that Masonry condones the wrongs of men, but it is simply that it refuses to condemn until it knows more of the facts that cause the wrong to exist."

The Fraternal Correspondent in his report told something of the Grand Lodge of Venezuela, which our Grand Lodge recognizes. He lived in various cities in Venezuela for three years (1953-57) and visited several lodges. He found the work done well in Spanish and English. Subordinate lodges also work in German, French and Italian.

The Board of General Purposes held regular monthly meetings excepting December, with good attendance at each.

The Grand Master was concerned with the number of cases in which older Masons showed reluctance to hold office. He believed that the great demands of social evenings and visits to other lodges perhaps were a contributing factor. As he said "When a Master feels obliged to devote five nights a week during most of the year to Masonry he must be neglecting many aspects of his domestic and public life."

The Constitution as it affected the Pro Grand Master was amended. As it stood, the Grand Master was compelled to appoint a Pro Grand Master and a Deputy Grand Master. It was customary for them to follow through to the office of Grand Master, "a total of nine years of fairly strenuous and exacting work." The amendment made the appointment of a Pro Grand Master permissive. The time for the Deputy Grand Master and Grand Master to serve was thus reduced to six years.

The Grand Secretary, R.W. Bro. H. A. Wilkinson, P.D. G.M., retired after twenty years' service.

The following paragraph in the Grand Master's Address reveals a social side to Freemasonry not uncommon in Australia.

"The Launceston and Hobart Masonic Balls continue to be the highlights of the social season in their respective cities. A large number of debutantes were presented to your Grand Master and the Launceston Ball was honoured by the presence of M.W. Bro. His Excellency Sir Charles Gairdner, P.G.M. and Lady Gairdner. The organization of these functions reflects great credit on the W.M.'s. who formed the committees and on all those Masons who worked so hard to make both Balls the success they undoubtedly were. The contributions made possible by these efforts to the Northern and Southern Masonic Homes are of very substantial assistance to these organizations."

For several years the Grand Lodge has been giving consideration to various proposals designed to promote Masonic Education in subordinate lodges, which would bring about increased interest in Freemasonry and in the activities of lodges, engender more pride in the appearance of lodge rooms and premises, and in general create a more attractive and respected image of the Fraternity in the minds of its own members as well as in the eyes of the community.

One of the prime factors in most of these proposals has been the selection and employment of a qualified brother to visit lodges in the interest of such a promotional programme. The Grand Master believed that a "district chairman" would have more influence than a Grand Lodge visitor who might be a relative stranger in many localities. He, therefore, recommended the division of the State into districts with a "District Deputy of the Grand Master" over each. The proposal was to have the Grand Master appoint these officers who were to be known as **Right Worshipfuls** and to retain the designation and regalia after their term in office. The proposal was certainly not revolutionary in Canadian eyes and might well have been copied, in its proposed details, from our system. It was referred to a special committee to be brought up again in 1967.

A historical summary, reprinted with corrections from the 1948 Proceedings, records that lodges chartered by the Grand Lodge of Tennessee played leading parts in the founding of the Grand Lodges of Alabama, Arkansas, Mississippi, Missouri, and the first Grand Lodge of Illinois. Six charters were issued and signed by Andrew Jackson.

All the lodges of the Jurisdiction are in sound financial condition and under good leadership. The Grand Master expressed

the hope that economic conditions in Utah will soon be reflected in an early end to numerical losses. All of the lodges are conducting educational programmes.

Masonry was 100 Years old in Utah on February 5, 1966. On that date, in 1866, Mount Moriah Lodge, No. 2, Salt Lake City, received its dispensation.

In view of this centenary the Grand Orator spoke on "A century of Masonry." The early days were difficult. The fact that the first lodge should not be No. 1 is to be explained by the fact that Mount Moriah Lodge was instituted February 5, 1866, by the Grand Lodge of Nevada and Wasatch Lodge was instituted November 30, 1866, by the Grand Lodge of Montana. However, the former disagreed with a ruling by the Grand Lodge of Nevada and was instituted again December 18, 1867, and subsequently, chartered by the Grand Lodge of Kansas, October 21, 1868. Wasatch Lodge was chartered October 8, 1867. Both lodges surrendered their charters on the formation of the Grand Lodge of Utah, January 20, 1872. Only three lodges existed at that time.

The Grand Historian gave an account of one of the early lodges in Vermont, Mount Vernon, No. 8, chartered in 1813. Among the by-laws a member could not absent himself from the lodge room for more than five minutes without censure from the Worshipful Master. A member was subject to suspension or expulsion if he missed three successive meetings. In view of the difficulties of travel at the time this was a severe penalty.

It was customary at the close of the meeting to call the lodge from labour to refreshment until the next communication. Consequently, lodges often did not close for years.

The Grand Historian, as a point of interest, stated, "It was customary to open and conduct business on the Entered Apprentice Degree." While this custom would surprise no one in our Jurisdiction, one by-law would. It stipulated: "No Brother during the hours of business shall in the Lodge room drink spirituous liquor unless by a general order of the Master." This article was subsequently "Expunged by unanimous vote."

The minutes abound in reports of Masonic charity, as would the minutes of any lodge in America in those early days.

This reference to charity points up two paragraphs in the Report of the Committee on Masonic Charity and Relief which show how the same spirit can be perpetuated today.

"Our first thought when we hear the mention of Masonic Relief is that of funds, food, shelter and proper and adequate medical care, all of which are very essential and the primary consideration of this committee.

"There are also other phases equally important to Masons which we sometimes, and we fear quite often, forget and neglect. The word of hope and encouragement that we may give is the word that may sometimes be needed and which will surely come back to us. The expression of sympathy in the time of sorrow or distress is the expression that we may find comforting in the hour of need. The sincere joy that one takes in another's well deserved honor will be ours when we earn such a distinction. Thus at some time in your Masonic life all Masons may and probably will have the opportunity of becoming participants with the Masonic Relief Committee and we trust you will fulfill your part when that time arrives."

The condition of the Craft in this Jurisdiction is best described in the reports of the Grand Inspector of Workings. He said that "a high standard of ceremonial working continues" and dignity and decorum are maintained by the lodges. He remarked that "the practice of excessive visiting by the wardens, either in groups or individually, and with or without the master of the lodge, tends to discourage potentially good officers from accepting office in the Lodge because many Brethren cannot afford the time to visit extensively over a period of three years." Such an extended period of visiting "may also seriously interfere with home and family life and thus be contrary to the teachings of Freemasonry."

The Grand Master was installed in an impressive ceremony on March 24. In his address he spoke of the large attendance at the service of thanksgiving on the previous Sunday. In particular he paid tribute to the Grand Lodge Choir.

In discussing some of the difficulties facing the subordinate lodges in failing attendance and diminution of numbers he did point out that during the calendar year 2,877 members had been initiated and that the total membership was approximately 110,000 out of an eligible male population of about 920,000.

The Grand Master said that he believed that the completion of the new Temple at East Melbourne would be a sign of unity and strength, "but," he continued, "these outward and visible signs are but nothing compared with the great influence the membership of the Order can exert, not as a pressure group, a fashionable growth in our modern democracies, but through the lives and conduct of men who by constant repetition in Masonic circles of the value of brotherly love, relief and truth have become so indoctrinated with the worth of such principles that they readily put them into practice. Is this unrealistic idealism? From my experience I believe not."

The Masonic Temple Project was held up when it was found that the proposal would require a capital expenditure of £2,386,235. However, the Committee worked on modifications with a view to bringing the cost to approximately £1,000,000.

The Grand Master was re-elected at the December Quarterly Communication.

The Masonic Home celebrated its 75th Anniversary. During its history 830 children have passed through to take their places in their various communities. During the year eighteen boys and girls were on the roll. The home for aging brethren, their wives and widows has been in operation for ten years.

The Committee of the Past Grand Masters presented a comprehensive review of the year. Among many other matters they reported that Masonic Schools had proved to be of great value over the years, not only in enabling brethren to learn the ritual but also in providing an opportunity to exchange ideas. They also said that the need for new lodges in some sections is quite evident. "Some lodges located in the fringe areas of our greater metropolitan areas are bursting at the seams because of the work load and the number of petitioners knocking at their doors."

The Grand Master found most lodges in good health. The exceptions are in a few areas of Alaska and some remote parts of Washington. Shrinking population in some regions makes it impossible to keep up lodge strength. Nevertheless some lodges continue active in spite of the conditions. The Grand Master told of one lodge with fifty-one members.

"It is in a remote dry farming community; the population is shrinking with consolidation of land holdings. Of its members, 32 are Past Masters. One of these lives in a far away State; one was ill. There were 28 Past Masters in attendance. Of the membership living within 100 miles, well over 80% was present. At their dinner the musical entertainment was the most artistically sophisticated of any I heard. Interest and spirit were palpably apparent. This and similar experiences have somewhat allayed, though not extinguished, my anxiety concerning our continuing membership loss."

Each lodge was directed to submit an exterior photograph of its Temple. Though not all complied, a by-product was "a noticeable improvement in the exterior appearance of the Temples" for which photographs were received.

Grand Master, 1966-67 — M.W. Bro. N. R. Collins

Lodges, 318. Membership, 21,189. Loss, 464.

The new Freemasons' Hall was a matter which engaged the attention of the Board of General Purposes over the year. The cost was found to be \$800,000 and the assets in the building fund are \$600,000. Modifications were considered and approved.

The Board met fifteen times during the year prior to the October Communication.

Much of the business of the Grand Jurisdiction seems to be done by the Board of General Purposes. Consequently, the Regular Communications are short. The retiring Grand Master spoke briefly in April and in October told of his travels through his large Jurisdiction. The newly-installed Grand Master did not make a formal address, simply thanking the Brethren and installing officer.

WEST VIRGINIA — 1966

102nd Annual Communication — October 12-13.

Grand Master, 1965-66 — M.W. Bro. H. G. Kaufman
Grand Master, 1966-67 — M.W. Bro. F. Keeler

Lodges, 162. Membership, 47,854. Loss, 200.

The Masonic Home reported an average of sixty residents during the year. The total cost of maintenance and operation for the period was \$136,000, making an average of about \$2,200 per capita. Residents contribute about one third of the total cost of operation. The average age of residents is almost 83. As these Reviews stated in 1962 the picture of the Home shows it to be an attractive building set in a wooded area. The Home appears to be the major benevolence in the Jurisdiction. The Committee on Charity reported disbursements of \$1,000. Since the Grand Jurisdiction operates on a budget of approximately \$46,000, the contributions to benevolence and charity make an impressive figure.

WISCONSIN — 1966

122nd Annual Communication — June 14-15.

Grand Master, 1965-66 — M.W. Bro. W. J. Kahlenberg
Grand Master, 1966-67 — M.W. Bro. D. Inman

Lodges, 304.

Membership, 57,757.

Loss, 511.

The Committee on Temple Plans and Financing made numerous visits to lodges interested in the purchase of property, renovations and the construction of new Temples. In addition, the Committee produced a Grand Lodge Planning Book which contains design and layout plans for a number of representative Masonic Temples, some of them already built in Wisconsin. The book also contains a list of minimum requirements for lodges in the Jurisdiction and a questionnaire application for Grand Lodge approval of plans for building and financing. One would imagine that this book might be useful in other jurisdictions.

In addition to lodges already under construction, eighteen lodges are planning new or renovated premises.

All Grand Lodge officers met together four times during the year. In addition, there were three Grand Lodge Regional Conferences. Some of the topics discussed were "The establishment of an endowment fund for the Wisconsin Masonic Home," "Thoughts on avouchment," "Temple plans and financing," "The need for more effective use of our temples," "The use of tape recorders for lodge music and rehearsals," "Proposed legislation," and "Lodge attendance incentives."

Owing to shifting population and other causes, four smaller lodges were consolidated as two. Two lodges celebrated centennials.

Among his decisions, the Grand Master permitted the holding of a meeting and the conferring of a Third Degree in an open field, with proper safeguards.

After a two-year trial period of state-wide concurrent jurisdiction, the experiment was found to be a success. The Code was changed to make the change permanent.

WYOMING — 1966

92nd Annual Communication — August 22-23.

Grand Master, 1965-66 — M.W. Bro. A. C. Harding

Grand Master, 1966-67 — M.W. Bro. J. D. Prugh

Lodges, 55.

Membership, 12,805.

Loss, 89.

The Grand Lodge met in eleven Special Communications. Seven were for the purpose of laying cornerstones. On one occasion two were laid. The buildings involved included schools and university buildings. One was for a Salvation Army Community Centre. Few Grand Jurisdictions carry out the ceremony more frequently.

Two of those introduced at the Annual Communication were the State Treasurer and the State Superintendent of Education. There are only five state elective officers and four are held by persons prominent in Masonry in Wyoming.

Although the Grand Jurisdiction is by no means large the Wyoming Masonic Home Fund Foundation reported total assets of just over \$300,000 and no liabilities.

Dual memberships are permitted but only 102 hold memberships in Wyoming and another state and sixty-six in two Wyoming lodges.

APPENDIX "B"

**Address by M.W. Bro. W. L. WRIGHT
at the
GRAND MASTER'S BANQUET
Held in the Canadian Room,
Royal York Hotel, Toronto, Ontario,
July 19th, 1967**

M.W. BRO. IRVINE: M.W. Grand Master, Distinguished Guests, and my Brethren: It is my privilege tonight to present to many of you and to introduce perhaps to a few of you our distinguished speaker. It has been my good fortune to have heard him on many occasions, and it has always been my custom to eagerly look forward to the message that he is about to deliver. I am sure that you will agree with me that he has the ability to disturb the thinking of even the most placid of individuals.

Our speaker has two outstanding attributes in addition to many others, that, I am sure that many of you will agree with me, are the prime requisites of a person of high stature. First of all he is Irish by extraction, secondly he is an Anglican and, I might add for our friends from the United States, that that is Episcopalian. (Laughter).

Our speaker was born in Roslin, Ontario, and was educated at Lyn and Kingston. He graduated from Queen's University and Trinity College here in Toronto. He was ordained a Deacon in 1926, a Priest in 1927; he served as Rector in Tweed, Ontario, Christ Church Cathedral in Hamilton, St. George's in Toronto, and St. Luke's Cathedral in Sault Ste. Marie. In 1944 he was elected by the Senate of Algoma to become the Bishop of that Diocese. On April 20, 1955, our speaker was elected Metropolitan of Ontario and enthroned in St. Luke's Cathedral, Sault Ste. Marie, on June the 9th of that year. Our illustrious speaker is married; he has four children who are now young men and women. He has always been very active in Masonic circles. He was initiated in Tweed Lodge, No. 239, later affiliated with Barton Lodge, No. 6 of Hamilton and again with Hatherly Lodge, No. 625, Sault Ste. Marie. He served as Master in 1944-45-46. In 1947 he served as Grand Chaplain of the Grand Lodge of Canada in the Province of Ontario. From 1948 through 1952 he was a member of our Board of General Purposes. In 1953 he became our Deputy Grand Master, and was installed as Grand Master at the time of our Centennial Celebration in 1955. He is a member of Algonquin Chapter, Rice Lake, of the Ancient

and Accepted Scottish Rite of Freemasonry, the Ancient and Arabic Order of the Mystic Shrine, an active member of the Supreme Council, 33°, and presently holds the office of Grand Prior in that organization. He is also a member of the Royal Order of Scotland.

My brethren, because of the time, I am going to cut it short because I know you have all been waiting to hear our speaker, but I would like to assure you that it is a great pleasure for me tonight to present to you, Archbishop William Lockridge Wright, I should say M.W. Bro. Archbishop William Lockridge Wright, Past Grand Master. (Applause).

M.W. BRO. ARCHBISHOP W. L. WRIGHT: M.W. Grand Master, M.W. Bro. Irvine and Brethren: I wish first of all to thank you, M.W. Bro. Irvine, for your very gracious introduction. I should like to have enlarged upon it (laughter) but the sincerity of the brevity of this is such that I will not add anything more at this time. (Laughter) I have been a very busy person in the last few years, and you have added all that you might, tonight, in that you kept within due bounds because, after all, I have some other outside interests and maybe you'd be glad to hear about them — but I won't tell them. (Laughter).

I produce this watch here. Some of you brethren tonight will remember when I was Grand Master I told a story one time about the Anglican who invited a friend to his church but his friend didn't want to go to the Anglican Church because he said he would be embarrassed and humiliated. He was asked why? He said, "because of your ups and downs, and half the time I wouldn't know what to do." He was told that he wouldn't have any trouble; his Anglican friend said "just follow me." So they went over to the church and the first thing they saw was the Parson doing this (indicating) and he said "what does that mean?" The Anglican said "they want you to stand up." So he said "that's fine." A little bit later the Pastor did this (indicating) and he asked "what does that mean." The Anglican said "he wants you to sit down." Fine. Then the time came for the sermon of course and the Parson took out his watch with a great deal of decorum and put it over on the side of the pulpit. The Anglican's friend leaned over and said "what does that mean?" The Anglican said "not a damned thing." (Laughter).

I know there are many in this hall here tonight that think that is not a very appropriate story for an Archbishop — but if you were standing here at five after ten o'clock, what would you do? (Laughter). I'd like to put the question to you: How many of you would like to trade places with me right now? (Laughter) But I want to say this, by way of introduction, I am not going to keep you too long, I think we ought to be out of here in an hour-and-a-quarter. (Laughter).

But I'll let you into a secret, it was the Grand East that ganged up on me again. They said we wanted to have a Canadian who would give the address — and that's the only qualification I have. (Laughter). And this very charming and disarming Grand Master (M.W. Bro. Allan) was the leader of the conspiracy. He was the one who thought it would be very nice, you know. In the manner that he hires he overcomes all obstacles as far as this is concerned. But, be that as it may, it would have been a very great delight if I had had a very happy or restful time in the last few weeks because this is a big undertaking for me.

I remember when I was about six years of age I strayed away from the Rectory — I'm the son of The Rectory you know — and went over to the country village, and I walked in on seven members of the Ladies' Aid of the Presbyterian Church and they were doing some quilting. They were all seated around this big quilt sewing away, and I stepped up—remember I was only six years of age—and I said to them, right there, very brazenly, "I can whistle." They said "that's fine, let's hear you." So I whistled and what did I whistle? I whistled "It's a Long Way to Tipperary." The President said "now that's fine, you trot along home." I said "wait, there's two more verses." (Laughter). Well, this is the second verse I'm whistling tonight because there was a Banquet here six years ago when I stood before you and I thought to myself, "well, this will be the swan song." Nevertheless, I know that I am among my very close friends here tonight, all of you will give me that sympathetic fellowship and see me through and I will try to face up to the challenge that I want to present to you tonight in this Centennial Year under the subject of "Canada and Freemasonry".

CANADA AND FREEMASONRY

As has been intimated, my roots are not only in this great land but, in particular, in our own Jurisdiction in the Province of Ontario because, as you have already heard, I have come from the rural crossroads of Hastings County and I come, bringing with me the heritage, not only of this Province, but also the Masonic inheritance of my Mother Lodge at Tweed, ten miles from the place of my birth at Roslin near Belleville.

I know the country roads, the friendly villages, the hospitable farmhouse, yes, the austerity of touring buildings in the metropolitan areas throughout this Province. I have smelt the clover of Wolfe Island as I sailed the St. Lawrence River as a bell-boy on commodious steamers many years ago.

I have experienced the beauty of the Niagara Peninsula, the sound of the waves of Lake Huron. My soul has been enriched as I travelled through the roaming farmlands of Western

Ontario. For over twenty-five years I have shared the glories of Northern Ontario with its sympathetic rocks, its lakes, its woodlands, and the intimate friendship of my Brother Masons, and I never weary of gazing upon those rocks running like an iron band across the north country which John Buchan calls the Lid of the Treasure Box, the pre-Cambrian Shield.

So tonight, brethren, you will, therefore, forgive me if I record something of my strong affection for and belief in, not only my beloved Province but the whole of Canada, I say "all of Canada" for I am part of all that I have met, the great Atlantic Provinces, the sound of the sea on the rocks, historic Quebec and its formidable ramparts and historic churches. And away to the west, eight hundred miles of prairies of waving wheat, the mighty Rockies and then beyond, the valleys, meadows and orchards of British Columbia. Finally, the great northland of the midnight sun stretching far beyond the path of the ordinary traveller until in the distance, the gleaming Arctic stands as a silent citadel to the romance and solidarity of this great land.

Against this background there comes to me the classical reference of Pericles which says: "Fix your eyes on the greatness of your country as you have it before you day by day; fall in love with her and when you feel her greatness, remember that her greatness was won by men with courage, with knowledge of their duty and with a sense of honour in action, who even if they failed in some venture would not think of depriving the country of their powers but lay them at their feet as their fairest offerings." Such has been the undying loyalty of pioneers and settlers of many and varying nationalities in this land.

Though Jacques Cartier made his first voyage to this land in 1534, the 100th Anniversary Canada celebrates did not take place until 333 years later. Those three centuries were marked by the hardship of pioneering, the adversity of climate and the heartaches of loneliness.

And the men who followed the pioneers to bring about Confederation were great men too. They were not signing up to blast off for a flight to some future State. They were building the State there and then. They were not philosophical theorists like Plato bringing in Republic. They were not gifted with second sight, showing them that within 100 years the population would have increased six-fold, that gold, oil, silver, copper, iron-ore, nickel and a dozen other minerals would have entered the economy of the country, that transportation by land, by air, by water would revolutionize our way of living. What they did was construct, within their knowledge and with spirits that were idealistic and hands that were practical, a foundation and building perfect in its parts and honourable to the builder. And in the midst of these pioneers were a corps of men who possessed a firm belief in God and in the brotherhood of man, Freemasons,

your ancestors and my ancestors, who have handed down to us unimpaired from generation to generation a way of life that has contributed to the well-being of our nation today.

The pioneers of Freemasonry in Eastern Canada brought with them the loyalty of their military tradition. The historic Lodges of this Jurisdiction in Niagara, in Kingston, in Brockville, Banff and other border areas, encompass within their ranks the best and noblest representatives of Freemasonry from the Grand Lodge of England and other Jurisdictions. And tonight, as we recapture the spirit of Canada's Centennial and her pioneers, and cast a special nostalgic glance across Ontario during the past 100 years, I ask you to recall and salute the great host of Masons who have passed to the Grand Lodge Above.

Having been a Grand Master of this Jurisdiction, I know something of the illustrious history of those Masonic pioneers. My earliest boyhood recollections recall to mind the long row of horses and buggies tied to hitching posts outside village stores over which were those mysterious quarters whose windows were darkened to keep off all inquisitors and intruders. It was this type of building that my grandfather attended, my father attended, and I now attend to follow their example. During the past 100 years in this Jurisdiction, thousands of men have not thought it derogatory to their station in life to assemble in the sacred precincts of a Masonic Lodge to share their moral teaching, which is a cornerstone of society and which is the secret of Canada's well-being as she enters the second century.

That brings me to the great contribution which I believe Freemasonry can make to this country of ours as Canada enters the second century and I do this rather briefly tonight. I give five qualities which are inherent in Freemasonry and have you think of them and see if that challenge is not before us all of today? Canada and Freemasonry, because no triumph first of all can mark the history of the country or an institution without the element of faith, and that is my first word. My first word is "faith", because Freemasonry can instil faith in Canada's future just because Freemasonry tenaciously clings to faith in her teaching and in her ritual. Of course, it must be faith that is not merely intellectual assent to the fact of God in the universe. It must be faith that is an acknowledgement of the sovereignty of God over all life, an acknowledgement of the priority of the claims of God upon all life and also an acknowledgement of the duty to do the will of God in all of life.

Faith in Immortality is the ultimate lesson of Masonic philosophy and needs little by way of explanation.

It is an implicit assertion of the worth of the human soul and a declaration of our belief in the integrity of the universe.

And faith in the Volume of the Sacred Law means of course faith in the Bible, that book we take to lead and rule and guide our lives. The importance of the Bible grows on us as we contemplate the drift from authority in the thinking and acting of men today. We are being told that there is no absolute to which we can cling. There are those who publicly shout from the house-tops that the Ten Commandments are out of date. They maintain there is no longer a series of choices between the true and the false, between right and wrong, but a series of mere rationalizations in which all moral values are eliminated through refusing to acknowledge any standards as having inherent validity or absolute authority.

Freemasonry makes no such cowardly retreat from reality. We say that there is a truth that must be believed; there is a law that must be obeyed; there is a moral sovereignty to which we must submit. This is fundamental in any nation's development. It is imperative that faith is kept untarnished as Canada enters the second century of her existence.

Secondly, Work, because no worth-while national or personal objective can be accomplished without work. "Work" is the second word. What has Masonry to say about work? The original Freemasons were craftsmen, stone-masons who worked with essential tools at their command, the work in hand may have been the erection of the cathedral, but they could not build a cathedral just by dreaming about it. They needed essential tools and those tools constituted the means by which the cathedral was built. They had to have hammers, chisels, gauges, squares, levels, other tools necessary for the undertaking. These instruments were not to be used in speculation as men used mathematical formula; they were to be used by the hand in the performance of physical work as a means to the accomplishment of the desired ends.

This, I believe, has a searching relevance to our lives and is a stinging rebuke to the inane practice of wishing for ends without using the tools to realize them. What it says is that the tools are symbols of action for the realization of desired ends. It is one of the distinctive features of Freemasonry that it combines the ideal and the practical, the ends and the means. It not only gives us worldly things but tells us how they can be reached. What Freemasonry says is, that it is no use just wishing for great ends until you are ready to use the things to attain them. It is no use wishing for prosperity in Canada if we are not willing to fulfil the conditions that make for prosperity. It is no use wishing for peace until we are ready to create the conditions that make for peace. If you organize your domestic affairs in the interest of happiness as meticulously as you organize your business for success, then there will be no broken homes.

Let capital and labour put as much time as possible in discovering and applying the conditions that make for industrial peace as they do in the discovering and applying the conditions that make for greater profits, or stronger union, and there will be no strikes. If you want to achieve great ends, then work with the tools that are essential to that achievement, and this is the Masonic interpretation of work. My second word is "work" which can be applied to Canada's future, because, unless we have the will to work in this country, the desire to work, we shall be unworthy of the national heritage that has already been bequeathed to us. Canada and Freemasonry — Faith — Work.

Thirdly, Character. Character is Masonry's great objective, as it should be the objective of all the citizens of any country. If character fails in Freemasons, where can we expect to succeed? Freemasonry does not belong by rights to every person; it is confined to men; it is confined to men who are free-born; it is confined to men who have attained their majority. A Mason must be completely independent and not in any sense under the control of another, not even his parents.

Slavery was present when our ritual was established. That's the insistence of our being free-born. A man must be his own master if he would be a Mason. He must be one who is able to think for himself, believe for himself, make his own decisions and act for himself, and this is still important. If one gives evidence that he is under the control of a man or an institution or a government and, therefore, not free to steer his own course in life, he should be given no consideration for the degrees in Freemasonry. We want men who are free to give expression to the principles that we teach.

Character is of the very essence of Freemasonry as it is of the very essence of the well-being of a nation. It is the cornerstone of personal and social well-being because all the problems are ultimately human problems. We try to escape at times, the responsibility for them by giving them special labels. We say, for instance, this is a political problem but because I am not a politician I am not responsible. We say this is an educational problem but inasmuch as I am not an educationist, I am not responsible. But every problem is a human problem and the responsibility of all of us, and that is something we should always keep in mind. The human problem is solved at the character level of the individual who has to deal with it. How men face their problems is of paramount importance.

Freemasonry has no interest in the political parties, or the religious denominations of men, but it is concerned to see that men face the issues of life not only with intelligence but with determination, that any loss is preferable to the betrayal of a trust.

Froude, the great historian, wrote "history is a voice forever sounding across the ages the laws of right and wrong, opinions alter, manners change, creeds rise and fall, but the moral law is written on the tablets of eternity." No nation can be great unless the soul of its people is made strong.

The great contribution of Freemasonry to this land of ours is to see that men are men of integrity, and that the soul of Canada is made virile and strong as it enters its second century.

My fourth word is "Brotherhood," which has a timely significance to Canada and Freemasonry. That great word encompasses so much for us all. I want to just say a word about brotherhood. It must be acknowledged that our Masonic secrecy creates suspicion in some quarters. Men think there is something sinister about it. We are asked why we have to be a secret society? Is it because there are things of which we are ashamed? Are we engaged in some form of conspiracy that demands secrecy? My answer to that, is that I have been a Mason for thirty-seven years. I have been associated as you have heard to-night with many branches of Freemasonry, but I have never heard anything in a Masonic meeting that could not have been shouted from the house-tops and to the benefit of all who would have listened. Our secrets are modes of recognition and, as such, have no possible interest for others outside our Lodges. But there is something in human nature that is satisfied by this secrecy. It strengthens the bonds that hold us together. Don't ask me to explain it because I can't. But I do know that it is a factor that makes possible this brotherhood that girdles the earth and enables men to recognize one another across the boundaries of race, of religion and language and colour, that ordinarily separate us one from the other.

But while this secrecy acts as a cohesive force, it is not for the purpose of establishing an exclusive brotherhood. It is not that we might have privileges denied to other men. It is rather that we may be the better able to accept the obligations we owe to all men. Freemasonry is our declaration that mankind is one and indivisible, and that we must learn to live together if we are going to live at all.

This fundamental unity has been beautifully expressed by John Donne, a clergyman who lived three hundred years ago. He wrote: "No man is an island entire in itself; every man is a piece of the continent, a part of the main. If a clod be washed away by the sea, Europe is the less; as well as if a promontory were, as well as if a manor of thy friend's or thine own were. Any man's death diminishes me. I am involved in mankind and, therefore, never send to see for whom the bell tolls—it tolls for thee."

Here we have the unequivocal statement that nothing can happen to another that won't have an effect on you and upon me. Never send to see who is at war when the soldiers start marching anywhere in the world and when the guns begin to roar because you and I are at war. Never send to see whose house is in danger when fire rages in the community—it's your house that is in danger. Never send to see whose life is in jeopardy when plague enters the community—your life is in jeopardy. We belong together. The race that is on today is not a race between capitalism and communism. It is not a race between totalitarianism and democracy. It is a race between brotherhood and destruction. Every warrior on our earth cries out to us to live by the principle of brotherhood or accept the destruction which is inevitable. The world must learn the secrets of life that will establish brotherhood if it would find its life. It is necessary today to see this brotherhood. Canada needs, as the second century opens up, to express this brotherhood, ever-increasing national unity and religious unity, and I would like to have said more about these but I will not at the moment.

Just two weeks ago today I was at Westminster Abbey representing our church together with other leaders of the Christian Faith, with Hebrew people, the Hebrew Faith, and the Queen Mother came up to us and said "it's wonderful to see all of you representing all of the different denominations and also the Hebrew Religion. Truly this is a great undertaking; this expresses so beautifully something of the spirit of brotherhood in this day and age."

What is Canada's future? My last word is "Culture." There is a deep-seated relationship between culture and goodness. Canada enters her second century and she might well take to herself a little more culture, some manners and other terms spelling out the same need.

Within the ritual and decorum of a Masonic Lodge are ingrained reverence and respect. There is a deep-seated relationship between culture and goodness. Sound manners is another spelling out the same need. In days of old, man made the manners; today it is manners that make the man.

Everywhere history shows that the decline of morals is affected by deterioration of men, while rising standards of moral life most often reflect themselves in the purity of manners and human decency. Let no one think that culture, good manners constitute a mere veneer to gloss over our civilization. They are our very way of life; they add to gracious living; they nourish a fundamental decency which Canada needs to preserve. Sound manners are the final and perfect flower of noble character, but so often how little chivalry is to be seen in the leaders of society! How rare is the polite regard for other people's feelings, especially

when the colour-line is crossed! What a temptation there is to brag and to bluster and to vilify the nationals of other lands.

It was Wordsworth in the year 1802 observing the deterioration in English manners who wrote that mighty poem:

"Milton! thou should'st be living at this hour
England hath need of thee; she is a fen
Of stagnant waters, altar, sword and pen,
Fireside, the heroic wealth of hall and bower,
Have forfeited their ancient English dower
Of ancient happiness. We are selfish men;
O raise us up, return to us again,
And give us manners, virtue, freedom, power."

This is the challenge before all Canadians today, because not until we have, as a nation, diplomacy and an international quota of good manners, shall we have the dawn of international goodwill. Culture must be the eternal ingredient in Canada's future if Canada is to become the nation that Canada can become.

Canada and Freemasonry on this 100th Anniversary of Confederation, we salute the past. We salute those early pioneers of our nation's history. We acknowledge and give thanks to our brothers of Freemasonry for their outstanding contribution to our heritage, that as we look forward into Canada's second century regardless of the formats that Freemasonry may take in the future, there will never be more worthy principles for Canada to emulate than those which Freemasonry has bequeathed to us, namely, Faith, Work, Character, Brotherhood, Culture. Thank you. (Continued applause).

Brethren rise.

DEPUTY GRAND MASTER DONALD GUNN: M.W. Grand Master, Distinguished Guests and Brethren: As our distinguished speaker told you, it has been insistence of the M.W. the Grand Master, backed by the unanimous support of the other Members of the Grand East that finally overcame the reluctance of this modest and distinguished gentleman to be our speaker on this outstanding occasion. May I say briefly, in addition to the innate modesty which brothers who know him realize very well, that he has other outstanding gifts of mind and of heart, a pleasing personality, a resonant voice. In fact he looks like an Archbishop, brethren, and those of us of smaller physical stature will have to have a lot of zeal to make up for the things that fell upon him, or were bestowed upon him by kindly Providence.

My brethren, I always seem to think that the chief characteristic required of the man who is appointed to convey the thanks of the meeting to an outstanding speaker, and I am sure that I am speaking on your behalf as well as on my own, when I say that the confidence of the M.W. the Grand Master and his confreres of the Grand East was amply justified, and we have been privileged to listen to an inspirational and challenging address from a distinguished Canadian, and on your behalf, as well as on my own, I tender him our most sincere thanks. (Applause).

THE GRAND MASTER: I shall not say anything that would be an anticlimax to this wonderful address we have heard tonight. I may say to our very much loved M.W. Brother that I have had an experience tonight—and I have sat in this position very many times—that I have had an experience tonight that I have never had before in this room, and that is, the privilege of standing up and looking at this room completely full of heads. I have never seen such a crowd in this room before, and it is an inspiration, I know, to me as it must be to every one of you here and I say, M.W. Bro. Wright, that Masonry in this Jurisdiction will be the better for your having delivered this wonderful address tonight.

I am so delighted that the members availed themselves of the opportunity of being here and the rapt attention of the brethren is an indication of their appreciation.

APPENDIX "C"

**Address Delivered By
R.W. Bro. Donald M. Fleming
at the
Grand Master's Dinner**

TENTH BIENNIAL CONFERENCE OF GRAND AND DISTRICT GRAND LODGES OF CANADA

Royal York Hotel, Toronto, February 15, 1967

Brethren: We are extremely fortunate tonight in having R.W. Bro. the Hon. Donald M. Fleming to be with us and to speak to us. Everyone knows the name Donald Fleming and after you have listened to him tonight you will have the feeling that you have known him too.

Bro. Fleming is a member of our Board of General Purposes and, as such, has been very active in our Masonic work. He is a tireless individual, he doesn't know when he gets tired, the result is that we impose upon him a great deal. He has visited throughout the Jurisdiction and has done a great deal to encourage and inspire some of our smaller lodges throughout the Province.

As you know he was Minister of Finance in Canada. I am not sure that the person who imposes taxes endears himself to very many persons. (Laughter). However you could be very sure, and I speak with a little experience, that it isn't a matter of choice which requires a Minister of Finance to impose taxes.

To us who know Donald Fleming well, he has those fine qualities of character which make him a great man. It's a saying that is often repeated that someone is a great Canadian, and this may be very true of the person with whom one is speaking. But when I say that Donald Fleming is a great Canadian I mean every word of it. He is great in so many ways. He is a wonderful husband, a wonderful churchman, a wonderful parent. He has been interested in all sorts of community things that are good.

I could have read a very long introduction tonight, but I think we are looking upon him tonight as a Brother Mason, one of whom we in this Province are very proud, and I am sure that you will be delighted to hear him and, after you have heard him, you will think it worth your while to have come to this Conference particularly because you have had the opportunity of listening to the speaker that you are going to have tonight. And so, brethren, I

am going to now introduce, without any fanfare, introduce our Brother Donald M. Fleming, and ask him to speak to you. (Applause).

R.W. THE HON. DONALD M. FLEMING: (Ontario) M.W. Grand Master, M.W. Sirs and Brethren: It's a very high privilege that I have tonight and I am deeply sensible of it. That was a most charitable introduction which I received from our Grand Master. There's a certain kindred feeling, I am sure, between Ministers of Finance and Provincial Treasurers — they have suffered together. (Laughter).

It was, as I thought, a very great French Minister of Finance, the Minister of Finance in the Restoration Period after Napoleon's days who said: "Un ministre des finances n'a d'autre vertue que la férocité." Now for Ewart Dixon's benefit I'm going to translate that: (Laughter) "A Minister of Finance has no other virtue but ferocity."

I was one night sitting at dinner in Paris at the Palace de Louvre which is the official residence of the French Minister of Finance. They really know how to use a Minister of Finance in Paris: they give him a palace to live in, one of these beautiful palaces built by Napoleon III, great walls decorated with gold leaf and you have the feeling of well-being in the place.

I was talking to the French Minister of Finance at that time, and I proceeded to quote this; he said, "Oh no, he didn't say that, that was Gladstone." (Laughter). So I said, "What did he say, then?" He said, "Faites moi de bonnes politiques, et je vous ferai de bonnes finances." Again, for Ewart's benefit, "Give me good policies and I'll give you good finances." (Laughter). I think this could be the theme song of many a Provincial Treasurer and Minister of Finance.

I shall never forget one morning, a summer morning in Ottawa, the first day of the summer, June 21, 1957 when a group of us were assembled on the steps of Government House awaiting to be sworn into office. Just as we entered Government House we were handed a list with the names and the portfolios, and there I read the name of John G. Diefenbaker, Prime Minister, President of the Council and Secretary of State for External Affairs; next was Howard C. Green, Minister of Public Works; and then I saw my name, Minister of Finance. That didn't surprise me particularly, but the words that followed did, "And Receiver General of Canada." And that struck me with an awful thud, an awful thud. It was something of a shock to realize that I was to become Receiver General of Canada. The thought that went through my mind, M.W. Bro. Jim was this: Receiver General, that's that miserable bloke in whose favour I've been writing tax cheques all these year and every time I wrote one I hated him, and now I'm it. (Laughter). It was a terrible moment of history, believe me.

Brethren, sensible as I am of the honour that has been done to me, grateful as I am for the privilege of meeting with you and being invited to address you, I wish to say that it was not easy to choose a subject for an occasion of this kind. But one thing I was sure I wished to do, and that was to say to you who are visitors to this Jurisdiction, that we in the Grand Lodge of Canada in the Province of Ontario are profoundly grateful to the M.W. The Grand Master, and the Grand East, for the leadership which we in this Jurisdiction have received from them.

I am sure, brethren, that those whom you lead in the other Jurisdictions in this country have the same feeling about you, as we have towards the Grand East in this Jurisdiction. We are thankful that we have men of exemplary life to whom we can always look up. Life has varying dimensions to different people. I think the finest dimensions are those that we are conscious of only when we look up. And we are extremely fortunate in this Jurisdiction in the leadership we have had. I am not gilding any lillies when I say what I have said and add that these men have greatly endeared themselves to the hearts of the brethren.

The subject that I have chosen, brethren, is "Masonry in the Centennial Setting."

I do not know what subjects will be occupying your deliberations during these several days of your Tenth Biennial Conference. It may be that I am trespassing on subjects that will come under review. I can only plead my utter innocence if this be the case.

"MASONRY IN THE CENTENNIAL SETTING"

National occasions should be welcomed and cherished. They are capable of giving a fresh impulse, for oftentimes a new impetus is required. Well used, they do challenge us to stop and assess situations. The present national occasion, the Centennial, is one that invites people and various organizations across this country to undertake projects. I suppose before 1967 has run its course the word "project" will become so tiresome to everybody's ears that we won't want to hear it again for the rest of our lives. But if we lose the opportunity of harnessing some of the impetus that comes in a year like this, we will have sadly failed.

It's time for us, whether as individuals or members of a great Order, to ask ourselves what contribution we have made to Canada, what contribution our Order has made to Canada—in other words what have we done and, with it, the inevitable sequel—what can we do?

I cannot pretend, my brethren, to recount here tonight the contribution of Masonry to Canada, to the nation, to its history. I will say that it has been an enormous contribution, and I will say that it has been part of Canadian history. It's not something

apart from the history of this nation because the history of Masonry is so completely interwoven with the history of the Canadian people. Masonry has never been withdrawn, separated or removed. Masonry is in the world. Masonry has been in the history of the Canadian people.

Now if we think of our pioneer forebearers we will be aware that unlike the pioneers who came to the United States, the early white settlers, the early white settlers did not come to this country in search of religious liberty that was denied to them at home.

Important consequences have followed from this difference. There isn't time to recall all of them here tonight; but this country did not begin its corporate and national existence on the heels of a revolution. The predominant thought in the minds of the early pioneers was not that they wanted a complete severance from the past, not that they had overturned something and that there was no spiritual affinity of any kind between them of that day and what had gone before. No, the early white settlers in this country brought their institutions with them, and they sought to plant in this country the institutions that they had known and cherished in their home lands.

Well, there followed days of turmoil, days of unsettlement, the War of 1812-14, the Rebellion of 1837-38, the days of political stalemate. This I suppose historians agree was about the most unhappy experience in the history of what is now Canada.

The Maritime Provinces as they are today escaped some of the unhappy features of life in what was then Upper Canada, Lower Canada, Canada East and Canada West in pre-Confederation days.

The history of Masonry in what is now Ontario was troubled and unhappy until the great events of 1855 and later 1855. But all the while, all through this unhappy period, Masonry was making its steady contribution to order, to stability, to social and governmental institutions, to faith, charity, without which there would have been no base, no spiritual or social base for confederation of what was to come.

Masons were in positions of responsibility, they were helping to shape history and, as true Masons in what they undertook to do, whether in their respective callings or in their public life, they expressed the ideals that were inculcated in the lodge.

Confederation was almost a miracle. When we look back today and seek to measure the difficulties, those stubborn difficulties and obstacles that beset the Fathers at every turn, one wonders the more today that Confederation was ever achieved.

By any standard, it ranks as one of the great constructive achievements of statesmanship of all time. The Fathers of Confederation, my brethren, have never been given adequate credit for that achievement. More history needs to be written of that period, and more history needs to be read by Canadians.

There have been several very good new books on that period that have been brought out. There's Professor Creighton's work on the pre-Confederation years, and there are others. Canadians should be encouraged to be reading more of the history of this period; they'd be better Canadians for it.

We will be reading in the circular that Ewart Dixon is about to send out of the part that Sir John A. Macdonald had in Masonry in this Province. We can be proud of the fact that it was another Mason, Sir Leonard Tilley, from New Brunswick, who was more responsible than anyone else for the fact that the name that gave this country its status and gave its name to the status of countries in the Commonwealth for half a century, came straight from Holy Writ.

You remember that episode. The Fathers were locked in debate. They were having a very difficult time in choosing a proper title for this country. Sir John A. Macdonald wished to call it The Kingdom of Canada; others felt that this would be offensive to the United States. Sir Leonard Tilley one morning at breakfast, as was his wont, was reading the Holy Scriptures, he was reading the 72nd Psalm and he came across those words in the 8th Verse: "He shall have dominion also from sea to sea and from the river unto the ends of the earth." That verse leaped out of the holy page. He took its message back to the Fathers, and that name was adopted as the title of this country. My brethren, it's a very precious title, and I think it is one of the glories of Confederation that the name that was given to this country came straight from the Volume of the Sacred Law.

Well there were, of course, many sacrifices and consecrated efforts. By faith the Fathers saw a vision and made it their goal and pursued it by practical means. The vision they saw, my brethren, was not one of a higher standard of living—that is a fetish of the 1960's. The vision that they saw was that of a great nation on the north half of this continent stretching from the Atlantic to the Pacific.

Against the cynicism of our times we need to remind ourselves that Confederation stands as a great landmark in world history. However great their individual shortcomings—and they were human, the Fathers were men of faith, and I mean men of religious faith.

Canadians have received God's providence and mercy far surpassing anything that was dreamt of in the promised land. No nation has ever had more occasion to be humbly thankful to Almighty God than have Canadians,—thankful to God the Creator, God the giver, God the sustainer. If we do not acknowledge this, if we do not thank God on our knees, my brethren, every day for the privilege of being Canadians, then surely we must be the most ungrateful of all peoples.

Friends in the United States writing to Rupert Brooks in 1916 said: "Canada is a country without a soul." One can only hope they didn't mean what they said. Perhaps they meant that Canada was a country without any definite identity; but anyway that is what they said, "Canada is a country without a soul."

If Canada hadn't found its soul by 1916—and I would doubt it—it certainly had by 1919. It was then that Canada attained the international status of a nation marked by the signing of the Treaty of Versailles by a Canadian Minister, the first time that Canada had become a party to an international treaty over the signature of its own Minister. Sir Robert Borden recounted the experience afterwards when he said his eyes filled with tears on that occasion and he thought he was signing that Treaty in the blood of 60,000 young Canadians.

Many things have been said about patriotism, my brethren, but Dr. Samuel Johnson didn't have a very kind word for it. He said, "Patriotism is the last refuge of a scoundrel." In that statue of Edith Cavell which stands a block or so north of Trafalgar Square near Canada House, her last words inscribed on the base of the monument read, "Patriotism is not enough."

But I think the most beautiful and the truest thing that has been said was said by John Masefield, "Patriotism is not a song in the street and a flag flying from a window, but it is a burden to be borne, a thing to labour for and to suffer for, and to die for, a thing which gives no happiness and no pleasantness, but a hard life, an unknown grave and the respect and bowed heads of those who follow."

Canadian unity is not only a goal but a matter of personal obligation on the part of every Canadian. Everyone must make his contribution, and I am thankful, my brethren, that it is instilled into every Mason that he has a public responsibility as a citizen to the country that affords him for the time being its protection, the benefit of its laws, that it is the country to which he owes an obligation that none else can pay.

You don't find Masons trying to tear this country apart. We preach and we practice tolerance, charity, brotherhood, love of our neighbour, freedom, the moral law. On what other or better foundation can we hope to build Canada's shining destiny?

Brethren, let me turn now to some thoughts concerning the Craft. We all have causes for concern and I suppose, principally, these can be reflected in one word—numbers, numbers of members, numbers in attendance. We are concerned that we haven't enough new members, and that we have too many resignations and too many suspensions, and all of this in a period of rapid growth in population and unprecedented national prosperity.

I wish that all of you, my brethren, had been present here in this city in 1955 at the time that we in this Jurisdiction were celebrating the Centennial of the Grand Lodge of Canada in the Province of Ontario. It was a profoundly impressive demonstration of the power and the appeal of Masonry. That's just twelve years ago. Masonry literally at that moment was at the summit.

I trust that whatever we do we are going to take a balanced view of things. Personally I do not underestimate, nor ignore the seriousness of the decline in members. I am not the less concerned because among other Jurisdictions both in Canada and the United States, many of them are experiencing the same trend, although that fact may assist us to find the causes.

But let us note certain things, my brethren, and take what comfort we may from them. First, that this experience is not confined to Masonry. Now, brethren, it's not many years ago that we were complaining that Service Clubs were making inroads on Masonry, on the attention of Masons, and on the numbers joining. Service Clubs today are encountering the same experience, problems of membership and attendance. But much more serious, my brethren, in terms of its extent and its national consequence is the fact that the churches are experiencing precisely the same problem, and I regret to say, in much more acute form. If we think Masonry has problems in this regard, my brethren, what should we think about the depopulated pews in the churches?

I am not concerned about the "Comfortable Pew." The people who are talking about the comfortable pew are people who haven't been in church for a long time. They are the people who are responsible for the empty pews, and it's high time some of these people acquired a sense of responsibility and began to pour forth their concern over the empty pews, and the national danger that they represent.

There are more people today entirely outside of the church, removed from any even formal association with it. Moreover, the problem that churches are confronted with in relation to recruitment for the Ministry has become extremely serious, and this is not confined to the Protestant Churches alone, believe me.

Now what are some of these factors, some of these factors that confront the churches and confront our Order? I don't intend

to list these four in the order of importance, but I think realistically we must examine them. First is the factor of competition. I am not thinking in any narrow, commercial sense; I am talking about competition for men's time and men's interest, particularly in their hours of diversion, hours apart from the pursuit of their callings.

I believe, and opinions on this may differ,—I know that everybody doesn't share this opinion,—but I believe that television has had an enormous responsibility in this regard, for the decline in attendance has been simultaneous, in this part of the world anyway, with the increasing popularity of television. It is a mighty force coming right into people's homes and, brethren, we can at least take this comfort out of the fact that it means that many of those absentees whom we would like to see at our lodge meetings are at least at home and, next to the lodge, where better could they be?

The second fact that I would like to mention is the pace of life. It grows quicker, and quicker and quicker. Now this was supposed to be the age of leisure. Machines were supposed to have so increased man's capacity for satisfying his own needs that increasingly he was going to be able to devote his life to leisure pursuits. That has not been the case, my brethren. There could have been more hours spent theoretically outside the office and the workshop, but this pressure of leisure pursuits has resulted in a very great compression of activities in the weekly schedule.

The pursuit of the weekend have it—with people packing up and leaving the larger cities and going away to the country and to the cottage for the weekend—has resulted in a test to compress into five days a week what used to be done in six and oftentimes seven.

This is a fact of urban life. It is very serious for the churches. It's very serious for some of the churches in this city, brethren, because there are families in those churches that make it a weekly habit. They say it's good, we want to keep the family together, off they go on Friday and they come back on Sunday night—and they are not seen in church ever.

The third factor, my brethren—and we might as well look this factor in the face—is secularization. It is the elimination of thinking about God and talking about God in all relations of life. This has gone hand in hand with two processes that are going on all over the world. There's hardly a country the world over, even among the underdeveloped countries, that is immune from urbanization and industrialization. Society becomes more complex every day, and it seems that as society becomes more complex there is greater and greater pressure to take religion out of everything, to water it down and denature it and certainly not to talk about it.

The fourth factor, which I personally take seriously, is that we don't find antagonism toward Masonry! Now, if there were people shouting from the housetops about their antagonism to Masonry, attacking us openly, as perhaps once was the case in certain quarters, then I am quite sure that Masons would have a sense of needing to rally more than they do. But you rarely find people exhibiting antagonism to Masonry, denouncing us. Rather in an atmosphere like this an enemy becomes indifferent. It's much worse than facing opposition.

Now I ask for a balanced view. Let's look at some of the other considerations. Well, I talked about the word "numbers." My brethren, let's see this in its proper relationship. Numbers are far less important than quality, and I thank God that there is no evidence of any diminution in the quality of the men who constitute this Order. We could easily increase our numbers, we could do it within six months if we'd lower our standards but it would be a gross betrayal to do so. There are, my brethren, limits to the value of statistics and the lessons they impart. This Order is more than statistics.

Second, there has been no evidence of a loss of confidence in the ideals and the teaching of Masonry. If we had walk-outs on a material scale from this Order, people going out and saying there are things being taught here that they don't believe in, we would indeed have reason for serious concern. We may well ask ourselves, my brethren, if we are supporting the ideals and the teachings of this Order as we ought, but we may take comfort, not a little of it from the fact that there is no evidence before us of any loss of confidence in the tenets of this Order.

Third, I for one see no evidence whatever of a decline in the influence of this Order. I'm not speaking of the kind of influence that gets people into jobs,—no, I'm speaking of something much more subtle. Influence of the kind I am speaking of is hard to measure. It shows itself usually only in an indirect way. I suspect that this Order, with its teachings, with the kind of men who are associated with it as its leaders and its members, has a great deal more influence on the community than any of us ever realize.

I think the same is true of Christianity. I must say that in travels I had in Asia I was impressed even in countries that are still substantially unChristian, with the extent to which they have borrowed Christian institutions—sometimes those that have commercial elements attached to them—but nevertheless they have adopted a great many Christian institutions without even a thank you to Christianity. I refer to the Christian Sunday, Christmas and other institutions, not to mention the institutions of healing and the healing arts, and education. Much that other religions of the East in their revival today are proclaiming have been borrowed straight from Christianity and also from

Judaism. I recall being told in India, when I was there, about a speech that someone had made in which he said "As Ghandi said, thou shalt love thy neighbour as thyself."

Well, brethren, history—if we will read it—is full of the evidence of the might of small numbers of people. The spirit is more important, infinitely more important than the big battalions.

Do you remember those words of Isaiah, "Except the Lord had left unto us a very small remnant, we should have been as Sodom, we should have been like unto Gomorrah." And I remind myself, my brethren, that when the first Canadian Missionary went forth from these shores, John Geddie, a Prince Edward Islander, sent out the Presbyterian Synod of Nova Scotia in 1846, he went by a decision taken in the Church court by a majority of one. He went to the New Hebrides. It was said that when John Geddie and his wife went there a hundred and twenty years ago in a little ship of 197 tons, there were on that island no Christians and all the people were cannibals, and when John Geddie's ministry was complete there were no cannibals, there were only Christians.

In the fourth place, my brethren,—I think we must be careful about leaping to conclusions, because there are so many dangers in making sweeping conclusions,—the fact is that the experience in this matter of numbers is by no means uniform; some lodges are increasing, some are decreasing, and the picture is marked by diversity. The decline that we speak of is unbalanced, and I think we must avoid prescribing policies that are too general. Where the numbers are rising I will venture to say that in most cases you will find an active, vigorous, devoted Worshipful Master in the lodge. He has been selected with care, he's been trained carefully. He does prepare his work and sees that his officers prepare their work; they prepare to the last detail; nothing is left to chance.

Yes, there are other things too, such as the smaller lodges, avoiding unwieldly big meetings where there is a lack of opportunity for fraternization. No one will ever convince me, brethren, that ritual keeps people away from attendance at lodges, or discourages numbers, if it is well done. Many brethren leave lodges, or cease to come as often as they should because the ritual is not well done. That ritual is so important that any called upon to do ritual should regard it as a privilege and should be prepared to work at it, and that factor should be impressed upon everyone who has work to do.

Fifth, my brethren, I think we should avoid taking a short view. Certainly in this Jurisdiction our record has been one from the beginning of almost unbroken growth. I said "almost." There was a reduction in the year 1880, and then in the period

from 1932 to 1941 we had ten consecutive years of reduction. Our membership dropped in this Jurisdiction from 117,000 to 91,500, a decline of 25,000 in ten years, or 21%. It was very serious.

But brethren, we did recover, yes, we did recover, and the process of growth began again. I say to you, and you will perhaps say that I am like the ostrich, I hide my head in the sand, that I cannot accept the present trend as permanent.

We deplore any losses of members by resignation, brethren; we should do everything in our power to combat these losses and avoid them. I suppose if you want to take a hard view of it you would say that the cases of resignation are the marginal cases, the brethren who weren't very interested, anyway.

Now let me turn to something that may be a little more constructive. What can we do, and therefore need to do?

First, brethren, will you forgive me for saying that I think one thing that badly needs to be done is a clarification of what is meant by "improper solicitation." I don't know what your experience is in this respect but I find that those words are creating a kind of psychosis among our brethren. There's a kind of fear that if you ever mention the word Masonry to a non-Mason you are somehow doing something improper. So we develop a great reticence.

Personally, brethren, I don't think there's any occasion for Masons to be reticent. We have secrets and we must preserve our secrets, but that is no reason why we should be reticent about talking about the mission of Masonry and what it can mean in the lives of men and strengthening moral fibre and the benefits of brotherhood and fraternity. I think we might well consider emerging from this self-imposed undercover attitude. We can do it, I believe, without the slightest cheapening of our Order or its ideals. We are not a secret society.

I ventured recently to endorse a suggestion made by some brethren who are very interested in research, that there should be an exhibit in a suitable place, for instance, The Royal Ontario Museum, of Masonic relics, the things in the history of at least this part of the country that are associated with the development of the country in which Masonry has played its valuable part. I am sure that there are a great many of these about. Just as Reg. Harris has done his monumental service to Masonry in this regard, so there'd be many following up this kind of work. I am sure that if this were the United States and they had the opportunity of gathering up Masonic relics and historic artifacts, they would be in exhibitions in many important places.

How many Canadians know that Sir John A. Macdonald was a Mason with the rank of Past Grand Senior Warden conferred upon him? But everybody in the United States knows that George Washington was a Mason. You go to Mount Vernon, you can see George Washington's apron there, and it's in a very proud place in the museum.

Now I think that we in Canada have some lessons to learn in this respect. I think we have been far too reticent about this, and I think the Craft would benefit if we didn't have this attitude of trying to hide the light of Masonry under a bushel.

The second suggestion that I'd like to make is that Masonry must serve ends larger than self. Among criticisms I heard of the Craft by a member of it, were that Masonry doesn't do anything. He'd rather belong to an organization and give his time to an organization that does something for somebody, charity, but that Masonry is lacking in work for charity. He had a point.

A friend of mine was conversing with me on the subject of Masonry. He'd been a member of a lodge in England before he came out to Canada. His father was an active officer of Grand Lodge there, and he said, "I did go to lodge for awhile in this country, but I couldn't find that they did anything. In England think of what Masonry has done, think of our great Orphanage?" Well, brethren, all Jurisdictions do need something that challenges their members to give expression to the spirit of charity in something more than self-help.

We can talk about the way in which we help our members of the Order, but I am not talking about that. That can be regarded as a sort of mutual insurance scheme. I am thinking about Masonry reaching out to help people less fortunate than we are, and outside of Masonry. Yes, Masonry has had a fine record in parts of the world in this respect, and I am thankful that we in this Jurisdiction three years ago with splendid leadership from our Most Worshipful Grand Master, and M.W. Bro. Russell Treleaven, and others, established The Masonic Charitable Foundation of Ontario.

Now we were not, as I well know, the first of the Jurisdictions in this country to have established a charitable enterprise of this nature. But already, brethren, this charitable foundation although it's been in active operation for less than two years has some formidable achievements to its record and last year—Russell Treleaven can tell you a great deal more about this because he's the President of the Foundation—we selected as the object of our charity students in the university who, apart from bursary assistance in mid-term, would be financially unable to carry on and would be forced to drop out.

Now these are not scholarships. They are bursaries that are presented at the beginning of the year. They are retained until mid-year to take care of emergency cases, and last year there were over forty students, thanks to the assistance provided by this Foundation, who were enabled to continue with their courses who would have been otherwise obliged to drop out. This is a very worthy work, my brethren, and the beauty of it is that there are no strings attached to it. We do not ask if a single recipient of these bursaries has any connection with the Order, any connection whatever. This is true charity. It's a complete expression surely of the spirit of charity.

And the third subject I'd like to mention, my brethren, where I think we can and need to do something, is in relation to religion. I think that we must combat and we must eliminate the misunderstanding that does exist, both within the Craft and outside the Craft, concerning the attitude of the Craft towards religion.

Within the Craft you know that there are many brethren who regard Masonry as a sort of substitute for religion, whether the church or the synagogue, whatever it may be, who adopt the attitude that expresses itself 'well, if we have Masonry we don't need anything more'; and consequently Masonic activities are regarded as a complete substitute for any responsibility for church activity. This, my brethren, is not a true Masonic idea at all.

Brethren, I heard a strong complaint made once in my ears by a Bishop who is a member of the Craft and who is very well disposed towards the Craft, who had to complain about rehearsals for degrees being called during church hours on Sundays in a Temple very close to his church.

Well, brethren, perhaps we can indulge in some concern about attitudes outside Masonry towards Masonry in this regard. There's history on this subject, my brethren, and it's often expressed itself in terms of hostility. By and large there are two things that have been said about Masonry in this regard. It has been said, first of all, that Masons are irreligious or the enemies of religion, and, in the second place that Masonry attempts to usurp the proper place of religion, by which is meant the proper place of church or synagogue. All of these ideas, as every one of us here tonight well knows, are erroneous, but it remains for us to show that these ideas are in fact erroneous; it remains for us to eliminate them and to avoid the harmful misunderstandings associated with them.

Now, just as with military messes, we bar discussion of religion and politics in our lodges because, of course, of the fear that the discussion might be of a divisive nature, it might disturb the harmony of the lodge. In the second place, we say that there are plenty of places and plenty of opportunities where such discussion can be carried on without bringing these discussions into the lodge.

We can say all this brethren, it's all correct, it's all true but, the fact is that Masonry is related and related closely to religion. We never treat religion or belief with disrespect. We practice at our best tolerance, we admonish at our best, we admonish the brethren to be good churchmen. We have much in common with true religion, belief in the existence of a Supreme Being that He will punish vice and reward virtue, and that he has made Himself known, that He has declared His will to men. We have the Volume of the Sacred Law in which the Almighty has revealed more of His divine will than he has by any other means. We have prayer by which we have direct access to the throne of grace. We have the moral law and, my brethren, to us this is not something external, because we believe that the moral law is God's law, it is not man-made law. One of the most penetrating things that I have seen on this subject of the moral law, and exposing the error of the idea that the moral law is something that evolves and changes all the time because morals are only custom and customs change and therefore the moral law changes. This completely erroneous idea was put down by a Dean in an academic institution in the United States in these words: "There is abroad among us the popular belief that men can think effectively and even wisely in practical matters without involving themselves in any religious or philosophical presupposition. Consequently, in our thinking, ethical standards have been largely divorced from religious conviction. Thought of in this way ethical standards are not rather regarded as having objective validity or as involving men in any absolute obligation to observe them. They are seen rather as crystalization of custom that have only the sanction of a past, and now transcended culture. Therefore, since man made them a man may break them with impunity if it seems to his advantage to do so, and he can get away with it."

And against that, this man puts what he calls "The religious convictions of both Jew and Christian that morals are not man-made. They are built into the structure of the world with the same firmness and reality as gravitation, and they have their sanction in the moral will of Almighty God. Right is right."

We have charity, brethren—the instruction to love our neighbour and practice benevolence. Supremely we have brotherhood, and I have it from the lips of a very great religious leader in this city that he has never known anything in the church that has taught him more of the true essence of brotherhood than has Masonry.

We have conscience, conscience sovereign and majestic, conscience that makes cowards of some and lions of others, those like Sir Gallahad, whose strength was as the strength of ten because his heart was pure. And again, my brethren, we have the ecumenical spirit, more and more in evidence each day in relations of the churches, and where is the ecumenical spirit more completely at home than in Masonry?

Well, brethren, it's time I was bringing these remarks to a conclusion.

Masonry and religion have common foes. Think of just a few of them: Rationalism, strong force that it is today; cynicism—remember Oscar Wilde, who defined a cynic as a man who knows the price of everything and the value of nothing—; secularization; materialism; humanism, the idea that man is an end in himself.

And so if one were trying to sum up the challenge of this age, I suppose one would say "how big is man?" Is he big enough to challenge God for first place in the universe, or to supplant God? What is man, asks the Psalmist? What is God, asks the modern froward man?

Is man an insignificant thing or is he big enough to judge God? The Volume of the Sacred Law places God in the position of judge. It is impious men who are placing themselves, and blatantly in some places today, in the position of sitting in judgment on God.

Man has some wonderful and remarkable achievements in our day to his record, amazing scientific advances, and no one can say that we are anything more than on the threshold in this process of unlocking the secrets of nature. Many more are yet to come. But, if you think man is sufficient in himself, let me ask you as men if man has yet conquered himself?

I said rationalism was one of the common foes of the church and the Craft. Well, let's take a little comfort here, my brethren. Rationalism is a strong force in men's thinking today, but there have been periods in the past when rationalism was a stronger force than it is today. It was a stronger force in the days of Greece and Rome, but it was not strong enough to withstand the sweep of a new religion based upon belief in the resurrection and utter unwordliness.

The Eighteenth Century, the classic age of rationalism witnessed in the French Revolution the revolutionaries placing a prostitute in the throne of the Bishop in the Cathedral of Notre Dame and proceeding to worship her as the Goddess of reason! And yet the Eighteenth Century gave birth to the United Grand Lodge of England.

Hitler sought to destroy all the inheritance of Mount Sinai, and others thought they were in a position to challenge God's laws—where are they today?

Finally, my brethren, there is one thing that we share with religion, it is supreme relevance to life. There is one feature of the Volume of the Sacred Law: the word "life" stands out on almost every page of it. If Masonry is to have relevance for our day and its problems, it must be true to life.

Is Canada to be but an ample body with a meagre soul? We have talked about living in an age of explosive change, and we as a Craft I am sure welcomed many of the changes that we have seen, but we don't welcome changes that effect themselves in the so-called "new morality" which is neither new, nor morality, and the ugly fruits of which are to be seen on all hands in an alarming increase in venereal disease and illegitimacy.

I heard a Professor give a picture of the life in the next century a few nights ago; there was going to be no need of a family, he said sex would be only for fun, parents would turn over their children to a State institution to rear and, my brethren, he was able to go through this very interesting description and the word "love" never once entered into his picture of the next century!

What have we to give the world? I hope we have much to give, and that we are conscious of our obligation to give, for we have received much. We have the essential tenets of this Craft to give—doesn't the world need them? Masonry's place always has been in the world, in a world, not of saints, but of men. It has survived and it has grown among practical men. Its tenets and its ideals have been tested and have been proved in the hardest of all schools. Masonry seeks no escape, no escape to the cloister or the shelter. It stands in the full stream of life where cross the crowded ways of men. Like Luther, it says: "Here I stand, I can do no other." Are we overwhelmed by the power of physical forces, or are we unduly impressed with the knowledge and the intelligence of men? I close:

"Though world on world in myriad myriads roll
Round us, each with different powers,
And other forms of life than ours,
What know we greater than the soul?"

Brethren, I thank you. (Continued applause.)

The President extended a most cordial welcome to all on behalf of the Grand Lodge of Canada (in Ontario), our host Grand Jurisdiction. He also extended an invitation to all present to a formal dinner to be tendered by his Grand Lodge that evening, at same time announcing that R.W. Bro. Donald M. Fleming, Past Grand Junior Warden and a member of our Board of General Purposes would be our guest speaker at this dinner.

Following announcements by the Secretary and the presentation of his report a Nominating Committee comprising E. G.

Dixon, Chairman, T. C. Jackson, S. C. Heckbert, E. H. Rivers, H. F. Sipprell, Roderick Guzzwell, D. L. Gibson, J. B. Nayler, A. C. Lemmon, and J. A. Carruthers was appointed to report on;

- (a) Time and place of the next Conference.
- (b) Officers and committees for the next Conference.

On Wednesday afternoon M.W. Bro. H. S. Perdue presented the first paper "What is the place of tradition in Freemasonry? How far is it helpful? Can it be a hinderance?" The discussion on this paper was led by R.W. Bro. F. C. Morrison.

The afternoon session was followed by a formal dinner as guests of M.W. Bro. James N. Allan, Grand Master of the Grand Lodge of Canada (in Ontario) at which R.W. Bro. Hon. Donald M. Fleming spoke on "Masonry in the Centennial Setting." This was a most interesting and appropriate address because Canada was celebrating the Centenary of Confederation this year.

On Thursday, February 16th, the following papers were presented and discussed following the opening of the Session at 9.30 a.m.

- (a) "Report of the Committee on Fraternal Relations," prepared by M.W. Bro. W. A. Henry, P.G.M. of Alberta and, in his absence, presented by R.W. Bro. E. H. Rivers.
- (b) "Masonic Trails: How can procedure be simplified or varied to make it easier for lodges to deal with Masonic offences?" — presented by M.W. Bro. T. G. Towers. The discussion was led by R.W. Bro. M. C. Hooper.
- (c) "What is the prognosis of our Craft in the years ahead?" — presented by R.W. Bro. J. B. Nayler. The discussion was led by M.W. Bro. J. A. Carruthers.
- (d) "Why should Freemasons not undertake Community projects outside the Craft?" — presented by R.W. Bro. D. L. Gibson. The discussion was led by R.W. Bro. D. J. Gunn.

On Thursday evening, February 16, the Canadian Masonic Research Association held a meeting which was attended by many delegates and at which some very interesting papers were presented.

On Friday morning, February 17, the last paper was presented:

"Are we reaping the whirlwind of the harvest of the 1920's and the 1940's?" — presented by R.W. Bro. A. C. Lemmon. The discussion was led by R.W. Bro. E. J. A. Harnum.

Following an Open Forum the reports of the Nominating Committee and the Committee on time and place of the next Conference were received and adopted unanimously as follows:

- (i) The Eleventh Biennial Conference to be held in the City of Winnipeg, Manitoba, in February, 1969, the dates to be set by the officers of the Conference, who are;

President — The Grand Master of Alberta in office in 1969.

Vice-President — The District Grand Master of Newfoundland (Scottish Constitution).

Secretary — S. Carl Heckbert, Alberta.

Treasurer — Ewart G. Dixon, Ontario.

At noon on Friday, February 17, 1967 the Conference was closed with a benediction.

And so ended another most successful and stimulating Conference although with some regret that British Columbia still declines membership.
